ARTICLE II

The Commitments and Credit Extensions

Section 2.01. The Loans. (a) *The Term Borrowings.* Subject to the terms and conditions set forth herein, each Term Lender severally agrees to make to the Borrower a single loan denominated in Dollars in a principal amount equal to such Term Lender's Term

Commitment on the Closing Date. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Term Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein.

(b) *The Working Capital RC Borrowings*. Subject to the terms and conditions set forth herein, each Working Capital RC Lender severally agrees to make loans denominated in Dollars to the Borrower (each such loan, a " Working Capital RC Loan") from time to time, on any Business Day until the Maturity Date for the Working Capital RC Facility, in an aggregate principal amount not to exceed at any time outstanding the amount of such Lender's Working Capital RC Commitment; provided that after giving effect to any Working Capital RC Borrowing, the aggregate Outstanding Amount of the Working Capital RC Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Working Capital RC Commitment. Within the limits of each Lender's Working Capital RC Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(b), prepay under Section 2.06, and reborrow under this Section 2.01(b). Working Capital RC Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further *provided* herein.

(c) *The Pre-Funded RC Borrowings*. Subject to the terms and conditions set forth herein, each Pre-Funded RC Lender severally agrees to make loans denominated in Dollars to the Borrower (each such loan, a " Pre-Funded RC Loan") from time to time, on any Business Day until the Maturity Date for the Pre-Funded RC Facility, in an aggregate principal amount not to exceed at any time outstanding the amount of such Lender's Pre-Funded RC Commitment; provided that after giving effect to any Pre-Funded RC Borrowing, the aggregate Outstanding Amount of the Pre-Funded RC Loans of any Lender shall not exceed such Lender's Pre-Funded RC Commitment. Within the limits of each Lender's Pre-Funded RC Commitment, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(c), repay under Section 2.06, and reborrow under this Section 2.01(c). Pre-Funded RC Loans may be Base Rate Loans or Eurocurrency Rate Loans, as further *provided* herein.

Section 2.02. Borrowings, Conversions and Continuations of Loans . (a) Each Term Borrowing, each Working Capital RC Borrowing, each Pre-Funded RC Borrowing, each conversion of Term Loans, Working Capital RC Loans or Pre-Funded RC Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 12:30 p.m. (i) except for notices delivered prior to the Closing Date, three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans, and (ii) one (1) Business Day before the requested date of any Borrowing of Base Rate Loans or conversion of any Eurocurrency Rate Loans to Base Rate Loans. Each telephonic notice by the Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof. Except as *provided* in Sections 2.03(c) and 2.04(c), each Borrowing of or conversion to Base

Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower is requesting a Term Borrowing, a Working Capital RC Borrowing, a Pre-Funded RC Borrowing, a conversion of Term Loans, Working Capital RC Loans or Pre-Funded RC Loans from one Type to the other, or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Term Loans, Working Capital RC Loans or Pre-Funded RC Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans, Working Capital RC Loans or Pre-Funded RC Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 1:00 p.m., in each case on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are Swing Line Loans or L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, second, to the payment in full of any such Swing Line Loans, and third, to the Borrower as provided above. Each Pre-Funded RC Lender hereby irrevocably authorizes the Administrative Agent to fund each Pre-Funded RC Loan to be made by such Pre-Funded RC Lender hereunder solely by requesting the Pre-Funded RC Deposit Bank (and the Pre-Funded RC Deposit Bank hereby agrees) to withdraw such Pre-Funded RC Lender's Pro Rata Share of the Pre-Funded RC Deposits on deposit with the Pre-Funded RC Deposit Bank in the Pre-Funded RC Deposit Account and to pay same over to the Administrative Agent.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrower pays the amount due, if any, under Section 3.05(a) in connection

therewith. During the existence of an Event of Default, the Administrative Agent or the Required Lenders may require that no Loans may be converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in DBNY's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Term Borrowings, all Working Capital RC Borrowings, all Pre-Funded RC Borrowings, all conversions of Term Loans, Working Capital RC Loans or Pre-Funded RC Loans from one Type to the other, and all continuations of Term Loans, Working Capital RC Loans or Pre-Funded RC Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect (or such greater number as may be acceptable to the Administrative Agent).

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

Section 2.03. Letters of Credit. (a) *The Letter of Credit Commitment*. (i) On and after the Closing Date, the Existing Letters of Credit will constitute Letters of Credit under this Agreement and for purposes hereof will be deemed to have been issued on the Closing Date. Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Working Capital RC Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars on a sight basis for the account of the Borrower (provided that any Letter of Credit may be for the benefit of any Subsidiary of the Borrower) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (2) to honor drafts under the Letters of Credit and (B) the Working Capital RC Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; provided that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (x) the Working Capital RC Exposure of any Lender would exceed such Lender's Working Capital RC Commitment or (y) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless the Required Lenders have approved such expiry date;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Working Capital RC Lenders have approved such expiry date;

(D) the issuance of such Letter of Credit would violate any Laws binding upon such L/C Issuer;

(E) such Letter of Credit is in an initial amount less than $50,000 (or such lesser amount as may be acceptable to the respective L/C Issuer); or

(F) any Working Capital RC Lender is a Defaulting Lender at such time, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate such L/C Issuer's risk with respect to the participation in Letters of Credit by such Defaulting Lender, including by cash collateralizing such Defaulting Lender's Pro Rata Share of the L/C Obligations.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) *Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit*. (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 12:30 p.m. at least two (2) Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter

of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount thereof; (c) the expiry date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (g) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Working Capital RC Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic renewal provisions (each, an "Auto-Renewal Letter of Credit"); provided that any such Auto-Renewal Letter of Credit must permit the relevant L/C Issuer to prevent any such renewal at least once in each twelve month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Nonrenewal Notice Date") in each such twelve month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided that the relevant L/C Issuer shall not permit any such renewal if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Nonrenewal Notice Date from the Administrative Agent, any Working Capital RC Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) *Drawings and Reimbursements; Funding of Participations* . (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. Not later than 11:00 a.m. on the Business Day immediately following any payment by an L/C Issuer under a Letter of Credit (each such date, an " Honor Date"), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing, together with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed on the date of such payment of disbursement. If the Borrower does not reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Appropriate Lender's Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested a Working Capital RC Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the amount of the unutilized portion of the Working Capital RC Commitments of the Appropriate Lenders and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Appropriate Lender (including any Appropriate Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer, in Dollars, at the Administrative Agent's Office for payments in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Appropriate Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Working Capital RC Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Appropriate Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Appropriate Lender funds its Working Capital RC Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Working Capital RC Lender's obligation to make Working Capital RC Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that each Working Capital RC Lender's obligation to make Working Capital RC Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Working Capital RC Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the Federal Funds Rate from time to time in effect. A certificate of the relevant L/C Issuer submitted to any Working Capital RC Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(d) *Repayment of Participations*. (i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Working Capital RC Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect.

(e) *Obligations Absolute*. The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations any Loan Party in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(f) *Role of L/C Issuers*. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any draft, demand, certificate or other document expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(e); provided that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a draft, demand, certificate or other document strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) *Cash Collateral*. (i) If any Event of Default occurs and is continuing and the Administrative Agent or the Required Lenders, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02(c) or (ii) an Event of Default set forth under Section 8.01(f) occurs and is continuing, then the Borrower shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default), and shall do so not later than 2:00 p.m. on (x) in the case of the immediately preceding clause (i), (1) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 Noon, or (2) if clause (1) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (ii), the Business Day on which an Event of Default set forth under Section 8.01(f) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Lenders, as collateral for the L/C Obligations, cash or deposit account balances (" Cash Collateral") pursuant to documentation in form and

substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuers and the Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked accounts at DBNY and may be invested in readily available Cash Equivalents. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at DBNY as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(g) is cured or otherwise waived by the Required Lenders, then so long as no other Event of Default has occurred and is continuing, all Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrower.

(h) *Letter of Credit Fees*. The Borrower shall pay to the Administrative Agent for the account of each Working Capital RC Lender in accordance with its Pro Rata Share a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the remainder of (x) the Applicable Rate times the daily maximum amount then available to be drawn under such Letter of Credit (determined without regard to whether any conditions to drawing could then be met) minus (y) the fronting fee paid to the relevant L/C Issuer for each such Letter of Credit for the relevant period pursuant to Section 2.03(i). Such Letter of Credit fees shall be computed on a quarterly basis in arrears. Such Letter of Credit fees shall be due and payable in Dollars on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) *Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers* . The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum of the daily maximum amount then available to be drawn under such Letter of Credit (determined without regard to whether any conditions to drawing could then be met). Such fronting fees shall be (x) computed on a quarterly basis in arrears and (y) due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and

thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(j) *Conflict with Letter of Credit Application*. Notwithstanding anything else to the contrary in this Agreement, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) *Addition of an L/C Issuer*. A Working Capital RC Lender may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Working Capital RC Lender. The Administrative Agent shall notify the Working Capital RC Lenders of any such additional L/C Issuer.

Section 2.04. Swing Line Loans. (a) *The Swing Line*. Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans (each such loan, a "Swing Line Loan") to the Borrower from time to time on any Business Day (other than the Closing Date) until the Maturity Date for the Working Capital RC Facility in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Working Capital RC Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Working Capital RC Commitment; provided that (i) after giving effect to any Swing Line Loan, the aggregate Outstanding Amount of the Working Capital RC Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Working Capital RC Commitment then in effect and (ii) notwithstanding the foregoing, the Swing Line Lender shall not be obligated to make any Swing Line Loans at a time when a Working Capital RC Lender is a Defaulting Lender, unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Borrower to eliminate the Swing Line Lender's risk with respect to the Defaulting Lender's participation in such Swing Line Loans, including by cash collateralizing such Defaulting Lender's Pro Rata Share of the outstanding amount of Swing Line Loans; provided further that, the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.06, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Swing Line Loans shall only be denominated in Dollars. Immediately upon the making of a Swing Line Loan, each Working Capital RC Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(b) *Borrowing Procedures*. Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall

specify (i) the amount to be borrowed, which shall be a minimum of $100,000 or a whole multiple of $100,000 in excess thereof, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Working Capital RC Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(c) *Refinancing of Swing Line Loans*. (i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Working Capital RC Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the aggregate Working Capital RC Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Working Capital RC Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Committed Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 1:00 p.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Working Capital RC Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Working Capital RC Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Working Capital RC Lenders fund its risk participation in the relevant Swing Line Loan and each Working Capital RC Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Working Capital RC Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid

by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the Federal Funds Rate from time to time in effect. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Working Capital RC Lender's obligation to make Working Capital RC Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that each Working Capital RC Lender's obligation to make Working Capital RC Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) *Repayment of Participations*. (i) At any time after any Working Capital RC Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Working Capital RC Lender shall pay to the Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) *Interest for Account of Swing Line Lender*. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Working Capital RC Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) *Payments Directly to Swing Line Lender*. The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

Section 2.05. Pre-Funded RC Deposits. (a) On the Closing Date and subject to the satisfaction of the applicable conditions precedent set forth in Article IV, each Pre-Funded RC Lender on such date shall pay to the Pre-Funded RC Deposit Bank such Pre-Funded RC Lender's Pre-Funded RC Deposit. The Pre-Funded RC Deposits shall be held by the Pre-Funded RC Deposit Bank in (or credited to) the Pre-Funded RC Deposit Account and applied as necessary to fund Pre-Funded RC Borrowings, and no Person other than the Pre-Funded RC Deposit Bank shall have a right of withdrawal from the Pre-Funded RC Deposit Account or any other right or power with respect to the Pre-Funded RC Deposits. Notwithstanding anything herein to the contrary, the funding obligation of each Pre-Funded RC Lender in respect of its participation in Pre-Funded RC Borrowings shall be satisfied in full upon the funding of its Pre-Funded RC Deposit.

(b) Each of the Pre-Funded RC Deposit Bank, the Administrative Agent and each Pre-Funded RC Lender hereby acknowledges and agrees that (i) each Pre-Funded RC Lender is funding its Pre-Funded RC Deposit to the Pre-Funded RC Deposit Bank for application in the manner contemplated by Section 2.01(c), (ii) the Pre-Funded RC Deposit Bank may invest the Pre-Funded RC Deposits in such investments as may be determined from time to time by the Pre-Funded RC Deposit Bank and (iii) the Pre-Funded RC Deposit Bank has agreed to pay to the Administrative Agent, who shall in turn pay to each Pre-Funded RC Lender, a return on its Pre-Funded RC Deposit (except (x) during periods when such Pre-Funded RC Deposits are used to fund Pre-Funded RC Loans or (y) as otherwise provided in Sections 2.05(d) and (f)) for each Pre-Funded RC Lender equal at any time to the LIBOR Rate for the Interest Period in effect for the Pre-Funded RC Deposits at such time less the Pre-Funded RC Deposit Cost Amount at such time. Such interest will be paid to the Pre-Funded RC Lenders by the Administrative Agent (solely from amounts received by it from the Pre-Funded RC Deposit Bank) at the LIBOR Rate for the Interest Period in effect for the Pre-Funded RC Deposits at such time (or at an amount determined in accordance with Section 2.05(d) or (f), as applicable) less, in each case, the Pre-Funded RC Deposit Cost Amount as in effect from time to time in arrears on each Pre-Funded RC Interest Payment Date.

(c) Neither the Borrower nor any other Loan Party shall have any right, title or interest in or to the Pre-Funded RC Deposit Account or the Pre-Funded RC Deposits and no obligations with respect thereto (except to repay Pre-Funded RC Loans and all related Obligations, it being acknowledged and agreed by the parties hereto that the funding of the Pre-Funded RC Deposits by the Pre-Funded RC Lenders to the Pre-Funded RC Deposit Bank for deposit in the Pre-Funded RC Deposit Account and the application of the Pre-Funded RC Deposits in the manner contemplated by Section 2.02(b) constitute agreements among the Pre-Funded RC Deposit Bank, the Administrative Agent and each Pre-Funded RC Lender with respect to its participation in the Pre-Funded RC Loans and do not constitute any loan or extension of credit to the Borrower). Without limiting the generality of the foregoing, each party hereto acknowledges and agrees that no amount on deposit at any time in the Pre-Funded RC Deposit Account shall be the property of any Secured Party (other than the Pre-Funded RC Deposit Bank) or any of any Loan Party or any of its Subsidiaries or Affiliates. In addition, each Pre-Funded RC Lender hereby grants to the Pre-Funded RC Deposit Bank a security interest in, and rights of offset against, its rights and interests in such Pre-Funded RC Lender's Pre-Funded RC Deposit, and investments thereof and proceeds of any of the foregoing, to secure the obligations of such Pre-Funded RC Lender hereunder. Each Pre-Funded RC Lender agrees that

its right, title and interest with respect to the Pre-Funded RC Deposit Account shall be limited to the right to require its Pre-Funded RC Deposit to be used as expressly set forth herein and that it will have no right to require the return of its Pre-Funded RC Deposit other than as expressly provided herein (each Pre-Funded RC Lender hereby acknowledges that its Pre-Funded RC Deposit constitutes payment for its obligations under Sections 2.01(c) and 2.02(b) and that the Administrative Agent (on behalf of the respective Pre-Funded RC Lender) will be advancing Pre-Funded RC Loans to the Borrower in reliance on the availability of such Pre-Funded RC Lender's Pre-Funded RC Deposit to discharge such Pre-Funded RC Lender's obligations in respect thereof).

(d) If the Pre-Funded RC Deposit Bank is not offering Dollar deposits (in the applicable amounts) in the applicable eurodollar interbank market, or the Pre-Funded RC Deposit Bank determines that adequate and fair means do not otherwise exist for ascertaining the LIBOR Rate for the Pre-Funded RC Deposits (or any part thereof), then the Pre-Funded RC Deposits (or such parts, as applicable) shall be invested so as to earn a return equal to the greater of the Federal Funds Rate and a rate determined by the Pre-Funded RC Deposit Bank in accordance with banking industry rules on interbank compensation.

(e) The Borrower shall have the right to elect the Interest Period to be applicable to the Pre-Funded RC Deposits from time to time, which Interest Period shall, at the option of the Borrower, be a one, two or three month period, provided that (in each case):

(i) the Pre-Funded RC Deposits shall at all times have the same Interest Period;

(ii) the initial Interest Period for the Pre-Funded RC Deposits shall commence on the Closing Date and each Interest Period occurring thereafter in respect of the Pre-Funded RC Deposits shall commence on the day on which the next preceding Interest Period applicable thereto expires, provided that (x) if any Interest Period for the Pre-Funded RC Deposits begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month, and (y) if any Interest Period for the Pre-Funded Deposits would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day, although if any Interest Period for the Pre-Funded Deposits would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day; and

(iii) until the Borrower notifies the Administrative Agent of a change in the Interest Period as provided below, each Interest Period for the Pre-Funded Deposits shall be a period of one month.

The Borrower shall have the right to elect a new Interest Period to be applicable to the Pre-Funded Deposits so long as the Borrower notifies the Administrative Agent of such election in writing by 12:30 p.m. on the third Business Day prior to the expiration of the Interest Period then in effect for the Pre-Funded Deposits; provided, however, if the Borrower has failed to so notify the Administrative Agent of such Interest Period, the Borrower shall be deemed to have elected an Interest Period of one month effective as of the expiration of such current Interest Period.

(f) If any Pre-Funded RC Loan is repaid on a day other than on the last day of an Interest Period or Scheduled Investment Termination Date applicable to the Pre-Funded RC Deposits, the Administrative Agent shall, upon receipt thereof, pay over such amounts to the Pre-Funded RC Deposit Bank which will invest the amount so reimbursed in overnight or short-term cash equivalent investments until the end of the Interest Period or Scheduled Investment Termination Date at the time in effect and the Borrower shall pay to the Pre-Funded RC Deposit Bank, upon the Pre-Funded RC Deposit Bank's request therefor, the amount, if any, by which the interest accrued on a like amount of the Pre-Funded RC Deposits at the LIBOR Rate for the Interest Period in effect therefor shall exceed the interest earned through the investment of the amount so reimbursed for the period from the date of such repayment or reimbursement through the end of the applicable Interest Period, as determined by the Pre-Funded RC Deposit Bank (such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto) and set forth in the request for payment delivered to the Borrower. In the event that the Borrower shall fail to pay any amount due under this Section 2.05(f), the interest payable by the Pre-Funded RC Deposit Bank to the Pre-Funded RC Lenders on their Pre-Funded RC Deposits under Section 2.05(b) shall be correspondingly reduced and the Pre-Funded RC Lenders shall without further act succeed, ratably in accordance with their Pro Rata Shares, to the rights of the Pre-Funded RC Deposit Bank with respect to such amount due from the Borrower. All repayments of Pre-Funded RC Loans that have been funded by the Pre-Funded RC Lenders from the Pre-Funded RC Deposits, in each case received by the Administrative Agent prior to the termination of the aggregate Pre-Funded RC Commitment, shall be paid over to the Pre-Funded RC Deposit Bank which will deposit same in the Pre-Funded RC Deposit Account.

(g) (i) If the Administrative Agent and/or the Pre-Funded RC Deposit Bank is enjoined from taking any action referred to in this Section 2.05 and/or in Section 2.01(c) or 2.02(b) (in each case in respect of a Pre-Funded RC Loan), or if the Administrative Agent and/or the Pre-Funded RC Deposit Bank reasonably determines that, by operation of law, it may reasonably be precluded from taking any such action, or if any Loan Party or Pre-Funded RC Lender challenges in any legal proceeding any of the acknowledgments, agreements or characterizations set forth in any of this Section 2.05 and/or in Section 2.01(c) or 2.02(b) (in each case in respect of Pre-Funded RC Loans), then, in any such case (and so long as such event or condition shall be continuing), and notwithstanding anything contained herein to the contrary, the Administrative Agent shall not be required to advance any Pre-Funded RC Loan on behalf of the affected Pre-Funded RC Lender or Pre-Funded RC Lenders.

(ii) In the event any payment of a Pre-Funded RC Loan shall be required to be refunded to the Borrower after the return of the Pre-Funded RC Deposits to the Pre-Funded RC Lenders as permitted hereunder, each Pre-Funded RC Lender agrees to acquire and fund a participation in such refunded amount equal to the lesser of its applicable Pro Rata Share thereof and the amount of its Pre-Funded RC Deposit that shall have been so returned. The obligations of the Pre-Funded RC Lenders under this clause (ii) shall survive the payment in full of the Pre-Funded RC Deposits and the termination of this Agreement.

Notwithstanding anything to the contrary contained in this Agreement, following the repayment by the Borrower of any Pre-Funded RC Loan, in no event shall the Pre-Funded RC Deposit Bank be required to return to any Pre-Funded RC Lender any proceeds of such Pre-Funded RC Lender's Pre-Funded RC Deposit prior to the 90th day following such repayment unless the respective Pre-Funded RC Lender shall have sufficiently indemnified the Pre-Funded RC Deposit Bank (in the sole discretion of the Pre-Funded RC Deposit Bank) for any losses the Pre-Funded RC Deposit Bank may incur as a result of preference claims brought by any creditor of the Borrower with respect to the proceeds of such repayment.

Section 2.06. Prepayments. (a) *Optional*. (i) Except as otherwise provided below in this Section 2.06(a), the Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Term Loans, Working Capital RC Loans and Pre-Funded RC Loans in whole or in part without premium or penalty; provided that (1) such notice must be received by the Administrative Agent not later than 12:30 p.m. (A) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans and (B) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurocurrency Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof; and (3) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding; and provided further, however, that, unless all Pre-Funded RC Loans are to be repaid in full and all Pre-Funded RC Commitments are to be terminated at the time of such prepayment, voluntary prepayments of Pre-Funded RC Loans only may be made with cash proceeds actually received by the Borrower after the Closing Date (including through capital contributions received from Holdings) from a Permitted Equity Issuance by Holdings or the Borrower. Each such notice shall specify the date and amount of such prepayment, the Class(es) and Type(s) of Loans to be prepaid and (i) in the case of a prepayment of Term Loans, the manner in which the Borrower elects to have such prepayment applied to the remaining repayments thereof; provided that in the event such notice fails to specify the manner in which the respective prepayment of Term Loans shall be applied to repayments thereof required pursuant to Section 2.08(a), such prepayment of Term Loans shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.08(a), and (ii) in the case of a partial prepayment of Pre-Funded RC Loans, a certification that such prepayment is being made with new cash equity proceeds as provided above in this Section 2.06(a). The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05(a). Each prepayment of the Loans pursuant to this Section 2.06(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares.

(ii) The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of

$100,000 or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.06(a)(i) or 2.06(a)(ii) if such prepayment would have resulted from a refinancing in total of a Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(b) *Mandatory*. (i) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(b), the Borrower shall cause to be prepaid Term Loans in an aggregate principal amount equal to (A) 50% of Excess Cash Flow, if any, for the fiscal year (or, in the case of the fiscal year ending December 31, 2007, for the period commencing on the Closing Date and ending on December 31, 2007) covered by such financial statements (commencing with the fiscal year ending December 31, 2007) minus (B) the sum of (without duplication) (i) all voluntary prepayments of Term Loans during such fiscal year, (ii) all voluntary prepayments of Working Capital RC Loans during such fiscal year to the extent the Working Capital RC Commitments are permanently reduced by the amount of such payments, and (iii) all mandatory prepayments of Term Loans pursuant to Section 2.06(b)(iv) in respect of such fiscal year, but in the case of each of the immediately preceding clauses (i) and (ii), to the extent such prepayments are not funded with the proceeds of Indebtedness; provided that (x) the percentage of Excess Cash Flow specified in clause (A) above shall instead be 25% if the Rent Adjusted Leverage Ratio as of the last day of the fiscal year covered by such financial statements was less than or equal to 5.25:1.00 but greater than 4.00:1.00 and (y) no payment of any Term Loans shall be required under this Section 2.06(b)(i) if the Rent Adjusted Leverage Ratio as of the last day of the fiscal year covered by such financial statements was less than or equal to 4.00:1.00.

(ii) (A) If (x) Holdings, the Borrower or any Restricted Subsidiary Disposes of any property or assets (other than any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d) (to the extent constituting a Disposition by any Restricted Subsidiary to a Loan Party), (e), (g), (h), (i), (j) or (n) or (y) any Casualty Event occurs, which in the aggregate results in the realization or receipt by Holdings, the Borrower or such Restricted Subsidiary of Net Cash Proceeds, the Borrower shall cause to be prepaid on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds, Term Loans in an aggregate principal amount equal to 100% of all Net Cash Proceeds received; provided that no such prepayment shall be required pursuant to this Section 2.06(b)(ii) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest in accordance with Section 2.06(b)(ii)(B) (which notice may only be provided if no Event of Default has occurred and is then continuing);

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of

Section 2.06(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business or its Restricted Subsidiaries within (x) twelve (12) months following receipt of such Net Cash Proceeds or (y) if the Borrower enters into a legally binding commitment to reinvest such Net Cash Proceeds within twelve (12) months following receipt thereof, within the later of (a) one hundred and eighty (180) days following the date of such legally binding commitment and (b) twelve (12) months following receipt of such Net Cash Proceeds; provided that (i) so long as an Event of Default shall have occurred and be continuing, the Borrower (x) shall not be permitted to make any such reinvestments (other than pursuant to a legally binding commitment that the Borrower entered into at a time when no Event of Default is continuing) and (y) shall not be required to apply such Net Cash Proceeds which have been previously applied to prepay Working Capital RC Loans to the prepayment of Term Loans until such time as the relevant investment period has expired and no Event of Default is continuing and (ii) if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested (whether because the applicable reinvestment period has expired or otherwise) at any time after delivery of a notice of reinvestment election, an amount equal to any such Net Cash Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.06.

(iii) If Holdings, the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness not expressly permitted to be incurred or issued pursuant to any clause of Section 7.03 (other than clause (t) of said Section), the Borrower shall cause to be prepaid Term Loans in an aggregate principal amount equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds.

(iv) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(b), the Borrower shall, to the extent that the Rent Adjusted Leverage Ratio as of the last day of the fiscal year covered by such financial statements was equal to or greater than 5.25:1.00, cause to be prepaid Term Loans in an aggregate principal amount equal to the remainder of (A) the lesser of (x) (i) in the case of the fiscal year ended December 31, 2007, $50,000,000 and (ii) in the case of each fiscal year ending thereafter, $75,000,000 and (y) 100% of Minimum Free Cash Flow, if any, for the fiscal year (or, in the case of the fiscal year ended December 31, 2007, for the period commencing on the Closing Date and ending on December 31, 2007) covered by such financial statements (commencing with the fiscal year ended December 31, 2007) minus (B) the sum of (i) all voluntary prepayments of Term Loans during such fiscal year (except to the extent funded with the proceeds of Indebtedness), (ii) all voluntary prepayments of Working Capital RC Loans during such fiscal year (except to the extent funded with the proceeds of Indebtedness) to the extent the Working Capital RC Commitments are permanently reduced by the amount of such payments and (iii) all repayments or payments of Term Loans during such fiscal year pursuant to Section 2.08(a).

(v) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered

pursuant to Section 6.02(b), the Borrower shall cause an amount equal to 100% of True Cash Flow, if any, for the fiscal year (or, in the case of the fiscal year ending December 31, 2007, for the period commencing on the Closing Date and ending on December 31, 2007) covered by such financial statements (commencing with the fiscal year ending December 31, 2007) to be applied (i) first, to repay principal of outstanding Pre-Funded RC Loans and (ii) second, to the extent in excess of the amount required to be applied pursuant to preceding clause (i), to be delivered to the Administrative Agent for deposit by the Administrative Agent into the Capital Expenditures Account, provided that the maximum amount required to be so delivered to the Administrative Agent and deposited into the Capital Expenditures Account in respect of any fiscal year shall not exceed the remainder of (A) $100,000,000 minus (B) the aggregate amount of funds then on deposit in (or credited to) the Capital Expenditures Account. Amounts repaid or prepaid in respect of Pre-Funded RC Loans or deposited in the Capital Expenditures Account, in each case pursuant to this Section 2.08(b)(v), may be redrawn or reborrowed, as applicable, in each case in accordance with the terms of this Agreement.

(vi) If for any reason the aggregate Working Capital RC Exposures at any time exceeds the aggregate Working Capital RC Commitments then in effect, the Borrower shall promptly prepay or cause to be promptly prepaid Working Capital RC Loans and Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.06(b)(vi) unless after the prepayment in full of the Working Capital RC Loans and Swing Line Loans, such aggregate Outstanding Amount exceeds the aggregate Working Capital RC Commitments then in effect.

(vii) If for any reason the aggregate Pre-Funded RC Exposures at any time exceeds the aggregate Pre-Funded RC Commitment then in effect, the Borrower shall promptly prepay or cause to be promptly prepaid Pre-Funded RC Loans in an aggregate amount equal to such excess.

(viii) Each prepayment of Term Loans pursuant to this Section 2.06(b) shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.08(a) and shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares, subject to clause (ix) of this Section 2.06(b) in respect of Term Loans. Any prepayment of a Eurocurrency Rate Loan pursuant to this Section 2.06(b) shall be accompanied by all accrued interest thereon.

(ix) The Borrower shall notify the Administrative Agent in writing of (x) any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through (iv) of this Section 2.06(b) and (y) any mandatory prepayment of Pre-Funded RC Loans and/or mandatory deposit into the Capital Expenditures Account pursuant to clause (v) of this Section 2.06(b), in each case at least three (3) Business Days prior to the date of any such prepayment or deposit. Each such notice shall specify the date of such prepayment and/or deposit, as applicable, and provide a reasonably detailed calculation of the amount of such prepayment and/or deposit. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment. Each Appropriate Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through

(iii) of this Section 2.06(b) by providing written notice (each, a "Rejection Notice") to the Administrative Agent no later than 5:00 p.m. one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender (such amounts so rejected, "Rejected Amounts"). If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans. In the event a Lender rejects all or any portion of its Pro Rata Share of any mandatory prepayment of Term Loans required pursuant to clauses (i) through (iii) of this Section 2.06(b), the rejected portion of such Lender's Pro Rata share of such prepayment shall be retained by the Borrower (such Rejected Amounts, the "Borrower Retained Prepayment Amounts").

(c) *Funding Losses, Etc*. All prepayments under this Section 2.06 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.05(a). Notwithstanding any of the other provisions of this Section 2.06(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.06(b) (but excluding prepayments required under clauses (vi) or (vii) of this Section 2.06(b)), prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.06(b) in respect of any such Eurocurrency Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.06(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.06(b).

Section 2.07. Termination or Reduction of Commitments. (a) *Optional*. The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class; provided that (i) any such notice shall be received by the Administrative Agent at least three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $500,000 or any whole multiple of $100,000 in excess thereof and (iii) if, after giving effect to any reduction of the Working Capital RC Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Working Capital RC Facility, such sublimit shall be automatically reduced by the amount of such excess. The amount of any such Working Capital RC Commitment reduction shall not be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower. At the time of any termination or reduction of the Pre-Funded RC Commitments, the Administrative Agent shall request the Pre-Funded RC Deposit Bank to (and the Pre-Funded RC Deposit Bank agrees that it will promptly) withdraw from the Pre-Funded RC Deposit

Account and to pay same over to the Administrative Agent, and the Administrative Agent shall return to the Pre-Funded RC Lenders (ratably in accordance with their respective Pro Rata Shares) their Pre-Funded RC Deposits in an aggregate amount equal to such reduction or the amount of such Pre-Funded RC Commitment being terminated, as the case may be. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing in total of a Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory*. The Term Commitment of each Term Lender shall be automatically and permanently reduced to $0 upon the making of such Term Lender's Term Loans pursuant to Section 2.01(a).

(c) *Application of Commitment Reductions; Payment of Fees* . The Administrative Agent will promptly notify the Lenders of any termination or reduction of unused portions of the Letter of Credit Sublimit, the Swing Line Sublimit or the unused Commitments of any Class under this Section 2.07. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

Section 2.08. Repayment of Loans. (a) *Term Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the Term Lenders (i) on the last Business Day of each March, June, September and December, commencing with the last Business Day of September, 2007, an aggregate amount equal to 0.25% of the aggregate principal amount of all Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.06) and (ii) on the Maturity Date for the Term Loans, the aggregate principal amount of all Term Loans outstanding on such date.

(b) *Working Capital RC Loans*. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the Working Capital RC Facility the aggregate principal amount of all of its Working Capital RC Loans outstanding on such date.

(c) *Swing Line Loans*. The Borrower shall repay its Swing Line Loans on the earlier to occur of (i) the date five (5) Business Days after such Swing Line Loan is made and (ii) the Maturity Date for the Working Capital RC Facility.

(d) *Pre-Funded RC Loans*. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the Pre-Funded RC Facility the aggregate principal amount of all of its Pre-Funded RC Loans outstanding on such date.

Section 2.09. Interest. (a) Subject to the provisions of Section 2.09(b), (i) each Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each

Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Working Capital RC Loans.

(b) The Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(d) All computations of interest hereunder shall be made in accordance with Section 2.11.

Section 2.10. Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) *Commitment Fee*. The Borrower shall pay to the Administrative Agent for the account of each Working Capital RC Lender in accordance with its Pro Rata Share, a commitment fee equal to the Applicable Rate with respect to commitment fees times the actual daily amount by which the aggregate Working Capital RC Commitment exceeds the sum of (A) Outstanding Amount of Working Capital RC Loans and (B) the Outstanding Amount of L/C Obligations; provided that any commitment fee accrued with respect to any of the Working Capital RC Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and provided, further, that no commitment fee shall accrue on any of the Working Capital RC Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee shall accrue at all times from the date hereof until the Maturity Date for the Working Capital RC Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for the Working Capital RC Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) *Pre-Funded RC Facility Fee*. The Borrower shall pay to the Administrative Agent for account of each Pre-Funded RC Lender in accordance with its Pro Rata

Share, a facility fee equal to the sum of (I) the Applicable Rate with respect to Pre-Funded RC Loans maintained as Eurocurrency Rate Loans times the actually daily aggregate amount of the unapplied Pre-Funded RC Deposits from time to time plus (II) a rate per annum equal to the Pre-Funded RC Deposit Cost Amount as in effect from time to time multiplied by the actual daily aggregate amount of the unapplied Pre-Funded RC Deposits from time to time. The facility fee shall accrue at all times from the date hereof until the Maturity Date for the Pre-Funded RC Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for the Pre-Funded RC Facility. The facility fee shall be calculated quarterly in arrears.

(c) *Other Fees*. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.11. Computation of Interest and Fees. All computations of interest for Base Rate Loans when the Base Rate is determined by DBNY's "prime rate" shall be made on the basis of a year of three hundred and sixty-five (365) days (or three hundred and sixty six (366) days, as the case may be) and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.13(a), bear interest for one (1) day. In computing interest on any Loan, the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from a Eurocurrency Rate Loan, the date of conversion of such Eurodollar Rate Loan to such Base Rate Loan, as the case may be, shall be included, and the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a Eurocurrency Rate Loan, the date of conversion of such Base Rate Loan to such Eurodollar Rate Loan, as the case may be, shall be excluded. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.12. Evidence of Indebtedness. (a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest

error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.12(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.12(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.12(a) and (b), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.13. Payments Generally. (a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the

Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the Federal Funds Rate from time to time in effect; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "Compensation Period") at a rate per annum equal to the applicable Federal Funds Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.13(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.04. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.14. Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; provided that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.14 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.14 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01. Taxes. (a) Except as provided in this Section 3.01, any and all payments by the Borrower (the term Borrower under this Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and all liabilities (including additions to tax, penalties and interest) with respect thereto, excluding, in the case of each Agent and each Lender, (i) taxes imposed on or measured by its net income or net profits (including branch profits), and franchise (and similar) taxes imposed on it in lieu of net income taxes, by the jurisdiction (or any political subdivision thereof) under the Laws of which such Agent or such Lender, as the case may be, is organized or maintains a Lending Office, (ii) taxes imposed on a Lender or Agent solely by reason of any connection between the Lender or Agent and the respective taxing jurisdiction other than by entering into any Loan Document and receiving payments thereunder, and (iii) all liabilities (including additions to tax, penalties and interest) with respect to clauses (i) and (ii) hereof (all such non-excluded taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and liabilities being hereinafter referred to as " Taxes"). If the Borrower shall be required by any Laws to deduct any Taxes or Other Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions, (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), the Borrower shall furnish to such Agent or Lender (as the case may be) the original or a certified copy of a receipt evidencing payment thereof to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent. If the Borrower fails to pay any Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to any Agent or any Lender the required receipts or other required documentary evidence, the Borrower shall indemnify such Agent or Lender, as applicable, for any incremental taxes, interest or penalties that may become payable by such Agent or such Lender arising out of such failure.

(b) In addition, the Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes or charges or similar levies which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document (hereinafter referred to as " Other Taxes").

(c) The Borrower shall not be required pursuant to this Section 3.01 to pay any additional amount to, or to indemnify, any Lender or Agent, as the case may be, to the extent that such Lender or such Agent becomes subject to Taxes subsequent to the Closing Date (or, if later, the date such Lender or Agent becomes a party to this Agreement) as a result of a change in

the place of organization of such Lender or Agent or a change in the lending office of such Lender, except to the extent that any such change is requested or required in writing by the Borrower (and provided that nothing in this clause (c) shall be construed as relieving the Borrower from any obligation to make such payments or indemnification in the event of a change in lending office or place of organization that precedes a change in Law to the extent such Taxes result from a change in Law).

(d) Notwithstanding anything else herein to the contrary, if a Lender or an Agent is subject to withholding tax imposed by any jurisdiction in which the Borrower is formed or organized at a rate in excess of zero percent at the time such Lender or such Agent, as the case may be, first becomes a party to this Agreement, withholding tax imposed by such jurisdiction at such rate shall be considered excluded from Taxes unless and until such Lender or Agent, as the case may be, provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such forms; provided that, if at the date of the Assignment and Acceptance pursuant to which a Lender becomes a party to this Agreement, the Lender assignor was entitled to payments under clause (a) of this Section 3.01 in respect of withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) withholding tax, if any, applicable with respect to the Lender assignee on such date.

(e) If any Lender or Agent determines, in its reasonable discretion, that it has received a refund or overpayment credit in respect of any Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by the Loan Parties pursuant to this Section 3.01, it shall promptly remit such refund or the amount of such credit (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 3.01 with respect to the Taxes or Other Taxes giving rise to such refund (or such credit) plus any interest included in such refund by the relevant taxing authority attributable thereto) to the Borrower, net of all out-of-pocket expenses of the Lender or Agent, as the case may be and without interest (other than any interest paid by the relevant taxing authority with respect to such refund); provided that the Borrower, upon the request of the Lender or Agent, as the case may be, agrees promptly to return such refund (or such credit) to such party in the event such party is required to repay such refund (or such credit) to the relevant taxing authority. Such Lender or Agent, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund (or such credit) received from the relevant taxing authority (provided that such Lender or Agent may delete any information therein that such Lender or Agent deems confidential). Nothing herein contained shall interfere with the right of a Lender or Agent to arrange its tax affairs in whatever manner it thinks fit nor oblige any Lender or Agent to claim any tax refund or to make available its tax returns or disclose any information relating to its tax affairs or any computations in respect thereof or require any Lender or Agent to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remissions or repayments to which it may be entitled.

(f) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to designate another Lending Office for any

Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the sole judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 3.01(f) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a).

(g) The Administrative Agent may deduct and withhold any taxes required by any Laws to be deducted and withheld from any payment under any of the Loan Documents.

Section 3.02. Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.05(a). Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.03. Inability to Determine Rates. If the Required Lenders determine that for any reason adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan, or that the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that Dollar deposits are not being offered to banks in the applicable interbank eurodollar market for the applicable amount and the Interest Period of such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Section 3.04. Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurocurrency Rate Loans . (a) If any Lender determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing

to make or making, funding or maintaining Eurocurrency Rate Loans or (as the case may be) issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (i) Taxes or Other Taxes as to which Section 3.01 shall govern, (ii) changes in taxation of overall net income or overall gross income (including branch profits), and franchise (and similar) taxes imposed in lieu of net income taxes, by the United States or any foreign jurisdiction or any political subdivision of either thereof under the Laws of which such Lender is organized or maintains a Lending Office and (iii) reserve requirements contemplated by Section 3.04(c), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender determines that the introduction of any Law regarding capital adequacy or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such reduction within fifteen (15) days after receipt of such demand.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such notice.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation except to the extent set forth in the first sentence of Section 3.06(b).

(e) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 3.04(e) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.04(a), (b), (c) or (d).

Section 3.05. Funding Losses. (a) Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(i) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan; or

(ii) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurocurrency Rate Loan made by it at the Eurocurrency Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurocurrency Rate Loan was in fact so funded.

(b) Upon demand of the Pre-Funded RC Deposit Bank, the Borrower shall promptly compensate the Pre-Funded RC Deposit Bank and hold the Pre-Funded RC Deposit Bank harmless from any loss, cost or expense incurred by the Pre-Funded RC Deposit Bank as a result:

(x) any withdrawals from the Pre-Funded RC Deposit Account pursuant to the terms of this Agreement prior to the end of the applicable Interest Period or Scheduled Investment Termination Date for the Pre-Funded RC Deposits; or

(y) the termination or reduction of any of the Pre-Funded RC Commitments (and the related termination of the investment of the funds held in the Pre-Funded RC Deposit Account) prior to the end of any applicable Interest Period or Schedule Investment Termination Date for the Pre-Funded RC Deposits.

Section 3.06. Matters Applicable to All Requests for Compensation . (a) Any Agent, any Lender or the Pre-Funded RC Deposit Bank claiming compensation under this

Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Section 3.01, 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate Loans, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan, or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.06(b) hereof, such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.01, 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.06 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

Section 3.07. Replacement of Lenders under Certain Circumstances. (a) If at any time (i) the Borrower becomes obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.04 as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender, then the Borrower may, on five (5) Business Days' prior written notice to the Administrative Agent and such Lender, replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and provided, further, that (A) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments and (B) in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable Eligible Assignees shall have agreed to the applicable departure, waiver or amendment of the Loan Documents.

(b) Any Lender being replaced pursuant to Section 3.07(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (B) all obligations of the Borrower owing to the assigning Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. Without the consent of the Pre-Funded RC Deposit Bank, the Pre-Funded RC Deposit funded by any Pre-Funded RC Lender shall not be released in connection with any assignment of its Pre-Funded RC Commitment, but shall instead be purchased by the relevant assignee and continue to be held for application (if not already applied) pursuant to Section 2.05 in respect of such assignee's obligations under the Pre-Funded RC Commitment assigned to it.

(c) Notwithstanding anything to the contrary contained above, any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such L/C Issuer or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d) In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Class of the Loans and (iii) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a " Non-Consenting Lender".

Section 3.08. Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE IV

Section 4.02. Conditions to All Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans), and the obligation of each Pre-Funded RC Lender to fund its Pre-Funded RC Deposit on the Closing Date, are subject to the following conditions precedent:

Section 5.04. Binding Effect. This Agreement and each other Loan Document has been duly executed and delivered by each Loan Party that is party thereto. This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, subject to Debtor Relief Laws, general principles of equity (whether considered in a proceeding in equity or law) and an implied covenant of good faith and fair dealing.

Section 5.05. Financial Statements; No Material Adverse Effect. (a) (i) The Audited Financial Statements and the Unaudited Financial Statements fairly present in all material respects the financial condition of the Borrower and its Subsidiaries as of the dates thereof and their results of operations for the period covered thereby in accordance with GAAP consistently applied throughout the periods covered thereby, except as otherwise expressly noted therein (subject, in the case of the Unaudited Financial Statements, to normal year-end audit adjustments and the absence of footnotes). During the period from December 31, 2005 to and including the Closing Date, there has been (i) no sale, transfer or other disposition by the Borrower or any of its Subsidiaries of any material part of the business or property of the Borrower or any of its Subsidiaries, taken as a whole and (ii) no purchase or other acquisition by the Borrower or any of its Subsidiaries of any business or property (including any Equity

The Pro Forma Financial Statements have been prepared in good faith, based on assumptions believed by the Borrower to be reasonable as of the date of delivery thereof, and present fairly in all material respects on a pro forma basis and in accordance with GAAP the estimated financial position of the Borrower and its Subsidiaries as at March 31, 2007 and their estimated results of operations for the periods covered thereby, assuming that the events specified in the preceding sentence had actually occurred at such date or at the beginning of the periods covered thereby.

The representations and warranties made in this Section 5.06 are subject to Schedule 5.06.

Section 5.07. No Default. Neither any Loan Party nor any Subsidiary is in default under or with respect to, or a party to, any Contractual Obligation that could, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

release, discharge or disposal of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law except for such investigation or assessment or remedial or response action that, either individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(e) All Hazardous Materials generated, used, treated, handled or stored at, or transported to or from, any property currently or formerly owned or operated by any Loan Party or any of its Subsidiaries have been disposed of in a manner not reasonably expected to result, either individually or in the aggregate, in a Material Adverse Effect.

Any Loan Party or any Restricted Subsidiary (A) fails to make any payment beyond the applicable grace period with respect thereto, if any (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than Indebtedness hereunder), together with any other Indebtedness (other than Indebtedness hereunder) in respect of which such a payment default exists, having an aggregate principal amount for all such Indebtedness of not less than the Threshold Amount, or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness having an aggregate principal amount for all such Indebtedness of not less than the Threshold Amount, or any other event occurs (other than, with respect to Indebtedness consisting of Swap Agreements, termination events or equivalent events pursuant to the terms of such Swap Agreements), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; provided that this clause (e)(B) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; or

(f) *Insolvency Proceedings, Etc.* Any Loan Party or any of the Restricted Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) *Inability to Pay Debts; Attachment*. (i) Any Loan Party or any Restricted Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts in excess of the Threshold Amount as they become due, or (ii) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of the Loan Parties, taken as a whole, and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(h) *Judgments*. There is entered against any Loan Party or any Restricted Subsidiary one or more final judgments or orders for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) and such judgments or orders shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *ERISA*. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in liability of any Loan Party in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect, or (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount which could reasonably be expected to result in a Material Adverse Effect; or

(j) *Invalidity of Loan Documents*. Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or any Lender or the satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or any Lien on any material portion of the Collateral created thereby; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document; or

(k) *Change of Control*. There occurs any Change of Control; or

(l) *Collateral Documents*. (i) Any Collateral Document after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 shall for any reason (other than pursuant to the terms thereof including as a result of a transaction permitted under Section 7.04 or 7.05) cease to create a valid and perfected lien, with the priority required by the Collateral Documents on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Permitted Liens, except to the extent that any such loss of perfection or priority results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Collateral Documents or to file Uniform Commercial Code continuation statements and except as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage, or (ii) any of the Equity Interests of the Borrower ceasing to be pledged pursuant to the Security Agreement free of Liens other than Liens created by the Security Agreement or any nonconsensual Liens arising solely by operation of Law; or

(m) *Junior Financing Documentation*. (i) Any of the Obligations of the Loan Parties under the Loan Documents for any reason shall cease to be "Senior Indebtedness" (or any comparable term) or "Senior Secured Financing" (or any comparable term) under, and as defined in, any Junior Financing Documentation that is subordinated (or required to be subordinated) to the Obligations and having an aggregate principal amount (for all such Junior Financing Documentation) of not less than the Threshold Amount, (ii) the subordination provisions set forth in any Junior Financing Documentation shall, in whole or in part, cease to be effective or cease to be legally valid, binding and enforceable against the holders of any such Junior Financing having an aggregate principal amount (for all such Junior Financing Documentation) of not less than the Threshold Amount, if applicable or (iii) any Loan Party contests in writing the validity or enforceability of any subordination provision set forth in any Junior Financing Documentation; or

(n) *Termination of Master Lease.* Any Master Lease is terminated for any reason either (i) as to all or substantially all of the properties subject thereto as a result of which the Borrower or its Restricted Subsidiaries no longer have the right to use such properties or any similar substitute properties on substantially the same basis as immediately prior to such termination or (ii) the result of which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 8.02. Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may and, at the request of the Required Lenders, shall take any or all of the following actions:

(a) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(c) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(d) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an Event of Default under Section 8.01(f) with respect to the Borrower, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03. Exclusion of Immaterial Subsidiaries. Solely for the purpose of determining whether a Default has occurred under clause (f) or (g) of Section 8.01, any reference in any such clause to any Restricted Subsidiary or Loan Party shall be deemed not to include any Immaterial Subsidiary (it being agreed that all Immaterial Subsidiaries affected by any event or circumstance referred to in any such clause shall be considered together, as a single consolidated Immaterial Subsidiary, for purposes of determining whether the condition specified above is satisfied).

Section 8.04. Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to each of the Administrative Agent and the Collateral Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees (other than commitment fees, letter of credit fees and facility fees), indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid commitment fees, letter of credit fees, facilities fees and interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings, the termination value under Secured Hedge Obligations and the Cash Management Obligations, ratably among the Lenders and the other Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Sixth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

Section 8.05. Borrower's Right to Cure. (a) Notwithstanding anything to the contrary contained in Section 8.01, (x) in the event of any Event of Default under any covenant set forth in Section 7.11 and until the expiration of the tenth (10th) day after the date on which financial statements are required to be delivered with respect to the applicable fiscal quarter hereunder, Holdings or the Borrower may engage in a Permitted Equity Issuance to any of the Equity Investors and apply the amount of the Net Cash Proceeds thereof to increase Consolidated EBITDA with respect to such applicable quarter; provided that such Net Cash Proceeds (i) are actually received by the Borrower (including through capital contribution of such Net Cash Proceeds by Holdings to the Borrower) no later than ten (10) days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder and (ii) do not exceed the aggregate amount necessary to cure such Event of Default under Section 7.11 for any applicable period, and (y) in the event of any Event of Default under Section 7.11(b) and until the expiration of the tenth (10th) day after the date on which financial statements are required to be delivered with respect to the applicable fiscal year hereunder, the Borrower may direct the Administrative Agent to withdraw amounts from the Capital Expenditures Account solely to cure such Event of Default and the amount of such withdrawal shall be treated as the receipt of cash proceeds from a Permitted Equity Issuance by the Borrower with respect to such applicable fiscal year (and not as an increase to Consolidated EBITDA with respect to such applicable fiscal year); provided that (i) such withdrawal does not exceed the aggregate amount necessary to cure such Event of Default under Section 7.11(b) for any applicable fiscal year and (ii) such funds are immediately applied to repay (and the Borrower hereby authorizes the Administrative Agent to repay) outstanding Term Loans. The parties hereby acknowledge that this Section 8.05(a) may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 7.11 and shall not result in any adjustment to any amounts other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(b) Notwithstanding the provisions of Section 8.05(a), in each period of four consecutive fiscal quarters, there shall be at least two (2) fiscal quarters in which no cure set forth in Section 8.05(a) is made.

ARTICLE IX

Administrative Agent and Other Agents

Section 9.01. Appointment and Authorization of Agents. (a) Each Lender hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such

action on its behalf under the provisions of this Agreement and each other Loan Document (which, for purposes of this Article IX, and for purposes of Sections 10.04 and 10.05, shall include the CMBS Intercreditor Agreement) and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the " collateral agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Hedge Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as " collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including, Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto.

(d) The Administrative Agent shall also act as the Pre-Funded RC Deposit Bank under this Agreement, and each of the Pre-Funded RC Lenders hereby irrevocably appoints and authorizes the Administrative Agent to act as Pre-Funded RC Deposit Bank for the purposes set forth in this Agreement. In this connection, the Administrative Agent, as "Pre-Funded RC Deposit Bank", shall be entitled to the benefits of all provisions of this Article IX (including, Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the " Pre-Funded RC Deposit Bank" under this Agreement) as if set forth in full herein with respect thereto.

Section 9.02. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact, such sub-agents as shall be deemed necessary by the Administrative Agent and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

Section 9.03. Liability of Agents. No Agent-Related Person shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), or (b) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

Section 9.04. Reliance by Agents. (a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 9.05. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article VIII; provided that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06. Credit Decision; Disclosure of Information by Agents . Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07. Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; provided that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; provided that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower and without limiting the Borrower's obligation to do so. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.08. Agents in their Individual Capacities. DBNY and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though DBNY were not the Administrative Agent, the Swing Line Lender, the Pre-funded RC Deposit Bank or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, DBNY or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, DBNY shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent, the Swing Line Lender, the Pre-Funded RC Deposit Bank or an L/C Issuer, and the terms "Lender" and "Lenders" include DBNY in its individual capacity.

Section 9.09. Successor Agents. The Administrative Agent may resign as the Administrative Agent upon thirty (30) days' notice to the Lenders and the Borrower. If the Administrative Agent resigns under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be consented to by the Borrower at all times other than during the existence of an Event of Default under Section 8.01(f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the

Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders and the Borrower, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent," shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, the Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Article IX shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent.

Section 9.10. Administrative Agent May File Proofs of Claim . In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(h) and (i), 2.10 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Section 2.10 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11. Collateral and Guaranty Matters. The Lenders irrevocably agree:

(a) that any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document shall be automatically released (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) and the expiration or termination of all Letters of Credit (or upon cash collateralization of all Letters of Credit in a manner and pursuant to arrangements reasonably satisfactory to the Administrative Agent or receipt of backstop letters of credit, in form and substance and from a financial institution, reasonably satisfactory to the Administrative Agent), (ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than Holdings, the Borrower or any other Guarantor (whether as a Disposition or Investment), (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, or (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i); and

(c) that any Guarantor shall be automatically released from its obligations under the Guaranty if such Person ceases to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder (including as a result of a Guarantor being redesignated as an Unrestricted Subsidiary); provided that no such release shall occur if such Guarantor continues (after giving effect to the consummation of such transaction or designation) to be a guarantor in respect of the Senior Notes or any other Junior Financing.

Upon request by the Administrative Agent at any time, the Required Lenders (or such greater number of Lenders as may be required pursuant to Section 10.01) will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11 In each case as specified in this Section 9.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11

Section 9.12. Other Agents; Arrangers and Managers . None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent", "joint bookrunner" or "arranger" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13. Appointment of Supplemental Administrative Agents . (a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a " Supplemental Administrative Agent " and collectively as "Supplemental Administrative Agents ").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental

Administrative Agent, and (ii) the provisions of this Article 9 and of Section 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from the Borrower, Holdings or any other Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Miscellaneous

Section 10.01. Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment, modification, supplement or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the other applicable Loan Party, as the case may be, and each such waiver, amendment, modification, supplement or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that no such amendment, modification, supplement, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.08 or 2.09 without the written consent of each Lender directly affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Term Loans or the Pre-Funded RC Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby, it being

understood that any change to the definition of Total Leverage Ratio, Rent Adjusted Leverage Ratio or in the component definitions of each thereof shall not constitute a reduction in the rate; provided that only the consent of the Required Lenders shall be necessary to amend the definition of " Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this Section 10.01, the definition of " Required Lenders" or "Pro Rata Share" or Section 2.07(c), 8.04 or 2.14 without the written consent of each Lender directly affected thereby;

(e) other than in connection with a transaction permitted under Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) other than in connection with a transaction permitted under Section 7.04 or 7.05, release all or substantially all of the aggregate value of the Guarantees, without the written consent of each Lender; or

(g) except as expressly permitted by Section 7.04(d), consent to the assignment or transfer by Holdings or the Borrower of any of its rights or obligations under this Agreement or any other Loan Document;

and provided, further, that (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, affect the rights or duties of an L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (iv) no amendment, waiver or consent shall, unless in writing and signed by the Pre-Funded RC Deposit Bank in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Pre-Funded RC Deposit Bank under this Agreement or any other Loan Document; (v) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; and (vi) the consent of Lenders holding more than 50% of any Class of Commitments shall be required with respect to any amendment that by its terms adversely affects the rights of such Class in respect of payments hereunder in a manner different than such amendment affects other Classes. Any such waiver and any such amendment, modification or supplement in accordance with the terms of this Section 10.01 shall apply equally to each of the Lenders and shall be binding on the Loan Parties, the Lenders, the Agents and all future holders of the Loans and Commitments. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Working Capital RC Loans and the Pre-Funded RC Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, (a) this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing of all outstanding Term Loans (" Refinanced Term Loans") with a replacement term loan tranche denominated in Dollars (" Replacement Term Loans") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (b) the Applicable Rate for such Replacement Term Loans shall not be higher than the Applicable Rate for such Refinanced Term Loans, (c) the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans) and (d) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Term Loans in effect immediately prior to such refinancing, and (b) this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Pre-Funded RC Loans to permit the refinancing of all outstanding Pre-Funded RC Loans ("Refinanced Pre-Funded RC Loans") with a replacement pre-funded revolving credit loan tranche denominated in Dollars (" Replacement Pre-Funded RC Loans") hereunder; provided that (a) the aggregate principal amount of such Replacement Pre-Funded RC Loans shall not exceed the aggregate principal amount of such Refinanced Pre-Funded RC Loans and the aggregate unused Pre-Funded RC Commitments at such time, (b) the Applicable Rate for such Replacement Pre-Funded RC Loans and facility fee in respect thereof shall not be higher than the Applicable Rate for such Refinanced Pre-Funded RC Loans and facility fee in respect thereof, (c) the Weighted Average Life to Maturity of such Replacement Pre-Funded RC Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Pre-Funded RC Loans at the time of such refinancing and (d) all other terms applicable to such Replacement Pre-Funded RC Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Pre-Funded RC Loans than, those applicable to such Refinanced Pre-Funded RC Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the Pre-Funded RC Loans in effect immediately prior to such refinancing.

Section 10.02. Notices and Other Communications; Facsimile Copies . (a) *General*. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent, an L/C Issuer or the Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower, the Administrative Agent, the L/C Issuers, the Pre-Funded RC Deposit Bank and the Swing Line Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 10.02(c)), when delivered; provided that notices and other communications to the Administrative Agent, the L/C Issuers, the Pre-Funded RC Deposit Bank and the Swing Line Lender pursuant to Article II shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures* . Loan Documents may be transmitted and/or signed by facsimile. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agents and the Lenders.

(c) *Reliance by Agents and Lenders*. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices, Swing Line Loan Notices and Requests for Release of Capital Expenditure Funds) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct. All telephonic notices to the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03. No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Section 10.04. Attorney Costs, Expenses and Taxes. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Syndication Agent, each Co-Documentation Agent and the Arrangers for all reasonable out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of White & Case LLP, and (b) to pay or reimburse the Administrative Agent, the Syndication Agent, each Co-Documentation Agent, the Arrangers and each Lender for all out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of counsel (including local counsel in each relevant jurisdiction) to the Administrative Agent and all Attorney Costs of one joint counsel to the Lenders as a group (except to the extent that the use of joint counsel for the Lenders as a group could reasonably be expected to give rise to any conflict of interest for any such counsel or any Lender shall have determined that it may have legal defenses available to it that are different from, additional to or in conflict with those available to any other Lender in which case the affected Lenders may have separate counsel)). The foregoing costs and expenses shall include all reasonable search, filing, recording and title insurance charges and fees and taxes related thereto, and other (reasonable, in the case of Section 10.04(a)) out-of-pocket expenses incurred by any Agent. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within ten (10) Business Days of receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

Section 10.05. Indemnification by the Borrower. Whether or not the transactions contemplated hereby are consummated, the Borrower shall indemnify and hold harmless each Agent-Related Person, each Lender and their respective Affiliates, directors, officers, employees, counsel, agents, trustees, investment advisors and attorneys-in-fact (collectively the "Indemnitees") from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including

Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability related in any way to the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "Indemnified Liabilities"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from the gross negligence or willful misconduct of such Indemnitee or of any affiliate, director, officer, employee, counsel, agent or attorney-in-fact of such Indemnitee as determined by a court of competent jurisdiction in a final and non-appealable decision. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within ten (10) Business Days after demand therefor; provided, however, that such Indemnitee shall promptly refund such amount to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification or contribution rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

Section 10.06. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion)

to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect.

Section 10.07. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as expressly permitted by Section 7.04(d)) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) and (i) or (iv) to an SPC in accordance with the provisions of Section 10.07(h) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than to Disqualified Institutions) ("Assignees") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, delayed or conditioned) of:

(A) the Borrower, provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, any Assignee;

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan or a Pre-Funded RC Loan to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) to an Agent or an Affiliate of an Agent;

(C) each Principal L/C Issuer at the time of such assignment, provided that no consent of the Principal L/C Issuers shall be required for any assignment of a Term Loan or a Pre-Funded RC Loan or any assignment to an Agent or an Affiliate of an Agent; and

(D) the Swing Line Lender; provided that no consent of the Swing Line Lender shall be required for any assignment of a Term Loan or a Pre-Funded RC Loan or any assignment to an Agent or an Affiliate of an Agent.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 (in the case of the Working Capital RC Facility), or $1,000,000 (in the case of the Pre-Funded RC Facility and in the case of a Term Loan) unless each of the Borrower and the Administrative Agent otherwise consents, provided that (1) no such consent of the Borrower shall be required if an Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500, unless waived or reduced by the Administrative Agent in its sole discretion, provided that only one such fee shall be payable in the event of simultaneous assignments from any Lender or its Approved Funds to one or more other Approved Funds; and

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e). Without the consent of the Pre-Funded RC Deposit Bank, the Pre-Funded RC Deposit funded by any Pre-Funded RC Lender shall not be released in connection with any assignment of its Pre-Funded RC Commitment, but shall instead be purchased by the relevant assignee and continue to be held for application (if not already applied) pursuant to Section 2.05 in respect of such assignee's obligations under the Pre-Funded RC Commitment assigned to it.

(d) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the " Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents, the Pre-Funded RC Deposit Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Section 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(c) but shall not be entitled to recover greater amounts under such Sections than the selling Lender would be entitled to recover. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.14 as though it were a Lender.

(f) Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 10.15 as though it were a Lender.

(g) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such

Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a " Granting Lender") may, without the consent of the Borrower or the Administrative Agent, grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, (1) any Lender may, without the consent of the Borrower or the Administrative Agent, in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may, without the consent of the Borrower or the Administrative Agent, create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) Notwithstanding anything to the contrary contained herein, any L/C Issuer, the Swing Line Lender or the Pre-Funded RC Deposit Bank may, upon thirty (30) days' notice to the Borrower and the Lenders, resign as an L/C Issuer, the Swing Line Lender or the Pre-Funded RC Deposit Bank, respectively; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer, the Swing Line Lender or the Pre-Funded RC Deposit Bank shall have identified a successor L/C Issuer, Swing Line

Lender or Pre-Funded RC Deposit Bank reasonably acceptable to the Borrower willing to accept its appointment as successor L/C Issuer, Swing Line Lender or Pre-Funded RC Deposit Bank, as applicable. In the event of any such resignation of an L/C Issuer, the Swing Line Lender or the Pre-Funded RC Deposit Bank, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer, Swing Line Lender or Pre-Funded RC Deposit Bank hereunder; provided that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer, the Swing Line Lender or the Pre-Funded RC Deposit Bank, as the case may be, except as expressly provided above. If an L/C Issuer resigns as an L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If the Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c).

Section 10.08. Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' directors, officers, employees, trustees, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority; (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions substantially the same as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 10.07(g), counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (h) to any Governmental Authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender or its Affiliates; or (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender). In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Credit Extensions. For the purposes of this Section 10.08, " Information" means all information received from any Loan Party relating to any Loan Party or its business, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; provided that, in the case of information received from a Loan Party after the date hereof, such information is clearly identified at the time of delivery as confidential or (ii) is delivered pursuant to Section 6.01, Section 6.02 or 6.03.

Section 10.09. Setoff. (a) In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Agent, each Lender and their respective Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Agent, such Lender and/or such Affiliates to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Agent, such Lender and/or such Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that such Agent and such Lender may have.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER OR AGENT SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR, TO THE EXTENT REQUIRED BY Section 10.01 OF THIS AGREEMENT, ALL OF THE LENDERS, OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY, OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE COLLATERAL DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OR ANY AGENT OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

Section 10.10. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the " Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the

interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11. Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier.

Section 10.12. Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.13. Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than Obligations under Secured Hedge Agreements, Cash Management Obligations or contingent indemnification obligations, in any such case, not then due and payable) or any Letter of Credit shall remain outstanding.

Section 10.14. Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.15. Tax Forms. (a) Each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "Foreign Lender") agrees to complete

and to deliver to the Borrower, prior to the date on which the first payment to the Lender is due hereunder and (so long as it remains eligible to do so) from time to time thereafter, two copies of (i) an Internal Revenue Service Form W-8BEN certifying that it is entitled to benefits under an income tax treaty to which the United States is a party that reduces the rate of withholding tax on payments of interest or (ii) an Internal Revenue Service Form W-8ECI certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States or (iii) if the Lender is not a bank described in Section 881(c)(3)(A) of the Code an accurate and complete original signed copy of Internal Revenue Service Form W-8BEN, certifying that the Lender is not a United States person, together with a statement certifying that such Lender is not a bank described in Section 881(c)(3)(A) of the Code, as appropriate. The Lender further agrees to complete and to deliver to the Borrower from time to time, so long as it is eligible to do so, two copies of any successor or additional form required by the Internal Revenue service or reasonably requested by the Borrower in order to secure an exemption from, or reduction in the rate of, U.S. withholding tax.

(b) (i) Each Foreign Lender, to the extent it does not act or ceases to act for its own account with respect to any portion of any sums paid or payable to such Foreign Lender under any of the Loan Documents (for example, in the case of a typical participation by such Foreign Lender), shall deliver to the Borrower and the Administrative Agent on the date when such Foreign Lender ceases to act for its own account with respect to any portion of any such sums paid or payable, and at such other times as may be necessary in the determination of the Borrower or the Administrative Agent (in either case, in the reasonable exercise of its discretion), (A) two duly signed completed copies of the forms or statements required to be provided by such Foreign Lender as set forth above, to establish the portion of any such sums paid or payable with respect to which such Foreign Lender acts for its own account that is not subject to United States withholding tax, and (B) two duly signed completed copies of IRS Form W 8IMY (or any successor thereto), together with any information such Foreign Lender chooses to transmit with such form, and any other certificate or statement of exemption required under the Code, to establish that such Foreign Lender is not acting for its own account with respect to a portion of any such sums payable to such Foreign Lender.

(c) Each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "U.S. Lender") agrees to deliver to the Borrower a duly completed and executed copy of Internal Revenue Service Form W-9 or successor form establishing that such U.S. Lender is a United States person that is not subject to U.S. backup withholding tax.

(d) The Borrower shall not be required to pay any additional amount or any indemnity payment under Section 3.01 to (A) any Foreign Lender to the extent Taxes would not have been imposed but for the failure of such Foreign Lender to satisfy the provisions of Section 10.15(a) or (b) as applicable, or (B) any U.S. Lender to the extent would not have been imposed but for the failure of such U.S. Lender to satisfy the provisions of Section 10.15(c); provided that (i) if such Lender shall have satisfied the requirement of Section 10.15(a), (b) or (c), as applicable, on the date such Lender became a Lender or ceased to act for its own account with respect to any payment under any of the Loan Documents, nothing in this Section 10.15 shall relieve the Borrower of its obligation to pay any amounts pursuant to Section 3.01 in the event that, as a result of any change in any applicable Law, treaty or governmental rule,

regulation or order, or any change in the interpretation, administration or application thereof, such Lender is no longer properly entitled to deliver forms, certificates or other evidence at a subsequent date establishing the fact that such Lender or other Person for the account of which such Lender receives any sums payable under any of the Loan Documents is not subject to withholding or is subject to withholding at a reduced rate and (ii) nothing in this Section 10.15 shall relieve the Borrower of its obligation to pay any amounts pursuant to Section 3.01 in the event that the requirements of 10.15(a)(ii) have not been satisfied if the Borrower is entitled, under applicable Law, to rely on any applicable forms and statements required to be provided under this Section 10.15 by the Foreign Lender that does not act or has ceased to act for its own account under any of the Loan Documents, including in the case of a typical participation.

Section 10.16. GOVERNING LAW. (a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. THE BORROWER, HOLDINGS, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

Section 10.17. WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS Section 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18. Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and Holdings and the Administrative Agent shall have been notified by each Lender, each L/C Issuer, the Swing Line Lender and the Pre-Funded RC Deposit Bank that each such Lender, each such L/C Issuer, the Swing Line Lender and the Pre-Funded RC Deposit Bank has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent, each Lender, each L/C Issuer, the Swing Line Lender and the Pre-Funded RC Deposit Bank and their respective successors and assigns, except that neither Holdings nor the Borrower shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders, except for the Borrower as permitted by Section 7.04(d).

Section 10.19. Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. Each of the Guarantors further agrees that the Guaranteed Obligations may be extended, increased or renewed, in whole or in part, without notice to, or further assent from such Guarantor, and that such Guarantor will remain bound upon its guarantee notwithstanding any extension, increase or renewal of any Guaranteed Obligation. Each of the Guarantors waives, to the fullest extent permitted under applicable law, presentment to, demand of payment from, and protest to, the applicable Guaranteed Party or any other Loan Party of any of the Guaranteed Obligations, and also waives, to the fullest extent permitted under applicable law, notice of acceptance of its guarantee and notice of protest for nonpayment.

Section 2.02. Guarantee of Payment. Each of the Guarantors further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Administrative Agent or any other Secured Party to any security held for the payment of the Guaranteed Obligations, or to any balance of any deposit account or credit on the books of the Administrative Agent or any other Secured Party in favor of any Guaranteed Party or any other Person. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor, the Borrower or any other Guaranteed Party, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor, any other guarantor, the Borrower or any other Guaranteed Party and whether or not any other Guarantor, any other guarantor, the Borrower or any other Guaranteed party be joined in any such action or actions. Any payment required to be made by a Guarantor hereunder may be required by the Administrative Agent or any other Secured Party on any number of occasions.

Section 2.03. No Limitations. (a)Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 4.13, but without prejudice to Section 2.04, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations, or otherwise. Without limiting the generality of the foregoing, except for termination of a Guarantor's obligations hereunder as expressly provided in Section 4.13, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Administrative Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Secured Credit Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Secured Credit Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release of any security held by the Collateral Agent or any other Secured Party for the Guaranteed Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; (v) the failure to perfect any security interest in, or the release of, any of the Collateral held by or on behalf of the Collateral Agent or any other Secured party; (vi) the lack of legal existence of the Borrower or any Guarantor or legal obligation to discharge any of the Guaranteed Obligations by Borrower or any Guarantor for any reason whatsoever, including, without limitation, in any insolvency, bankruptcy or reorganization of any Loan party; or (vii) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the indefeasible payment in full in cash of all the Guaranteed Obligations). Each Guarantor expressly authorizes the applicable Secured Parties to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations all without affecting the obligations of any Guarantor hereunder.

(b) Except for termination of a Guarantor's obligations hereunder as expressly permitted in Section 4.13, but without prejudice to Section 2.04, to the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of the Borrower of any other Guaranteed Party or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Guaranteed Party, other than the indefeasible payment in full in cash of all the Guaranteed Obligations. The Administrative Agent and the other Secured Parties may in accordance with the terms of the Collateral Documents, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Guaranteed Obligations make any other accommodation with the Borrower or any other Guaranteed Party or exercise any other right or remedy available to them against the Borrower or any other Guaranteed Party, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been indefeasibly paid in full in cash. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Borrower or any other Guaranteed Party, as the case may be, or any security.

Section 2.04. Reinstatement. Notwithstanding anything to the contrary contained in this Agreement, each of the Guarantors agrees that (i) its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation is rescinded or must otherwise be restored by the Administrative Agent or any other Secured Party upon the bankruptcy or reorganization of the Borrower or any other Guaranteed Party or otherwise and (ii) the provisions of this Section 2.04 shall survive termination of this Agreement.

Section 2.05. Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Guaranteed Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent for distribution to the applicable Secured Parties in cash the amount of such unpaid Guaranteed Obligation. Upon payment by any Guarantor of any sums to the Administrative Agent as provided above, all rights of such Guarantor against the Borrower or any other Guaranteed Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III.

Section 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and

each other Guaranteed Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Administrative Agent or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

ARTICLE III

Indemnity, Subrogation and Subordination

Section 3.01. Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable law (but subject to Section 3.03), each Guaranteed Party agrees that in the event a payment shall be made by any Guarantor under this Agreement on account of any Guaranteed Obligation owed directly by such Guaranteed Party (i.e., other than any obligation arising under this Agreement), such Guaranteed Party shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment.

Section 3.02. Contribution and Subrogation. At any time a payment by any Subsidiary Party in respect of the Guaranteed Obligations is made under this Agreement that shall not have been fully indemnified as provided in Section 3.01, the right of contribution of each Subsidiary Party against each other Subsidiary Party shall be determined as provided in the immediately succeeding sentence, with the right of contribution of each Subsidiary Party to be revised and restated as of each date on which an unreimbursed payment (a "Relevant Payment") is made on the Guaranteed Obligations under this Agreement. At any time that a Relevant Payment is made by a Subsidiary Party that results in the aggregate payments made by such Subsidiary Party in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Subsidiary Party's Contribution Percentage (as defined below) of the aggregate payments made by all Subsidiary Parties in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Subsidiary Party shall have a right of contribution against each other Subsidiary Party who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Subsidiary Party's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Subsidiary Parties in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Subsidiary Party and the denominator of which is the Aggregate Excess Amount of all Subsidiary Parties multiplied by (y) the Aggregate Deficit Amount of such other Subsidiary Party. A Subsidiary Party's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that all contribution rights of such Subsidiary Party shall be subject to Section 3.03. As used in this Section 3.02: (i) each Subsidiary Party's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Subsidiary Party by (y) the aggregate Adjusted Net Worth of all Subsidiary Parties; (ii) the "Adjusted Net Worth" of each Subsidiary Party shall mean the greater of (x) the Net Worth (as defined below) of such Subsidiary Party and (y) zero; and (iii) the "Net Worth" of each Subsidiary Party shall mean the amount by which the fair saleable value of such Subsidiary Party's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Agreement or any guaranteed obligations arising under any guaranty of any Junior Financing) on such date. Notwithstanding anything to the contrary contained above, any Subsidiary Party that is released from this Agreement pursuant to Section 4.13 hereof shall thereafter have no contribution obligations, or rights, pursuant to this Section 3.02, and at the time of any such release, if the released Subsidiary Party had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to $0, and the contribution rights and obligations of the remaining Subsidiary Parties shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Subsidiary Parties. Each of the Subsidiary Parties recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Subsidiary Party has the right to waive its contribution right against any other Subsidiary Party to the extent that after giving effect to such waiver such Subsidiary Party would remain solvent, in the determination of the Required Lenders.

Section 3.03. Subordination. Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Sections 3.01 and 3.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Guaranteed Obligations; provided, that if any amount shall be paid to such Guarantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Guaranteed Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with Section 8.04 of the Credit Agreement. No failure on the part of the Borrower or any Guarantor to make the payments required by Sections 3.01 and 3.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and subject to Section 4.16, each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

ARTICLE IV

Miscellaneous

Section 4.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to any Subsidiary Party shall be given to it in care of the Borrower as provided in Section 10.02 of the Credit Agreement.

Section 4.02. Waivers; Amendment. (a)No failure or delay by the Administrative Agent, any L/C Issuer, any Lender or any other Secured Party in exercising any right, remedy, power or privilege hereunder or under any other Secured Credit Document shall operate as a waiver thereof,

nor shall any single or partial exercise of any such right, remedy, power or privilege or any abandonment or discontinuance of steps to enforce such a right, remedy, power or privilege, preclude any other or further exercise thereof, or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Secured Parties hereunder and under the other Secured Credit Documents are cumulative and are not exclusive of any rights, remedies, powers or privileges that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.01 of the Credit Agreement.

(c) Each Guarantor hereby acknowledges and affirms that it understands that to the extent the Guaranteed Obligations are secured by real property located in the State of California, such Guarantor shall be liable for the full amount of the liability hereunder notwithstanding foreclosure on such real property by trustee sale or any other reason impairing such Guarantor's or any Secured Party's right to proceed against the Borrower or any other guarantor of the Guaranteed Obligations.

(d) Each Guarantor hereby waives, to the fullest extent permitted by applicable law, all rights and benefits under Sections 580a, 580b, 580d and 726 of the California Code of Civil Procedure. Each Guarantor hereby further waives, to the fullest extent permitted by applicable law, without limiting the generality of the foregoing or any other provision hereof, all rights and benefits which might otherwise be available to such Guarantor under Sections 2809, 2810, 2815, 2819, 2821, 2839, 2845, 2846, 2847, 2848, 2849, 2850, 2899 and 3433 of the California Civil Code.

(e) Each Guarantor waives its rights of subrogation and reimbursement and any other rights and defenses available to such Guarantor by reason of Sections 2787 to 2855, inclusive, of the California Civil Code, including, without limitation, (1) any defenses such Guarantor may have to this Guaranty by reason of an election of remedies by the Secured Parties and (2) any rights or defenses such Guarantor may have by reason of protection afforded to the Borrower pursuant to the antideficiency or other laws of California limiting or discharging the Borrower's indebtedness, including, without limitation, Section 580a, 580b, 580d and 726 of the California Code of Civil Procedure. In furtherance of such provisions, each Guarantor hereby waives all rights and defenses arising out of an election of remedies of the Secured Parties, even though that election of remedies, such as a nonjudicial foreclosure destroys such Guarantor's rights of subrogation and reimbursement against a Borrower by the operation of Section 580d of the California Code of Civil Procedure or otherwise.

(f) Each Guarantor warrants and agrees that each of the waivers set forth above is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective only to the maximum extent permitted by law.

Section 4.03. Administrative Agent's Fees and Expenses; Indemnification. (a)The parties hereto agree that the Administrative Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Secured Credit Documents, each Guarantor jointly and severally agrees to indemnify the Administrative Agent and the other Indemnitees (as defined in Section 10.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery, performance or enforcement of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by a final and non-appeasable decision to have resulted from the gross negligence or willful misconduct of such Indemnitee or of any Affiliate, director, officer, employee, counsel, agent, trustee, investment advisor or attorney-in-fact of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Guaranteed Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 4.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Secured Credit Document, the consummation of the transactions contemplated hereby, the repayment of any of the Guaranteed Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Secured Credit Document, or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section 4.03 shall be payable within ten Business Days of written demand therefor.

Section 4.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Guarantor or the Administrative Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

Section 4.05. Survival of Agreement. All covenants, agreements, representations and warranties made by the Guaranteed Parties in the Secured Credit Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Secured Credit Document shall be considered to have been relied upon by the relevant Secured Parties and shall survive the execution and delivery of the relevant Secured Credit Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any Secured Party or on its behalf and notwithstanding that the Administrative Agent, any L/C Issuer, any Lender or any other Secured Party may have had notice or knowledge of any Default or default under any other Secured Credit Document or any incorrect representation or warranty at the time any credit is

extended under any Secured Credit Document, and shall continue in full force and effect with respect to each Guarantor until this Agreement is terminated with respect to such Guarantor or such Guarantor is otherwise released from its obligations under this Agreement in each case pursuant to Section 4.13.

Section 4.06. Counterparts; Effectiveness; Several Agreement . This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. This Agreement shall become effective as to any Loan Party when a counterpart hereof executed on behalf of such Loan Party shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Loan Party and the Administrative Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Loan Party, the Administrative Agent and the other Secured Parties and their respective successors and assigns, except that no Loan Party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Loan Party and may be amended, modified, restated, supplemented, waived or released with respect to any Loan Party without the approval of any other Loan Party and without affecting the obligations of any other Loan Party hereunder.

Section 4.07. Severability . Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 4.08. Right of Set-Off . In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Guaranteed Party, any such notice being waived by the Borrower and each other Guaranteed Party to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates to or for the credit or the account of the respective Loan Parties against any and all Guaranteed Obligations owing to such Lender and its Affiliates hereunder, now or hereafter existing, irrespective of whether or not such Lender or Affiliate shall have made demand under this Agreement and although such Guaranteed Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender; provided, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender under this Section 4.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have.

Section 4.09. Governing Law; Jurisdiction; Consent to Service of Process . (a)This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each of the Loan Parties hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York City and of the United States District Court for the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any L/C Issuer, any Lender or any other Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Guarantor, or its properties in the courts of any jurisdiction.

(c) Each of the Loan Parties hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 4.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 4.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 4.10. WAIVER OF JURY TRIAL . EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 4.10.

Section 4.11. Headings . Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 4.12. Obligations Absolute . All rights of the Administrative Agent hereunder and all obligations of each Guarantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any other

Secured Hedge Agreement, any other agreement with respect to any of the Guaranteed Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, any other Secured Hedge Agreement or any other agreement or instrument, (c) any release or amendment or waiver of or consent under or departure from any guarantee guaranteeing all or any portion of the Guaranteed Obligations or (d) subject to the terms of Section 4.13, any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Guarantor in respect of the Guaranteed Obligations or this Agreement.

Section 4.13. Termination or Release . (a)Subject to Section 2.04, this Agreement and the Guarantees made herein shall terminate with respect to all Guaranteed Obligations when all the outstanding Guaranteed Obligations (other than Guaranteed Obligations in respect of Secured Hedge Agreements and Cash Management Obligations not yet due and payable (to the extent permitted by the terms thereof) and contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the L/C Obligations have been reduced to zero (other than L/C Obligations that have been fully cash collateralized or supported by a backstop letter of credit in each case in an amount and on terms reasonably satisfactory to the Administrative Agent and the L/C Issuer) and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Subsidiary Party shall automatically be released from its obligations hereunder upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Subsidiary Party ceases to be a Restricted Subsidiary of the Borrower or becomes an Excluded Subsidiary; provided that the Required Lenders shall have consented to such transaction (to the extent required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) In connection with any termination or release pursuant to paragraph (a) or (b), the Administrative Agent shall promptly execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 4.13 shall be without recourse to or warranty by the Administrative Agent.

(d) At any time that the Borrower desires that the Administrative Agent take any of the actions described in the immediately preceding clause (c), it shall, upon request of the Administrative Agent, deliver to the Administrative Agent an officer's certificate certifying that the release of the respective Subsidiary Party is permitted pursuant to paragraph (a) or (b). The Administrative Agent shall have no liability whatsoever to any Secured Party as the result of any release of any Subsidiary Party by it as permitted (or which the Administrative Agent in good faith believes to be permitted) by this Section 4.13.

(e) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations shall be guaranteed pursuant to this Agreement only to the extent that, and for so long, the other Guaranteed Obligations are so guaranteed and (ii) any release of a Guarantor effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

Section 4.14. Additional Restricted Subsidiaries . Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of the Loan Parties that were not in existence or not Restricted Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Subsidiary Parties upon becoming a Restricted Subsidiary. Upon execution and delivery by the Administrative Agent and a Restricted Subsidiary of a Guarantee Agreement Supplement, such Restricted Subsidiary shall become a Subsidiary Party hereunder with the same force and effect as if originally named as a Subsidiary Party herein. The execution and delivery of any such instrument shall not require the consent of any other Loan Party hereunder. The rights and obligations of each Loan Party hereunder shall remain in full force and effect notwithstanding the addition of any new Loan Party as a party to this Agreement.

Section 4.15. Recourse . This Agreement is made with full recourse to each Guarantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Guarantor contained herein, in the Loan Documents and the other Secured Credit Documents and otherwise in writing in connection herewith or therewith.

Section 4.16. Limitation on Guaranteed Obligations . Each Guarantor that is a Subsidiary Party and each Secured Party (by its acceptance of the benefits of this Agreement) hereby confirms that it is its intention that this Agreement not constitute a fraudulent transfer or conveyance for purposes of any Debtor Relief Laws (including the Bankruptcy Code, the Uniform Fraudulent Conveyance Act or any similar Federal or state law). To effectuate the foregoing intention, each Guarantor that is a Subsidiary Party and each Secured Party (by its acceptance of the benefits of this Agreement) hereby irrevocably agrees that the Guaranteed Obligations owing by such Guarantor under this Agreement shall be limited to such amount as will, after giving effect to such amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such Debtor Relief Laws (it being understood that it is the intention of the parties to this Agreement and the parties to any guaranty of any Junior Financing that is subordinated to the any of the Guaranteed Obligations, to the maximum extent permitted under applicable laws, the liabilities in respect of the guarantees of such Junior Financing shall not be included for the foregoing purposes and that, if any reduction is required to the amount guaranteed by any Guarantor hereunder and with respect to such Junior Financing that its guarantee of amounts owing in respect of such Junior Financing shall first be reduced) and after giving effect to any rights to contribution and/or subrogation pursuant to any agreement providing for an equitable contribution and/or subrogation among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such amount not constituting a fraudulent transfer or conveyance and the maximum liability of each Guarantor hereunder and under the Secured Credit Documents shall in no event exceed such amount.. Notwithstanding the provisions of the two preceding sentences, as between the Secured Parties and the holders of such Junior Financing, it is agreed (and the provisions of Junior Financing Documentation shall so provide) that any diminution (whether pursuant to court decree or otherwise) of any Guarantor's obligation to make any distribution or payment pursuant to this Agreement shall have no force or effect for purposes of the subordination provisions contained in such Junior Financing Documentation, and that any payments received in respect of a Guarantor's obligations with respect to such Junior Financing shall be turned over to the holders of the "Senior Indebtedness" (as defined in such Junior Financing Documentation) (or obligations which would have constituted Senior Indebtedness if same had not been reduced or disallowed) of such Guarantor (which Senior Indebtedness shall be calculated as if there were no diminution thereto pursuant to this Section 4.16 or for any other reason other than the indefeasible payment in full in cash of the respective obligations which would

otherwise have constituted Senior Indebtedness) until all such Senior Indebtedness (or obligations which would have constituted Senior Indebtedness if same had not been reduced or disallowed) has been indefeasibly paid in full in cash.

B Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Guarantee Agreement referred to therein.

C The Guarantors have entered into the Guarantee Agreement in order to induce (x) the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Banks to provide Cash Management Services. Section 4.14 of the Guarantee Agreement provides that additional Restricted Subsidiaries of the Borrower may become Subsidiary Parties under the Guarantee Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Restricted Subsidiary (the "New Subsidiary") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Subsidiary Party under the Guarantee Agreement in order to induce the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued.

Accordingly, the Administrative Agent and the New Subsidiary agree as follows:

Section 1. In accordance with Section 4.14 of the Guarantee Agreement, the New Subsidiary by its signature below becomes a Subsidiary Party and Guarantor under the Guarantee Agreement with the same force and effect as if originally named therein as a Subsidiary Party and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Guarantee Agreement applicable to it as a Subsidiary Party and Guarantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Guarantor thereunder are true and correct on and as of the date hereof. Section 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Administrative Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary and the Administrative Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Supplement.

Section 4. Except as expressly supplemented hereby, the Guarantee Agreement shall remain in full force and effect.

Section 5. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 6. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Guarantee Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7. All communications and notices hereunder shall be in writing and given as provided in Section 4.01 of the Guarantee Agreement.

Section 8. The New Subsidiary agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Administrative Agent.

provided (i) with respect to any Owned Trademarks, applications in the United States Patent and Trademark Office to register Owned Trademarks or service marks on the basis of any Grantor's "intent to use" such Owned Trademarks or service marks will not be deemed to be Collateral unless and until a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted in the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral and (ii) that notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in (A) motor vehicles or other assets subject to certificates of title the perfection of a security interest in which is excluded from the New York UCC in the relevant jurisdiction, (B) any Equity Interests other than Pledged Equity, (C) any Equipment that is subject to a purchase money lien or a capital lease permitted under the Credit Agreement to the extent the documents relating to such purchase money lien or capital lease validly prohibits such Equipment to be subject to the Security Interest created hereby, (D) any specifically identified asset with respect to which the Administrative Agent has confirmed in writing to the Borrower its determination that the costs or other consequences (including adverse tax consequences) of providing a security interest is excessive in view of the benefits to be obtained by the Lenders, (E) any General Intangible, Investment Property, Accounts, Intellectual Property Collateral, promissory notes, chattel paper, Permit or other such rights of a Grantor arising under any contract, lease, instrument, license, or other document if (but only to the extent that) the grant of a security interest therein would (x) constitute a violation of a valid and enforceable restriction in respect of, or result in the abandonment, invalidation or unenforceability of any right, title or interest of such Grantor in, such General Intangible, Investment Property, Accounts, Intellectual Property Collateral, promissory notes, chattel paper, Permit or other such rights in favor of a third party or under any law, regulation, permit, order, judgment or decree of any Governmental Authority and such contractual restriction is otherwise not restricted by the Credit Agreement, unless and until all required consents shall have been obtained (for the avoidance of doubt, the restrictions described herein are not negative pledges or similar undertakings in favor of a lender or other financial counterparty) or (y) expressly give any other party in respect of any such contract, lease, instrument, franchise, permit, license or other document relating to any such General Intangible, Investment Property, Intellectual Property Collateral, Accounts, promissory notes, chattel paper, Permit or other such rights of a Grantor or give any other party the right to terminate its obligations or such Grantor's rights under such contract, lease, instrument, franchise, permit, license or other document (whether expressly in such document or otherwise under applicable law) to the extent that such right is not restricted by the Credit Agreement, provided however, that the limitation set forth in clause (E)above shall not affect, limit, restrict or impair the grant by a Grantor of a security interest pursuant to this Agreement in any such Collateral to the extent that an otherwise applicable prohibition or restriction on such grant is rendered ineffective by any applicable law, including the New York UCC and provided further that the Proceeds from any such contract, lease, instrument or other document shall not be excluded from the definition of Article 9 Collateral or (G) Margin Stock unless the applicable requirements of Regulations T, U, and X of the Board of Governors of the Federal Reserve have been satisfied. Each Grantor shall, if requested to do so by the Administrative Agent, use commercially reasonable efforts to obtain any such required consent that is reasonably obtainable with respect to Collateral which the Administrative Agent reasonably determines to be material.

(b) Each Grantor hereby irrevocably authorizes the Collateral Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as all assets of such Grantor or words of similar effect as being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the Uniform Commercial Code or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Collateral Agent promptly upon request.

(c) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d) Each Grantor hereby further authorizes the Collateral Agent to file filings with the United States Patent and Trademark Office or United States Copyright Office (or any successor office or any similar office in any other country), including the Trademark Security Agreement, Copyright Security Agreement, and Patent Security Agreement or other documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interest granted by such Grantor hereunder, without the signature of such Grantor, and naming such Grantor, as debtor, and the Collateral Agent, as secured party.

Section 3.02. Representations and Warranties . Holdings and the Borrower jointly and severally represent and warrant, as to themselves and the other Grantors, to the Collateral Agent and the Secured Parties that:

(a) Subject to Liens permitted by Section 7.01 of the Credit Agreement, each Grantor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained.

(b) The Perfection Certificate has been duly prepared, completed, executed and delivered to the Collateral Agent and the information set forth therein, including the exact legal name of each Grantor, is correct and complete in all material aspects as of the Closing Date. The Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations prepared by the Collateral Agent based upon the information provided to the Collateral Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule 2 to the Perfection Certificate (or specified by notice from the applicable Grantor to the Collateral Agent after the Closing Date in the case of filings, recordings or registrations required by Section 6.11 of the Credit Agreement), are all the filings, recordings and registrations that are necessary to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the

filing of continuation statements. Each Grantor represents and warrants that fully executed agreements in the form of Exhibit II, Exhibit III and Exhibit IV hereof and containing a description of all Collateral consisting of Intellectual Property with respect to United States Patents and United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights have been delivered to the Collateral Agent for recording by the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, and otherwise as may be required pursuant to the laws of any other necessary jurisdiction, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Collateral consisting of Patents, Trademarks and Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than such actions as are necessary to perfect the Security Interest with respect to any Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed after the date hereof).

(c) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations, (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code and (iii) a security interest that shall be perfected in all Collateral in which a security interest may be perfected upon the receipt and recording of this Agreement with the United States Patent and Trademark Office and the United States Copyright Office, as applicable, within the three month period (commencing as of the date hereof) pursuant to 35 U.S.C. § 261 or 15 U.S.C. § 1060 or the one month period (commencing as of the date hereof) pursuant to 17 U.S.C. § 205 and otherwise as may be required pursuant to the laws of any other necessary jurisdiction. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than (i) any Lien that is expressly permitted pursuant to Section 7.01 of the Credit Agreement and has priority as a matter of law and (ii) Liens expressly permitted pursuant to Section 7.01 of the Credit Agreement.

(d) The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens expressly permitted pursuant to Section 7.01 of the Credit Agreement. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Collateral with the United States Patent and Trademark Office or the United States Copyright Office, or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens expressly permitted pursuant to Section 7.01 of the Credit Agreement.

(e) All Commercial Tort Claims of each Grantor in existence on the date of this Agreement (or on the date upon which such Grantor becomes a party to this Agreement) are described on Schedule III hereto.

Section 3.03. Covenants . (a)The Borrower agrees to promptly notify the Collateral Agent in writing of any change (i) in the legal name of any Grantor, (ii) in the identity or type of organization or corporate structure of any Grantor, (iii) in the jurisdiction of organization of any Grantor, (iv) in the Location of any Grantor or (v) in the organizational identification number of any Grantor. In addition, if any Grantor does not have an organizational identification number on the Closing Date (or the date such Grantor becomes a party to this Agreement) and later obtains one, the Borrower shall promptly thereafter notify the Collateral Agent of such organizational identification number and shall take all actions reasonably satisfactory to the Collateral Agent to the extent necessary to maintain the security interests (and the priority thereof) of the Collateral Agent in the Collateral intended to be granted hereby fully perfected and in full force and effect.

(b) Each Grantor shall, at its own expense, take any and all commercially reasonable actions necessary to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Collateral Agent in the Article 9 Collateral and the priority thereof against any Lien not expressly permitted pursuant to Section 7.01 of the Credit Agreement; provided that, nothing in this Agreement shall prevent any Grantor from discontinuing the operation or maintenance of any of its assets or properties if such discontinuance is both (x) determined by such Grantor in good faith to be desirable in the conduct of its business and (y) is permitted by the Credit Agreement.

(c) Each year, at the time of delivery of annual financial statements with respect to the preceding fiscal year pursuant to Section 6.01 of the Credit Agreement, the Borrower shall deliver to the Collateral Agent a certificate executed by the chief financial officer and the chief legal officer of the Borrower setting forth the information required pursuant to Schedules 1(a), 1(c), 1(e), 1(f) and 2(b) of the Perfection Certificate or confirming that there has been no change in such information since the date of such certificate or the date of the most recent certificate delivered pursuant to this Section 3.03(c).

(d) The Borrower agrees, on its own behalf and on behalf of each other Grantor, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith. If any amount payable under or in connection with any of the Article 9 Collateral that exceeds $5,000,000 shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be promptly pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties, duly endorsed in a manner reasonably satisfactory to the Collateral Agent.

(e) At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 7.01 of the Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement and within a reasonable period of time after the Collateral Agent has requested that it do so, and each Grantor jointly and severally agrees

to reimburse the Collateral Agent within 10 days after demand for any payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization. Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(f) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person the value of which exceeds $5,000,000 to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Collateral Agent for the benefit of the applicable Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(g) Each Grantor (rather than the Collateral Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

Section 3.04. Other Actions . In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) *Instruments*. If any Grantor shall at any time hold or acquire any Instruments constituting Collateral and evidencing an amount in excess of $5,000,000, such Grantor shall forthwith endorse, assign and deliver the same to the Collateral Agent for the benefit of the applicable Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) *Investment Property*. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any certificated securities, such Grantor shall forthwith endorse, assign and deliver the same to the Collateral Agent for the benefit of the applicable Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request. If any securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, upon the Collateral Agent's request and following the occurrence of an Event of Default such Grantor shall promptly notify the Collateral Agent thereof and, at the Collateral Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (i) cause the issuer to agree to comply with instructions from the Collateral Agent as to such securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Collateral Agent to become the registered owner of the securities. If any securities, whether certificated or uncertificated, or other investment property are held by any Grantor or its nominee through a securities intermediary or commodity intermediary, upon the Collateral Agent's request and following the occurrence of an Event of Default, such Grantor shall immediately notify the Collateral Agent thereof and at the Collateral Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent shall either (i) cause such securities intermediary or (as the case may be) commodity intermediary to agree to comply with entitlement orders or other instructions from the Collateral Agent to such securities intermediary as to such security entitlements, or (as the case may be) to apply any value distributed on account of any commodity contract as directed by the Collateral Agent to such commodity intermediary, in each case without further consent of any Grantor or such nominee, or (ii) in the case of financial assets or other Investment Property held through a securities intermediary, arrange for the Collateral Agent to become the entitlement holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Collateral Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. The Collateral Agent agrees with each of the Grantors that the Collateral Agent shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor, unless an Event of Default has occurred and is continuing. The provisions of this paragraph shall not apply to any financial assets credited to a securities account for which the Collateral Agent is the securities intermediary.

(c) *Commercial Tort Claims.* If any Grantor shall at any time after the date of this Agreement acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of $5,000,000 or more, such Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor and provide supplements to Schedule III describing the details thereof and shall grant to the Collateral Agent a security interest therein and in the proceeds thereof, all upon the terms of this Agreement.

(d) *Letter of Credit Rights*. If any Grantor is at any time a beneficiary under a letter of credit with a stated amount of $5,000,000 or more, such Grantor shall promptly notify the Collateral Agent thereof and, at the request of the Collateral Agent, such Grantor shall, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, use its reasonable best efforts to (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under such letter of credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of such letter of credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be applied as provided in this Agreement after the occurrence and during the continuance of an Event of Default.

ARTICLE IV

Certain Provisions Concerning Intellectual Property Collateral

Section 4.01. Grant of License to Use Intellectual Property . Without limiting the provision of Section 3.01 hereof or any other rights of the Collateral Agent as the holder of a Security Interest in any Intellectual Property Collateral, for the purpose of enabling the Collateral Agent to exercise

rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor shall, upon request by the Collateral Agent, grant to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Grantors and exercisable only after the occurrence and during the continuation of an Event of Default) to use, license or sublicense any of the Intellectual Property Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Collateral Agent may be exercised, at the option of the Collateral Agent, during the continuation of an Event of Default; provided that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default.

Section 4.02. Protection of Collateral Agent's Security

(a) Except to the extent failure to act, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, with respect to registration or pending application of each item of its Intellectual Property Collateral for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all steps, including, without limitation, in the U.S. Patent and Trademark Office, the U.S. Copyright Office and any other governmental authority located in the United States, to (i) maintain the validity and enforceability of any registered Intellectual Property Collateral and maintain such Intellectual Property Collateral in full force and effect, and (ii) pursue the registration and maintenance of each Patent, Trademark, or Copyright registration or application, now or hereafter included in such Intellectual Property Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the U.S. Patent and Trademark Office, the U.S. Copyright Office or other governmental authorities, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(b) Except where failure to do so, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect, each Grantor shall take all steps to preserve and protect each item of its Intellectual Property Collateral, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to the standards of quality.

(c) Except as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, no Grantor shall do or permit any act or knowingly omit to do any act whereby any of its Intellectual Property Collateral may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in case of a trade secret, lose its competitive value).

(d) Each Grantor agrees that, should it obtain an ownership or other interest in any Intellectual Property Collateral after the Closing Date ("After-Acquired Intellectual Property"), (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trademarks, the goodwill symbolized thereby, shall automatically become part of the Intellectual Property Collateral subject to the terms and conditions of this Agreement with respect thereto.

(e) Nothing in this Agreement prevents any Grantor from discontinuing the use or maintenance of any of its Intellectual Property Collateral to the extent permitted by the Credit Agreement if such Grantor determines in its reasonable business judgment that such discontinuance is desirable in the conduct of its business.

Section 4.03. After-Acquired Property . Once every fiscal quarter of the Borrower, with respect to issued or registered Patents (or published applications therefore) or Trademarks (or applications therefor), and once every fiscal quarter, with respect to registered Copyrights, each Grantor shall sign and deliver to the Collateral Agent an appropriate Security Agreement Supplement and related grant of security interest with respect to all of its applicable Owned Intellectual Property as of the last day of such period, to the extent that such Intellectual Property is not covered by any previous Security Agreement Supplement and related grant of security interest so signed and delivered by it. In each case, it will promptly cooperate as reasonably necessary to enable the Collateral Agent to make any necessary or reasonably desirable recordations with the U.S. Copyright Office or the U.S. Patent and Trademark Office, as appropriate.

ARTICLE V

Remedies

Section 5.01. Remedies Upon Default . Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Collateral Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Secured Obligations, as applicable, under the Uniform Commercial Code or other applicable law, and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; provided that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such occupancy; (iii) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; provided that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; (iv) withdraw any and all cash or other Collateral from the Cash Collateral Account and to apply such cash and other Collateral to the payment of any and all Secured Obligations in the manner provided in Section 5.02 of this Agreement; (v) subject to the mandatory requirements of applicable law and the notice requirements described below, sell or otherwise dispose of all or any part of the

Collateral securing the Secured Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate; and (vi) with respect to any Intellectual Property Collateral, on demand, cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Intellectual Property Collateral by the applicable Grantors to the Collateral Agent, or license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Intellectual Property Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine, provided, however, that such terms shall include all terms and restrictions that customarily required to ensure the continuing validity and effectiveness of the Intellectual Property at issue, such as, without limitation, quality control and inure provisions with regard to Trademarks, patent designation provisions with regard to patents, and copyright notices and restrictions or decompilation and reverse engineering of copyrighted software. The Collateral Agent shall be authorized at any sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of such securities to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full (in which case the applicable Grantors shall be entitled to the proceeds of any such sale pursuant to Section 5.02 hereof). As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after notice to the Borrower of its intent to exercise such rights (except in the case of a Bankruptcy Event of Default, in which case no such notice shall be required), for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies if insurance, (ii) making all determinations and decisions with respect thereto and (iii) obtaining or maintaining the policies of insurance required by Section 6.07 of the Credit Agreement or to pay any premium in whole or in part relating thereto. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within 10 days of demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby.

Section 5.02. Application of Proceeds . The Collateral Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with the provisions of Section 8.04 of the Credit Agreement. The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. It is understood and agreed that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

ARTICLE VI

Indemnity, Subrogation and Subordination

Section 6.01. Indemnity . In addition to all such rights of indemnity and subrogation as the Grantors may have under applicable law (but subject to Section 6.03), each Guarantor Party (as defined in the Guaranty) agrees that, in the event any assets of any Grantor that is a Subsidiary

Party shall be sold pursuant to this Agreement or any other Collateral Document to satisfy in whole or in part an Obligation owing directly by such Guaranteed Party to any Secured Party (i.e., other than pursuant to its capacity as a Guarantor under the Guaranty), such Guaranteed Party shall indemnify such Grantor in an amount equal to the fair market value of the assets so sold.

Section 6.02. Contribution and Subrogation . At any time a payment by any Subsidiary Party in respect of the Secured Obligations is made under this Agreement or any other Collateral Document as a result of a sale of assets by such Subsidiary Party that shall not have been fully indemnified as provided in Section 6.01, the right of contribution of each Subsidiary Party against each other Subsidiary Party shall be determined as provided in the immediately succeeding sentence, with the right of contribution of each Subsidiary Party to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Secured Obligations under this Agreement and not indemnified pursuant to Section 6.01. At any time that a Relevant Payment is made by a Subsidiary Party that results in the aggregate payments made by such Subsidiary Party in respect of the Secured Obligations to and including the date of the Relevant Payment exceeding such Subsidiary Party's Contribution Percentage (as defined below) of the aggregate payments made by all Subsidiary Parties in respect of the Secured Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Subsidiary Party shall have a right of contribution against each other Subsidiary Party who has made payments in respect of the Secured Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Subsidiary Party's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Subsidiary Parties in respect of the Secured Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Subsidiary Party and the denominator of which is the Aggregate Excess Amount of all Subsidiary Parties multiplied by (y) the Aggregate Deficit Amount of such other Subsidiary Party. A Subsidiary Party's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that the contribution rights of such Subsidiary Party shall be subject to Section 6.03. As used in this Section 6.02: (i) each Subsidiary Party's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Subsidiary Party by (y) the aggregate Adjusted Net Worth of all Subsidiary Parties; (ii) the "Adjusted Net Worth" of each Subsidiary Party shall mean the greater of (x) the Net Worth (as defined below) of such Subsidiary Party and (y) zero; and (iii) the "Net Worth" of each Subsidiary Party shall mean the amount by which the fair saleable value of such Subsidiary Party's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under the Subsidiary Guaranty or any guaranteed obligations arising under any guaranty of any Junior Financing or any Permitted Refinancing thereof) on such date. Notwithstanding anything to the contrary contained above, any Subsidiary Party that is released from this Agreement pursuant to Section 7.13 hereof shall thereafter have no contribution obligations, or rights, pursuant to this Section 6.02, and at the time of any such release, if the released Subsidiary Party had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to $0, and the contribution rights and obligations of the remaining Subsidiary Parties shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Subsidiary Parties. Each of the Subsidiary Parties recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Subsidiary Party has the right to waive its contribution right against any other Subsidiary Party to the extent that after giving effect to such waiver such Subsidiary Party would remain solvent, in the determination of the Required Lenders.

Section 6.03. Subordination . Notwithstanding any provision of this Agreement to the contrary, all rights of the Grantors under Sections 6.01 and 6.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Secured Obligations; provided, that if any amount shall be paid to such Grantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Secured Obligations, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Collateral Agent to be credited and applied against the Secured Obligations, whether matured or unmatured, in accordance with Section 5.02 of this Agreement. No failure on the part of the Borrower or any Grantor to make the payments required by Sections 6.01 and 6.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Grantor with respect to its obligations hereunder, and each Grantor shall remain liable for the full amount of the obligations of such Grantor hereunder.

ARTICLE VII

Miscellaneous

Section 7.01. Notices . All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to any Subsidiary Party shall be given to it in care of the Borrower as provided in Section 10.02 of the Credit Agreement.

Section 7.02. Waivers; Amendment . (a)No failure or delay by the Collateral Agent, any L/C Issuer or any Lender in exercising any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege, or any abandonment or discontinuance of steps to enforce such a right, remedy, power or privilege, preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Collateral Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Collateral Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Loan Party or Loan Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.01 of the Credit Agreement.

Section 7.03. Collateral Agent's Fees and Expenses; Indemnification . (a)The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Grantors jointly and severally agree to indemnify the Collateral Agent and the other Indemnitees (as defined in Section 10.05 of the Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery, performance or enforcement of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreement or instrument contemplated hereby, or to the Collateral, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or of any Affiliate, director, officer, employee, counsel, agent, trustee, investment advisor or attorney-in-fact of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 7.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 7.03 shall be payable within 10 days of written demand therefor.

Section 7.04. Successors and Assigns . Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

Section 7.05. Survival of Agreement . All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any Lender or on its behalf and notwithstanding that the Collateral Agent, any L/C Issuer or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under any Loan Document is outstanding and unpaid or any Letter of Credit is outstanding (except if such Letter of Credit is cash collateralized or subject to a backstop letter of credit in each case in an amount and on terms reasonably satisfactory to the Administrative Agent and the L/C Issuer) and so long as the Commitments have not expired or terminated.

Section 7.06. Counterparts; Effectiveness; Several Agreement . This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. This Agreement shall become effective as to any Loan Party when a counterpart hereof executed on behalf of such Loan Party shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Loan Party and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Loan Party, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Loan Party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Loan Party and may be amended, modified, supplemented, waived or released with respect to any Loan Party without the approval of any other Loan Party and without affecting the obligations of any other Loan Party hereunder.

Section 7.07. Severability . Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.08. Right of Set-Off . In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower and each Loan Party to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates to or for the credit or the account of the respective Loan Parties against any and all obligations owing to such Lender and its Affiliates hereunder, now or hereafter existing, irrespective of whether or not such Lender or Affiliate shall have made demand under this Agreement and although such obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Each Lender agrees promptly to notify the Borrower and the Collateral Agent after any such set off and application made by such Lender; provided, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender under this Section 7.08 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have.

Section 7.09. Governing Law; Jurisdiction; Consent to Service of Process . (a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each of the Loan Parties hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York City and of the United States District Court of the Southern District of New York,

and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Collateral Agent, any L/C Issuer or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Grantor or its properties in the courts of any jurisdiction.

(c) Each of the Loan Parties hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 7.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 7.10. WAIVER OF JURY TRIAL . EACH PARTY HERETO HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 7.10 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 7.11. Headings . Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 7.12. Security Interest Absolute . All rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, the Secured Hedge Agreements, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, the Secured Hedge Agreements or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

Section 7.13. Termination or Release . (a)This Agreement, the Security Interest and all other security interests granted hereby shall terminate when all the outstanding Secured Obligations (other than Secured Obligations in respect of Secured Hedge Agreements and Cash Management Obligations not yet due and payable (to the extent permitted by the terms thereof) and contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the L/C Obligations have been reduced to zero (except if such Letter of Credit is fully cash collateralized or supported by a backstop letter of credit in each case in an amount and on terms reasonably satisfactory to the Administrative Agent and the L/C Issuer) and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) A Subsidiary Party shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Subsidiary Party shall be automatically released upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Subsidiary Party ceases to be a Subsidiary of the Borrower; provided that the Required Lenders shall have consented to such transaction (to the extent required by the Credit Agreement) and the terms of such consent did not provide otherwise.

(c) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 10.01 of the Credit Agreement, the security interest in such Collateral shall be automatically released.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c), the Collateral Agent shall promptly execute and deliver to any Grantor, at such Grantor's expense, all documents (including relevant certificates, securities and other instruments) that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 7.13 shall be without recourse to or warranty by the Collateral Agent.

(e) At any time that the respective Grantor desires that the Collateral Agent take any action described in the immediately preceding paragraph (d), it shall, upon request of the Collateral Agent, deliver to the Collateral Agent an officer's certificate certifying that the release of the respective Collateral is permitted pursuant to paragraph (a), (b) or (c). The Collateral Agent shall have no liability whatsoever to any Secured Party as the result of any release of Collateral by it as permitted (or which the Collateral Agent in good faith believes to be permitted) by this Section 7.13.

(f) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank by

the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower or any Subsidiary under any Secured Hedge Agreement and the Cash Management Obligations shall be secured pursuant to this Agreement only to the extent that, and for so long as, the other Secured Obligations are so secured and (ii) any release of Collateral effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

Section 7.14 Additional Restricted Subsidiaries . Pursuant to Section 6.11 of the Credit Agreement, certain Restricted Subsidiaries of the Loan Parties that were not in existence or not Restricted Subsidiaries on the date of the Credit Agreement are required to enter in this Agreement as Subsidiary Parties upon becoming Restricted Subsidiaries. Upon execution and delivery by the Collateral Agent and a Restricted Subsidiary of a Security Agreement Supplement, such Restricted Subsidiary shall become a Subsidiary Party hereunder with the same force and effect as if originally named as a Subsidiary Party herein. The execution and delivery of any such instrument shall not require the consent of any other Loan Party hereunder. The rights and obligations of each Loan Party hereunder shall remain in full force and effect notwithstanding the addition of any new Loan Party as a party to this Agreement.

Section 7.15 Collateral Agent Appointed Attorney-in-Fact . Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof at any time after and during the continuance of an Event of Default, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Collateral Agent shall have the right, upon the occurrence and during the continuance of an Event of Default and (unless a Bankruptcy Event of Default has occurred and is continuing) delivery of notice by the Collateral Agent to the Borrower of its intent to exercise such rights, with full power of substitution either in the Collateral Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent or the Cash Collateral Account and adjust, settle or compromise the amount of payment of any Account; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; provided that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact.

Section 7.16 General Authority of the Collateral Agent . By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Collateral Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Collateral Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

Section 7.17 Mortgages . In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of a Mortgage and the terms thereof are inconsistent with the terms of this Agreement, then with respect to such Collateral, the terms of such Mortgage shall control in the case of Fixtures and real estate leases, letting and licenses of, and contracts and agreements relating to the lease of, real property, and the terms of this Agreement shall control in the case of all other Collateral.

Section 7.18 Recourse; Limited Obligations . This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Loan Documents and the Secured Hedge Agreements and otherwise in writing in connection herewith or therewith. It is the desire and intent of each Grantor and the Secured Parties that this Agreement shall be enforced against each Grantor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, and in furtherance of the foregoing, it is noted that the obligations of each Grantor that is a Subsidiary Party have been limited as expressly provided in the Subsidiary Guaranty and are limited hereunder as and to the same extent provided therein.

EXHIBIT I to the
Security Agreement

SUPPLEMENT NO. __ dated as of [●], to the Security Agreement dated as of June 14, 2007, among OSI RESTAURANT PARTNERS, LLC (the "Borrower"), OSI HOLDCO, INC. ("Holdings"), the Subsidiaries of the Borrower identified therein and DEUTSCHE BANK AG NEW YORK BRANCH, as Collateral Agent for the Secured Parties (as defined below).

A Reference is made to (i) the Credit Agreement dated as of June 14, 2007 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, Holdings, each Lender (as defined in the Credit Agreement) from time to time party thereto, Deutsche Bank AG New York Branch, as Administrative Agent, Pre-Funded RC Deposit Bank, Swing Line Lender and an L/C Issuer, Bank of America, N.A., as Syndication Agent, and General Electric Capital Corporation, SunTrust Bank, Cooperatieve Centrale Raiffeisen-Boerenleenbank B.A., "Rabobank Nederland", New York Branch, LaSalle Bank National Association, Wachovia Bank, National Association and Wells Fargo Bank, National Association, as Co-Documentation Agents, (ii) the Guaranty (as defined in the Credit Agreement), (iii) each Secured Hedge Agreement (as defined in the Credit Agreement) and (vi) the Cash Management Obligations (as defined in the Credit agreement).

B Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement referred to therein.

C The Grantors have entered into the Security Agreement in order to induce (x) the Lenders to make Loans and the L/C Issuers to issue Letters of Credit, (y) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (z) the Cash Management Bank to provide Cash Management Services. Section 7.14 of the Security Agreement provides that additional Restricted Subsidiaries of the Borrower may become Subsidiary Parties under the Security Agreement by execution and delivery of an instrument substantially in the form of this Supplement. The undersigned Restricted Subsidiary (the "New Subsidiary") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Subsidiary Party under the Security Agreement in order to induce the Lenders to make additional Loans and the L/C Issuers to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued.

Accordingly, the Collateral Agent and the New Subsidiary agree as follows:

Section 1. In accordance with Section 7.14 of the Security Agreement, the New Subsidiary by its signature below becomes a Subsidiary Party (and accordingly, becomes a Grantor) and Grantor under the Security Agreement with the same force and effect as if originally named therein as a Subsidiary Party and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Subsidiary Party and Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Secured Obligations does hereby create and grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, their successors and assigns, a security interest in and lien on all of the New Subsidiary's right, title and interest in and to the Collateral (as defined in the Security Agreement) of the New Subsidiary. Each reference to a "Grantor" in the Security Agreement shall be deemed to include the New Subsidiary. The Security Agreement is hereby incorporated herein by reference.

Section 2. The New Subsidiary represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms.

Section 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Collateral Agent shall have received a counterpart of this Supplement that bears the signature of the New Subsidiary and the Collateral Agent has executed a counterpart hereof. provided that notwithstanding anything to the contrary in this Mortgage, this Mortgage shall not constitute a grant of a security interest in any General Intangible (as defined in the Security Agreement), Investment Property (as defined in the Security Agreement) or other such rights of the Mortgagor arising under any contract, lease, instrument, license or other document if and for so long as (but only to the extent that) the grant of a security interest therein would (x) constitute a violation of a valid and enforceable restriction in respect of such general intangible, investment property or other such rights in favor of a third party or under any law, regulation, permit, order or decree of any Governmental Authority, unless and until all required consents shall have been obtained (for the avoidance of doubt, the restrictions described herein are not negative pledges or

similar undertakings in favor of a lender or other financial counterparty) or (y) expressly give any other party in respect of any such contract, lease, instrument, license or other document, the right to terminate its obligations thereunder, provided however, that the limitation set forth above shall not affect, limit, restrict or impair the grant by the Mortgagor of a security interest pursuant to this Mortgage in any such Mortgaged Property to the extent that an otherwise applicable prohibition or restriction on such grant is rendered ineffective by any applicable law, including the UCC. ARTICLE I

Representations, Warranties and Covenants of the Mortgagor

The Mortgagor agrees, covenants, represents and/or warrants as follows:

Section 1.01. Title, Mortgage Lien. (a) The Mortgagor has good and marketable fee simple title to the Mortgaged Property, subject only to Permitted Encumbrances.

(b) This Mortgage and the Uniform Commercial Code Financing Statements described in Section 1.09 of this Mortgage, when duly recorded in the public records identified in the Perfection Certificate (as defined in the Security Agreement) will create a valid, perfected and enforceable first priority lien upon and security interest in all of the Mortgaged Property to the extent perfection can be obtained by filing uniform commercial code financing statements.

(c) The Mortgagor will forever warrant and defend its title to the Mortgaged Property, the rights of the Mortgagee therein under this Mortgage and the validity and priority of the lien of this Mortgage thereon against the claims of all persons and parties except those having rights under Permitted Encumbrances to the extent of those rights.

Section 1.02. Credit Agreement. This Mortgage is given pursuant to the Credit Agreement. The Mortgagor expressly covenants and agrees to pay when due, and to timely perform, and to cause the other Loan Parties to pay when due, and to timely perform, the Secured Obligations in accordance with the terms of the Credit Documents, each Secured Hedge Agreement and any agreement evidencing any Cash Management Obligations (collectively, the " Secured Credit Documents" and individually, a "Secured Credit Document").

Section 1.03. Maintenance of Mortgaged Property. The Mortgagor will maintain the Improvements and the Personal Property in the manner required by the Credit Agreement.

Section 1.04. Insurance. If any portion of Improvements constituting part of the Mortgaged Property is located in an area identified as a special flood hazard area by Federal Emergency Management Agency or other applicable agency, Mortgagor will purchase flood insurance in an amount satisfactory to the Mortgagee, but in no event less than the maximum limit of coverage available under the National Flood Insurance Act of 1968, as amended.

Section 1.05. Casualty Condemnation/Eminent Domain. The Mortgagor shall give the Mortgagee prompt written notice of any casualty or other damage to the Mortgaged Property or any proceeding for the taking of the Mortgaged Property or any portion thereof or interest therein under power of eminent domain or by condemnation or any similar proceeding in accordance with, and to the extent required by, the Credit Agreement. Any Net Cash Proceeds received by or on behalf of the Mortgagor in respect of any such casualty, damage or taking shall be applied or reinvested in accordance with the Credit Agreement.

Section 1.06. Assignment of Leases and Rents. (a) The Mortgagor hereby irrevocably and absolutely grants, transfers and assigns all of its right, title and interest in all Leases, together with any and all extensions and renewals thereof for purposes of securing and discharging the performance by the Mortgagor of the Secured Obligations. The Mortgagor has not assigned or executed any assignment of, and will not assign or execute any assignment of, any Leases or the Rents payable thereunder to anyone other than the Mortgagee.

(b) All Leases shall be subordinate to the lien of this Mortgage. The Mortgagor will not enter into, modify or amend any Lease if such Lease, as entered into, modified or amended, will not be subordinate to the lien of this Mortgage.

(c) Subject to Section 1.07(d), the Mortgagor has assigned and transferred to the Mortgagee all of the Mortgagor's right, title and interest in and to the Rents now or hereafter arising from each Lease heretofore or hereafter made or agreed to by the Mortgagor, it being intended that this assignment establish, subject to Section 1.07(d), an absolute transfer and assignment of all Rents and all Leases to the Mortgagee and not merely to grant a security interest therein. Subject to Section 1.07(d), the Mortgagee may in the Mortgagor's name and stead (with or without first taking possession of any of the Mortgaged Property personally or by receiver as provided herein) operate the Mortgaged Property and rent, lease or let all or any portion of any of the Mortgaged Property to any party or parties at such rental and upon such terms as the Mortgagee shall, in its sole discretion, determine, and may collect and have the benefit of all of said Rents arising from or accruing at any time thereafter or that may thereafter

become due under any Lease.

(d) So long as an Event of Default shall not have occurred and be continuing, the Mortgagee will not exercise any of its rights under Section 1.07(c), and the Mortgagor shall receive and collect the Rents accruing under any Lease; but after the happening and during the continuance of any Event of Default, the Mortgagee may, at its option, receive and collect all Rents and enter upon the Premises and Improvements through its officers, agents, employees or attorneys for such purpose and for the operation and maintenance thereof. Notwithstanding the preceding sentence, the Mortgagor's right to receive and collect the rents accruing under any Lease shall automatically be reinstated once the Event of Default is no longer continuing. The Mortgagor hereby irrevocably authorizes and directs each tenant, if any, and each successor, if any, to the interest of any tenant under any Lease, respectively, to rely upon any notice of a claimed Event of Default sent by the Mortgagee to any such tenant or any of such tenant's successors in interest, and thereafter to pay Rents to the Mortgagee without any obligation or right to inquire as to whether an Event of Default actually exists and even if some notice to the contrary is received from the Mortgagor, who shall have no right or claim against any such tenant or successor in interest for any such Rents so paid to the Mortgagee. Each tenant or any of such tenant's successors in interest from whom the Mortgagee or any officer, agent, attorney or employee of the Mortgagee shall have collected any Rents, shall be authorized to pay Rents to the Mortgagor only after such tenant or any of their successors in interest shall have received written notice from the Mortgagee that the Event of Default is no longer continuing, unless and until a further notice of an Event of Default is given by the Mortgagee to such tenant or any of its successors in interest.

(e) The Mortgagee will not become a mortgagee in possession so long as it does not enter and take actual possession of the Mortgaged Property. In addition, the Mortgagee shall not be responsible or liable for performing any of the obligations of the landlord under any Lease, for any waste by any tenant, or others, for any dangerous or defective conditions of any of the Mortgaged Property, for negligence in the management, upkeep, repair or control of any of the Mortgaged Property or any other act or omission by any other person.

(f) The Mortgagor shall furnish to the Mortgagee, within thirty days after a request by the Mortgagee to do so, a written statement containing the names of all tenants, subtenants and concessionaires of the Premises or Improvements, the terms of any Lease, the space occupied and the rentals and/or other amounts payable thereunder.

Section 1.07. Security Agreement. This Mortgage is both a mortgage of real property and a grant of a security interest in personal property, and shall constitute and serve as a "Security Agreement" within the meaning of the uniform commercial code as adopted in the state wherein the Premises are located ("UCC"). The Mortgagor has hereby granted unto the Mortgagee a security interest in and to all the Mortgaged Property described in this Mortgage that is not real property, and simultaneously with the recording of this Mortgage, the Mortgagor has filed or will file UCC financing statements, and will file continuation statements prior to the

lapse thereof, at the appropriate offices in the jurisdiction of formation of the Mortgagor to perfect the security interest granted by this Mortgage in all the Mortgaged Property that is not real property to the extent perfection can be obtained by the filing of UCC financing statements. The Mortgagor hereby appoints the Mortgagee as its true and lawful attorney-in-fact and agent, for the Mortgagor and in its name, place and stead, in any and all capacities, and to file the same in the appropriate offices (to the extent it may lawfully do so), and to perform each and every act and thing reasonably requisite and necessary to be done to perfect the security interest contemplated by the preceding sentence. The Mortgagee shall have all rights with respect to the part of the Mortgaged Property that is the subject of a security interest afforded by the UCC in addition to, but not in limitation of, the other rights afforded the Mortgagee hereunder and under the Guarantee and Security Agreement.

Section 1.08. Filing and Recording. Mortgagor will cause this Mortgage, the UCC financing statements referred to in Section 1.07, any other security instrument creating a security interest in or evidencing the lien hereof upon the Mortgaged Property and each UCC continuation statement and instrument of further assurance to be filed, registered or recorded and, if necessary, refiled, rerecorded and reregistered, in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to perfect the lien hereof upon, and the security interest of the Mortgagee in, the Mortgaged Property until this Mortgage is terminated and released in full in accordance with Section 3.04 hereof. The Mortgagor will pay all filing, registration and recording fees, all Federal, state, county and municipal recording, documentary or intangible taxes and other taxes, duties, imposts, assessments and charges, and all reasonable expenses incidental to or arising out of or in connection with the execution, delivery and recording of this Mortgage, UCC continuation statements any mortgage supplemental hereto, any security instrument with respect to the Personal Property, Permits, Plans and Warranties and Proceeds or any instrument of further assurance.

Section 1.09. Further Assurances. Upon request by the Mortgagee, the Mortgagor will, at the cost of the Mortgagor and without expense to the Mortgagee, do, execute, acknowledge and deliver all such further acts, deeds, conveyances, mortgages, assignments, notices of assignment, transfers and assurances as the Mortgagee shall from time to time reasonably require for the better assuring, conveying, assigning, transferring and confirming unto the Mortgagee the property and rights hereby conveyed or assigned or intended now or hereafter so to be, or which the Mortgagor may be or may hereafter become bound to convey or assign to the Mortgagee, or

for carrying out the intention or facilitating the performance of the terms of this Mortgage, or for filing, registering or recording this Mortgage, and on demand, the Mortgagor will also execute and deliver and hereby appoints the Mortgagee as its true and lawful attorney-in-fact and agent, for the Mortgagor and in its name, place and stead, in any and all capacities, to file to the extent it may lawfully do so, one or more financing statements, chattel mortgages or comparable security instruments reasonably requested by the Mortgagee to evidence more effectively the lien hereof upon and security interest in and to the Mortgaged Property and to perform each and every act and thing reasonably requested to be done to accomplish the same.

Section 1.10. Additions to Mortgaged Property. All right, title and interest of the Mortgagor in and to all extensions, improvements, betterments, renewals, substitutes and replacements of, and all additions and appurtenances to, the Mortgaged Property hereafter acquired by or released to the Mortgagor or constructed, assembled or placed by the Mortgagor upon the Premises or the Improvements, and all conversions of the security constituted thereby, immediately upon such acquisition, release, construction, assembling, placement or conversion, as the case may be, and in each such case without any further mortgage, conveyance, assignment or other act by the Mortgagor, shall become subject to the lien and security interest of this Mortgage as fully and completely and with the same effect as though now owned by the Mortgagor and specifically described in the grant of the Mortgaged Property above, but at any and all times the Mortgagor will execute and deliver to the Mortgagee any and all such further assurances, mortgages, conveyances or assignments thereof as the Mortgagee may reasonably require for the purpose of expressly and specifically subjecting the same to the lien and security interest of this Mortgage.

Section 1.11. No Claims Against Mortgagee. Nothing contained in this Mortgage shall constitute any consent or request by the Mortgagee, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Mortgaged Property or any part thereof, nor as giving the Mortgagor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Mortgagee in respect thereof.

Section 1.12. Fixture Filing. (a) Certain portions of the Mortgaged Property are or will become "fixtures" (as that term is defined in the UCC) on the Land or the Improvements, and this Mortgage, upon being filed for record in the real estate records of the county wherein such fixtures are situated, shall operate also as a financing statement filed as a fixture filing in accordance with the applicable provisions of said UCC upon such portions of the Mortgaged Property that are or become fixtures.

Except as otherwise permitted by the Credit Agreement, no part of the Mortgaged Property can, or any legal or beneficial interest in the Mortgaged Property shall, be sold, assigned, conveyed, leased, transferred or otherwise disposed of (whether voluntarily or involuntarily, directly or indirectly, by sale of stock or any interest in the Mortgagor, or by operation of law or otherwise).

ARTICLE II

Section 2.01. Events of Default. Any Event of Default under the Credit Agreement (as such term is defined therein) shall constitute an Event of Default under this Mortgage.

Section 2.02. Demand for PaymentIf an Event of Default shall occur and be continuing, then the Mortgagor will pay to the Mortgagee all amounts due and payable by the Mortgagor hereunder and under the Credit Agreement, and the other Secured Credit Documents and such further amount as shall be sufficient to cover the costs and expenses of collection, including reasonable attorneys' fees, disbursements and expenses incurred by the Mortgagee, and the Mortgagee shall be entitled and empowered to institute an action or proceedings at law or in equity for the collection of the sums so due and unpaid, to prosecute any such action or proceedings to judgment or final decree, to enforce any such judgment or final decree against the Mortgagor and to collect, in any manner provided by law, all moneys adjudged or decreed to be payable.

1 Mortgagor's organizational i.d. number must be inserted.

Section 2.03. Rights To Take Possession, Operate and Apply Revenues. (a) If an Event of Default shall occur and be continuing, the Mortgagor shall, upon demand of the Mortgagee, forthwith surrender to the Mortgagee actual possession of the Mortgaged Property and, if and to the extent not prohibited by applicable law, the Mortgagee itself, or by such officers or agents as it may appoint, may then enter and take possession of all the Mortgaged

Property without the appointment of a receiver or an application therefor, exclude the Mortgagor and its agents and employees wholly therefrom, and have access to the books, papers and accounts of the Mortgagor.

(b) If the Mortgagor shall for any reason fail to surrender or deliver the Mortgaged Property or any part thereof after such demand by the Mortgagee, the Mortgagee may to the extent not prohibited by applicable law, obtain a judgment or decree conferring upon the Mortgagee the right to immediate possession or requiring Mortgagor to deliver immediate possession of the Mortgaged Property to the Mortgagee, to the entry of which judgment or decree the Mortgagor hereby specifically consents. The Mortgagor will pay to the Mortgagee, upon demand, all reasonable expenses of obtaining such judgment or decree, including reasonable compensation to the Mortgagee's attorneys and agents; and all such expenses and compensation shall, until paid, be secured by this Mortgage.

(c) Upon every such entry or taking of possession, the Mortgagee may, to the extent not prohibited by applicable law, hold, store, use, operate, manage and control the Mortgaged Property, conduct the business thereof and, from time to time, (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon, (ii) purchase or otherwise acquire additional fixtures, personalty and other property, (iii) insure or keep the Mortgaged Property insured, (iv) manage and operate the Mortgaged Property and exercise all the rights and powers of Mortgagor to the same extent as the Mortgagor could in its own name or otherwise with respect to the same or (v) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted the Mortgagee, all as may from time to time be directed or determined by Mortgagee to be in its best interest and the Mortgagor hereby appoints the Mortgagee as its true and lawful attorney-in-fact and agent, for the Mortgagor and in its name, place and stead, in any and all capacities, to perform any of the foregoing acts. The Mortgagee may collect and receive all the Rents, issues, profits and revenues from the Mortgaged Property, including those past due as well as those accruing thereafter, and, after deducting (i) all expenses of taking, holding, managing and operating the Mortgaged Property (including reasonable compensation for the services of all persons employed for such purposes), (ii) the costs of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements, purchases and acquisitions, (iii) the costs of insurance, (iv) such taxes, assessments and other similar charges as the Mortgagee may at its option pay, (v) other proper charges upon the Mortgaged Property or any part thereof and (vi) the reasonable compensation, expenses and disbursements of the attorneys and agents of the Mortgagee, the Mortgagee shall apply the remainder of the moneys and proceeds so received pursuant to Section 2.08.

(d) Whenever, before any sale of the Mortgaged Property under Section 2.06, all Secured Obligations that are then due shall have been paid and all Events of Default fully cured, the Mortgagee will surrender possession of the Mortgaged Property back to the Mortgagor, its successors or assigns without recourse and without representation and warranty. The same right of taking possession shall, however, arise again if any subsequent Event of Default shall occur and be continuing.

Section 2.04. Right To Cure Mortgagor's Failure to Perform. Should the Mortgagor fail in the payment, performance or observance of any term, covenant or condition required by this Mortgage or the Credit Agreement (with respect to the Mortgaged Property), the Mortgagee may with notice to the Mortgagor pay, perform or observe the same, and all payments made or costs or expenses incurred by the Mortgagee in connection therewith shall be secured hereby and shall be, within ten days of written demand, repaid by the Mortgagor to the Mortgagee and if not so repaid shall accrue interest at the Default Rate. Section 2.05. Right to a Receiver. If an Event of Default shall occur and be continuing, the Mortgagee, upon application to a court of competent jurisdiction, shall be entitled as a matter of right and without notice to the Mortgagor to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect and apply the Rents. The receiver shall have all of the rights and powers permitted under the laws of the state wherein the Mortgaged Property is located. The Mortgagor shall pay to the Mortgagee within ten days of written demand all reasonable expenses, including receiver's fees, reasonable attorney's fees and disbursements, costs and agent's compensation incurred pursuant to the provisions of this Section 2.05; and all such expenses shall be secured by this Mortgage and shall be within ten days of written demand repaid by the Mortgagor to the Mortgagee and if not so repaid shall accrue interest at the Default Rate.

Section 2.06. Foreclosure and Sale. (a) If an Event of Default shall occur and be continuing, the Mortgagee may, upon ten Business Days written notice to the Mortgagor, elect to sell the Mortgaged Property or any part of the Mortgaged Property by exercise of the power of foreclosure or of sale granted to the Mortgagee by applicable law or this Mortgage. In such case, the Mortgagee may commence a civil action to foreclose this Mortgage, or it may proceed and sell the Mortgaged Property to satisfy any Secured Obligation. The Mortgagee or an officer appointed by a judgment of foreclosure to sell the Mortgaged Property, may sell all or such parts of the Mortgaged Property as may be chosen by the Mortgagee at the time and place of sale fixed by it in a notice of sale, either as a whole or in separate lots, parcels or items as the Mortgagee shall deem expedient, and in such order as it may determine, at public auction to the highest

bidder. The Mortgagee or an officer appointed by a judgment of foreclosure to sell the Mortgaged Property may postpone any foreclosure or other sale of all or any portion of the Mortgaged Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement or subsequently noticed sale. Without further notice, the Mortgagee or an officer appointed to sell the Mortgaged Property may make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale. Any person, including the Mortgagor or the Mortgagee or any designee or affiliate thereof, may purchase at such sale.

(b) The Mortgaged Property may be sold subject to unpaid taxes not yet due or payable and Permitted Encumbrances, and, after deducting all costs, fees and expenses of the Mortgagee (including costs of evidence of title in connection with the sale), the Mortgagee or an officer that makes any sale shall apply the proceeds of sale in the manner set forth in Section 2.08.

(c) Any foreclosure or other sale of less than the whole of the Mortgaged Property or any defective or irregular sale made hereunder shall not exhaust the power of foreclosure or of sale provided for herein; and subsequent sales may be made hereunder until the Secured Obligations have been satisfied, or the entirety of the Mortgaged Property has been sold.

(d) If an Event of Default shall occur and be continuing, the Mortgagee may instead of, or in addition to, exercising the rights described in Section 2.06(a) above and either with or without entry or taking possession as herein permitted, proceed by a suit or suits in law or in equity or by any other appropriate proceeding or remedy (i) to specifically enforce payment of some or all of the Secured Obligations, or the performance of any term, covenant, condition or agreement of this Mortgage or any other Secured Credit Document or any other right or (ii) to pursue any other remedy available to the Mortgagee, all as the Mortgagee shall determine most effectual for such purposes.

Section 2.07. Other Remedies.(a)In case an Event of Default shall occur and be continuing, the Mortgagee may also exercise, to the extent not prohibited by law, any or all of the remedies available to a secured party under the UCC.

(b) In connection with a sale of the Mortgaged Property or any Personal Property and the application of the proceeds of sale as provided in Section 2.08, to the extent permitted by applicable law the Mortgagee shall be entitled to enforce payment of and to receive up to the principal amount of the Secured Obligations, plus all other charges, payments and costs due under this Mortgage, and to recover a deficiency judgment for any portion of the aggregate principal amount of the Secured Obligations remaining unpaid, with interest.

Section 2.08. Application of Sale Proceeds and Rents. After any foreclosure sale of all or any of the Mortgaged Property, the Mortgagee shall receive and apply the proceeds of the sale together with any Rents that may have been collected and any other sums that then may be held by the Mortgagee under this Mortgage in accordance with Section 8.04 of the Credit Agreement. The Mortgagee shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with the Security Agreement. Upon any sale of the Mortgaged Property by the Mortgagee (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Mortgagee or of the officer making the sale

shall be a sufficient discharge to the purchaser or purchasers of the Mortgaged Property so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Mortgagee or such officer or be answerable in any way for the misapplication thereof.

Section 2.09. The Mortgagor as Tenant Holding Over. If the Mortgagor remains in possession of any of the Mortgaged Property after any foreclosure sale by the Mortgagee, at the Mortgagee's election the Mortgagor shall be deemed a tenant holding over and shall forthwith surrender possession to the purchaser or purchasers at such sale or be summarily dispossessed or evicted according to provisions of law applicable to tenants holding over.

Section 2.10. Waiver of Appraisement, Valuation, Stay, Extension and Redemption Laws. The Mortgagor waives, to the extent not prohibited by law, (i) the benefit of all laws now existing or that hereafter may be enacted (x) providing for any appraisement or valuation of any portion of the Mortgaged Property and/or (y) in any way extending the time for the enforcement or the collection of amounts due under any of the Secured Obligations or creating or extending a period of redemption from any sale made in collecting said debt or any other amounts due the Mortgagee, (ii) any right to at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter in force providing for any homestead exemption, stay, statute of limitations, extension or redemption, or sale of the Mortgaged Property as separate tracts, units or estates or as a single parcel in the event of foreclosure or notice of deficiency and (iii) all rights of redemption, valuation, appraisement, stay of execution, notice of election to mature or declare due the whole of or each of the Secured Obligations and marshaling in the event of foreclosure of this Mortgage.

Section 2.11. Discontinuance of Proceedings. In case the Mortgagee shall proceed to enforce any right, power or remedy under this Mortgage by foreclosure, entry or otherwise, and such proceedings shall be discontinued or abandoned for any reason, or shall be determined adversely to the Mortgagee, then and in every such case the Mortgagor and the Mortgagee shall be restored to their former positions and rights hereunder, and all rights, powers and remedies of the Mortgagee shall continue as if no such proceeding had been taken.

Section 2.12. Suits To Protect the Mortgaged Propert y. The Mortgagee shall have power

(a) to institute and maintain suits and proceedings to prevent any impairment of the Mortgaged Property by any acts that may be unlawful or in violation of this Mortgage, (b) to preserve or protect its interest in the Mortgaged Property and in the Rents arising therefrom and (c) to restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of or compliance with such enactment, rule or order would impair the security or be prejudicial to the interest of the Mortgagee hereunder.

Section 2.13. Filing Proofs of Claim. In case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Mortgagor, the Mortgagee shall, to the extent permitted by law, be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Mortgagee allowed in such proceedings for the Secured Obligations secured by this Mortgage at

the date of the institution of such proceedings and for any interest accrued, late charges and additional interest or other amounts due or that may become due and payable hereunder after such date.

Section 2.14. Possession by Mortgagee. Notwithstanding the appointment of any receiver, liquidator or trustee of the Mortgagor, any of its property or the Mortgaged Property, the Mortgagee shall be entitled, to the extent not prohibited by law, to remain in possession and control of all parts of the Mortgaged Property now or hereafter granted under this Mortgage to the Mortgagee in accordance with the terms hereof and applicable law.

Section 2.15. Waiver.(a) No delay or failure by the Mortgagee, any L/C Issuer, any Lender, any Hedge Bank or any Cash Management Bank to exercise any right, power, remedy or privilege accruing upon any breach or Event of Default shall exhaust or impair any such right, power, remedy or privilege or be construed to be a waiver of any such breach or Event of Default or acquiescence therein; and every right, power, remedy and privilege given by this Mortgage to the Mortgagee may be exercised from time to time and as often as may be deemed expedient by the Mortgagee. No consent or waiver by the Mortgagee to or of any breach or Event of Default by the Mortgagor in the performance of the Secured Obligations shall be deemed or construed to be a consent or waiver to or of any other breach or Event of Default in the performance of the same or of any other Secured Obligations by the Mortgagor hereunder. No failure on the part of the Mortgagee to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall constitute a waiver by the Mortgagee of its rights hereunder or impair any rights, powers or remedies consequent on any future Event of Default by the Mortgagor.

In the event of the sale or transfer by operation of law or otherwise of all or part of the Mortgaged Property, the Mortgagee is hereby authorized and empowered to deal with any vendee or transferee with reference to the Mortgaged Property secured hereby, or with reference to any of the terms, covenants, conditions or agreements hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any liabilities, obligations or undertakings.

Section 2.16. WAIVER OF JURY TRIAL. THE MORTGAGOR AND THE MORTGAGEE EACH WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING

EACH OF THE MORTGAGOR AND THE MORTGAGEE (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONSIN THIS SECTION 2.16.

Section 2.17. Remedies Cumulative. No right, power or remedy conferred upon or reserved to the Mortgagee by this Mortgage is intended to be exclusive of any other right, power or remedy, and each and every such right, power and remedy shall be cumulative and concurrent and in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity or by statute.

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 2.18 shall remain operative and in full force and effect regardless of the termination of this Mortgage or any other Secured Credit Document, the consummation of the transactions

contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Mortgage or any other Secured Credit Document, or any investigation made by or on behalf of the Mortgagee or any other Secured Party. Section 3.06. Multisite Real Estate Transaction. The Mortgagor acknowledges that this Mortgage may be one of a number of Other Mortgages and Collateral Documents that secure the Secured Obligations. The Mortgagor agrees that the lien of this Mortgage shall be absolute and unconditional and shall not in any manner be affected or impaired by any acts or omissions whatsoever of the Mortgagee, and without limiting the generality of the foregoing, the lien hereof shall not be impaired by any acceptance by the Mortgagee of any security for or guarantees of any of the Secured Obligations hereby secured, or by any failure, neglect or omission on the part of the Mortgagee to realize upon or protect any Secured Obligation or indebtedness hereby secured or any collateral security therefor including the Other Mortgages and other Collateral Documents. The lien hereof shall not in any manner be impaired or affected by any release (except as to the property released), sale, pledge, surrender, compromise, settlement, renewal, extension, indulgence, alteration, changing, modification or disposition of any of the Secured Obligations secured or of any of the collateral security therefor, including the Other Mortgages and other Collateral Documents or of any guarantee thereof, and the Mortgagee may at its discretion foreclose, exercise any power of sale, or exercise any other remedy

Section 3.08. Jurisdiction; Consent to Service of Process. (a) The Mortgagor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York City and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Mortgage or any other Secured Credit Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. The Mortgagor hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Mortgage or any other Secured Credit Document shall affect any right that the Mortgagee, any L/C Issuer, any Lender, any Hedge Bank or any Cash Management Bank may otherwise have to bring any action or proceeding relating to this Mortgage or any other Secured Credit Document against the Mortgagor in the courts of any jurisdiction, including but not limited to the courts of the State in which the Mortgaged Property is located.

(b) The Mortgagor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Mortgage or any other Secured Credit Document in any court referred to in paragraph (a) of this Section 3.08. The Mortgagor hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense

of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) The Mortgagor irrevocably consents to service of process in the manner provided for notices in Section 3.02 of this Mortgage. Nothing in this Mortgage or any other Secured Credit Document will affect the right of any Secured Party to serve process in any other manner permitted by law.

Section 3.09. Recourse. This Mortgage is made with full recourse to the Mortgagor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of the Mortgagor contained herein, in the Loan Documents and the Secured Hedge Agreements and otherwise in writing in connection herewith or therewith.

Section 3.10. Reduction of Secured Amount. In the event that the maximum principal amount secured by this Mortgage is less than the aggregate of the Secured Obligations, then the amount secured hereby shall be reduced only by the last and final sums that the Mortgagor or any other Loan Party repays with respect to the Secured Obligations and shall not be reduced by any intervening repayments of the Secured Obligations. So long as the balance of the Secured Obligations exceeds the amount secured hereby, any payments of the Secured Obligations shall not be deemed to be applied against, or to reduce, the portion of the Secured Obligations secured by this Mortgage.

Section 3.11. Future Advances. This Mortgage is given to secure the Secured Obligations under, or in respect of, the Secured Credit Documents and shall secure not only obligations with respect to presently existing indebtedness under the foregoing documents and agreements but also any and all other indebtedness which may hereafter be owing to the Secured Parties under the Secured Credit Documents, however incurred, whether interest, discount or otherwise, and whether the same shall be deferred, accrued or capitalized, including future advances and re-advances, pursuant to the Credit Agreement or the other Secured Credit Documents, whether such advances are obligatory or to be made at the option of the Secured Parties, or otherwise, to the same extent as if such future advances were made on the date of the execution of this Mortgage. The Lien of this Mortgage shall be valid as to all indebtedness secured hereby, including future advances, from the time of its filing for record in the recorder's office of the county in which the Mortgaged Property is located. This Mortgage is intended to and shall be valid and have priority over all subsequent Liens and encumbrances, including statutory Liens, excepting solely taxes and assessments levied on the real estate, to the extent of the maximum amount secured hereby, and Permitted Encumbrances related thereto. Although this Mortgage is given to secure all future advances made by the Mortgagee and/or the other Secured Parties to or for the benefit of the Borrower, the Mortgagor and/or the Mortgaged Property, whether obligatory or optional, the Mortgagor and the Mortgagee hereby acknowledge and agree that the Mortgagee and the other Secured Parties are obligated by the terms of the Secured Credit Documents to make certain future advances, including advances of a revolving nature, subject to the fulfillment of the relevant conditions set forth in the Secured Credit

Documents.

If a Payee does not file a proper claim or proof of debt in the form required in any proceeding or other action referred to in clause (i) of the second preceding paragraph prior to 30 days before the expiration of the time to file such claim or claims, then any of the holders of the Senior Indebtedness (or their representative) is hereby authorized to file an appropriate claim for and on behalf of such Payee.

Subject to the prior payment in full in cash of all Senior Indebtedness, each Payee

shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of assets of the respective Payor applicable to the Senior Indebtedness until all amounts owing on the Note shall be paid in full, and for the purpose of such subrogation no payments or distributions to the holders of the Senior Indebtedness by or on behalf of a Payor or by or on behalf of the holder of the Note which otherwise would have been made to the holder of the Note shall, as between such Payor, its creditors other than the holders of Senior Indebtedness,

and the holder of the Note, be deemed to be payment by such Payor to or on account of the Senior Indebtedness,

The holders of the Senior Indebtedness may, without in any way affecting the obligations of any Payee with respect thereto, at any time or from time to time and in their absolute discretion, change the manner, place or terms of payment of, change or extend the time of payment of, or renew or alter, any Senior Indebtedness, or amend, modify or supplement any agreement or instrument governing or evidencing such Senior Indebtedness or any other document referred to therein, or exercise or refrain from exercising any other of their rights under the Senior Indebtedness including, without limitation, the waiver of default thereunder and the release of any collateral securing such Senior Indebtedness, all without notice to or assent from any Payee.

If any Payee shall acquire by indemnification, subrogation or otherwise, any lien, estate, right or other interest in any of the assets or properties of any Payor, that lien, estate, right or other interest shall be subordinate in right of payment to the Senior Indebtedness and the lien of the Senior Indebtedness as provided herein, and each Payee hereby waives any and all rights it may acquire by subrogation or otherwise to any lien of the Senior Indebtedness or any portion thereof until such time as all Senior Indebtedness has been indefeasibly repaid in full in cash.

If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made (whether by any other Loan Party or any other Person or enforcement of any right of setoff or otherwise) is rescinded or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency,

bankruptcy or reorganization of any other Loan Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

The indebtedness evidenced by this Note owed by any Payor that is neither a Guarantor nor the Borrower shall not be subordinated to, and shall rank *pari passu* in right of payment with, any other obligation of such Payor.

Nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Payor and each Payee, the obligations of such Payor, which are absolute and unconditional, to pay to such Payee the principal of and interest on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Payee and other creditors of such Payor other than the holders of Senior Indebtedness.

Each Payee is hereby authorized (but not required) to record all loans and advances made by it to any Payor (all of which shall be evidenced by this Note), and all repayments or prepayments thereof, in its books and records, such books and records constituting *prima facie* evidence of the accuracy of the information contained therein.

Each Payor hereby waives presentment, demand, protest or notice of any kind in connection with this Note. All payments under this Note shall be made without offset, counterclaim or deduction of any kind.

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

Section 3.01. Grant of Security Interest, etc. The Grantor does hereby assign and transfer unto the Collateral Agent (including its successors and assigns) for the benefit of the Secured Parties, and does hereby pledge and grant to the Collateral Agent (including its successors and assigns) for the benefit of the Secured Parties, in each case as security for the payment or performance, as the case may be, in full of the Secured Obligations, including the Borrower Guaranty, a continuing security interest (the "Security Interest") in any and all of the right, title and interest of the Grantor in, to and under the Account and the Account Proceeds, or in which or to which the Grantor has any rights. The Grantor hereby irrevocably orders, directs and instructs the Account Custodian, and the Account Custodian hereby agrees, to comply, strictly and promptly, with any and all instructions, orders, directions and notifications communicated from time to time to the Account Custodian and originated by the Collateral Agent, directing the transfer or redemption of, or the exercise of any rights with respect to, any or all of the Collateral, or otherwise relating to any of the Collateral, without further consent by the Grantor or any other Person, and not to comply with any instructions, orders, directions or notifications originated by any Person other than the Collateral Agent or a court of competent jurisdiction.

Section 3.02. Further Assurances . The Grantor agrees that it will, at any time and from time to time, at its expense, promptly execute and deliver all further agreements, instruments and other documents and take all further action that the Collateral Agent may reasonably request in order to perfect and protect the first priority security interest purported to be created hereby or otherwise to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder (including, without limitation, any filings of financing or continuation statements under the New York UCC and any action as may be reasonably requested from time

to time by the Collateral Agent so that "control" (as defined in Section 8-106 of the New York UCC on the date hereof) of the Account and the Account Proceeds is maintained).

Section 3.03. Appointment as Attorney-In-Fact. The Grantor hereby irrevocably appoints the Collateral Agent its attorney-in-fact, with full authority in the place and stead of the Grantor and in the name of the Grantor or otherwise, from time to time upon the

occurrence and during the continuation of an Event of Default in the Collateral Agent's sole discretion to execute any instrument and to take any other action which the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement or to facilitate the assignment or other transfer by the Collateral Agent of any or all of its rights hereunder, including, without limitation, (i) to receive, endorse and collect all instruments made payable to the Grantor and representing any interest payment or other distribution in respect of the Collateral and to give full discharge for the same, and (ii) to execute and deliver any and all instruments and other documents that the Collateral Agent may reasonably request in connection with the exercise by the Collateral Agent of any or all of its rights hereunder.

ARTICLE IV

Remedies

Section 4.01. Exercise of Remedies Upon Event of Default. (a) Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may (i) exercise in respect of all or any portion of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it under applicable law, all of the rights and remedies of a secured party on default under the New York UCC, (ii) without notice except as specified below, direct the Account Custodian to sell or liquidate any or all of the non-cash Collateral in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Account Custodian's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Collateral Agent in its sole discretion may deem commercially reasonable, (iii) direct the Account Custodian to withdraw any Collateral from the Account and transfer the same to the Collateral Agent, and (iv) apply the same to the Obligations. The Grantor agrees that, to the extent notice of sale shall be required by law, at least 10 days' written notice to the Grantor of the time and place of any public sale or the time after which any private sale or other disposition is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time (by announcement, in the case of any public sale, at the time and

place fixed therefore), and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) All moneys collected by the Collateral Agent upon any sale or other disposition of the Collateral, together with all other moneys on deposit in the Account or otherwise received by the Collateral Agent hereunder which constitute Collateral, shall be applied in accordance with the terms of Section 4.02 hereof.

Section 4.02. Application of Proceeds. The Collateral Agent shall apply the Account Proceeds and/or the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 8.04 of the Credit Agreement. The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a

sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. It is understood and agreed that the Grantor shall remain liable to the extent of any deficiency between the amount of the Account Proceeds and/or the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

ARTICLE V

Release And Termination

Section 5.01. Release of Funds Deposited in Account.

(a) So long as no Default or Event of Default has occurred and is continuing (except to the extent provided for in Section 8.05(a)(y) of the Credit Agreement), and subject to the fulfillment of the conditions precedent referred to in Section 5.02(a) hereof, the Collateral Agent will authorize the Account Custodian to release from the Account, and to deliver to the Grantor upon request, in each case, in accordance with Section 5.02(a) hereof, funds from the Account to the extent otherwise permitted herein and in the Credit Agreement. Nothing in this Agreement shall obligate the Account Custodian or the Collateral Agent to release any funds, Account Proceeds or Collateral in excess of the amount held in the Account from time to time. Such funds shall only be available to the Grantor in amounts set forth in the Request for Release of Capital Expenditure Funds and as otherwise provided herein.

(b) For greater certainty, from and after the occurrence and during the continuance of any Default or Event of Default, the Grantor shall not be entitled to receive any amounts then held or thereafter deposited in the Account (although funds may be released to the Administrative Agent at the request of the Grantor as, and to the extent, provided in Section 8.05 (a)(y) of the Credit Agreement). From and after the occurrence and during the continuance of any Event of Default, any amounts then held or thereafter deposited in the Account, may be applied in accordance with Section 4.01 hereof.

Section 5.02. Conditions Precedent to Release, etc.

(a) The Collateral Agent shall not be obligated to authorize the release of any funds to the Grantor from the Account under Section 5.01 hereof unless:

(i) the conditions to the release of such funds set forth in Section 4.02 of the Credit Agreement have been satisfied; and

(ii) the Account Custodian and the Collateral Agent shall have received a Request for Release of Capital Expenditure Funds from the Grantor prior to 12:00 noon. (New York time) on the date of the proposed release (which date shall be a Business Day);

(b) The Account Custodian and the Collateral Agent shall be entitled to rely upon each Request for Release of Capital Expenditure Funds believed by it to be genuine. Neither the Collateral Agent nor the Account Custodian shall have or incur any liability to any Secured Party as a result of its good faith authorization of the release of funds from the Account

in accordance with the Request for Release of Capital Expenditure Funds as contemplated by this Article V.

Section 5.03. Termination; Certificate of Release.

(a) (i) This Agreement, the Security Interest and all other security interests granted hereby shall terminate with respect to all Secured Obligations when all outstanding Secured Obligations (other than Secured Obligations in respect of Secured Hedge Agreements or Cash Management Obligations not yet due and payable (to the extent permitted by the terms thereof) and contingent indemnification obligations not yet accrued and payable) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement, the L/C Obligations have been reduced to zero (except if such Letter of Credit is fully cash collateralized or supported by a backstop letter of credit in each case in an amount and on terms reasonably satisfactory to the Administrative Agent and the L/C Issuer) and the L/C Issuers have no further obligations to issue Letters of Credit under the Credit Agreement.

(b) In connection with any termination pursuant to preceding paragraph (a), the Collateral Agent shall promptly execute and deliver to the Grantor, at the Grantor's expense, all documents that the Grantor shall reasonably request to evidence such termination. Any execution and delivery of documents pursuant to this Section 5.03 shall be without recourse to or warranty by the Collateral Agent and the Account Custodian.

(c) At any time that the Grantor desires that the Collateral Agent take any action described in the immediately preceding paragraph (b), it shall, upon request of the Collateral Agent, deliver to the Collateral Agent an officer's certificate certifying that the release of the respective Account Proceeds or Collateral is permitted pursuant to paragraph (a) or (b). Neither the Collateral Agent nor the Account Custodian shall have any liability whatsoever to any Secured Party as the result of any release of Account Proceeds or Collateral by it as permitted (or which the Collateral Agent in good faith believes to be permitted) by this Section 5.03.

(d) Notwithstanding anything to the contrary set forth in this Agreement, each Cash Management Bank and each Hedge Bank by the acceptance of the benefits under this Agreement hereby acknowledge and agree that (i) the obligations of the Borrower under any Secured Hedge Agreement and the Cash Management Obligations shall be secured pursuant to this Agreement only to the extent that, and for so long as, the other Secured Obligations are so secured and (ii) any release of Collateral effected in the manner permitted by this Agreement shall not require the consent of any Hedge Bank or Cash Management Bank.

ARTICLE VI

Representations And Warranties

The Grantor represents and warrants that: (a) this Agreement has been duly authorized, executed and delivered by the Grantor and constitutes a legal, valid and binding

obligation of the Grantor enforceable in accordance with its terms, except as the enforceability hereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting creditors' rights generally and

subject to the limitations imposed by general equitable principals (regardless of whether such enforceability is considered in a proceeding at law or in equity); and (b) the pledges, assignments and grants of security interests in the Account pursuant to this Agreement creates, and upon the deposit in the Account of any other Collateral pursuant to this Agreement will create, valid and perfected first priority security interests in all of the Grantor's right, title and interest (if any) in and to the Account and the Collateral so deposited, as the case may be, and the Proceeds thereof, subject to no other lien or encumbrance or to any other agreement purporting to grant any third party a lien or encumbrance on property or assets of the Grantor which would include the Collateral. The Grantor covenants and agrees that it will defend the Collateral Agent's and Account Custodian's right, title and interest in and to the Account and the Account Proceeds (or the Collateral Agent's and Account Custodian's right, title and security interest in and to the Collateral and the proceeds thereof) against the claims and demands of all Persons whomsoever.

ARTICLE VII

Responsibilities of the Account Custodian

Section 7.01. Responsibilities of the Account Custodian:
(a) (i)

Notwithstanding any provision contained herein or in any other document or instrument to the contrary, neither the Account Custodian nor any of its directors, officers, agents, employees, affiliates or representatives shall be liable for (i) following the instruction of the Collateral Agent or complying with orders or other directives originated by the Collateral Agent or (ii) any action taken or not taken by it (or them) under or in connection with this Agreement, except for the Account Custodian's (or their) own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The Collateral Agent and the Grantor (in each case, for itself or any Person and/or entity claiming through it) hereby releases, warrants, discharges, exculpates and covenants not to sue the Account Custodian for any action taken or omitted to be taken under this Agreement, except to the extent caused by the Account Custodian's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In no event shall the Account Custodian be liable for indirect, special or consequential damages of any kind whatsoever

(including lost profits and lost business opportunity) even if it is advised of the possibility of such damages and regardless of the form of action in which any such damages may be claimed. Without limiting the foregoing, and notwithstanding any provision to the contrary elsewhere, the Account Custodian and its directors, officers, agents, employees, affiliates and representatives:

(A) shall have no responsibilities, obligations or duties other than those expressly set forth in this Agreement;

(B) may in any instance where the Account Custodian determines that it lacks or is uncertain as to its authority to take or refrain from taking certain action, or as to the requirements of this Agreement under any circumstance before it, delay or refrain from taking action unless and until it has received instructions from the Collateral Agent or advice from legal counsel (or other appropriate advisor), as the case may be;

(C) so long as it and they shall have acted (or refrained from acting) in good faith, shall not be liable for any error of judgment in any action taken, suffered or omitted by, or for any act done or step taken, suffered or omitted by, or for any mistake of fact or law, unless such action constitutes gross negligence or willful misconduct on its (or their) part (as determined by a court of competent jurisdiction in a final and non-

appealable decision);

(D) may consult with legal counsel selected by it (or other experts for the Collateral Agent or the Grantor), and shall not be liable for any action taken or not taken by it or them in good faith in accordance with the advice of such experts;

(E) will not incur any liability by acting or not acting in reliance upon any notice, consent, certificate, statement or other instrument or writing believed in good faith by it (or them) to be genuine and signed or sent by the proper party or parties;

(F) will not incur liability for any notice, consent, certificate, statement, wire instruction, telecopy, or other writing which is delayed, canceled or charged without the knowledge of the Account Custodian;

(G) shall not be deemed to have or be charged with notice or knowledge of any fact or matter unless a written notice thereof has been received by the Account Custodian at the address and to the Person designated in (or as subsequently designated pursuant to) this Agreement;

(H) shall not be obligated or required by any provision of this Agreement to expend or risk the Account Custodian's own funds, or to take any action (including but not limited to the institution or defense of legal proceedings) which in its or their judgment may cause it or them to incur or suffer any expense or liability; provided, however, if the Account Custodian elects to take any such action it shall be entitled to security or indemnity by the Grantor for the payment of the costs, expenses (including but not limited to reasonable attorneys' fees) and liabilities which may be incurred therein or thereby, reasonably satisfactory to the Account Custodian; and

(I) shall not be liable for any delay or failure to act as may be required hereunder when such delay or failure is due to any act of God, interruption or other circumstances beyond its control.

(ii) The Account Custodian has no interest in the Account Proceeds (or any Collateral which may be deemed to exist) deposited hereunder but is serving as Account Custodian only and has only possession thereof.

(iii) The Account Custodian makes no representation as to the validity, value, genuineness or collectibility of any security or other document or instrument held by or delivered to it.

(b) Resignation. (i) The Account Custodian may at any time resign and be discharged by giving written notice thereof to the Grantor and the Collateral Agent. Before such resignation shall become effective, the Collateral Agent shall appoint (with the consent of the Grantor, except upon the occurrence and during the continuation of an Event of Default under Section 8.01(f) or 8.01(g) of the Credit Agreement, not to be unreasonably withheld or delayed) a successor Account Custodian by written instrument, one copy of which instrument shall be delivered to each of the resigning Account Custodian, the Grantor and the successor Account Custodian. If no successor Account Custodian shall have been so appointed and have accepted appointment within thirty (30) days after the giving of the notice of resignation, the resigning Account Custodian may petition any court of competent jurisdiction for the appointment of a successor Account Custodian. Each such successor Account Custodian shall be knowledgeable and experienced in the performance of the duties and obligations required of the Account Custodian under this Agreement and shall have a minimum of $250,000,000 in capital and surplus.

(ii) Any resignation of the Account Custodian and appointment of a successor Account Custodian pursuant to any of the provisions of this Section 7.01(b) shall not become effective until acceptance of appointment by the successor Account Custodian as provided in Section 7.01(c) below.

(c) Successor Account Custodian. (i) Any successor Account Custodian appointed as provided above shall execute, acknowledge and deliver to the Grantor, the Collateral Agent and its predecessor Account Custodian an instrument accepting such appointment under this Agreement, and thereupon the resignation of the predecessor Account Custodian shall become effective and such successor Account Custodian without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor under this Agreement, and with like effect as if originally named as Account Custodian. The predecessor Account Custodian shall deliver or cause to be delivered to the successor Account Custodian or its designee any Account Proceeds (and any Collateral) in its possession and any related agreements, documents and statements held by it, and the Grantor, the

Collateral Agent and the predecessor Account Custodian shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Account Custodian all such rights, powers, duties and obligations.

(ii) No successor Account Custodian shall accept appointment as provided in this Section 7.01(c) unless at the time of such acceptance such successor Account Custodian is eligible under the provisions of Section 7.01(b)(i) above.

(d) Merger or Consolidation of Account Custodian. Without the execution or filing of any paper or any further act on the part of any of the parties hereto, any corporation or banking association into which the Account Custodian may be merged or converted or with which it may be consolidated, or any corporation or banking association resulting from any

merger, conversion or consolidation to which the Account Custodian shall be a party, or any corporation or banking association succeeding to substantially all of the corporate trust business of the Account Custodian shall be the successor of the Account Custodian hereunder, if and only if such corporation or banking association shall be eligible under the provisions of Section 7.01 (b)(i) above.

The Account Custodian shall be bound only by the terms of this Agreement and shall not be bound by or incur liability with respect to the Credit Agreement or any other agreement or understanding between the Grantor and the Collateral Agent to which the Account Custodian is not a party. The Account Custodian shall not have any duties hereunder except those specifically set forth herein.

ARTICLE VIII

Indemnity

Section 8.01. Indemnity. (a)The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Grantor agrees to indemnify the Collateral Agent, the Account Custodian and the other Indemnitees (as defined in Section 10.05 of the Credit Agreement but, for purposes hereof, also shall include the Account Custodian) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery, performance or enforcement of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing agreement or instrument contemplated hereby, or to the Account Proceeds or Collateral, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or of any Affiliate, director, officer, employee, counsel, agent, trustee, investment advisor or attorney-in-fact of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional

Secured Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 8.01 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 8.01 shall be payable within 10 days of written demand therefor.

(d) Without limiting the application of the foregoing provisions of this Section 8.01 (a), the Grantor agrees, to pay or reimburse the Account Custodian within 10 Business Days

of its written demand therefor, for any and all fees and out of pocket costs and expenses of whatever kind or nature incurred in connection with the establishment, maintenance and operation of the Account and the creation, preservation or protection of the Account Proceeds and the Collateral Agent's interest in the Account Proceeds, including, without limitation, all fees and taxes in connection with the recording or filing of instruments and documents in public offices, payment or discharge of any taxes or Liens upon or in respect of the Account, the Account Proceeds or any Collateral and all other fees, costs and expenses in connection with protecting or maintaining the Account, the Account Proceeds and the Collateral Agent's interest therein and protecting, maintaining or preserving the Account Proceeds and the Collateral and the Collateral Agent's interest therein, whether through judicial proceedings or otherwise, or in defending or prosecuting any actions, suits or proceedings arising out of or relating to the Account, the Account Proceeds and the Collateral.

The provisions of this Article VIII shall survive the termination of this Agreement or the earlier resignation or removal of the Account Custodian.

Section 9.02. Waivers; Amendment. (a) No failure or delay by the

Collateral Agent, the Account Custodian, any L/C Issuer, any Lender, any Hedge Bank or any Cash Management Bank in exercising any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, remedy, power or privilege or any abandonment or discontinuance of steps to enforce such a right, remedy, power or privilege preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Collateral Agent, the Account Custodian, the L/C Issuers, the Lenders, the Hedge Banks and the Cash Management Banks hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by

the Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a

waiver of any Default, regardless of whether the Collateral Agent, the Account Custodian, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on the Grantor in any case shall entitle the Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent, the Account Custodian and the Grantor, subject to any consent required in accordance with Section 10.01 of the Credit Agreement.

Section 9.03. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Grantor, the Collateral Agent or the Account Custodian that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

Section 9.04. Survival of Agreement. All covenants, agreements, representations and warranties made by the Grantor in the Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any Lender or on its behalf and notwithstanding that the Collateral Agent, the Account Custodian, any L/C Issuer or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under any Loan Document is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated.

Section 9.05. Counterparts; Effectiveness, Several Agreement. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement. This Agreement shall become effective as to the Grantor when a counterpart hereof executed on behalf of the Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent and the Account Custodian, and thereafter shall be binding upon the Grantor, the Collateral Agent and the Account Custodian and their respective permitted successors and assigns, and shall inure to the benefit of the Grantor, the Collateral Agent, the Account Custodian and the other Secured Parties and their respective successors and assigns, except that the Grantor shall not have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement.

Section 9.06. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to

the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.07. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement shall be construed in accordance with and governed by the law of the State of New York. Regardless of any provisions in any other agreement, for the purposes of the New York UCC, New York is the Account Custodian's jurisdiction and the Account shall be governed by the laws of the State of New York.

(b) The Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York City and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Collateral Agent, the Account Custodian, any L/C Issuer, any Lender, any Hedge Bank or any Cash Management Bank may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Grantor or its properties in the courts of any jurisdiction.

(c) The Grantor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 9.07. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.08. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS AGREEMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO WHETHER NOW EXISTING OR HEREAFTER ARISING,

AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 9.08 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 9.09. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.10. Security Interest Absolute. All rights of the Collateral Agent and the Account Custodian hereunder, the Security Interest, the grant of a security interest in the Collateral and all obligations of the Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, the Secured Hedge Agreements, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, the Secured Hedge Agreements or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Grantor in respect of the Secured Obligations or this Agreement.

Section 9.11. General Authority of the Collateral Agent. By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Collateral Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Collateral Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against the Grantor, the exercise of remedies hereunder or

thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or the Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against the Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

Section 9.12. Recourse. This Agreement is made with full recourse to the Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of the Grantor contained herein, in the Loan Documents and the Secured Hedge Agreements and otherwise in writing in connection herewith or therewith. It is the desire

and intent of the Grantor and the Secured Parties that this Agreement shall be enforced against the Grantor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought.

Section 9.13. USA Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the USA Patriot Act the Account Custodian, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with Deutsche Bank Trust Company Americas. The parties to this Agreement agree that they will provide the Account Custodian with such information as it may request in order for the Account Custodian to satisfy the requirements of the USA Patriot Act.

Section 9.14. Instructions. For purposes of sending and receiving instructions or directions hereunder, all such instructions or directions shall be, and the Account Custodian may conclusively rely upon such instructions or directions, delivered, and executed by representatives of the Grantor and/or the Collateral Agent designated on Schedule I attached hereto and made a part hereof (each such representative, an "Authorized Person") which such designation shall include specimen signatures of such representatives, as such Schedule I may be updated from time to time.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

Schedule 5.06
Litigation

In April 2007, the Borrower was served with a putative class action complaint captioned *Gerald D. Wells, Jr. et al. v. OSI Restaurant Partners, Inc*., Case No. 07-1431, that was filed in the United States District Court for the District of Pennsylvania alleging violations of the Fair and Accurate Credit Transactions Act, or FACTA. In addition, the Borrower had previously been provided with a copy of a putative class action complaint captioned *Saunders v. Roy's Family of Restaurants, Inc.*, Case No. SACV07-164 CJC (ANx), that was filed in the United States District Court for the Central District of California also alleging violations of FACTA, but have not yet been formally served in the suit. FACTA restricts, among other things, the credit and debit card data that may be included on the electronically printed receipts provided to retail customers at the point of sale. The suits allege that the defendants violated a provision of FACTA by including more information on the electronically printed credit and debit card receipts provided to customers than is permitted under FACTA. Both complaints seek monetary damages, including statutory damages, punitive damages, attorneys' fees and injunctive relief. These lawsuits are among a number of lawsuits with similar allegations that have been filed recently against large retailers and foodservice operators, among others, as a result of the implementation of FACTA, which became fully effective as of December 4, 2006.

The Borrower is currently examining information relating to the allegations in these complaints and is evaluating developing judicial interpretations of the statute. While the Borrower intends to vigorously defend against these actions, both of these cases are in the preliminary stages of litigation, and as a result, the ultimate outcome of these cases and their potential financial impact on us are not determinable at this time. However, based on facts, events and circumstances known to the Borrower as of the Closing Date, the Borrower does not believe that it is likely that any such monetary damages, including statutory damages, punitive damages, attorneys' fees and injunctive relief, arising out of the foregoing, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. This Schedule 5.06 does not limit the representations and warranties set forth in Section 5.06 with respect to any facts, events or circumstances arising after the Closing Date or any changes in facts, events or circumstances from those known to the Borrower as of the Closing Date.

SECTION II. CONDITIONS TO EFFECTIVENESS

This Amendment shall become effective as of the date hereof only upon the satisfaction of all of the following conditions precedent (the date of satisfaction of such conditions being referred to herein as the **"First Amendment Effective Date"**):

A. Execution. Goldman Sachs Lending Partners LLC (**"GS Lending Partners"**) shall have received a counterpart signature page of this Amendment duly executed by each of the Loan Parties and each of the Required Lenders and each of the Required Term Lenders.

B. Fees and Expenses.

(i) GS Lending Partners and the Administrative Agent shall have received from the Borrower all fees and other amounts due and payable on or prior to the First Amendment Effective Date, including (to the extent invoiced prior to the First Amendment Effective Date) the reasonable fees and expenses of Latham & Watkins LLP and White & Case LLP and any other fees due and payable by the Borrower to GS Lending Partners pursuant to any separate agreements entered into between the Borrower and GS Lending Partners.

(ii) The Administrative Agent shall have received from the Borrower, on behalf of each Lender which executes and submits to GS Lending Partners a signature page hereto (provided that the condition set forth in paragraph A above has been satisfied) at or prior to 3:00 PM (New York time), on January 28, 2010, an amendment fee equal to 0.10% of the sum of the aggregate outstanding principal amount of Term Loans held by such Lender as of such date and the aggregate Working Capital RC Commitments and Pre-Funded RC Commitments of such Lender as of such date.

C. Necessary Consents. Each Loan Party shall have obtained all material consents necessary or advisable in connection with the execution and delivery of this Amendment.

SECTION III. REPRESENTATIONS AND WARRANTIES

In order to induce Lenders to enter into this Amendment and to amend the Credit Agreement in the manner provided herein, each Loan Party which is a party hereto represents and warrants to each Lender that the following statements are true and correct in all material respects:

A. Corporate Power and Authority. Each Loan Party, which is party hereto, has all requisite power and authority to enter into this Amendment and the Borrower and Holdings have the requisite power and authority to carry out the transactions contemplated by, and perform its obligations under, the Credit Agreement as amended by this Amendment (the **"Amended Agreement"**).

B. Authorization of Agreements. The execution and delivery of this Amendment and the performance of the Amended Agreement have been duly authorized by all necessary corporate or other organizational action on the part of the Borrower and Holdings.

C. No Conflict. The execution and delivery by each Loan Party of this Amendment and the performance by the Borrower and Holdings of the Amended Agreement do not and will not (a) contravene the terms of any of such Person's Organization Documents, (b) conflict with or result in any breach or contravention of, or the creation of any Lien under (other than as permitted by Section 7.01 of the Credit Agreement), or require any payment to be made under (i)(x) any Senior Notes Documentation, any Junior Financing Documentation and any other indenture, mortgage, deed of trust or loan agreement evidencing Indebtedness in an aggregate principal amount in excess of the Threshold Amount or (y) any Master Lease or other Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries or (ii) any material order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (c) violate any material Law; except with respect to any conflict, breach or contravention or payment (but not creation of Liens) referred to in clause (b)(i)(y), to the extent that such conflict, breach, contravention or payment, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

D. Governmental Consents. No material approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the execution, delivery or performance by, or enforcement against, any Loan Party of this Amendment, except for such actions, consents and approvals the failure to obtain or make, either individually or in the aggregate, which could not reasonably be expected to have a Material Adverse Effect or which have been obtained and are in full force and effect.

E. Binding Effect. This Amendment has been duly executed and delivered by each of the Loan Parties party hereto and each constitutes a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is a party hereto in accordance with its terms, subject to Debtor Relief Laws, general principles of equity (whether consider in a proceeding in equity or law) and an implied covenant of good faith and fair dealing.

F. Incorporation of Representations and Warranties from Credit Agreement. The representations and warranties of such Loan Party contained in Article V of the Amended Agreement and each other Loan Document to which it is a party are and will be true and correct in all material respects on and as of the First Amendment Effective Date to the same extent as though made on and as of that date, except to the extent such representations and warranties specifically relate to an earlier date, in which case they were true and correct in all material respects on and as of such earlier date.

G. Absence of Default. No event has occurred and is continuing or will result from the consummation of this Amendment that would constitute an Event of Default or a Default.

SECTION IV. ACKNOWLEDGMENT AND CONSENT

Each Guarantor hereby acknowledges that it has reviewed the terms and provisions of the Credit Agreement and this Amendment and consents to the amendment of the Credit Agreement effected pursuant to this Amendment. Each Guarantor hereby confirms that each Loan Document to which it is a party or otherwise bound and all Collateral encumbered thereby will

(iii) Except as specifically amended by this Amendment, the Credit Agreement and the other Loan Documents shall remain in full force and effect and are hereby ratified and confirmed.

E. Electronic Execution. The words "execution," "signed," "signature," and words of like import shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(b) All payments made by Borrower hereunder or under any of the Loan Documents shall be made on or before 2:00 p.m. New York City time. Any payments received after such time shall be credited to the next following Business Day.

(c) All amounts advanced by Lender pursuant to the applicable provisions of the Loan Documents, other than the Principal Amount, together with any interest at the Default Rate or other charges as provided therein, shall be due and payable hereunder as provided in the Loan Documents. In the event any such advance or charge is not so repaid by Borrower, Lender may, at its option, first apply any payments received under the Note to repay such advances, together with any interest thereon, or other charges as provided in the Loan Documents, and the balance, if any, shall be applied in payment of any installment of interest or principal then due and payable.

(d) The entire Principal Amount, all unpaid accrued interest (including all Applicable Interest) and all other fees and sums then payable hereunder or under the Loan Documents, including, without limitation the Yield Maintenance Premium (if applicable), shall be due and payable in full on the Maturity Date.

(e) Amounts due hereunder shall be payable, without any counterclaim, setoff or deduction whatsoever, at the office of Lender or its agent or designee at the address set forth on the first page of this Agreement or at such other place as Lender or its agent or designee may from time to time designate in writing.

(f) All amounts due hereunder, including, without limitation, interest and the Principal Amount, shall be due and payable in lawful money of the United States of America.

(g) To the extent that Borrower makes a payment or Lender receives any payment or proceeds for Borrower's benefit, which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other party under any bankruptcy law, common law or equitable cause, then, to such extent, the obligations of Borrower hereunder intended to be satisfied shall be revived and continue as if such payment or proceeds had not been received by Lender.

(h) All sums received by Lender on account of the Loan shall be applied to each Note pro rata based on relative principal balances.

2.2.3 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents (other than the outstanding Principal Amount due and payable on the Maturity Date) is not paid by Borrower on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of three percent (3%) of such unpaid sum or the Maximum Legal Rate (the " Late Payment Charge") in order to defray the expense

incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by this Agreement, the Security Instrument and the other Loan Documents to the extent permitted by applicable law.

2.2.4 Usury Savings. This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due under the Note at a rate in excess of the Maximum Legal Rate, then the Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due under the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.3 Prepayments.

2.3.1 Voluntary Prepayments. Except as otherwise provided in this Agreement, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Stated Maturity Date. Notwithstanding the foregoing, on the Payment Date occurring in January, 2017 (the " Lockout Expiration Date") and on any Business Day thereafter, Borrower may, at its option and upon ten (10) Business Days' prior written notice to Lender (provided such notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment), prepay the entire Principal Amount in whole (but not in part) without payment of the Yield Maintenance Premium or other penalty or premium; provided that as a condition precedent to such prepayment, Borrower shall also cause Mortgage Borrower to prepay the entire Principal Amount (Mortgage) in whole in accordance with the terms of the Mortgage Loan Agreement simultaneously with such prepayment of the entire Principal Amount. If Borrower prepays the entire Principal Amount, Borrower shall pay Lender, in addition to the Principal Amount, all Applicable Interest. Except in connection with a prepayment of the Floating Rate Component (Mortgage) as expressly permitted under the Mortgage Loan Agreement, Borrower shall not consent to or permit a prepayment of the Mortgage Loan (other than in connection with the simultaneous repayment of the Loan, in its entirety and in accordance with the terms and provisions of the Loan Documents and the Mortgage Loan Documents, respectively), unless it obtains the prior written consent of Lender, which consent may be given or withheld by Lender in its sole discretion.

2.3.2 Mandatory Prepayments. On the next occurring Payment Date following the date on which Lender actually receives any Proceeds in accordance with Section 6.2.3 of the Mortgage Loan Agreement, (a) such Proceeds shall be applied to prepay the Principal Amount to the extent of the Release Price for the affected Individual Property in accordance with the terms hereof, and such amount prepaid by Borrower shall result in a corresponding reduction of the Release Price and the Combined Release Price of the affected Individual Property, (b) Borrower shall pay to Lender all Applicable Interest, and (c) Borrower shall pay (without duplication) all reasonable costs and expenses of Lender incurred in connection with such prepayment (including without limitation, any reasonable attorneys' fees and expenses). Notwithstanding anything to the contrary contained herein, if the Proceeds applied by Mortgage Lender, Lender and Second Mezzanine Lender in accordance with Section 6.2.3 of the Mortgage Loan Agreement (together with any other prepayment or defeasance permitted under this Agreement, the Mortgage Loan Agreement and the Second Mezzanine Loan Agreement) equal or exceed the Combined Release Price for the applicable Individual Property, then Lender hereby agrees that Borrower shall be entitled to cause Mortgage Borrower to obtain a Property Release for such Individual Property consistent with, and subject to, the terms of Section 6.2.3 of the Mortgage Loan Agreement, and neither the release of such Individual Property from the Lien of the applicable Security Instrument and related Loan Documents and Mortgage Loan Documents, the Transfer of such Individual Property or the amendment of the Master Lease pursuant to Section 3.2.6(a)(xiv) of the Master Lease shall be deemed an Event of Default hereunder or under the other Loan Documents.

2.3.3 Prepayments After Event of Default; Application of Amounts Paid . If, after the occurrence and during the continuance of an Event of Default, Lender shall accelerate the Indebtedness and Borrower thereafter tenders payment of all or any part of the Indebtedness, or if all or any portion of the Indebtedness is recovered by Lender after such Event of Default, (a) such payment may be made only on the next occurring Payment Date together with all Applicable Interest and all other fees and sums payable hereunder or under the Loan Documents, including without limitation, interest that has accrued at the Default Rate and any Late Payment Charges, (b) such payment shall be deemed a voluntary prepayment by Borrower, and (c) to the extent that the same would, if a prepayment, be prohibited under Section 2.3.1, Borrower shall pay, in addition to the Indebtedness, an amount equal to the greater of (i) three percent (3%) of the then outstanding principal amount of the Loan to be prepaid or satisfied (excluding any portion thereof evidenced by Defeased Notes), or (ii) the Yield Maintenance Premium in respect of the then outstanding principal amount of the Loan to be prepaid or satisfied (excluding any portion thereof evidenced by Defeased Notes).

2.3.4 Reserved.

2.3.5 Release of All Collateral.

(a) Upon Repayment in Full of Loan. If Borrower has repaid the entire Principal Amount in accordance with Section 2.3.1 or Section 2.3.3 and paid to Lender all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, then Lender shall release the Lien of this Agreement and the Pledge upon the Collateral (or assign it (together with the Note), in whole or in part, to a new lender without representation, warranty or recourse). In such event, Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release or assignment, a release of lien or assignment of lien, as applicable, for such Collateral for execution by Lender. Such

release or assignment, as applicable, shall be in a form satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release or assignment, as applicable.

(b) Upon Total Defeasance Event. If Borrower has defeased the Loan in its entirety in accordance with Section 2.4.1, and paid to Lender all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, then Lender shall release the Lien of this Agreement and the Pledge upon the Collateral (or assign it to a new lender without representation, warranty or recourse), and the U.S. Securities constituting the Total Defeasance Collateral, pledged pursuant to the Defeasance Security Agreement, shall be the sole source of collateral securing the Note. In such event, Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release or assignment, a release of lien for such Collateral for execution by Lender. Such release shall be in a form satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release.

2.3.6 Release of Individual Properties and Outparcels.

(a) Individual Properties. In the event Mortgage Borrower requests the release of any Individual Property from the Lien of the applicable Security Instrument and related Mortgage Loan Documents (or to the extent so requested by Mortgage Borrower, the assignment of the Lien of the applicable Security Instrument to a new lender without representation, warranty or recourse) (each release under this Section 2.3.6, a "Property Release"), subject to satisfaction of each of the conditions set forth below with respect to such Individual Property, Lender shall consent to such Property Release and the other actions to be taken by Mortgage Lender in accordance with Section 2.3.6 of the Mortgage Loan Agreement with respect to such Individual Property (each a " Release Property"):

(i) Borrower shall deliver a written notice (a "Property Release Notice") to Lender of its desire to cause Mortgage Borrower to effect such Property Release no later than thirty (30) days prior to the date of such desired Property Release, and setting forth the Business Day (the " Release Date") on which Borrower desires that Mortgage Lender release its interest in such Release Property (provided such Property Release Notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment);

(ii) Borrower shall cause Mortgage Borrower to either:

(A) if the outstanding principal balance of the Floating Rate Component (Mortgage) is greater than or equal to the Combined Release Price for the Release Property, pay to Mortgage Lender (x) the Combined Release Price for the Release Property, to be applied in reduction of the Floating Rate Component (Mortgage), (y) all Applicable Interest (Mortgage) on the portion of the Floating Rate Component (Mortgage) being repaid, and (z) all other sums due and payable under the Mortgage Loan Agreement, the Mortgage Note, the Security Instrument and the other Mortgage Loan Documents through and including the Release Date; or

(B) if the outstanding principal balance of the Floating Rate Component (Mortgage) has previously been reduced to zero, partially defease the Fixed Rate Components (Mortgage) in an aggregate amount equal to the Release Price (Mortgage) for the Release Property, in accordance with Section 2.4.2 of the Mortgage Loan Agreement; or

(C) if the outstanding principal balance of the Floating Rate Component (Mortgage) is greater than zero but less than the Combined Release Price for the Release Property, then (x) pay to Mortgage Lender the outstanding principal balance of the Floating Rate Component (Mortgage), to be applied in reduction of the Floating Rate Component (Mortgage), (y) pay to Mortgage Lender the amounts specified in clauses (y) and (z) of subparagraph (ii)(A) above, and (z) if and only if the outstanding principal balance of the Floating Rate Component (Mortgage) being repaid pursuant to clause (x) of this subparagraph (C) is less than the Release Price (Mortgage) for the Release Property, partially defease the Fixed Rate Components (Mortgage) in an amount equal to the positive difference between the Release Price (Mortgage) for the Release Property and the outstanding principal balance of the Floating Rate Component (Mortgage) being repaid, in accordance with Section 2.4.2 of the Mortgage Loan Agreement;

(iii) as a condition precedent to a Property Release when the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Combined Release Price for the Release Property, on the Release Date, Borrower shall partially defease the Loan in accordance with the provisions of this Agreement, in an amount equal to either:

(A) if the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Release Price (Mortgage) or has previously been reduced to zero, then the Release Price for the Release Property; otherwise

(B) the amount by which the Combined Release Price for the Release Property exceeds the outstanding principal balance of the Floating Rate Component (Mortgage), multiplied by a fraction, the numerator of which is the principal balance of the Loan immediately prior to the Property Release, and the denominator of which is the aggregate principal balance of all Mezzanine Loans immediately prior to the Property Release.

(iv) as a condition precedent to a Property Release when the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Combined Release Price for the Release Property, but not as a direct covenant of Borrower, on the Release Date, Second Mezzanine Borrower shall partially defease the Second Mezzanine Loan in accordance with the provisions of the Second Mezzanine Loan Agreement, in an amount equal to either:

(A) if the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Release Price (Mortgage) or has previously been reduced to zero, then the applicable Release Price (Second Mezzanine) for the Release Property; otherwise

(B) the amount by which the Combined Release Price for the Release Property exceeds the outstanding principal balance of the Floating Rate Component (Mortgage), multiplied by a fraction, the numerator of which is the principal balance of the Second Mezzanine Loan immediately prior to the Property Release, and the denominator of which is the aggregate principal balance of all Mezzanine Loans immediately prior to the Property Release. This paragraph (iv) shall not create a debtor-creditor relationship between Borrower and Second Mezzanine Lender;

(v) Borrower shall deliver to Lender not less than ten (10) Business Days prior to the Release Date (which must be on a Business Day) all documentation that may be reasonably required by Lender to be delivered by Borrower in connection with such Property Release (collectively, " Release Instruments"), together with an Officer's Certificate certifying that (A) any and all Release Instruments, if applicable, are in compliance with all Legal Requirements, (B) the release to be effected will not violate the terms of this Agreement, (C) the release to be effected will not impair or otherwise adversely affect the Liens, security interests and other rights of Lender under the Loan Documents not being released and (D) the requirement described in paragraph (vi) below is satisfied in connection with such Property Release (together with calculations and supporting documentation demonstrating the same in reasonable detail);

(vi) with respect to any Property Release (other than an Excluded Release), after giving effect to such Property Release, the Lease Coverage Ratio as of the Release Date for all of the Individual Properties then remaining subject to the Liens of the Security Instrument shall not be less than the greater of (A) the Closing Date Lease Coverage Ratio and (B) the Lease Coverage Ratio for the Individual Properties subject to the Lien of the Security Instrument immediately prior to the Release Date;

(vii) no Event of Default shall have occurred and then be continuing on the date on which Borrower delivers the Property Release Notice or on the Release Date (except as provided in the last grammatical paragraph of this Section 2.3.6(a));

(viii) the Release Property is simultaneously transferred pursuant to a bona fide all-cash sale on arms-length terms and conditions;

(ix) Borrower shall cause Mortgage Borrower to execute and deliver such other instruments, certificates, opinions of counsel and documentation as Mortgage Lender shall reasonably request in order to preserve, confirm or secure the Liens and security granted to Mortgage Lender by the Mortgage Loan Documents, including any amendments, modifications or supplements to any of the Mortgage Loan Documents;

(x) Borrower shall pay for any and all reasonable out-of-pocket costs and expenses incurred in connection with any proposed Property Release, including Lender's reasonable attorneys' fees and disbursements;

(xi) prior to the Release Date, Borrower shall deliver to Lender evidence reasonably satisfactory to Lender that all amounts owing to any parties in connection with the transaction relating to the proposed Property Release have been paid in full, or will simultaneously be paid in full on the Release Date or adequate reserves therefor are established by Borrower in cash with respect to contingent or other liabilities that may arise out of such transaction and for which Borrower is not adequately indemnified or insured against as reasonably determined by Lender;

(xii) as a condition precedent to a Property Release, on the Release Date, Borrower shall cause Mortgage Borrower to satisfy all conditions to such Property Release set forth in the Mortgage Loan Documents;

(xiii) as a condition precedent to a Property Release but not as a direct covenant of Borrower, on the Release Date, Second Mezzanine Borrower shall have satisfied all conditions to such Property Release set forth in the Second Mezzanine Loan Documents; provided that this paragraph (xiii) shall not create a debtor-creditor relationship between Borrower and Second Mezzanine Lender;

(xiv) the transfer of the Release Property in connection with the Property Release does not trigger any rights of first refusal or purchase options in any Operating Agreements, including, but not limited to the rights or obligations set forth on Schedule VI of the Mortgage Loan Agreement as to any remaining Property unless the same have been waived or terminated by the holder thereof;

(xv) following such Property Release, Mortgage Borrower and Borrower shall each continue to be a Single Purpose Entity and comply with all provisions of the Loan Documents pertaining to a Single Purpose Entity; and

(xvi) Borrower shall cause Mortgage Borrower to enter into an amendment to the Master Lease with Master Lessee (A) to effect the reduction in the Master Lease Base Rent by an amount not to exceed the amount allocable to such Individual Property as set forth on Schedule IV to the Mortgage Loan Agreement, and (B) to cause such Release Property to be removed from the Master Lease, including amending the legal description of the "Leased Property" (as defined therein) to effect such removal.

Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, if on the date Borrower delivers a Property Release Notice, (a) a Default or Event of Default has occurred and is continuing which relates solely to the Individual Property or Individual Properties subject to the proposed Property Release (each or any such Default or Event of Default, a " Release Property-Specific Default"), (b) the Allocated Loan Amounts of such Individual Properties do not exceed, in the aggregate of all Individual Properties that are then subject to a Release Property-Specific Default, 15% of the Principal Amount, and (c) no other Default or Event of Default exists, Borrower shall not be prohibited from causing Mortgage Borrower to exercise a release with respect to such Individual Property or Individual Properties and such Release-Property-Specific Default will be deemed to have been cured upon completion of the Property Release of such Individual Property or Individual Properties by (1) delivery of such Property Release Notice and (2) completion of the Property Release of such Individual Property or Individual Properties; provided, that, if Borrower fails to cause Mortgage Borrower to complete the Property Release of each Individual Property then subject to a Release-Property-Specific Default by a Release Date that is not more than forty-five (45) days after receiving written notice from Lender or otherwise obtaining actual knowledge of the occurrence of such Release Property-Specific Default, such Default or Event of Default shall be deemed not to have been cured by delivery of such Property Release Notice and shall be retroactive to the date such Default or Event of Default first occurred.

(b) Outparcels. Provided that (i) no Event of Default has occurred and is continuing, and (ii) Mortgage Borrower shall have satisfied each of the conditions set forth in Section 2.3.6(b) of the Mortgage Loan Agreement, Borrower shall be permitted to cause Mortgage Borrower to request that Mortgage Lender release certain Outparcels in accordance with the terms of Section 2.3.6(b) of the Mortgage Loan Agreement without the consent of Lender.

2.3.7 Provisions Relating to Individual Properties That Go Dark .

(a) At any one time and from time to time, Borrower may cause Mortgage Borrower to allow Restaurant Locations to Go Dark provided that (i) the number of Go Dark Restaurant Locations plus the number of Restaurant Locations that are being operated as one or more Unaffiliated Businesses (without duplication) does not exceed the Go Dark/Sublease Limit at any time, and (ii) in no event may Borrower cause Mortgage Borrower to allow any Go Dark Purchase Option Property to Go Dark unless the holder of the purchase right, termination right, recapture right, option or similar right has irrevocably waived in writing such rights with respect to the period during which such Go Dark Purchase Option Property continues to be a Go Dark Restaurant Location. If the number of Go Dark Restaurant Locations plus the number of Restaurant Locations that are being operated as one or more Unaffiliated Businesses (without duplication) exceeds the Go Dark/Sublease Limit at any time, then within thirty (30) days of such Go Dark/Sublease Limit being exceeded, Borrower shall cause Mortgage Borrower to cause one or more Individual Properties to be released from the Lien of the applicable Security Instrument in accordance with Section 2.3.6 hereof such that the number of Go Dark Restaurant Locations plus the number of Restaurant Locations that are being operated as one or more Unaffiliated Businesses (without duplication) does not exceed the Go Dark/Sublease Limit.

(b) If any Restaurant Location shall Go Dark, Borrower will promptly send written notice thereof to Lender. If any Restaurant Location shall Go Dark, the full Master Lease Rent payment as and when, and to the extent, required under the Master Lease and the Master Lease Rent Payment Direction Letter with respect to all Restaurant Locations that are leased pursuant to the Master Lease shall nonetheless be required to be deposited into the Holding Account without reduction.

2.4 Defeasance. Provided no Event of Default shall have occurred and be continuing, Borrower shall have the right at any time after the Closing Date to voluntarily defease all or any portion of the Loan by and upon satisfaction of the following conditions (such event being a " Defeasance Event"):

2.4.1 Conditions to Total Defeasance Event. Provided that Mortgage Borrower shall have paid in full the Floating Rate Component (Mortgage) (either previously or simultaneously with the Total Defeasance Event), Borrower shall have the right to voluntarily defease the entire outstanding principal balance of the Loan without Yield Maintenance Premium or other premium or penalty and obtain a release of the Lien of the Pledge and this Agreement by providing Lender with the Total Defeasance Collateral (herein, a "Total Defeasance Event"), subject to the satisfaction of the following conditions precedent:

(a) Except as otherwise set forth herein, Borrower shall have delivered to Lender all documentary deliveries required pursuant to this Section 2.4.1 at least thirty (30) days prior to the requested effective date of such proposed Total Defeasance Event and shall specify a date (the " Total Defeasance Date") on which the Total Defeasance Event is to occur (provided such notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment);

(b) Borrower shall pay to Lender (i) all payments of principal and interest due on the Loan to and including the Total Defeasance Date, and (ii) all other sums then due on such Total Defeasance Date under the Note, this Agreement, the Pledge and the other Loan Documents;

(c) Borrower shall deposit the Total Defeasance Collateral into the Defeasance Collateral Account and otherwise comply with the provisions of Section 2.4.3 hereof;

(d) Borrower shall execute and deliver to Lender a Defeasance Security Agreement in respect of the Defeasance Collateral Account and the Total Defeasance Collateral;

(e) Borrower shall deliver to Lender (i) an Opinion of Counsel for Borrower that is reasonably satisfactory to Lender opining that (A) Lender has a legal and valid perfected first priority security interest in the Defeasance Collateral Account and the Total Defeasance Collateral, and (B) the Total Defeasance Event pursuant to this Section 2.4.1 does not constitute a "significant modification" under Section 1001 of the Code, will not cause any Securitization vehicle to fail to qualify as a grantor trust under the Code and will not cause a federal income tax to be imposed on any Securitization vehicle and (ii) a non-consolidation opinion with respect to the Successor Borrower;

(f) reserved;

(g) On or prior to the Total Defeasance Date, Borrower shall deliver an Officer's Certificate certifying that the requirements set forth in this Section 2.4.1 have been satisfied;

(h) Borrower shall deliver a certificate of an Independent certified public accounting firm reasonably acceptable to Lender certifying that the Total Defeasance Collateral will generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(i) Borrower shall deliver such other certificates, opinions, documents and instruments as Lender may reasonably request, to the extent such delivery would be required by a reasonably prudent lender defeasing mortgage loans for securitization similar to the Loan, provided that Borrower shall not be required to deliver any certificate, opinion, document or instrument that would increase Borrower's obligations or liabilities under this Agreement or any other Loan Document;

(j) Borrower shall pay to Lender a defeasance and release fee in an amount equal to $10,000; and

(k) Borrower shall pay all reasonable out-of-pocket costs and expenses of Lender incurred in connection with the Total Defeasance Event, including Lender's reasonable attorneys' fees and expenses.

Notwithstanding the foregoing, Borrower shall not consent to or permit a total defeasance of the Mortgage Loan (other than in connection with a simultaneous defeasance of the Loan in its entirety in accordance with the terms and conditions of the Loan Documents), unless it obtains the prior written consent of Lender, which consent may be given or withheld by Lender in its sole discretion.

2.4.2 Conditions to Partial Defeasance. Provided that Mortgage Borrower shall have paid in full the Floating Rate Component (Mortgage) (either previously or simultaneously with the Partial Defeasance Event), Borrower shall have the right to voluntarily defease a portion of the outstanding principal balance of the Loan without Yield Maintenance Premium or other premium or penalty, in connection with a Property Release consummated in accordance with Section 2.3.6(a), by providing Lender with the Partial Defeasance Collateral (herein, a " Partial Defeasance Event"), subject to the satisfaction of the following conditions precedent:

(a) Except as otherwise set forth herein, Borrower shall have delivered to Lender all documentary deliveries required pursuant to this Section 2.4.2 at least thirty (30) days prior to the requested effective date of such proposed Partial Defeasance Event and shall specify a date (the " Partial Defeasance Date") on which the Partial Defeasance Event is to occur (provided such notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment);

(b) Borrower shall pay to Lender (i) all payments of principal and interest due on the Loan to and including the Partial Defeasance Date, and (ii) all other sums then due on such Partial Defeasance Date under the Note, this Agreement, the Pledge and the other Loan Documents;

(c) Borrower shall deposit the Partial Defeasance Collateral into the Defeasance Collateral Account and otherwise comply with the provisions of Section 2.4.3 hereof;

(d) Borrower shall prepare all necessary documents to modify this Agreement and to amend and restate the Note and issue substitute notes, with one or more substitute notes having an aggregate principal balance equal to the aggregate Release Price for the Release Property or Release Properties (collectively, the "Defeased Note"), and one or more substitute notes having a principal balance equal to the excess of (i) the original principal amount of the Loan, over (ii) the amount of the Defeased Note and any prior Defeased Note issued (collectively, the " Undefeased Note"). The Defeased Note and Undefeased Note shall have identical terms as the Note except for the principal balance and the monthly payment amount. The Defeased Note and the Undefeased Note shall not be cross defaulted or cross collateralized. A Defeased Note may not

be the subject of any further defeasance, and all amounts paid in reduction of the principal balance thereof will be exclusively from the Scheduled Defeasance Payments in accordance herewith. In addition, a Defeased Note may be repaid in whole in connection with a repayment of the entire Loan on or after the Lockout Expiration Date in accordance with the terms hereof. For the avoidance of doubt, in connection with any Partial Defeasance Event, each Note shall be substituted with a Defeased Note and an Undefeased Note with the applicable principal balances thereof equal to such Note's ratable portion (based on outstanding principal balances) for the Defeased Note and the Undefeased Note determined in accordance with the above but assuming the Loan was evidenced by one Note instead of multiple Notes;

(e) Borrower shall execute and deliver to Lender a Defeasance Security Agreement in respect of the Defeasance Collateral Account and the Partial Defeasance Collateral;

(f) Borrower shall deliver to Lender (i) an Opinion of Counsel for Borrower that is reasonably satisfactory to Lender opining that (A) Lender has a legal and valid perfected first priority security interest in the Defeasance Collateral Account and the Partial Defeasance Collateral and (B) that the Partial Defeasance Event pursuant to this Section 2.4.2 does not constitute a "significant modification" under Section 1001 of the Code, will not cause any Securitization vehicle to fail to qualify as a grantor trust under the Code and will not cause any federal income tax to be imposed on any Securitization vehicle and (ii) a non-consolidation opinion with respect to the Successor Borrower;

(g) reserved;

(h) on or prior to the Partial Defeasance Date, Borrower shall deliver an Officer's Certificate certifying that the requirements set forth in this Section 2.4.2 have been satisfied;

(i) Borrower shall deliver a certificate of an Independent certified public accounting firm reasonably acceptable to Lender certifying that the Partial Defeasance Collateral will generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(j) Borrower shall deliver such other certificates, opinions, documents and instruments as Lender may reasonably request, to the extent such delivery would be required by a reasonably prudent lender defeasing mortgage loans for securitization similar to the Loan, provided that Borrower shall not be required to deliver any certificate, opinion, document or instrument that would increase Borrower's obligations or liabilities under this Agreement or any other Loan Document;

(k) Borrower shall pay to Lender a defeasance and release fee in an amount equal to $10,000;

(l) Borrower shall pay all reasonable out-of-pocket costs and expenses of Lender incurred in connection with the Partial Defeasance Event, including Lender's reasonable attorneys' fees and expenses;

(m) Borrower shall have complied with the provisions of Section 2.3.6 with respect to the Individual Property or Individual Properties being released; and

(n) as a condition precedent to a Partial Defeasance Event, on the Defeasance Date, Borrower shall cause Mortgage Borrower to partially defease the Mortgage Loan in accordance with the provisions of the Mortgage Loan Agreement in the amount specified in Section 2.3.6(a)(ii); and

(o) as a condition precedent to a Partial Defeasance Event but not as a direct covenant of Borrower, on the Defeasance Date, Second Mezzanine Borrower shall have partially defeased the Second Mezzanine Loan in accordance with the provisions of the Second Mezzanine Loan Agreement in the amount specified in Section 2.3.6(a)(iv).

2.4.3 Defeasance Collateral Account. On or before the date on which Borrower delivers the Total Defeasance Collateral or Partial Defeasance Collateral, as applicable, Borrower shall open at any Eligible Institution the defeasance collateral account (the " Defeasance Collateral Account") which shall at all times be an Eligible Account. The Defeasance Collateral Account shall contain only (a) Total Defeasance Collateral or the applicable Partial Defeasance Collateral, and (b) cash from interest and principal paid on the Total Defeasance Collateral or the applicable Partial Defeasance Collateral. All cash from interest and principal payments paid on the Total Defeasance Collateral or Partial Defeasance Collateral shall be paid over to Lender on each Payment Date and applied in accordance with the terms of this Agreement. Following the payment of all Scheduled Defeasance Payments, any cash from interest and principal paid on the Total Defeasance Collateral or Partial Defeasance Collateral in excess of the amounts necessary to pay the Scheduled Defeasance Payments shall be paid to Borrower or, if there is a Successor Borrower, to Successor Borrower. Borrower shall cause the Eligible Institution at which the Total Defeasance Collateral or Partial Defeasance Collateral is deposited to enter into an agreement with Borrower or Successor Borrower, as applicable, and Lender, satisfactory to Lender in its reasonable discretion, pursuant to which such Eligible Institution shall agree to hold and distribute the Total Defeasance Collateral or Partial Defeasance Collateral in accordance with this Agreement. Borrower or Successor Borrower, as applicable, shall be the owner of the Defeasance Collateral Account and shall report all income accrued on Total Defeasance Collateral or Partial Defeasance Collateral for federal, state and local income tax purposes in its income tax return. Borrower shall pay all costs and expenses associated with opening and maintaining the Defeasance Collateral Account. Lender shall not in any way be liable by reason of any insufficiency in the Defeasance Collateral Account. At Borrower's election, different Defeasance Collateral Accounts may be established for each defeasance consummated pursuant to this Agreement.

2.4.4 Successor Borrower. In connection with a Defeasance Event under this Section 2.4, Borrower shall, if reasonably required by Lender or if Borrower elects to do so, establish or designate a successor entity (the " Successor Borrower") which shall be a single purpose bankruptcy remote entity and which shall be reasonably approved by Lender. Any such Successor Borrower may, at Borrower's option, be an Affiliate of Borrower unless Lender shall reasonably require otherwise. Borrower shall transfer and assign all obligations, rights and duties under and to the Note (in connection with a Total Defeasance Event) and under the Defeased Note (in connection with a Partial Defeasance Event), together with the Total Defeasance Collateral or Partial Defeasance Collateral, as applicable, to such Successor Borrower. Such Successor Borrower shall assume the obligations under the Note (in connection with a Total Defeasance Event) and under the Defeased Note (in connection with a Partial

Defeasance Event) and the Defeasance Security Agreement and Borrower shall be relieved of its obligations under such documents. Borrower shall pay all reasonable, out-of-pocket costs and expenses incurred by Lender, including Lender's reasonable attorney's fees and expenses, incurred in connection therewith. A different Successor Borrower may be established for each defeasance consummated pursuant to this Agreement.

2.5 Regulatory Change; Taxes.

2.5.1 Increased Costs. If as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender or any company Controlling Lender of the principal of or interest on the Loan is changed or Lender or the company Controlling Lender shall be subject to (i) any Tax, duty, charge or withholding of any kind with respect to this Agreement (excluding taxation of the overall net income of Lender or the company Controlling Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company Controlling Lender is imposed, modified or deemed applicable; and Lender determines that, by reason thereof, the cost to Lender or any company Controlling Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company Controlling Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called " Increased Costs"), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender's written request such additional amount or amounts as will compensate Lender or any company Controlling Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan; provided, however, that with respect to the period during which the Loan is held by a Securitization trust, Borrower's liability under this Section 2.5.1 shall be limited to the Increased Costs to which such Securitization trust itself is subject, if any. If Lender requests compensation under this Section 2.5.1, Borrower may, by notice to Lender, require that Lender furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof. In the event that Borrower is required to pay any Increased Costs in accordance with the terms hereof, Borrower shall have the right to prepay the Principal Amount (together with all Applicable Interest) without the imposition of any Yield Maintenance Premium.

2.5.2 Special Taxes. Borrower shall make all payments hereunder free and clear of and without deduction for Special Taxes. If Borrower shall be required by law to deduct any Special Taxes from or in respect of any sum payable hereunder or under any other Loan Document to Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.5.2) Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions, and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law. Notwithstanding anything to the contrary contained in this Section 2.5, Borrower shall not be liable for any amounts as a result of (a) withholding for Special Taxes or additional costs incurred as a result of the assignment of all or any portion of the Loan by Lender to any Person that is subject to Special Taxes at the time of such assignment, which Special Taxes

exceed the Special Taxes to which the assignor is subject, and which is organized under or has its principal place of business outside of the United States of America or any political subdivision thereof or (b) failure of Lender to comply with any certification, identification, information, documentation or other reporting requirement if (i) such compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from, or reduction in the rate of, deduction or withholding of any Special Taxes and (ii) at least thirty (30) days prior to the first Payment Date with respect to which Borrower shall apply this clause (b), Borrower shall have notified Lender that Lender will be required to comply with such requirement, provided, however, that the exclusion set forth in this clause (b) shall not apply in respect of any certification, identification, information, documentation or other reporting requirement if such requirement would be materially more onerous, in form, in procedure or in the substance of information disclosed, to Lender than comparable information or other reporting requirements imposed under U.S. Tax law, regulation and administrative practice (such as IRS Forms W-8BEN and W-9).

2.5.3 Other Taxes. In addition, Borrower agrees to pay any present or future stamp or documentary taxes or other excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents, or the Loan (hereinafter referred to as " Other Taxes").

2.5.4 Indemnity. Subject to the limitations in the last sentence of Section 2.5.2, Borrower shall indemnify Lender for the full amount of Special Taxes and Other Taxes (including any Special Taxes or Other Taxes imposed by any Governmental Authority on amounts payable under this Section 2.5.4) paid by Lender and any liability (including penalties, interest, and reasonable out-of-pocket expenses) arising therefrom or with respect thereto, whether or not such Special Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days after the date Lender makes written demand therefor.

2.5.5 Change of Office. To the extent that changing the jurisdiction of Lender's applicable office would have the effect of minimizing Special Taxes, Other Taxes or Increased Costs, Lender shall use reasonable efforts to make such a change, provided that same would not otherwise be disadvantageous to Lender.

2.5.6 Survival. Without prejudice to the survival of any other agreement of Borrower hereunder, the agreements and obligations of Borrower contained in this Section 2.5 shall survive the payment in full of principal and interest hereunder, and the termination of this Agreement.

III. CASH MANAGEMENT

3.1 Cash Management.

3.1.1 Establishment of Collateral Account. Borrower hereby acknowledges that (A) simultaneously with the execution of this Agreement, Lender (or Lender's Servicer on Lender's behalf) has established with Cash Management Bank, in the name of Lender (or

Lender's Servicer on Lender's behalf), an account (the "Collateral Account"), which has been established as a deposit account, (B) Lender (or Lender's Servicer on Lender's behalf) shall be the customer (within the meaning Section 4-104(a)(5) of the UCC) of Cash Management Bank with respect to the Collateral Account. The Collateral Account and the funds deposited therein shall serve as additional security for the Loan. Borrower shall not have any right to make, and shall not deliver any orders to Cash Management Bank for, and withdrawals from the Collateral Account. The Collateral Account shall be an Eligible Account to which certain funds shall be allocated and from which disbursements shall be made pursuant to the terms of this Agreement. For the avoidance of doubt, the Collateral Account is the same account as the First Mezzanine Account (as defined in the Mortgage Loan Agreement).

3.1.2 Pledge of Account Collateral. To secure the full and punctual payment and performance of the Obligations, Borrower hereby collaterally assigns, grants a security interest in and pledges to Lender, to the extent not prohibited by applicable law, a first priority continuing security interest in and to the following property of Borrower, whether now owned or existing or hereafter acquired or arising and regardless of where located (all of the same, collectively, the "Account Collateral"):

(a) the Collateral Account and all cash, deposits and/or wire transfers from time to time deposited or held in, credited to or made to Collateral Account;

(b) all interest and cash from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing or purchased with funds from the Collateral Account unless released; and

(c) to the extent not covered by clauses (a) or (b) above, all proceeds (as defined under the UCC) of any or all of the foregoing.

In addition to the rights and remedies herein set forth, Lender shall have all of the rights and remedies with respect to the Account Collateral available to a secured party at law or in equity, including, without limitation, the rights of a secured party under the UCC, as if such rights and remedies were fully set forth herein.

This Agreement shall constitute a security agreement for purposes of the Uniform Commercial Code and other applicable law.

3.1.3 Maintenance of Collateral Accounts.

(a) Borrower agrees that the Collateral Account is and shall be maintained (i) as a "deposit account" (as such term is defined in Section 9-102(a)(29) of the UCC), (ii) in such a manner that Lender (or Lender's Servicer on behalf of Lender) is the customer (within the meaning of Section 4-104(a)(5) of the UCC) of the Cash Management Bank with respect to the Collateral Account and Lender (or such other Person designated in writing by Lender to Borrower from time to time) shall have control (within the meaning of Section 9-104(a)(2) of the UCC) over the Collateral Account, and (iii) such that Borrower shall have no right of withdrawal from the Collateral Account and, except as provided herein, no Account Collateral shall be released to Borrower from the Collateral Account.

(b) Notwithstanding Section 3.1.3(a)(i) above, Lender (or Lender's Servicer on behalf of Lender) shall be permitted to cause the Collateral Account to be maintained as "securities accounts" pursuant to Article 8 of the UCC, provided that (i) Lender is the entitlement holder (within the meaning of Section 8-102(a)(7) of the UCC) with respect to the Collateral Account, (ii) Lender (or such other Person designated in writing by Lender to Borrower from time to time) shall have control (within the meaning of Section 8-106(d) of the UCC) over such "securities account" and at all times Lender shall have a perfected first priority lien on the Collateral Account, (iii) such account shall be maintained in such a manner that the Cash Management Bank shall agree to treat all property credited to the Collateral Account as "financial assets" and, (iv) all securities or other property underlying any financial assets credited to the Collateral Account shall be registered in the name of Cash Management Bank, endorsed to Cash Management Bank or in blank or credited to another securities account maintained in the name of Cash Management Bank and in no case will any financial asset credited to any of the Collateral Account be registered in the name of Borrower, payable to the order of Borrower or specially endorsed to Borrower except to the extent the foregoing have been specially indorsed to Cash Management Bank or in blank.

3.1.4 Eligible Account. The Collateral Account shall be an Eligible Account. The Collateral Account shall be subject to such applicable laws, and such applicable regulations of the Board of Governors of the Federal Reserve System and of any other banking or governmental authority, as may now or hereafter be in effect. Income and interest accruing on the Collateral Account or any investments held in such account shall be periodically added to the principal amount of such account and shall be held, disbursed and applied in accordance with the provisions of this Agreement. Borrower shall be the beneficial owner of the Collateral Account for federal income tax purposes and shall report all income on the Collateral Account.

3.1.5 Cash Management Arrangement. Borrower shall cause Mortgage Borrower to cause all Rents to be deposited and applied in accordance with the Mortgage Loan Documents and shall cause Mortgage Borrower to at all times comply with the provisions of Article 3 of the Mortgage Loan Agreement. All funds deposited by the Mortgage Cash Management Bank into the Collateral Account shall be deemed to be a distribution from Mortgage Borrower to Borrower and shall be applied and disbursed in accordance with this Agreement.

3.1.6 Monthly Funding.

(a) Borrower hereby irrevocably authorizes Lender to transfer, and Lender shall transfer, from the Collateral Account by 11:00 a.m. New York time on each Payment Date, or as soon thereafter as there shall be sufficient collected funds on deposit in the Collateral Account, and from time to time (but no less frequently than weekly thereafter) to Lender funds in an amount equal to the sum of any Protective Advances which may have been advanced by (and not previously reimbursed to) Lender pursuant to the terms of the Loan Documents to cure any Default or Event of Default, any Mortgage Default or Mortgage Event of Default, or to protect the Collateral together with any interest payable on such amounts pursuant to the Loan Documents, plus (x) the unpaid Mezzanine Loan Debt Service Amount due on the Payment Date on which the transfer from the Collateral Account is made, plus (y) an amount equal to such payments for any prior month(s), to the extent not previously paid, plus (z) an amount equal to the amount, if any, deducted from the Collateral Account in any preceding month to pay any other amounts then due under the Loan Documents (other than any Mezzanine Loan Debt Service Amounts).

(b) If for any reason there will be insufficient amounts in the Collateral Account on any Payment Date to pay the Mezzanine Loan Debt Service Amount due on such Payment Date, Borrower shall immediately deposit into the Collateral Account an amount equal to the shortfall of available funds. Any failure by Borrower to deposit the full amount required by the preceding sentence shall constitute an Event of Default hereunder. If Lender shall reasonably determine that there will be insufficient amounts in the Collateral Account to pay any Protective Advances as and when the same are due and payable, Lender shall provide written notice of same to Borrower setting forth the basis for such determination. Within five (5) Business Days of receipt of said notice, Borrower shall deposit into the Collateral Account an amount equal to the shortfall of available funds in the Collateral Account. Any failure by Borrower to deposit the full amount required by the preceding sentence within said five (5) Business Day period shall constitute an Event of Default hereunder.

(c) Lender agrees to deliver to Mortgage Lender at least five (5) Business Days prior to each Payment Date a written notice setting forth the Mezzanine Loan Debt Service Amount payable by Borrower on the first Payment Date occurring after the date such notice is delivered (the " Mezzanine Lender Monthly Debt Service Notice"); provided, however, that any Mezzanine Lender Monthly Debt Service Notice sent to Mortgage Lender shall be applicable with respect to all future Payment Dates until Lender sends a new Mezzanine Lender Monthly Debt Service Notice to Mortgage Lender, it being understood that Lender will not be required to send a new Mezzanine Lender Monthly Debt Service Notice to Mortgage Lender unless and until the Mezzanine Loan Debt Service Amount due on the ensuing Payment Date is different from the Mezzanine Loan Debt Service Amount due on the immediately preceding Payment Date, and Mortgage Lender shall be permitted to rely on the most recently received Mezzanine Lender Monthly Debt Service Notice until Mortgage Lender receives a new Mezzanine Lender Monthly Debt Service Notice from Lender. Borrower agrees that Lender shall not be required to deliver to Mortgage Lender any additional notice with respect to distribution of Proceeds prior to the deposit of Proceeds into the Collateral Account.

(d) Borrower hereby acknowledges that, (i) pursuant to Section 3.1.6 of the Mortgage Loan Agreement, to the extent that a Mortgage Event of Default has occurred and is continuing, all Excess Cash Flow and any other payments that would otherwise be distributed to Borrower, Second Mezzanine Borrower, Lender or Second Mezzanine Lender are to be held in the Holding Account and applied in accordance with the Mortgage Loan Agreement (unless otherwise agreed to by Mortgage Lender) and (ii) to the extent required by, and in accordance with, Section 6.2.3(b) of the Mortgage Loan Agreement, any Proceeds will be disbursed to Lender to prepay the Loan in the amount of the Release Price for such Individual Property to which the Proceeds relate. Any Proceeds received by Mortgage Lender in excess of the release price specified in Section 6.2.3(b) of the Mortgage Loan Agreement for such affected Individual Property shall be paid in accordance with the payment priorities set forth in Section 6.2.3(b) of the Mortgage Loan Agreement.

(e) Borrower hereby also acknowledges that (i) Lender has the right to deliver notice to Mortgage Lender that an Event of Default has occurred and is continuing under the Loan Documents (a "Mezzanine Loan Default Notice"), and (ii) pursuant to the Mortgage Loan Agreement, provided there is no Mortgage Event of Default and to the extent Mortgage Lender has received a Mezzanine Loan Default Notice, Mortgage Borrower has irrevocably directed that all Excess Cash Flow is to be deposited directly into the Collateral Account for application as provided in this Agreement (in lieu of transferring such funds to the Mortgage Borrower's Account if Mortgage Lender had not received a Mezzanine Loan Default Notice) until such time as Mortgage Lender receives a notice from Lender that such Event of Default is no longer continuing.

(f) Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, payments or distributions made directly to or on behalf of Mortgage Borrower or Mortgage Lender, including the distribution or payment of any Asset Management Fee pursuant to the Mortgage Loan Agreement and any funds distributed or paid to the Mortgage Borrower's Account pursuant to the Mortgage Loan Agreement or to the Borrower's Account pursuant to this Agreement shall be free and clear of any lien of the Mortgage Loan Documents and the Loan Documents and may be paid, used, or distributed without the same being transferred to the Mortgage Collateral Account or the Collateral Account.

3.1.7 Cash Management Agreement Upon Repayment of Mortgage Loan . In the event that the Mortgage Loan has been fully repaid and the Loan has not been fully repaid, then Borrower shall, and shall cause Mortgage Borrower to, enter into a cash management agreement with Lender, in form and substance reasonably satisfactory to Lender (the "Replacement Cash Management Agreement"), that shall require, among other things, that Borrower and Mortgage Borrower establish certain accounts and reserves, and pledge such accounts and reserves to Lender as additional Collateral for the Loan, such that Lender has the same legal and economic rights and remedies as Mortgage Lender has under the cash management and reserve provisions of the Mortgage Loan Documents, including without limitation, Article 3 of the Mortgage Loan Agreement. Until such time as the Replacement Cash Management Agreement has been fully-executed, Borrower shall cause Mortgage Borrower to continue to comply with the cash management and reserve provisions of the Mortgage Loan Documents notwithstanding the repayment of the Mortgage Loan, provided that such performance by Mortgage Borrower shall be in favor of Lender rather than Mortgage Lender.

3.1.8 Cash Management Bank. Lender shall have the right at Borrower's sole cost and expense to replace the Cash Management Bank at any time with another Eligible Institution without the consent of, or notice to, Borrower. Borrower shall cooperate with Lender in connection with the appointment of any replacement Cash Management Bank. Borrower shall have no right to replace the Cash Management Bank.

3.1.9 Borrower's Representations, Warranties and Covenants Regarding Collateral Account . Borrower represents, warrants and covenants that:

(a) Borrower will not have any right, title or interest in or to any Excess Cash Flow during any period with respect to which Mortgage Lender is obligated under the Mortgage Loan Agreement to transfer such Excess Cash Flow to the Collateral Account, except any rights Borrower shall have to allocations of such funds following the disbursement to Borrower of any Excess Cash Flow as provided in Section 3.1.6(d).

(b) There are no accounts other than the Mortgage Collateral Account, the Collateral Account and the Second Mezzanine Collateral Account maintained by Mortgage Borrower, Borrower, Second Mezzanine Borrower or any other Person with respect to the collection of rents, revenues, proceeds or other income of Mortgage Borrower, Borrower or Second Mezzanine Borrower from the Property or for the collection of Proceeds in respect of Mortgage Borrower, Borrower or Second Mezzanine Borrower.

(c) So long as the Loan shall be outstanding, neither Mortgage Borrower, Borrower nor any other Person shall open any other accounts with respect to the collection of rents, revenues, proceeds or other income from the Property or for the collection of Proceeds in respect of Mortgage Borrower or Borrower, except as provided in the Mortgage Loan Agreement or this Agreement.

3.1.10 Account Collateral and Remedies.

(a) Upon the occurrence and during the continuance of an Event of Default, without additional notice from Lender to Borrower, (i) Lender may, in addition to and not in limitation of Lender's other rights, make any and all withdrawals from the Collateral Account as Lender shall determine in its sole and absolute discretion and in any order of priority to pay any Obligations, operating expenses and/or capital expenditures for the Property; and (ii) Distributions shall be retained in the Collateral Account.

(b) Upon the occurrence and during the continuance of an Event of Default, Borrower hereby irrevocably constitutes and appoints Lender as Borrower's true and lawful attorney-in-fact, with full power of substitution, to execute, acknowledge and deliver any instruments and to exercise and enforce every right, power, remedy, option and privilege of Borrower with respect to the Account Collateral, and do in the name, place and stead of Borrower, all such acts, things and deeds for and on behalf of and in the name of Borrower, which Borrower could or might do or which Lender may deem necessary or desirable to more fully vest in Lender the rights and remedies provided for herein and to accomplish the purposes of this Agreement. The foregoing powers of attorney are irrevocable and coupled with an interest. Upon the occurrence and during the continuance of an Event of Default, Lender may perform or cause performance of any such agreement, and any reasonable out-of-pocket expenses of Lender incurred in connection therewith shall be paid by Borrower as provided in Section 5.1.16.

(c) Except for any notice required by this Agreement and the related Loan Documents, Borrower hereby expressly waives, to the fullest extent permitted by law, presentment, demand, protest or any notice of any kind in connection with this Agreement or the Account Collateral. Borrower acknowledges and agrees that ten (10) days' prior written notice of the time and place of any public sale of the Account Collateral or any other intended disposition thereof shall be reasonable and sufficient notice to Borrower within the meaning of the UCC.

3.1.11 Transfers and Other Liens. Borrower agrees that it will not (i) sell or otherwise dispose of any of the Account Collateral or (ii) create or permit to exist any Lien upon or with respect to all or any of Borrower's interest in the Account Collateral, except for the Lien granted to Lender under this Agreement.

3.1.12 Reasonable Care. Beyond the exercise of reasonable care in the custody thereof, Lender shall have no duty as to any Account Collateral in its possession or control as agent therefor or bailee thereof or any income thereon or the preservation of rights against any person or otherwise with respect thereto. Lender shall be deemed to have exercised reasonable care in the custody of the Account Collateral in its possession if the Account Collateral is accorded treatment substantially equal to that which Lender accords its own property, it being understood that Lender shall not be liable or responsible for any loss or damage to any of the Account Collateral, or for any diminution in value thereof, by reason of the act or omission of Lender, its Affiliates, agents, employees or bailees, except to the extent that such loss or damage results from Lender's gross negligence or willful misconduct. In no event shall Lender be liable either directly or indirectly for losses or delays resulting from any event which may be the basis of an Excusable Delay, computer malfunctions, interruption of communication facilities, labor difficulties or other causes beyond Lender's reasonable control or for indirect, special or consequential damages except to the extent of Lender's gross negligence or willful misconduct. Notwithstanding the foregoing, Borrower acknowledges and agrees that (i) Cash Management Bank has custody of the Account Collateral, and (ii) Lender has no obligation or duty to supervise Cash Management Bank or to see to the safe custody of the Account Collateral.

3.1.13 Lender's Liability.

(a) Lender shall be responsible for the performance only of such duties with respect to the Account Collateral as are specifically set forth in this Section 3.1 or elsewhere in the Loan Documents, and no other duty shall be implied from any provision hereof. Lender shall not be under any obligation or duty to perform any act with respect to the Account Collateral which would cause it to incur any expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own monies. Borrower shall indemnify and hold Lender, its employees and officers harmless from and against any loss, cost or damage (including, without limitation, reasonable attorneys' fees and disbursements) incurred by Lender in connection with the transactions contemplated hereby with respect to the Account Collateral except as such may be caused by the gross negligence or willful misconduct of Lender, its employees, officers or agents.

(b) Lender shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper, document or signature believed by it in good faith to be genuine, and, in so acting, it may be assumed that any person purporting to give any of the foregoing in connection with the provisions hereof has been duly authorized to do so. Lender may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder and in good faith in accordance therewith.

3.1.14 Continuing Security Interest. This Agreement shall create a continuing security interest in the Account Collateral and shall remain in full force and effect until payment in full of the Indebtedness. Upon payment in full of the Indebtedness, this security interest shall automatically terminate without further notice from any party and Borrower shall be entitled to the return, upon its request, of such of the Account Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof and Lender shall execute such instruments and documents as may be reasonably requested by Borrower to evidence such termination and the release of the Account Collateral.

3.1.15 Distributions. Transfers of Mortgage Borrower's funds from the Holding Account to or for the benefit of Borrower shall constitute distributions to Borrower and must comply with the requirements as to distributions of the Delaware Limited Liability Company Act. The provisions of this Article III shall not create a debtor-creditor relationship between Mortgage Borrower and Lender.

IV. REPRESENTATIONS AND WARRANTIES

4.1 Borrower Representations. Borrower represents and warrants as of the Closing Date that:

4.1.1 Organization. Each of Mortgage Borrower, Borrower, Master Lessee and Master Lease Guarantor is a limited liability company and has been duly organized and is validly existing and in good standing pursuant to the laws of the State of Delaware with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Guarantor is a corporation and has been duly organized and is validly existing and in good standing pursuant to the laws of the State of Delaware with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Each of Mortgage Borrower, Borrower, Guarantor, Master Lessee and Master Lease Guarantor has duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, or, in the case of qualifications in the various States (a) an application for such qualification has been duly filed with the applicable Governmental Authority and all fees required in order to obtain such qualification have been paid in full, (b) all conditions to obtaining such qualification have been satisfied under applicable law and the issuance of such qualification is a ministerial act of the applicable Governmental Authority, and (c) no such failure to qualify would be reasonably likely to have a Material Adverse Effect. Each of Mortgage Borrower, Borrower, Guarantor, Master Lessee and Master Lease Guarantor possesses all material rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, and the sole business of Borrower is the ownership of the Ownership Interests. The organizational structure of Mortgage Borrower, Borrower, Guarantor, Master Lessee and Master Lease Guarantor is accurately depicted by the schematic diagram attached hereto as Exhibit A. Borrower shall not change or permit to be changed (i) Borrower's name, (ii) Borrower's identity (including its trade name or names), (iii) Borrower's principal place of business set forth on the first page of this Agreement, (iv) the corporate, partnership or other organizational structure of Borrower or any SPE Component Entity, (v) Borrower's state of organization, or (vi) Borrower's organizational identification number, unless it shall have given Lender thirty (30) days prior written notice of any such change (and, in the case of a change in Borrower's structure, has first obtained the prior written consent of Lender) and shall have taken all steps reasonably requested by Lender to grant, perfect, protect and/or preserve the liens and

security interest granted to Lender under the Loan Documents. Borrower expressly authorizes Lender and its counsel to file such financing statements, with or without the signature of Borrower, as Lender may elect, as may be necessary or desirable to perfect the lien of Lender's security interest in the Collateral, including without limitation, UCC financing statements describing the collateral as all assets and personal property of Borrower, whether now owned or existing or hereafter acquired or arising and wheresoever located, including all accessions thereto and products and proceeds thereof, or using words with similar effect. If Borrower does not now have an organizational identification number and later obtains one, or if the organizational identification number assigned to Borrower subsequently changes, Borrower shall promptly notify Lender of such organizational identification number or change. Subject to the provisions of the Pledged Entity's Organizational Document which require actions and/or consents of Mortgage Borrower's Independent Managers, Borrower has the power and authority and the requisite ownership interests in Mortgage Borrower to control the actions of Mortgage Borrower, and upon the realization of the Collateral, Lender or any other party succeeding to Borrower's interest in the Collateral would have such control. Without limiting the foregoing and subject to the provisions of the Pledged Entity's Organizational Document which require actions and/or consents of Mortgage Borrower's Independent Managers, Borrower has sufficient control over Mortgage Borrower to cause Mortgage Borrower to (i) take any action on Mortgage Borrower's part required to be taken by Mortgage Borrower under the Mortgage Loan Documents and (ii) refrain from taking any action prohibited to be taken by Mortgage Borrower under the Mortgage Loan Documents.

4.1.2 Proceedings. Each of Mortgage Borrower, Borrower, Guarantor and Master Lessee has full power to and has taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents to which it is a party. The Loan Documents to which such Person is a party have been duly executed and delivered by, or on behalf of, Mortgage Borrower, Borrower, Guarantor and Master Lessee, as applicable, and constitute legal, valid and binding obligations of such Persons, as applicable, enforceable against such Persons, as applicable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by Mortgage Borrower, Borrower, Guarantor and Master Lessee, as applicable, will not conflict with or result in a material breach of any of the terms or provisions of, or constitute a material default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of any such Person pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement or other agreement or instrument to which any such Person is a party or by which any of such Person's property or assets is subject (unless consents from all applicable parties thereto have been obtained), except for any conflict that would not individually or in the aggregate reasonably be expected to result in a Material Adverse Effect, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority, and any material consent, approval, authorization, order, registration or qualification of or with any Governmental Authority required for the execution, delivery and performance by Mortgage Borrower, Borrower, Guarantor and Master Lessee of this Agreement or any other Loan Document has been obtained and is in full force and effect.

4.1.4 Litigation. Except as set forth on Schedule II attached hereto, there are no arbitration proceedings, governmental investigations, actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the best of Borrower's knowledge, threatened against or affecting Mortgage Borrower, Borrower, Guarantor, Master Lessee, Master Lease Guarantor or any Individual Property or the Collateral (other than claims (A) (i) which are being covered by insurance, (ii) which are being defended by the relevant insurance company and (iii) as to which Borrower has not received a notice from such insurance company that the claim exceeds the total amount of insurance coverage with respect to such claim by more than $500,000; or (B) which relate to claims for which liability in the event any such matter is adversely determined could not reasonably be expected to exceed $500,000). The actions, suits or proceedings identified on Schedule II, if determined against Mortgage Borrower, Borrower, Guarantor, Master Lessee, Master Lease Guarantor or the Individual Property, would not materially and adversely affect the condition or operation of any Individual Property or the value of the Collateral, as applicable.

4.1.5 Agreements. The Pledged Entity's Organizational Document, the Pledged Entity's Organizational Document (Second Mezzanine), the Operating Agreements, the Master Lease and the Subleases listed on Schedule I attached to the Mortgage Loan Agreement (including the Concept Subleases, the RLP Subleases, the Pass-Through Subleases, the Specified Prior Leases and the Unaffiliated Subleases) constitute all of the material agreements to which Borrower and/or Mortgage Borrower or any of their Affiliates are party or are bound which are material to the ownership and operation of any Individual Property or the Collateral. Borrower is not a party to any agreement or instrument or subject to any restriction which is reasonably likely to materially and adversely affect Borrower or Borrower's business, properties or assets, operations or condition, financial or otherwise. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower or the Collateral is bound. Borrower has no material financial obligation (contingent or otherwise) under any indenture, mortgage, deed of trust, loan agreement or other similar agreement or instrument to which Borrower is a party or by which Borrower or the Collateral is otherwise bound, other than (a) obligations constituting Permitted Debt which are incurred in the ordinary course of the ownership and operation of the Collateral and (b) obligations under the Loan Documents.

4.1.6 Title.

(a) Borrower owns all of the Collateral as of the date hereof, subject to no rights of others, including any mortgages, leases, conditional sales agreements, title retention agreements, liens or other encumbrances, except for the Permitted Encumbrances and other Liens permitted under the Loan Documents or the Mortgage Loan Documents. The Pledge, together with the UCC financing statements relating to the Collateral, when properly filed in the appropriate records, will create a valid, perfected first priority security interest in and to the Collateral (other than the Pledged Collateral), all in accordance with the terms thereof, for which a Lien can be perfected by filing a UCC financing statement. Following an Event of Default, if requested by Lender in writing, Borrower shall, or shall cause the applicable Loan Party to, terminate any existing Affiliate Agreement specified by Lender within five (5) days after delivery of Lender's request without payment of any penalty, premium, termination fee or any other amount which might be due and payable under such Affiliate Agreement. If, solely by operation of applicable subrogation law, Borrower shall have failed to comply with the foregoing, then Borrower: (i) shall immediately notify Lender of such failure; (ii) shall cause any and all such prohibited parties acquiring any interest in the Mortgage Loan Documents: (A) not to enforce the Mortgage Loan Documents; and (B) upon the request of Lender, to the extent any of such prohibited parties has or have the power or authority to do so, to promptly: (1) cancel the promissory note evidencing the Mortgage Loan, (2) reconvey and release the Lien securing the Mortgage Loan and any other collateral under the Mortgage Loan Documents, and (3) discontinue and terminate any enforcement proceeding(s) under the Mortgage Loan Documents.

5.3 Single Purpose Entity/Separateness. Until the Indebtedness has been paid in full, Borrower represents, warrants and covenants as follows:

(a) Borrower has not and will not:

(viii) fail to maintain its records, books of account, bank accounts, financial statements, accounting records and other entity documents separate and apart from those of any other Person; except that Borrower's financial position, assets, liabilities, net worth and operating results may be included in the consolidated financial statements of an Affiliate, provided that (A) appropriate notation shall be made on such consolidated financial statements to indicate the separate identity of Borrower from such Affiliate and that Borrower's assets and credit are not available to satisfy the debts and other obligations of such Affiliate or any other Person, and (B) Borrower's assets, liabilities and net worth shall also be listed on Borrower's own separate balance sheet;

(ix) except for capital contributions or capital distributions permitted under the terms and conditions of Borrower's organizational documents and properly reflected on its books and records, enter into any transaction, contract or agreement with any general partner, member, shareholder, principal, guarantor of the obligations of Borrower, Master Lessee or any Affiliate of the foregoing, except upon terms and conditions that are intrinsically fair, commercially reasonable and substantially similar to those that would be available on an arm's-length basis with unaffiliated third parties (it being agreed and acknowledged that the Asset Management Agreement is on terms and conditions that are intrinsically fair, commercially reasonable and substantially similar to those that would be available on an arm's-length basis with unaffiliated third parties);

(x) maintain its assets in such a manner that it will be costly or difficult to segregate, ascertain or identify its individual assets from those of any other Person;

(xi) assume or guaranty the debts of any other Person, hold itself out to be responsible for the debts of any other Person, or otherwise pledge its assets to secure the obligations of any other Person or hold out its credit as being available to satisfy the obligations of any other Person;

(xii) make any loans or advances to any Person;

(xiv) fail either to hold itself out to the public as a legal entity separate and distinct from any other Person or to own its assets or conduct its business solely in its own name or fail to correct any known misunderstanding regarding its separate identity;

(xv) fail to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations (provided, however, that the foregoing shall not require any equity owner to make any additional capital contributions to Borrower);

(xvi) if it is a partnership or limited liability company, without the unanimous written consent of all of its partners or members, as applicable, and the written consent of 100% of the managers of Borrower, including without limitation, each Independent Manager, take any Material Action or other action that is reasonably likely to cause such entity to become insolvent;

(xvii) fail to allocate shared expenses (including, without limitation, shared office space and services performed by an employee of an Affiliate) among the Persons sharing such expenses and to use separate stationery, invoices and checks;

(xviii) fail to pay its own liabilities (including, without limitation, salaries of its own employees) only from its own funds, and Borrower represents that it is, as of the Closing Date, solvent and intends to be solvent;

(xxii) fail to maintain and use separate stationery, invoices and checks bearing its own name; or

(xxiii) have any of its obligations guaranteed by Master Lessee or any Affiliate of Borrower or Master Lessee except as contemplated by the Loan Documents.

(b) If Borrower is a partnership or limited liability company, each general partner in the case of a partnership, or the managing member in the case of a limited liability company (each an "SPE Component Entity") of Borrower, as applicable, shall be a corporation or a limited liability company whose sole asset is its interest in Borrower, provided that if such SPE Component Entity is a limited liability company, each of its managing members shall also be a SPE Component Entity. Each SPE Component Entity (i) will at all times comply with each of the covenants, terms and provisions contained in Section 5.3(a)(iii)—(vi) and (viii)—(xxi), as if such representation, warranty or covenant was made directly by such SPE Component Entity; (ii) will not engage in any business or activity other than owning an interest in Borrower; (iii) will not acquire or own any assets other than its partnership, membership, or other equity interest in

Borrower; (iv) will not incur any debt, secured or unsecured, direct or contingent (including guaranteeing any obligation); and (v) will cause Borrower to comply with the provisions of this Section 5.3 and Section 5.4. Prior to the withdrawal or the disassociation of any SPE Component Entity from Borrower, Borrower shall immediately appoint a new general partner or managing member whose articles of incorporation or limited liability company agreement, as applicable, are substantially similar to those of such SPE Component Entity and, if an opinion letter pertaining to substantive consolidation was required at closing, deliver a new opinion letter acceptable to Lender with respect to the new SPE Component Entity and its equity owners. Notwithstanding the foregoing, to the extent Borrower is a single member Delaware limited liability company, so long as Borrower maintains such formation status and complies with the requirements set forth in subsections (c) and (d) below, no SPE Component Entity shall be required.

(c) In the event Borrower is a single-member Delaware limited liability company, the limited liability company agreement of Borrower (the " LLC Agreement") shall provide that (i) upon the occurrence of any event that causes the sole member of Borrower (" Member") to cease to be the member of Borrower (other than (A) upon an assignment by Member of all of its limited liability company interest in Borrower and the admission of the transferee in accordance with the Loan Documents and the LLC Agreement, or (B) the resignation of Member and the admission of an additional member of Borrower, in either case in accordance with the terms of the Loan Documents and the LLC Agreement), any person acting as Independent Manager of Borrower (" Special Member") shall, without any action of any other Person and simultaneously with the Member ceasing to be the member of Borrower, automatically be admitted to Borrower and shall continue Borrower without dissolution and (ii) Special Member may not resign from Borrower or transfer its rights as Special Member unless (A) a successor Special Member has been admitted to Borrower as Special Member in accordance with requirements of Delaware law and (B) such successor Special Member has also accepted its appointment as an Independent Manager. The LLC Agreement shall further provide that (i) Special Member shall automatically cease to be a member of Borrower upon the admission to Borrower of a substitute Member, (ii) Special Member shall be a member of Borrower that has no interest in the profits, losses and capital of Borrower and has no right to receive any distributions of Borrower assets, (iii) pursuant to Section 18-301 of the Delaware Limited Liability Company Act (the "Act"), Special Member shall not be required to make any capital contributions to Borrower and shall not receive a limited liability company interest in Borrower, (iv) Special Member, in its capacity as Special Member, may not bind Borrower, and (v) except as required by any mandatory provision of the Act, Special Member, in its capacity as Special Member, shall have no right to vote on, approve or otherwise consent to any action by, or matter relating to, Borrower, including, without limitation, the merger, consolidation or conversion of Borrower; provided, however, that such prohibition shall not limit the obligations of Special Member, in its capacity as Independent Manager, to vote on such matters required by the Loan Documents or the LLC Agreement. In order to implement the admission to Borrower of Special Member, Special Member shall execute a counterpart to the LLC Agreement. Prior to its admission to Borrower as Special Member, Special Member shall not be a member of Borrower.

(d) In the event Borrower is a single-member Delaware limited liability company, the LLC Agreement shall provide that upon the occurrence of any event that causes the Member to cease to be a member of Borrower, to the fullest extent permitted by law, the personal

representative of Member shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of Member in Borrower, agree in writing (i) to continue Borrower and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of Borrower, effective as of the occurrence of the event that terminated the continued membership of Member of Borrower in Borrower. Any action initiated by or brought against Member or Special Member under any Creditors Rights Laws shall not cause Member or Special Member to cease to be a member of Borrower and upon the occurrence of such an event, the business of Borrower shall continue without dissolution. The LLC Agreement shall provide that each of Member and Special Member waives any right it might have to agree in writing to dissolve Borrower upon the occurrence of any action initiated by or brought against Member or Special Member under any Creditors Rights Laws, or the occurrence of an event that causes Member or Special Member to cease to be a member of Borrower.

(e) The organizational documents of Borrower and each SPE Component Entity shall provide an express acknowledgment that Lender is an intended third-party beneficiary of the "special purpose" provisions of such organizational documents.

(f) Notwithstanding anything to the contrary contained in this Section 5.3 or Article VIII, in connection with and contemporaneously with a refinancing in full of the Loan, the Mortgage Loan and the Second Mezzanine Loan, Borrower may (i) amend its organizational documents and/or (ii) form one or more new direct or indirect wholly-owned Subsidiaries and transfer the Collateral to such direct or indirect wholly-owned Subsidiaries subject to escrow and other customary closing arrangements reasonably acceptable to Lender.

(g) Borrower shall cause Mortgage Borrower to satisfy and comply in all respects with the provisions of Sections 5.3 and 5.4 of the Mortgage Loan Agreement.

5.4 Independent Manager. The organizational documents of Borrower shall include the following provisions: (a) at all times there shall be, and Borrower shall cause there to be, at least two Independent Managers; (b) the board of managers of Borrower shall not take any action which, under the terms of any certificate of formation or limited liability company agreement, requires unanimous vote of the board of managers of Borrower unless at the time of such action there shall be at least two members of the board of managers who are Independent Managers; (c) Borrower shall not, without the unanimous written consent of its board of managers including the Independent Managers, take any Material Action or any action that is reasonably likely to cause Borrower to become insolvent, and when voting with respect to such matters, the Independent Managers shall consider only the interests of Borrower, including its creditors; and (d) no Independent Manager of Borrower may be removed or replaced unless Borrower provides Lender with not less than three (3) Business Days' prior written notice of (i) any proposed removal of an Independent Manager, together with a statement as to the reasons for such removal, and (ii) the identity of the proposed replacement Independent Manager, together with a certification that such replacement satisfies the requirements set forth in the organizational documents for an Independent Manager. Without limiting the generality of the foregoing, such documents shall expressly provide that, to the greatest extent permitted by law, except for duties to Borrower (including duties to Borrower's equity holders solely to the extent of their respective economic interests in Borrower and to Borrower's creditors as set forth in the immediately

preceding sentence), such Independent Managers shall not owe any fiduciary duties to, and shall not consider, in acting or otherwise voting on any matter for which their approval is required, the interests of (A) any SPE Component Entity or Borrower's other equity holders, (B) other Affiliates of Borrower or Master Lessee, or (C) any group of Affiliates of which Borrower is a part; provided, however, the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing. No resignation or removal of an Independent Manager, and no appointment of a successor Independent Manager, shall be effective until such successor (y) shall have accepted his or her appointment as an Independent Manager by a written instrument, which may be a counterpart signature page to the LLC Agreement, and (z) shall have executed a counterpart to the LLC Agreement. No Independent Manager may be removed other than for Cause. "Cause" means, with respect to an Independent Manager, (1) acts or omissions by such Independent Manager that constitute willful disregard of such Independent Manager's duties as set forth in Borrower's organizational documents, (2) that such Independent Manager has engaged in or has been charged with, or has been convicted of, fraud or other acts constituting a crime under any law applicable to such Independent Manager, (3) that such Independent Manager is unable to perform his or her duties as Independent Manager due to death, disability or incapacity, (4) that such Independent Manager no longer meets the definition of Independent Manager or (5) an increased change in the fees charged by the Independent Manager that is not reasonably acceptable to Borrower.

VI. INSURANCE; CASUALTY; CONDEMNATION; RESTORATION

6.1 Insurance Coverage Requirements.

(a) Borrower will cause Mortgage Borrower, at its expense, to procure and maintain the insurance policies required by the Mortgage Loan Documents. Each commercial general liability or umbrella liability policy with respect to the Property shall name Lender as an additional insured and shall contain a cross liability/severability endorsement in form and substance acceptable to Lender.

(b) In the event of any loss or damage to the Property, Borrower shall give prompt written notice to the insurance carrier and Lender. Lender acknowledges that Mortgage Borrower's rights to any insurance proceeds are subject to the terms of the Mortgage Loan Agreement. Subject to Section 6.1(f) below, Borrower may not and shall not permit Mortgage Borrower to settle, adjust or compromise any claim under such insurance policies without the prior written consent of Lender which shall not be unreasonably withheld, delayed or denied; provided, further, that Borrower may permit Mortgage Borrower to make proof of loss and adjust and compromise any claim under casualty insurance policies which does not exceed forty percent (40%) of the designated Combined Allocated Loan Amount applicable to the affected Individual Property so long as no Event of Default has occurred and is continuing. Any excess Proceeds relating to such claim shall be applied as provided in Section 2.3.2. Borrower shall, upon Borrower's receiving written notice of same, provide written notice to Lender that any of the insurance policies required under this Section 6.1 are cancelled or terminated or are going to be cancelled or terminated. Borrower shall provide Lender with evidence of all such insurance required hereunder simultaneously with Mortgage Borrower's provision of such evidence to Mortgage Lender.

(c) Subject to Section 6.1(f) below, in the event that Mortgage Borrower is permitted or required pursuant to the terms of the Mortgage Loan Agreement to reconstruct, restore or repair the Property following a casualty to any portion of the Property, Borrower shall cause Mortgage Borrower to promptly and diligently repair and restore the Property in the manner and within the time periods required by the Mortgage Loan Agreement, the Master Lease and any other agreements affecting the Property. Subject to Section 6.1(f) below, in the event that Mortgage Borrower is permitted pursuant to terms of the Mortgage Loan Agreement to elect to not reconstruct, restore or repair the Property following a casualty to any portion of the Property, Borrower shall not permit Mortgage Borrower to elect not to reconstruct, restore or repair the Property without the prior written consent of Lender.

(d) Borrower shall comply with all Insurance Requirements and shall not bring or keep or permit to be brought or kept any article upon any of the Individual Properties or cause or permit any condition to exist thereon which would be prohibited by any Insurance Requirement, or would invalidate insurance coverage required to be maintained by Mortgage Borrower on or with respect to any part of the Property pursuant to Section 6.1 of the Mortgage Loan Agreement.

(e) Lender hereby confirms and acknowledges that Borrower has delivered to Lender certificates of insurance with respect to Master Lessee's insurance program, in amount, form and content so as to satisfy the requirements of this Section 6.1 in all material respects as of the Closing Date, and that any renewals or modifications that comply with Section 6.1.11 of the Mortgage Loan Agreement and are otherwise not, in substance, materially different from the approved program in place on the Closing Date shall be deemed to be in compliance.

(f) Notwithstanding this Section 6.1 and Section 6.2 below, so long as (i) the Master Lease is in full force and effect, (ii) no Master Lease Default has occurred and is continuing and (iii) the terms and provisions of the Master Lease pertaining to the subject matter addressed in Sections 6.1(b) and (c) and 6.2 have not been amended in violation of the terms hereof, then to the extent that the terms and provisions of the Master Lease pertaining to the subject matters addressed in Sections 6.1(b) and (c) and 6.2 are inconsistent with the terms and provisions set forth in Sections 6.1(b) and (c) and 6.2, respectively, the terms and provisions of the Master Lease shall control.

6.2 Condemnation. In the event that all or any portion of the Property shall be damaged or taken through any Taking, or any such Taking or condemnation shall be threatened, Borrower shall give prompt written notice to Lender. Lender acknowledges that Mortgage Borrower's rights to any condemnation award in respect of any Taking are subject to the terms of the Mortgage Loan Agreement. Notwithstanding the foregoing, and subject to Section 6.1(f) above, Borrower may not and shall not permit Mortgage Borrower to settle or compromise any claim, action or proceeding relating to such Taking without the prior written consent of Lender, which shall not be unreasonably withheld, delayed or denied; provided, further, that Borrower may permit Mortgage Borrower to settle, adjust and compromise any such claim, action or proceeding which does not exceed forty percent (40%) of the designated Combined Allocated Loan Amount applicable to the affected Individual Property so long as no Monetary Default or Event of Default has occurred and is continuing. Any excess Proceeds shall be paid and applied as provided in Section 2.3.2. In the event that Mortgage Borrower is permitted or required

pursuant to the terms of the Mortgage Loan Agreement to reconstruct, restore or repair the Property following a Taking of any Individual Property (or any portion thereof), Borrower shall cause Mortgage Borrower to promptly and diligently repair and restore such Individual Property in the manner and within the time periods required by the Mortgage Loan Agreement, the Master Lease and any other agreements affecting such Individual Property. In the event that Mortgage Borrower is permitted pursuant to the terms of the Mortgage Loan Agreement to elect not to reconstruct, restore or repair the Individual Property following a Taking of any portion of such Individual Property, Borrower shall not permit Mortgage Borrower to elect not to reconstruct, restore or repair such Individual Property without the prior written consent of Lender.

(a) Certificates of insurance with respect to all replacement policies shall be delivered to Lender prior to the expiration date of any of the insurance policies required to be maintained hereunder, and upon demand by Lender, replacement insurance policies shall be delivered to Lender within 120 days of the expiration of the insurance policies required to maintained hereunder. If Borrower fails to (or fails to cause Mortgage Borrower to) maintain and deliver to Lender the certificates of insurance and certified copies or originals required by this Agreement, upon five (5) Business Days' prior notice to Borrower, Lender may procure such insurance, and all costs thereof (and interest thereon at the Default Rate) shall be added to the Indebtedness. Lender shall not, by the fact of approving, disapproving, accepting, preventing, obtaining or failing to obtain any insurance, incur any liability for or with respect to the amount of insurance carried, the form or legal sufficiency of insurance contracts, solvency of insurance companies, or payment or defense of lawsuits, and Borrower hereby expressly assumes full responsibility therefor and all liability, if any, with respect to such matters.

(b) Concurrently with the delivery of each replacement policy or a binding commitment for the same pursuant to clause (a) above, Borrower shall deliver (or cause Mortgage Borrower to deliver) to Lender a letter from a reputable and experienced insurance broker or from the insurer, stating that the insurance obtained by Borrower or Mortgage Borrower through such broker or from such insurer pursuant to Section 6.1 of the Mortgage Loan Agreement, as applicable, meets the minimum requirements of Section 6.1 of the Mortgage Loan Agreement, that all insurance premiums then due thereon have been paid in full to the applicable insurers and that such insurance policies are in full force and effect (or if such letter shall not be available after Borrower shall have used its reasonable efforts to provide the same, Borrower shall deliver (or cause Mortgage Borrower to deliver) to Lender an Officer's Certificate containing the information to be provided in such report), and Borrower shall deliver (or cause Mortgage Borrower to deliver) to Lender an Officer's Certificate stating that such insurance otherwise complies in all material respects with the requirements of Section 6.1 of the Mortgage Loan Agreement.

6.4 Restoration. Borrower shall, or shall cause Mortgage Borrower to, deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.2.4 of the Mortgage Loan Agreement and to otherwise comply in all respects with Section 6.2.4 of the Mortgage Loan Agreement in connection with a restoration of any Individual Property after a Taking.

(d) Notwithstanding the reporting requirements of Sections 11.2.1(A), 11.2.2(A) and 11.2.3(A), neither Borrower nor Master Lessee shall be required to provide any Store-Level Information to any holder of an interest in the Loan that is a Tenant Competitor, provided that the foregoing provisions of this Section 11.2.9(d) shall not limit any other holder of an interest in the Loan from receiving Store-Level Information. Further, Lender may not disclose any Store Level Information to any Tenant Competitor.

(e) Borrower shall not be required to disclose, and Lender may not disclose any Store-Level Information to any holders of interests in or other beneficiaries of any CDO, trust used in connection with a Securitization or other Securitization vehicle involving the Loan. Lender may disclose, and permit the disclosure of, Store-Level Information to a trustee, servicer, manager or other fiduciary of any CDO, trust created in connection with a Securitization or other Securitization vehicle involving the Loan on the express condition that no Store-Level Information may be disclosed to any holders of interests in or other beneficiaries of such trust, CDO or other vehicle and provided that the recipient of Store-Level Information executes and delivers a confidentiality agreement in favor of Borrower, Mortgage Borrower and Master Lessee affording such parties the protections and agreements set forth in this Section 11.2.9 generally and with respect to Store-Level Information.

(f) With respect to Proprietary Information provided to Lender directly or indirectly by or on behalf of Master Lessee, it is agreed and acknowledged by Lender that (i) Master Lessee is a third-party beneficiary of this Section 11.2.9 and (ii) the provisions of this Section 11.2.9 shall survive (including, without limitation, for the benefit of Master Lessee) the repayment of the Loan, any foreclosure of the lien securing the Loan, any assignment of the Collateral in lieu thereof, or the exercise of any other remedies by Lender.

XII. ENVIRONMENTAL MATTERS

12.1 Representations. Borrower hereby represents and warrants that except as set forth in the environmental reports and studies delivered to Lender (the "Environmental Reports"), (i) neither Borrower nor Mortgage Borrower has engaged in or knowingly permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (ii) to Borrower's knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (iii) no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (iv) to Borrower's knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower or Mortgage Borrower; and (v) to Borrower's knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower or Mortgage Borrower.

12.2 Compliance with Environmental Laws. Subject to Mortgage Borrower's right to contest under Section 7.3 of the Mortgage Loan Agreement, Borrower covenants and agrees with Lender that it shall, and shall cause Mortgage Borrower to, comply with all Environmental Laws. If at any time prior to the repayment in full of the Obligations, a Governmental Authority having jurisdiction over the Property requires remedial action to correct the presence of Hazardous Materials in, around, or under the Property (an "Environmental Event"), Borrower shall deliver prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Borrower has knowledge of the occurrence of an Environmental Event, Borrower shall deliver to Lender an Officer's Certificate (an "Environmental Certificate") explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Borrower shall promptly provide Lender with copies of all notices which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower in connection with any Environmental Law. For purposes of this paragraph, the term " notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials pertinent to compliance of the Property and Borrower with such Environmental Laws.

12.3 Environmental Reports. Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or any Event of Default, Lender shall have the right to have its consultants perform an environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. Borrower grants (and shall cause Mortgage Borrower to grant) Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Borrower to Lender upon demand and shall be secured by the Lien of the this Agreement and the Pledge. Lender shall not unreasonably interfere with (and shall cause Mortgage Borrower not to unreasonably interfere with), and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Mortgage Borrower's, Master Lessee's, any Tenant's or other occupant's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3, Lender shall not be deemed to be exercising any control over the operations of Mortgage Borrower or Borrower or the handling of any environmental matter or hazardous wastes or substances of Mortgage Borrower or Borrower for purposes of incurring or being subject to liability therefor.

12.4 Environmental Indemnification. Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or out-of-pocket expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified

Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any Release, Threat of Release or the presence of any Hazardous Materials affecting the Property; and (d) the presence at, in, on or under, or the Release or Threat of Release at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Borrower. If any such action or other proceeding shall be brought against Lender, upon written notice from Borrower to Lender (given reasonably promptly following Lender's notice to Borrower of such action or proceeding), Borrower shall be entitled to assume the defense thereof, at Borrower's expense, with counsel reasonably acceptable to Lender; provided, however, Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Borrower that would make such separate representation advisable. Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from any Indemnified Party's gross negligence or willful misconduct.

12.5 Recourse Nature of Certain Indemnifications. Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document, the indemnification provided in Section 12.4 shall be fully recourse to Borrower and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the this Agreement and the Pledge and/or the conveyance of title to the Collateral to Lender or any purchaser or designee in connection with a foreclosure of this Agreement and the Pledge or conveyance in lieu of foreclosure.

XIII. RESERVED

XIV. COOPERATION.

14.1 Secondary Market Transactions. Borrower hereby agrees to cooperate with Lender, at no cost, expense or liability to Borrower, Guarantor or any of their respective Affiliates, to sell, assign, participate or otherwise transfer its beneficial interest in the Loan, the Note, the Loan Documents and/or Lender's rights, title, obligations and interests therein to any Person (including to a Securitization vehicle) pursuant to Section 15.1 (such sale, assignment, participation or other transfer, a "Secondary Market Transaction"). For clarity, such cooperation shall not require Borrower to (i) make or re-make any representations or warranties, (ii) provide any updated or new opinions of counsel, (iii) agree to any additional or larger reserves, (iv) cooperate or assist Lender or any other Person with a securitization of, the creation of CDOs secured by, or a participation or financing through an "owner trust" of, the Loan (or any interest therein) (each, a "Securitization") (other than Borrower's cooperation in the transfer of the Loan itself into the Securitization vehicle on the terms set forth in this Section 14.1), (v) undertake any action requested under this Section 14.1 that would interfere with the ordinary course day-to-day operation of Borrower, Guarantor or any of their respective Affiliates in any material respect or (vi) agree to any amendments, modifications or supplementations of the Loan Documents that would increase

Borrower's monetary obligations (or potential liability therefor) or increase in any respect Borrower's obligations or liabilities or decrease Borrower's rights (other than, in each case, to a de minimis degree); provided, that Borrower, at Lender's request, will execute and deliver "component" notes, so long as:

(a) the aggregate principal amount of such component notes shall equal the outstanding principal balance of the Loan immediately prior to the creation of such component notes,

(b) the weighted average interest rate of all such component notes shall on the date created and at all times thereafter equal the interest rate which was applicable to the Loan immediately prior to the creation of such component notes (i.e., under this clause (b) and the immediately following clause (c), the component notes may not effectuate a loan structure that could result in "rate creep"),

(c) the debt service payments on all such component notes shall on the date created and at all times thereafter equal the debt service payment which was due under the Loan immediately prior to the creation of such component notes,

(d) the other terms and provisions of each of the component notes shall be identical in substance and substantially similar in form to the Loan Documents, and

(e) the maturity date of any such component note shall be the same as the Scheduled Maturity Date of the Note immediately prior to the issuance of such component notes,

except that in the case of clauses (b), (c) and (d) above, after an Event of Default, an increase in the weighted average interest rate of one or more component notes may result after certain applications of principal to the Obligations have been made and applied in accordance with the terms of this Agreement.

Lender shall reimburse Borrower for all invoiced costs and expenses reasonably incurred by or on behalf of Borrower in connection with Borrower's complying with requests made under this Section 14.1, regardless whether the proposed Secondary Market Transaction is effected.

XV. ASSIGNMENTS AND PARTICIPATIONS

15.1 Assignments and Participations. In addition to any other rights of Lender hereunder, the Loan, the Note, the Loan Documents and/or Lender's rights, title, obligations and interests therein may be sold, assigned, participated or otherwise transferred by Lender and any of its successors and assigns to any Person at any time in its sole and absolute discretion, in whole or in part, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise without notice to or consent from Borrower or any other Person(provided that it is agreed that neither the Loan nor any interest therein may be sold to (i) a natural person unless such person satisfies the requirements of an "accredited investor" under Regulation D of the Securities Act (except that, for purposes of this clause (i), the $1,000,000, $200,000 and $300,000 figures set forth in Rule 501(6) and (7) shall each be multiplied by 10), and (ii) a Tenant Competitor. Upon any such assignment, all references to Lender in this Loan Agreement and in any Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of Lender in all respects. Except as expressly permitted herein, Borrower may not assign its rights, title, interests or obligations under this Loan Agreement or under any of the Loan Documents.

15.2 Register. Servicer (or in the case of assignments to participants, the applicable Lender), as non-fiduciary agent of Borrower, shall maintain a record within the meaning of U.S. Treasury Regulation 5f.103-1(c) that identifies each owner (including successors, assignees and participants) of an interest in the Loan, including the name and address of the owner, and each owner's rights to principal and stated interest (the " Register") and shall record all Secondary Market Transactions in the Register. The parties intend for the Loan to be in registered form for tax purposes and to the extent of any conflict with this Section 15.2, this Section 15.2 shall be construed in accordance with that intent.

XVI. ADDITIONAL RIGHTS; COSTS

16.1 Certain Additional Rights of Lender. Notwithstanding anything to the contrary which may be contained in this Agreement, Lender shall have:

(i) the right, upon not less than fifteen (15) Business Days' prior written notice to Borrower, to request and to hold a meeting, no more often than once during each fiscal year of Borrower, and only in conjunction with Mortgage Lender and/or Second Mezzanine Lender that wishes any such meeting, at Borrower's office in Tampa, Florida, with the president and chief operating officer or the executive vice president and chief financial officer of Borrower, to discuss such significant business activities and business and financial developments of Borrower as are specified by Lender in writing in the request for such meeting;

(ii) the right, in accordance with the terms of Section 11.1, to examine the books and records of Borrower;

(iii) the right, in accordance with the terms of Section 11.2, to receive such financial data and information set forth therein;

(iv) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to approve any acquisition by Borrower of any other significant property (other than personal property required for the day to day operation of the Property or the ownership of the Collateral);

(v) the right, in accordance with the Pledge, during the continuance of an Event of Default, to vote Borrower's interests in Mortgage Borrower;

(vi) the right, in accordance with this Agreement and the Pledge, including, without limitation, the provisions of Article VIII, to restrict the Transfer of interests in Mortgage Borrower, it being understood that no such restrictions can be made on such Transfers to the extent such Transfers are permitted by the terms of this Agreement or the Pledge.

The rights described above may be exercised by Lender until the Principal Amount and all other Obligations hereunder have been repaid in full.

16.2 Costs. Lender shall reimburse Borrower for all reasonable out-of-pocket expenses incurred by Borrower in connection with Borrower's compliance with the provisions of Section 16.1 unless Borrower would otherwise have incurred such costs pursuant to any other provision of this Agreement or the other Loan Documents.

16.3 Retention of Servicer. Lender reserves the right to retain the Servicer; provided that Borrower shall have reasonable approval rights over the initial designation of the Servicer as of the Closing Date (but will not have any approval rights over any replacements or substitutions of the Servicer occurring after the Closing Date). Borrower hereby approves Situs Asset Management LLC as the initial Servicer as of the date hereof. Borrower shall pay any reasonable costs and expenses of the Servicer and any reasonable third party costs and expenses of the Servicer, any customary special servicing fees and customary work-out fees and reasonable attorney's fees and disbursements, in connection with a prepayment, release of the Property, assumption or modification of the Loan, or following an Event of Default, special servicing or work-out of the Loan or enforcement of the Loan Documents. In addition, Borrower shall pay an annual servicing fee to the Servicer equal to 2.5 basis points of the Principal Amount outstanding from time to time, which fee shall be paid in monthly installments for the period from the first day of each Interest Period through last day of each Interest Period and payable on or prior to each Payment Date, with each such monthly installment equal to 2.5 basis points of the outstanding Principal Amount from time to time multiplied by a fraction, the denominator of which shall be three hundred sixty (360) and the numerator of which shall be the actual number of days in the relevant Interest Period.

16.4 Reserve Accounts. If Mortgage Lender waives any reserves or escrow accounts required in accordance with the terms of the Mortgage Loan Agreement, or if the Mortgage Loan is refinanced or paid off in full (without a prepayment of the Loan), then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Mortgage Loan Agreement to be transferred to and deposited with Lender. Lender shall maintain such reserve accounts in substantially the same manner as the applicable reserve under the Mortgage Loan Agreement and upon Lender's request, Borrower shall execute such amendments to the Loan Documents necessary to reflect Lender's holding such reserves in the manner described herein.

XVII. DEFAULTS

17.1 Event of Default.

(a) Each of the following events shall constitute an event of default hereunder (an " Event of Default"):

(ii) the occurrence of any Mortgage Event of Default; or any other event shall occur or condition shall exist, if the effect of such event or condition is to accelerate or permit Mortgage Lender to accelerate the maturity of any portion of the Mortgage Loan;

(iii) if the insurance policies required by Section 6.1 are not kept in full force and effect or if Borrower fails to deliver to Lender evidence of the insurance required by Section 6.1 at the times required in such Section 6.1 with such failure continuing for five (5) Business Days after Lender delivers written notice thereof to Borrower, provided, that Borrower shall not be deemed to be in default hereunder in the event funds sufficient for a required payment of the premiums required to keep the insurance policies in full force and effect are held in the Insurance Reserve Account and Mortgage Lender or Mortgage Cash Management Bank fails to timely make payment from such Sub-Account as contemplated by the Mortgage Loan Agreement unless due to the negligence or willful misconduct of Mortgage Borrower;

(iv) if (a) any Transfer prohibited by Article VIII occurs, or (b) Mortgage Borrower files a declaration of condominium with respect to the Property other than the Condominium Properties;

(v) if any representation or warranty made by Borrower herein (including any representation or warranty of Mortgage Borrower that is incorporated herein by reference pursuant to Section 4.1.44 hereof and made by Borrower hereunder) or by Borrower or any Affiliate of Borrower in any other Loan Document, or in any report, certificate, financial statement or other instrument, agreement or document furnished to Lender shall have been false or misleading in any material respect as of the date the representation or warranty was made; provided, however, that if (A) any representation or warranty made by Borrower relating to Section 4.1.24 of the Mortgage Loan Agreement shall have been false or misleading in any material respect as of the date the representation or warranty was made, the same shall not constitute an Event of Default unless such incorrect, false or misleading statement is not cured within thirty (30) days after receipt by Borrower of notice from Lender in writing of such breach or a longer period of time not to exceed thirty (30) additional days if Borrower has commenced to cure but cannot cure within the initial thirty (30) day period, and (B) if any other representation or warranty which was false or misleading in any material respect is, by its nature, curable and is not reasonably likely to have a Material Adverse Effect, and such representation or warranty was not, to the best of Borrower's knowledge, false or misleading in any material respect when made, then same shall not constitute an Event of Default unless Borrower has not cured same within ten (10) days after receipt by Borrower of notice from Lender in writing of such breach;

(vi) if Borrower, Mortgage Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity shall make an assignment for the benefit of creditors;

(vii) if a receiver, liquidator or trustee shall be appointed for Borrower, Mortgage Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity or Borrower, Mortgage Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Borrower, Mortgage Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity, or if any proceeding for the dissolution or liquidation of Borrower, Mortgage Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower, Mortgage Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity upon the same not being discharged, stayed or dismissed within ninety (90) days;

(viii) if Borrower, Mortgage Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity, as applicable, attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if any of the assumptions contained in the Non-Consolidation Opinion, in any Additional Non-Consolidation Opinion or in any other non-consolidation opinion delivered to Lender in connection with the Loan, or in any other non-consolidation opinion delivered subsequent to the closing of the Loan, is untrue in any material respect;

(x) if any of the assumptions contained in the True Lease Opinion (other than any assumption that relies upon factual information provided by Cushman & Wakefield or any other third party) is untrue in any material respect;

(xi) if Borrower shall fail to comply in any material respect with any covenants set forth in 5.3 or 5.4;

(xii) except as provided in subsection (xi) above, if Borrower shall fail to comply with any covenants set forth in Article V (other than Section 5.1.1) or Article XI with such failure continuing for ten (10) Business Days after Lender delivers written notice thereof to Borrower;

(xiii) intentionally omitted;

(xiv) if this Agreement or any other Loan Document or any Lien granted hereunder or thereunder, in whole or in part, shall terminate or shall cease to be effective or shall cease to be a legally valid, binding and enforceable obligation of Borrower or Guarantor, or any Lien securing the Indebtedness shall, in whole or in part, cease to be a perfected first priority Lien, subject to the Permitted Encumbrances (except in any of the foregoing cases in accordance with the terms hereof or under any other Loan Document or by reason of any affirmative act of Lender);

(xv) except as expressly permitted pursuant to the Loan Documents or the Mortgage Loan Documents, if Borrower allows Mortgage Borrower to grant any easement, covenant or restriction (other than the Permitted Encumbrances) over the Property;

(xvi) if Borrower allows Mortgage Borrower or Mortgage Borrower to allow Master Lessee to permit any event within its control to occur that would cause any REA to terminate without notice or action by any party thereto or would entitle any party to terminate any REA and the term thereof by giving notice to Mortgage Borrower or Master Lessee; or any REA shall be surrendered, terminated or canceled for any reason or under any circumstance whatsoever except as provided for in such REA; or any material term of any REA shall be modified or supplemented (other than in accordance with its terms) and such modification or supplementation is reasonably likely to have a Material Adverse Effect; or Borrower shall fail or shall permit Master Lessee to fail to exercise its option to renew or extend the term of any REA or shall fail or neglect to pursue diligently all actions necessary to exercise such renewal rights pursuant to such REA except as provided for in such REA, in all of the foregoing cases, where such surrender, termination, cancellation, modification, supplement or failure to renew or extend is not cured within ten (10) Business Days after receipt by Borrower of notice from Lender in writing;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement or of any Loan Document not specified in subsections (i) to (xvi) above, for thirty (30) days after notice from Lender; provided, however, that if such Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed ninety (90) days.

(b) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default (other than an Event of Default described in subsections (a)(vi), (vii) or (viii) above in respect of Borrower) Lender may, without notice or demand, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action that Lender deems advisable to protect and enforce its rights against Borrower and the Collateral, including, without limitation, (i) declaring immediately due and payable the entire Principal Amount together with interest thereon and all other sums due by Borrower under the Loan Documents, (ii) collecting interest on the Principal Amount at the Default Rate whether or not Lender elects to accelerate the Note and (iii) enforcing or availing itself of any or all rights or remedies set forth in the Loan Documents against Borrower and the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in subsections (a)(vi) or (a)(vii) above in respect of Borrower, the Indebtedness and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding. The foregoing provisions shall not be construed as a waiver by Lender of its right to pursue any other remedies available to it under this Agreement, the Pledge or any other Loan Document. Any payment hereunder may be enforced and recovered in whole or in part at such time by one or more of the remedies provided to Lender in the Loan Documents.

(c) Upon the occurrence of a Mortgage Event of Default, Borrower shall cause Mortgage Borrower to deliver to Lender within five (5) Business Days after the first to occur of (i) receipt by Mortgage Borrower of notice of such Mortgage Event of Default from Mortgage Lender or (ii) the date Mortgage Borrower obtains actual knowledge of the occurrence of such Mortgage Event of Default, a detailed description of the actions to be taken by Mortgage Borrower to cure such Mortgage Event of Default and the dates by which each such action shall occur. Such schedule shall be subject to the approval of Lender. Borrower shall cause Mortgage Borrower to take all such actions as are necessary to cure such Mortgage Event of Default by the date approved by Lender and shall deliver to Lender not less frequently than weekly thereafter written updates concerning the status of Mortgage Borrower's efforts to cure such Mortgage Event of Default. Lender shall have the right, but not the obligation, to pay any sums or to take any action which Lender deems necessary or advisable to cure any default or alleged default under the Mortgage Loan Documents (whether or not Mortgage Borrower is undertaking efforts to cure such default), and such payment or such action is hereby authorized by Borrower, and any sum so paid and any expense incurred by Lender in taking any such action shall be evidenced by this Agreement and secured by this Agreement and the Pledge and shall be immediately due and payable by Borrower to Lender with interest at the Default Rate until paid. Borrower shall cause Mortgage Borrower to permit Lender to enter upon the Property for the purpose of curing any default or alleged default under the Mortgage Loan Documents or hereunder. Borrower hereby transfers and assigns any excess proceeds arising from any foreclosure or sale under power pursuant to the Mortgage Loan Documents or any instrument evidencing the indebtedness secured thereby, and Borrower hereby authorizes and directs the holder or holders of the Mortgage Loan Documents to pay such excess proceeds directly to Lender up to the amount of the Obligations. In the event that Lender cures any Mortgage Loan Event of Default, any such cure by Lender shall not waive or be deemed to have cured such Mortgage Loan Event of Default and shall constitute an immediate Event of Default under this Agreement without any notice, grace or cure period otherwise applicable under this Agreement.

17.2 Remedies.

(a) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Indebtedness shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Pledge has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence of any Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, take any action to cure such Event of Default. Lender may appear in, defend, or bring any action or proceeding to protect its interests in the Collateral or to foreclose its security interest under this Agreement and the Pledge or under any of the other Loan Documents or collect the Indebtedness.

(c) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral, Lender may:

(i) without notice to Borrower, except as required by law, and subject to Section 3.1.10, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Account Collateral against the Obligations, operating expenses and/or capital expenditures for the Property or any part thereof;

(ii) in Lender's sole discretion, at any time and from time to time, exercise any and all rights and remedies available to it under this Agreement, and/or as a secured party under the UCC;

(iii) demand, collect, take possession of or receipt for, settle, compromise, adjust, sue for, foreclose or realize upon the Account Collateral (or any portion thereof) as Lender may determine in its sole discretion; and

(iv) take all other actions provided in, or contemplated by, this Agreement.

(d) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Collateral for the satisfaction of any of the Indebtedness, and Lender may seek satisfaction out of the Collateral or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Lender shall have the right from time to time to partially foreclose this Agreement and the Pledge in any manner and for any amounts secured by this Agreement or the Pledge then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal or interest, Lender may foreclose this Agreement and the Pledge to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose this Agreement and the Pledge to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by this Agreement or the Pledge as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to this Agreement and the Pledge to secure payment of sums secured by this Agreement and the Pledge and not previously recovered.

17.3 Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement and the Pledge shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower or Guarantor shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or Guarantor or to impair any remedy, right or power consequent thereon.

17.4 Costs of Collection. In the event that after an Event of Default: (i) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents; or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge or any of the Loan Documents; then Borrower shall pay to Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate (collectively, "Enforcement Costs").

17.5 Distribution of Collateral Proceeds. In the event that, following the occurrence and during the continuance of any Event of Default, any monies are received in connection with the enforcement of any of the Loan Documents, or otherwise with respect to the realization upon any of the Collateral, such monies shall be distributed for application as follows:

(a) First, to the payment of, or (as the case may be) the reimbursement of, Lender for or in respect of all reasonable out-of-pocket costs, expenses, disbursements and losses which shall have been incurred or sustained by Lender to protect or preserve the Collateral or in connection with the collection of such monies by Lender (including without limitation, Enforcement Costs), for the exercise, protection or enforcement by Lender of all or any of the rights, remedies, powers and privileges of Lender under this Agreement or any of the other Loan Documents or in respect of the Collateral or in support of any provision of adequate indemnity to Lender against any taxes or liens which by law shall have, or may have, priority over the rights of Lender to such monies;

(b) Second, to all other Obligations in such order or preference as Lender shall determine in its sole discretion;

(c) Third, the excess, if any, shall be deposited in the Second Mezzanine Collateral Account for distribution or application under the Second Mezzanine Loan Documents, or if the Second Mezzanine Loan has been repaid, shall be distributed to Borrower.

XVIII. SPECIAL PROVISIONS

18.1 Exculpation.

18.1.1 Exculpated Parties. Except as set forth in this Section 18.1, the Recourse Guaranty and/or the Environmental Indemnity, no personal liability shall be asserted, sought or obtained by Lender or enforceable against (i) Borrower, (ii) any Affiliate of Borrower, (iii) any Person owning, directly or indirectly, any legal or beneficial interest in Borrower or any Affiliate of Borrower or (iv) any direct or indirect partner, member, principal, officer, Controlling Person, beneficiary, trustee, advisor, shareholder, employee, agent, Affiliate or director of any Persons described in clauses (i) through (iii) above (collectively, the "Exculpated Parties") and none of the Exculpated Parties shall have any personal liability (whether by suit deficiency judgment or otherwise) in respect of the Obligations, this Agreement, the Pledge, the Note, the Collateral or any other Loan Document, or the making, issuance or transfer thereof, all such liability, if any, being expressly waived by Lender. The foregoing limitation shall not in any way limit or affect Lender's right to any of the following and Lender shall not be deemed to have waived any of the following:

(a) Foreclosure of the lien of this Agreement and the Pledge in accordance with the terms and provisions set forth herein and in the Pledge;

(b) Action against any other security at any time given to secure the payment of the Note and the other Obligations;

(e) The liability of any given Exculpated Party with respect to any separate written guaranty or agreement given by any such Exculpated Party in connection with the Loan (including, without limitation, the Recourse Guaranty and the Environmental Indemnity).

18.1.2 Loss Carveouts From Non-Recourse Limitations. Notwithstanding the foregoing or anything in this Agreement or any of the Loan Documents to the contrary, there shall at no time be any limitation on Borrower's or Guarantor's liability for the payment, in accordance with the terms of this Agreement, the Note, the Pledge and the other Loan Documents, to Lender of any Losses incurred by or on behalf of Lender by reason of:

(a) any fraudulent acts, willful misconduct or intentional misrepresentations by Mortgage Borrower, Borrower or Guarantor;

(b) Proceeds which Mortgage Borrower, Borrower or Guarantor has received and to which Lender is entitled pursuant to the terms of this Agreement or any of the Loan Documents to the extent the same have not been applied toward payment of the Indebtedness or otherwise applied in a manner permitted by the Loan Documents, or not used for or in connection with the repair or replacement of the Property in accordance with the provisions of the Mortgage Loan Agreement;

(c) any misappropriation of Rents or security deposits by Mortgage Borrower, Borrower or Guarantor;

(d) Borrower's failure to cause Mortgage Borrower to instruct Master Lessee to deposit all Master Lease Rent directly into the Holding Account as and to the extent required under Section 3.1.9 of the Mortgage Loan Agreement, or, if Borrower or any Affiliate of Borrower receives any Rents, then Borrower's failure to deposit or cause to be deposited such amounts into the Holding Account in accordance with Section 3.1.9 of the Mortgage Loan Agreement;

(e) any Rents collected by Mortgage Borrower, Borrower or Guarantor (other than Rents sent to the Holding Account pursuant to the Mortgage Loan Agreement or paid directly to Mortgage Lender pursuant to any notice of direction delivered to tenants of the Property) and not applied to payment of the Mortgage Obligations, the Obligations or used to pay normal and verifiable operating expenses of the Property or otherwise applied in a manner permitted under the Loan Documents or the Mortgage Loan Documents;

(f) any physical damage to the Property caused by the willful misconduct of Mortgage Borrower, Borrower or Guarantor or by affirmative physical actions taken by Mortgage Borrower, Borrower or Guarantor constituting arson or waste;

(g) Borrower's or Mortgage Borrower's failure to return all Personal Property owned by Mortgage Borrower (or to reimburse Lender for the value thereof), which is wrongfully and in violation of the Mortgage Loan Documents taken from the Property by or on behalf of Mortgage Borrower or Borrower;

(h) Borrower's failure to comply with any of the provisions of Article XII;

(i) a breach by Borrower or any SPE Component Entity (if any) of any of the covenants set forth in Sections 5.3 or 5.4 hereof (other than any Excluded SPE Breach);

(j) Borrower's failure to cause Mortgage Borrower to deliver to Mortgage Lender the net sales proceeds of a Transfer of an Individual Property described in Section 5.1.9(b) of the Mortgage Loan Agreement together with any shortfall necessary to pay and/or defease in full the Release Price or Combined Release Price, as applicable, for such Individual Property, in accordance with the provisions of Section 5.1.9(b) of the Mortgage Loan Agreement (and, to the extent applicable, defease a portion of the Loan as required pursuant to Section 2.3.6 of the Mortgage Loan Agreement);

(k) Borrower's failure to pay Taxes (except to the extent that (A) Lender has exercised its rights under Section 3.1.7, sums sufficient to pay such amounts have been deposited in escrow with Lender pursuant to the terms hereof in the event the Mortgage Loan has been fully repaid and there exists no impediment to Lender's utilization thereof or (B) there is insufficient cash flow from the operation of the Property);

(l) Borrower's setting forth of any claim, counterclaim and/or defense in response to a proceeding instituted by Lender (whether judicial or otherwise) for the foreclosure of the Pledge or other enforcement action following an Event of Default which is found by a court of competent jurisdiction to have been raised by Borrower in bad faith; or

(n) a breach by Borrower of Section 5.2.7 hereof; or

(o) reasonable attorney's fees and expenses actually incurred by Lender in connection with any successful suit filed on account of any of the foregoing clauses (a) through (n) above.

18.1.3 Full Recourse Carveouts From Non-Recourse Limitations . Notwithstanding the foregoing or anything in this Agreement or any of the Loan Documents to the contrary, the agreement of Lender not to pursue recourse liability as set forth in Section 18.1.1 above SHALL BECOME NULL AND VOID and shall be of no further force and effect and the Indebtedness shall be fully recourse to Borrower and Guarantor on a joint and several basis in the event (i) of a breach by Borrower of any of the covenants set forth in Sections 5.3 or 5.4 hereof (other than any Excluded SPE Breach), and as a result thereof, Borrower is substantively consolidated with any other Person; (ii) a voluntary Transfer by Mortgage Borrower of Mortgage Borrower's interest in any Individual Property or any portion thereof in violation of Article VIII hereof or a Transfer by Borrower of its interest in the Collateral or any portion thereof in violation of Article VIII hereof, (iii) any voluntary Transfer of an Equity Interest in any Restricted Party in violation of Article VIII hereof, (iv) Borrower or Mortgage Borrower filing a voluntary petition under the Bankruptcy Code or any federal or state bankruptcy or insolvency law, (v) Borrower or Mortgage Borrower or any Affiliate, officer, director, or representative which Controls, directly or indirectly, Borrower or Mortgage Borrower, files, or joins in the filing of, an involuntary petition against Borrower and/or Mortgage Borrower under any Creditors Rights Laws, or solicits or causes to be solicited , or colludes with, petitioning creditors for any involuntary petition against Borrower and/or Mortgage Borrower from any Person; (vi) Borrower files an answer consenting to or joining in, or otherwise acquiesces to, any involuntary petition filed against it, by any other Person under any Creditors Rights Laws, provided that Borrower will be deemed to have acquiesced to an involuntary bankruptcy petition only if Borrower did not contest such petition notwithstanding that (A) Borrower had sufficient funds available for use to contest such petition, (B) there was a good faith basis to contest such petition and (C) contesting such petition would not violate the fiduciary duties owed to Borrower by the Persons that Control Borrower (which fiduciary duties shall not consider, to the maximum extent permissible by applicable law, the interests of any equity owners of Borrower or any other Affiliate of Borrower; provided, however, that if applicable law requires that such fiduciary duties consider the interests of the equity owners of Borrower, such interests shall be considered only to the extent of such equity owners' respective economic interest in Borrower); (vii) Mortgage Borrower files an answer consenting to or joining in, or otherwise acquiesces to, any involuntary petition filed against it, by any other Person under any Creditors Rights Laws, provided that Mortgage Borrower will be deemed to have acquiesced to an involuntary bankruptcy petition only if Mortgage Borrower did not contest such petition notwithstanding that (A) Mortgage Borrower had sufficient funds to contest such

petition, (B) there was a good faith basis to contest such petition and (C) contesting such petition would not violate the fiduciary duties owed to Mortgage Borrower by the Persons that Control Mortgage Borrower (which fiduciary duties shall not consider, to the maximum extent permissible by applicable law, the interests of any equity owners of Mortgage Borrower or any other Affiliate of Mortgage Borrower; provided, however, that if applicable law requires that such fiduciary duties consider the interests of the equity owners of Mortgage Borrower, such interests shall be considered only to the extent of such equity owners' respective economic interest in Mortgage Borrower); (viii) any Affiliate, officer, director, or representative which Controls Borrower or Mortgage Borrower consents to or joins in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower or Mortgage Borrower or any portion of any Individual Property or the Collateral (except at the written request of Lender); (ix) Borrower or Mortgage Borrower incurs indebtedness for borrowed money in violation of the Loan Documents; or (x) Borrower or Mortgage Borrower fails to obtain Lender's prior written consent to any voluntary Lien encumbering all or any portion of the Property, the Collateral or any direct or indirect equity interests in Borrower, if such consent is required by the Loan Documents.

18.1.4 Limitation of Liability of Borrower.

(a) Notwithstanding anything to the contrary herein, in the event of:

(i) any foreclosure (or a transfer in lieu of foreclosure) by a Mezzanine Lender that is not Borrower or any Affiliate of Borrower, of the direct Equity Interests in Mortgage Borrower, Borrower, any SPE Component Entity or Second Mezzanine Borrower pledged as collateral for a Mezzanine Loan pursuant to the Mezzanine Loan Documents (any such foreclosure or transfer-in-lieu thereof, a " Mezzanine Foreclosure Divestment"), with the result that neither Borrower nor any Affiliate of Borrower (excluding, however, any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Borrower or any Affiliate of Borrower) shall hold any direct or indirect Equity Interests in, or Control, Mortgage Borrower (Mortgage Borrower in such case may be referred to as "Divested Borrower");

(ii) any foreclosure (whether judicially or non-judicially by private sale or trustee's sale) or deed in lieu of foreclosure or similar transfer under any Security Instrument (any such foreclosure, foreclosure sale or deed in lieu thereof, a " Foreclosure Divestment"), with the result that neither Borrower nor any Affiliate of Borrower shall hold any direct or indirect interest in, or the power to direct the management of, any Individual Property thereby foreclosed or transferred, excluding Guarantor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property, a "Divested Property"); or

(iii) the appointment of a receiver by a court of competent jurisdiction with respect to an Individual Property (any such appointment, a "Receivership Event", and the period during which such Individual Property remains under a receivership, the " Receivership Period"), with the result that neither Borrower nor any Affiliate of Borrower shall have any possession of, or hold the power to direct the management of, such Individual Property that is subject to such Receivership Event during the Receivership Period, excluding Guarantor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master lessee (each such Individual Property subject to a Receivership Event, a " Receivership Property"),

then, in such cases, Borrower shall not have any liability for any obligations under Section 18.1.2 or Section 18.1.3 (collectively, the "Recourse Obligations") (i) to the extent arising from: (A) any action taken by any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Borrower or any Affiliate of Borrower, (B) any circumstance, condition, action or event with respect to the Property or any Loan Party first occurring after the date of such Mezzanine Foreclosure Divestment, (C) any action taken by any successor owner of such Divested Property, (D) any circumstance, condition, action or event with respect to such Divested Property first occurring after the date of such Foreclosure Divestment, (E) any action taken by any receiver for such Receivership Property during the Receivership Period, or (F) any circumstance, condition, action or event with respect to such Receivership Property first occurring after the occurrence of such Receivership Event and during the continuance of such Receivership Period; and (ii) not caused by Borrower or any Affiliate of Borrower (excluding any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Borrower or any Affiliate of Borrower); provided that Borrower shall remain liable hereunder for any Recourse Obligations to the extent arising from any circumstance, condition, action or event occurring (x) with respect such Divested Borrower, prior to the date of such Mezzanine Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Mezzanine Foreclosure Divestment, (y) with respect to such Divested Property, prior to the date of such Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Foreclosure Divestment, and (z) with respect to such Receivership Property, prior to such Receivership Event or after the expiration of such Receivership Period, even to the extent the applicable liability, loss, cost, or expense occurs, or the occurrence of the applicable circumstance, condition, action or event is first discovered, during the Receivership Period.

(b) In the event that an "Event of Default" under a Mezzanine Loan shall exist with respect to a Mezzanine Loan and the related Mezzanine Lender is not Borrower or an Affiliate of Borrower and exercises, pursuant to the exercise of remedies under the Mezzanine Loan Documents, direct voting Control, by power of attorney or other exercise of voting power with respect to the Equity Interests of the applicable Borrower, SPE Component Entity or Mezzanine Borrower pledged to such Mezzanine Lender as collateral for its Mezzanine Loan under the related Mezzanine Loan Documents, of such Equity Interests in Borrower, SPE Component Entity or Mezzanine Borrower so pledged as collateral for such Mezzanine Loan (the " Direct Control Remedies", and such Mezzanine Lender exercising such Direct Control Remedies, the "Controlling Mezzanine Lender"), Borrower shall not have liability hereunder for the actions that such Controlling Mezzanine Lender, in the exercise of its Direct Control Remedies, causes Borrower, any SPE Component Entity or any Mezzanine Borrower to take ("Mezzanine Lender Controlled Actions") if such Mezzanine Lender Controlled Actions are taken without inducement, solicitation and/or consent from, or in collusion with, Borrower or any Affiliate of Borrower (other than Loan Parties to the extent Controlled by the Controlling Mezzanine Lender in the exercise of its Direct Control Remedies).

BORROWER AND ALL PERSONS CLAIMING BY, THROUGH OR UNDER IT, HEREBY EXPRESSLY, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING UNDER THIS AGREEMENT, THE PLEDGE, THE NOTE OR ANY OTHER LOAN DOCUMENT, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE MODIFICATION THEREOF OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, THE PLEDGE, THE NOTE OR ANY OTHER LOAN DOCUMENT (AS NOW OR HEREAFTER MODIFIED) OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND BORROWER HEREBY AGREES AND CONSENTS THAT AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION MAY BE FILED WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT HERETO TO THE WAIVER OF ANY RIGHT TO TRIAL BY JURY. BORROWER ACKNOWLEDGES THAT IT HAS CONSULTED WITH LEGAL COUNSEL REGARDING THE MEANING OF THIS WAIVER AND ACKNOWLEDGES THAT THIS WAIVER IS AN ESSENTIAL INDUCEMENT FOR THE MAKING OF THE LOAN. THIS WAIVER SHALL SURVIVE THE REPAYMENT OF THE LOAN.

19.8 Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

19.9 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

19.10 Preferences. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

19.11 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

19.12 Expenses; Indemnity.

(a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements), except as may be otherwise expressly provided in this Agreement or the Loan Documents, incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender pursuant to this Agreement); (ii) Lender's ongoing performance of and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters as required herein or under the other Loan Documents; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (v) the filing and recording fees and expenses, mortgage recording taxes, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the Pledge; (vi) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Collateral, or any other security given for the Loan; (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Collateral or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a work-out or of any insolvency or bankruptcy proceedings and (viii) procuring insurance policies pursuant to Section 6.1.11;

provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. Any cost and expenses due and payable to Lender may be paid from any amounts in the Collateral Account subject to the provisions of Section 3.1.10(a).

(b) Subject to the non-recourse provisions of Section 18.1, Borrower shall protect, indemnify and save harmless Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the " Indemnified Parties") from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred) imposed upon or incurred by or asserted against the Indemnified Parties or the Collateral or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the acceptance by Lender or its designee of a transfer-in-lieu of foreclosure with respect to the Collateral, or (ii) an Indemnified Party or its designee taking possession or control of the Collateral or (iii) the foreclosure of the Pledge, except to the extent caused by the actual willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Collateral): (1) ownership of Borrower's interest in Mortgage Borrower, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to property occurring on or about the Property or any Appurtenances thereto, (3) any design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Lender, any claim the insurance as to which is inadequate, and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents or any failure on the part of Borrower to perform or comply or to cause Mortgage Borrower to perform or comply with any of the terms of any Operating Agreement within the applicable notice or grace periods, (5) any performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, (6) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, sublessees, licensees or invitees, (7) any contest referred to in Section 7.3 of the Mortgage Loan Agreement, (8) any obligation or undertaking relating to the performance or discharge of any of the terms, covenants and conditions of the landlord contained in the Subleases or the Master Lease, or (9) the presence at, in or under the Property or the Improvements of any Hazardous Materials in violation of any Environmental Law. Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties or Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by the Pledge. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Borrower shall at Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Borrower's reasonable expense for the insurer of the liability or by counsel designated by Borrower (unless reasonably disapproved by

Lender promptly after Lender has been notified of such counsel); provided, however, that nothing herein shall compromise the right of Lender (or any Indemnified Party) to appoint its own counsel at Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Lender and Borrower that would make such separate representation advisable; provided further that if Lender shall have appointed separate counsel pursuant to the foregoing, Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Lender a conflict or potential conflict exists between such Indemnified Party and Lender. So long as Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Lender and the Indemnified Parties shall not be entitled to settle such action, suit or proceeding without Borrower's consent which shall not be unreasonably withheld or delayed, and claim the benefit of this Section with respect to such action, suit or proceeding and Lender agrees that it will not settle any such action, suit or proceeding without the consent of Borrower; provided, however, that if Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable manner as provided above, and Lender has provided Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified under this Section 19.12 without notice to and reasonable consent of Borrower.

19.13 Exhibits and Schedules Incorporated. The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

19.14 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

19.15 Liability of Assignees of Lender. No assignee of Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document or any amendment or amendments hereto made at any time or times, heretofore or hereafter, any different than the liability of Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or the Collateral or to which the Property or the Collateral is now or hereafter subject any different than the liability of Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

19.16 No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

19.17 Publicity. Each party shall endeavor to permit the other to review the initial press release relating to the Loan in order to provide the other with a reasonable opportunity to comment thereon.

19.18 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's members and others with interests in Borrower and of the Collateral, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Collateral for the collection of the Indebtedness without any prior or different resort for collection or of the right of Lender to the payment of the Indebtedness out of the net proceeds of the Collateral in preference to every other claimant whatsoever.

19.19 Waiver of Counterclaim and other Actions. Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Lender on this Agreement, the Note, the Pledge or any Loan Document, any and every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Lender on this Agreement, the Note, the Pledge or any Loan Document and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

19.20 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

19.21 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

19.22 Certain Additional Rights of Lender (VCOC). Notwithstanding anything to the contrary contained in this Agreement, to the extent Lender or any Person who Controls Lender is a "venture capital operating company" within the meaning of 29 C.F.R. Section 2510.3-101, Lender shall have:

(a) upon not less than fifteen (15) Business Days' prior written notice to Borrower, the right to request and to hold a meeting at mutually agreeable times, and not more than four (4) times during any calendar year to consult with an officer of Borrower that is familiar with the financial condition of Borrower and Mortgage Borrower and the operation of the Individual Properties and is otherwise reasonably acceptable to Lender regarding such significant business activities and business and financial developments of Borrower as are specified by Lender in writing in the request for such meeting; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances; and provided further that neither Borrower nor its designated representative shall be under any obligation to follow or implement any advice or recommendations of Lender. The rights of Lender provided in this Agreement are expressly limited to consultation, and shall not include any other rights or obligations, including without limitation, any right or obligation to supervise or conduct any aspect of Borrower's business or operations; and

(b) the right, in accordance with the terms of Section 11.1 of this Agreement, to examine the books and records of Borrower at any reasonable times upon reasonable notice, provided that any such examination shall be conducted so as not to unreasonably interfere with the business of Borrower, Mortgage Borrower or any Tenants or other occupants of any Individual Property.

19.23 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.

19.24 Direction of Mortgage Borrower with Respect to the Property. Borrower and Lender acknowledge and agree that, as to any clauses or provisions contained in this Agreement or any of the other Loan Documents to the effect that (i) Borrower shall cause Mortgage Borrower to act or to refrain from acting in any manner, or (ii) Borrower shall cause to occur or not to occur, or otherwise be obligated in any manner with respect to, any matters pertaining to Mortgage Borrower or the Property, or (iii) other similar effect, such clause or provisions, in each case, is intended to mean, and shall be construed as meaning, that Borrower has undertaken to act and is obligated to act only in Borrower's capacity as the direct or indirect sole member of Mortgage Borrower (which Mortgage Borrower, in turn, is the fee owner of the Property) but not directly with respect to Mortgage Borrower or the Property or in any other manner which would violate any of the covenants contained in Section 5.3 hereof or other similar covenants contained in Borrower's organizational documents.

19.25 Mortgage Loan Estoppels. Borrower shall (or shall cause Mortgage Borrower to), from time to time, use reasonable efforts to obtain from Mortgage Lender such certificates of estoppel with respect to compliance by Mortgage Borrower with the terms of the Mortgage Loan Documents as may be reasonably requested by Lender. In the event or to the extent that Mortgage Lender is not legally obligated to deliver such certificates of estoppel and is unwilling to deliver the same, or is legally obligated to deliver such certificates of estoppel but breaches such obligation, then Borrower shall not be in breach of this provision so long as Borrower furnishes to Lender an estoppel executed by Borrower and Mortgage Borrower expressly representing to Lender the information requested by Lender regarding compliance by Mortgage Borrower with the terms of the Mortgage Loan Documents. Borrower hereby indemnifies Lender from and against all liabilities, obligations, losses, damages, penalties, assessments, actions, or causes of action, judgments, suits, claims, demands, costs, expenses (including attorneys' and other professional fees, whether or not suit is brought and settlement costs) and disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against Lender based in whole or in part upon any fact, event, condition, or circumstances relating to the Mortgage Loan which was misrepresented in, or which warrants disclosure and was omitted from such estoppel executed by Borrower and Mortgage Borrower.

19.26 Intercreditor Agreement.

(a) Lender, Mortgage Lender and Second Mezzanine Lender are parties to a certain Intercreditor Agreement dated as of the date hereof (the "Intercreditor Agreement") memorializing their relative rights and obligations with respect to the Loan, the Mortgage Loan, the Second Mezzanine Loan, Borrower, Mortgage Borrower, Second Mezzanine Borrower, the Collateral, the "Collateral" as defined in the Second Mezzanine Loan Agreement and the Property. Borrower on behalf of itself and Mortgage Borrower hereby acknowledges and agrees that (i) such Intercreditor Agreement is intended solely for the benefit of Lender, Mortgage Lender and Second Mezzanine Lender and (ii) Borrower, Mortgage Borrower and First Mezzanine Borrower are not intended third-party beneficiaries of any of the provisions therein and shall not be entitled to rely on any of the provisions contained therein. Lender, Mortgage Lender and Second Mezzanine Lender shall have no obligation to disclose to Borrower the contents of the Intercreditor Agreement. Borrower's obligations hereunder are independent of such Intercreditor Agreement and remain unmodified by the terms and provisions thereof.

(b) In the event Lender is required pursuant to the terms of the Intercreditor Agreement to pay over to Mortgage Lender any payment or distribution of assets, whether in cash, property or securities which otherwise would have been applied to the Indebtedness, including, without limitation, any proceeds of the Property previously received by Lender on account of the Loan, then Borrower agrees that (i) any amount so paid shall be reinstated and shall continue to be owing pursuant to the Loan Documents as part of the Obligations, and (ii) to the extent that any amounts so paid cannot, by operation of law, be reinstated as set forth in clause (i) above, Borrower will indemnify Lender for such amounts; provided, however, that such reinstatement or indemnity will only apply to the extent that such amounts paid over to Mortgage Lender are applied to the payment or performance of the Mortgage Loan in accordance with the Mortgage Loan Documents.

19.27 Discussions with Mortgage Lender. In connection with the exercise of its rights set forth in the Loan Documents, Lender shall have the right at any time to discuss the Property, the Mortgage Loan, the Loan or any other matter directly with Mortgage Lender or Mortgage Lender's consultants, agents or representatives without notice to or permission from Borrower or any other Loan Party, nor shall Lender have any obligation to disclose such discussions or the contents thereof with Borrower or any other Loan Party.

19.28 Independent Approval Rights. If any action, proposed action or other decision is consented to or approved by Mortgage Lender, such consent or approval shall not be binding or controlling on Lender. Borrower hereby acknowledges and agrees that (i) the risks of Mortgage Lender in making the Mortgage Loan are different from the risks of Lender in making the Loan, (ii) in determining whether to grant, deny, withhold or condition any requested consent or approval Mortgage Lender and Lender may reasonably reach different conclusions, and (iii) Lender has an absolute independent right to grant, deny, withhold or condition any requested consent or approval based on its own point of view.

19.29 Co-Lenders/Agent.

(a) Each Lender shall elect one Lender to act as administrative agent (together with any successor administrative agent, the " Agent") for itself and the other Lenders (collectively, "Co-Lenders") pursuant to this Section 19.29. Agent shall hold, release and otherwise deal with, subject to and in accordance with the terms of any co-lender agreement from time to time in effect among the Co-Lenders (the " Co-Lender Agreement") all collateral for the Loan. Agent may resign as Agent of the Co-Lenders, in its sole discretion, or if required to by the Co-Lenders in accordance with the term of the Co-Lending Agreement, in each case without the consent of Borrower. Upon any such resignation, a successor Agent shall be determined pursuant to the terms of the Co-Lending Agreement. The term Agent shall mean any successor Agent. Notwithstanding anything to the contrary contained in this Section 19.29, Agent has the right to delegate any of its rights granted under this Section 19.29 to the servicer under any servicing agreement or custodian under any custodial agreement entered into pursuant to any Co-Lender Agreement.

(b) The liabilities of each of the Co-Lenders shall be several and not joint, and no Co-Lender shall be responsible for the obligations of the other Co-Lenders. Lender and each Co-Lender shall be liable to Borrower only for their respective proportionate shares of the Loan.

(c) Borrower acknowledges that the Co-Lending Agreement may contain provisions which require that amendments, waivers, extensions, modifications, and other decisions with respect to the Loan Documents shall require the approval of all or a number of the Co-Lenders holding in the aggregate a specified percentage of the Loan or any one or more Co-Lenders that are specifically affected by such amendment, waiver, extension, modification or other decision.

(d) All acts of and communications by the Agent, as agent for Lender, shall be deemed legally conclusive and binding on Lender; and Borrower or any third party (including any court) shall be entitled to rely on any and all communications or acts of the Agent with respect to the exercise of any rights or the granting of any consent, waiver or approval on behalf of Lender in all circumstances where an action by Lender is required or permitted pursuant to this Agreement or the provisions of any other Loan Document or by applicable Legal Requirements without the right or necessity of making any inquiry of any individual Lender as to the authority of the Agent with respect to such matter.

Article 8 "Opt In" Language

Certification of Limited Liability Company Interests.

Shares. The name and address of, and the percentage of limited liability company interests held by the Member are set forth on **Schedule B** hereto, as the same may be amended from time to time. Each limited liability company interest in the Company shall constitute a "security" within the meaning of, and shall be governed by, (i) Article 8 (including Section 8-102(a)(15)) of the Uniform Commercial Code as in effect from time to time in the State of Delaware (the "DEUCC") and (ii) the corresponding provisions of the Uniform Commercial Code of any other applicable jurisdiction that now or hereafter substantially includes the 1994 revisions to Article 8 thereof as adopted by the American Law Institute and the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association on February 14, 1995. Notwithstanding any provision of this Agreement to the contrary, to the extent that any provision of this Agreement is inconsistent with any non-waivable provision of Article 8 of the DEUCC, such provision of Article 8 of the DEUCC shall be controlling.

Share Certificates.

A Member's limited liability company interest in the Company shall be represented by a Share Certificate substantially in the form of **Exhibit I** hereto (a "Share Certificate") issued to such Member by the Company. All of a Member's Shares, in the aggregate, represent such Member's entire limited liability company interest in the Company. The Member hereby agrees that its interest in the Company and in its Shares shall for all purposes be personal property. A Member has no interest in specific Company property.

Upon the issuance of Shares to any Member in accordance with the provisions of this Agreement, without any further act, vote or approval of the Member, any Officer or any other Person, the Company, and the Member or any Officer on behalf of the Company, shall issue one or more Share Certificates in the name of such Member. Each such Share Certificate shall be denominated in terms of the percentage of Shares evidenced by such Share Certificate and shall be signed by the Member or an Officer on behalf of the Company. Each Share Certificate shall bear the following legend: "This certificate evidences an interest in New Private Restaurant Properties, LLC and shall be a security for purposes of Article 8 of the Uniform Commercial Code of the State of Delaware and the Uniform Commercial Code of any other jurisdiction." This provision shall not be amended, and no such purported amendment to this provision shall be effective until all outstanding certificates have been surrendered for cancellation.

Without any further act, vote or approval of the Member, any Officer or any other Person, the Company shall issue a new Share Certificate in place of any Share Certificate previously issued if the holder of the Shares represented by such Share Certificate, as reflected on the books and records of the Company:

makes proof by affidavit, in form and substance satisfactory to the Company, that such previously issued Share Certificate has been lost, stolen or destroyed;

requests the issuance of a new Share Certificate before the Company has notice that such previously issued Share Certificate has been acquired by a protected purchaser;

if requested by the Company, delivers to the Company a bond, in form and substance satisfactory to the Company, with such surety or sureties as the Company may direct, to indemnify the Company against any claim that may be made on account of the alleged loss, destruction or theft of the previously issued Share Certificate; and

satisfies any other reasonable requirements imposed by the Company.

Subject to the restrictions set forth in the Loan Documents, upon a Member's Transfer in accordance with the provisions of this Agreement of any or all Shares represented by a Share Certificate, the Transferee of such Shares shall deliver such Share Certificate to the Company for cancellation (executed by such Transferee on the reverse side thereof), and the Company shall thereupon issue a new Share Certificate to such Transferee for the percentage of Shares being Transferred and, if applicable, cause to be issued to such Member a new Share Certificate for that percentage of Shares that were represented by the canceled Share Certificate and that are not being Transferred. The Company shall maintain books for the purpose of registering the transfer of limited liability company interests. Notwithstanding any provision of this Agreement to the contrary, a Transfer of Shares requires delivery of an endorsed Share Certificate.

Free Transferability. Except as limited by the Basic Documents (for so long as the Loan is outstanding and subject to Section 21), to the fullest extent permitted by the Act, any Member may, at any time or from time to time, without the consent of any other Person, Transfer, pledge or encumber any or all of its Shares. Subject to the restrictions of the Basic Documents (for so long as the Loan is outstanding and subject to Sections 21 and 23), the Transferee of any Shares shall be admitted to the Company as a substitute member of the Company on the effective date of such Transfer upon (i) such Transferee's written acceptance of the terms and provisions of this Agreement and its written assumption of the obligations hereunder of the Transferor of such Shares, which shall be evidenced by such Transferee's execution and delivery to the Company of an Application for Transfer of Shares on the reverse side of the Share Certificate representing the Shares being transferred, and (ii) the recording of such Transferee's name as a substitute member on the books and records of the Company; provided, however, that if the Member Transfers all of its Shares pursuant to this Agreement, such admission shall be deemed

effective immediately prior to the Transfer, and immediately following such admission the transferor Member shall cease to be a member of the Company. Any Transfer of any Shares in accordance with the provisions of this Agreement shall be effective upon registration of such Transfer in the books and records of the Company.

WHEREAS, Lender is willing to make the Loan to Borrower, subject to and in accordance with the terms of this Agreement and the other Loan Documents (as hereinafter defined).

NOW, THEREFORE, in consideration of the making of the Loan by Lender and the covenants, agreements, representations and warranties set forth in this Agreement, the parties hereto hereby covenant, agree, represent and warrant as follows:

I. DEFINITIONS; PRINCIPLES OF CONSTRUCTION

1.1 Definitions. For all purposes of this Agreement:

"Account Collateral" shall have the meaning set forth in Section 3.1.2.

"Act" shall have the meaning set forth in Section 5.3(c).

"Additional Non-Consolidation Opinion" shall mean a non-consolidation opinion, from the counsel that delivered the Non-Consolidation Opinion or other outside counsel to Borrower reasonably acceptable to Lender, that is in form and substance reasonably satisfactory to Lender, and is required to be delivered subsequent to the Closing Date pursuant to, and in connection with, the Loan Documents.

"Affiliate" shall mean, with respect to any specified Person, any other Person directly or indirectly Controlling or Controlled by or under direct or indirect common Control with, or any general partner or managing member in, such specified Person. An Affiliate of a Person includes, without limitation, (i) any officer or director of such Person, and (ii) any Affiliate of the foregoing; provided, however, that no Sponsor Portfolio Company shall be deemed to be an Affiliate of Sponsors. Notwithstanding the above, for purposes of this definition, references to an Affiliate of Borrower, Mortgage Borrower or First Mezzanine Borrower shall not include Master Lease Guarantor or its subsidiaries, and references to an Affiliate of Master Lease Guarantor or its subsidiaries shall not include PropCo or its subsidiaries.

"Affiliate Agreements" shall have the meaning set forth in Section 5.2.15.

"Agreement" shall mean this Agreement, as the same may be amended, restated, replaced, supplemented or otherwise modified from time to time.

"Allocated Loan Amount" shall mean, with respect to each Individual Property, the designated "Allocated Loan Amount" applicable to the Restaurant Location that is located on such Individual Property, as set forth on Schedule III attached hereto; provided, however, that with respect to any Individual Property on which two or more Restaurant Locations are located, the Allocated Loan Amount for such Individual Property shall equal the sum of the Allocated Loan Amounts for all Restaurant Locations located thereon, as set forth on Schedule III attached hereto.

"Applicable Interest" shall mean (a) if such prepayment or repayment is made on a Payment Date, then interest on the Principal Amount through the end of the Interest Period ending immediately prior to such Payment Date, or (b) if such prepayment or repayment is made on any day other than a Payment Date, then interest on the Principal Amount through the end of the Interest Period ending immediately prior to the immediately succeeding Payment Date, notwithstanding that such Interest Period extends beyond such prepayment date or repayment date and calculated as if the Principal Amount has not been prepaid or repaid on such prepayment date or repayment date.

"Applicable Interest (Mortgage)" shall have the meaning ascribed to the term "Applicable Interest" in the Mortgage Loan Agreement.

"Asset Manager" shall mean OS Management, Inc., a Florida corporation.

"Assumption Fee" shall mean a fee in the amount of $43,800.

"Bankruptcy Code" shall mean Title 11, U.S.C.A., as amended from time to time and any successor statute thereto.

"Base PropCo Ownership Requirements" shall have the meaning set forth in Section 8.1(b).

"Base Transfer Conditions" shall mean, with respect to any Transfer for which the Base Transfer Conditions are required to be satisfied pursuant to the terms of this Agreement, the following conditions to such Transfer: (a) Lender shall receive no less than thirty (30) days prior written notice of such Transfer (provided that such notice may be given within thirty (30) days after such Transfer in the event of transfers among Permitted Holders that do not require delivery of an Additional Non-consolidation Opinion under clause (c) below); (b) immediately prior to such Transfer, no Event of Default shall have occurred and be continuing; (c) in the case of a Transfer to an Intermediate Entity, or if such Transfer shall otherwise cause any transferee, together with its Affiliates, to acquire indirect Equity Interests in Borrower aggregating more than forty-nine percent (49%), or to increase its indirect Equity Interests in Borrower from an amount that is less than forty-nine percent (49%) to an amount that is greater than forty-nine percent (49%), then Borrower shall deliver to Lender an Additional Non-Consolidation Opinion, (d) the Base PropCo Ownership Requirements shall continue to be satisfied subsequent to such

Transfer, (e) Borrower shall continue at all times to be a Special Purpose Entity; and (f) if such Transfer, together with all prior Transfers occurring after the Closing Date, results in a Transfer of more than forty-nine percent (49%) of the indirect Equity Interests in Borrower, then Borrower shall pay to Lender the Assumption Fee; provided, however, that no Assumption Fee shall be owed in the case of a Qualifying IPO or if immediately following such Transfer, Permitted Holders (or any combination of one or more of them, subject to the limitations in the definition of Permitted Holders) continue to own no less than fifty-one percent (51%) of the indirect Equity Interests in Borrower.

"Borrower" shall have the meaning set forth in the first paragraph of this Agreement.

In the event any such advance or charge is not so repaid by Borrower, Lender may, at its option, first apply any payments received under the Note to repay such advances, together with any interest thereon, or other charges as provided in the Loan Documents, and the balance, if any, shall be applied in payment of any installment of interest or principal then due and payable.

(d) The entire Principal Amount, all unpaid accrued interest (including all Applicable Interest) and all other fees and sums then payable hereunder or under the Loan Documents, including, without limitation the Yield Maintenance Premium (if applicable), shall be due and payable in full on the Maturity Date.

(e) Amounts due hereunder shall be payable, without any counterclaim, setoff or deduction whatsoever, at the office of Lender or its agent or designee at the address set forth on the first page of this Agreement or at such other place as Lender or its agent or designee may from time to time designate in writing.

(f) All amounts due hereunder, including, without limitation, interest and the Principal Amount, shall be due and payable in lawful money of the United States of America.

(g) To the extent that Borrower makes a payment or Lender receives any payment or proceeds for Borrower's benefit, which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other party under any bankruptcy law, common law or equitable cause, then, to such extent, the obligations of Borrower hereunder intended to be satisfied shall be revived and continue as if such payment or proceeds had not been received by Lender.

2.2.3 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents (other than the outstanding Principal Amount due and payable on the Maturity Date) is not paid by Borrower on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of three percent (3%) of such unpaid sum or the Maximum Legal Rate (the " Late Payment Charge") in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by this Agreement, the Security Instrument and the other Loan Documents to the extent permitted by applicable law.

2.2.4 Usury Savings. This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due under the Note at a rate in excess of the Maximum Legal Rate, then the Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due under the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.3 Prepayments.

2.3.1 Voluntary Prepayments. Except as otherwise provided in this Agreement, Borrower shall not have the right to prepay the Loan in whole or in part prior to the Stated Maturity Date. Notwithstanding the foregoing, on the Payment Date occurring in January, 2017 (the " Lockout Expiration Date") and on any Business Day thereafter, Borrower may, at its option and upon ten (10) Business Days' prior written notice to Lender (provided such notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment), prepay the entire Principal Amount in whole (but not in part) without payment of the Yield Maintenance Premium or other penalty or premium; provided, that as a condition precedent to such prepayment, Borrower shall also cause (i) First Mezzanine Borrower to prepay the entire Principal Amount (First Mezzanine) in whole in accordance with the terms of the First Mezzanine Loan Agreement and (ii) First Mezzanine Borrower to cause Mortgage Borrower to prepay the entire Principal Amount (Mortgage) in whole in accordance with the terms of the Mortgage Loan Agreement, in each case simultaneously with such prepayment of the entire Principal Amount. If Borrower prepays the entire Principal Amount, Borrower shall pay Lender, in addition to the Principal Amount, all Applicable Interest. Except in connection with a prepayment of the Floating Rate Component (Mortgage) as expressly permitted under the Mortgage Loan Agreement, Borrower shall not consent to or permit, or allow First Mezzanine Borrower to consent to or permit, a prepayment of the Mortgage Loan or the First Mezzanine Loan (other than in connection with the simultaneous repayment of the Loan, in its entirety and in accordance with the terms and provisions of the Loan Documents and the Senior Loan Documents, respectively), unless it obtains the prior written consent of Lender, which consent may be given or withheld by Lender in its sole discretion.

2.3.2 Mandatory Prepayments. On the next occurring Payment Date following the date on which Lender actually receives any Proceeds in accordance with Section 6.2.3 of the Mortgage Loan Agreement, (a) such Proceeds shall be applied to prepay the Principal Amount to the extent of the Release Price for the affected Individual Property in accordance with the terms

hereof, and such amount prepaid by Borrower shall result in a corresponding reduction of the Release Price and the Combined Release Price of the affected Individual Property, (b) Borrower shall pay to Lender all Applicable Interest, and (c) Borrower shall pay (without duplication) all reasonable costs and expenses of Lender incurred in connection with such prepayment (including without limitation, any reasonable attorneys' fees and expenses). Notwithstanding anything to the contrary contained herein, if the Proceeds applied by each Senior Lender and Lender in accordance with Section 6.2.3 of the Mortgage Loan Agreement (together with any other prepayment or defeasance permitted under this Agreement and any Senior Loan Agreement) equal or exceed the Combined Release Price for the applicable Individual Property, then Lender hereby agrees that Borrower shall be entitled to cause Mortgage Borrower to obtain a Property Release for such Individual Property consistent with, and subject to, the terms of Section 6.2.3 of the Mortgage Loan Agreement, and neither the release of such Individual Property from the Lien of the applicable Security Instrument and related Loan Documents and Mortgage Loan Documents, the Transfer of such Individual Property or the amendment of the Master Lease pursuant to Section 3.2.6(a)(xiv) of the Master Lease shall be deemed an Event of Default hereunder or under the other Loan Documents.

2.3.3 Prepayments After Event of Default; Application of Amounts Paid . If, after the occurrence and during the continuance of an Event of Default, Lender shall accelerate the Indebtedness and Borrower thereafter tenders payment of all or any part of the Indebtedness, or if all or any portion of the Indebtedness is recovered by Lender after such Event of Default, (a) such payment may be made only on the next occurring Payment Date together with all Applicable Interest and all other fees and sums payable hereunder or under the Loan Documents, including without limitation, interest that has accrued at the Default Rate and any Late Payment Charges, (b) such payment shall be deemed a voluntary prepayment by Borrower, and (c) to the extent that the same would, if a prepayment, be prohibited under Section 2.3.1, Borrower shall pay, in addition to the Indebtedness, an amount equal to the greater of (i) three percent (3%) of the then outstanding principal amount of the Loan to be prepaid or satisfied (excluding any portion thereof evidenced by Defeased Notes), or (ii) the Yield Maintenance Premium in respect of the then outstanding principal amount of the Loan to be prepaid or satisfied (excluding any portion thereof evidenced by Defeased Notes).

2.3.4 Reserved.

2.3.5 Release of All Collateral.

(a) Upon Repayment in Full of Loan. If Borrower has repaid the entire Principal Amount in accordance with Section 2.3.1 or Section 2.3.3 and paid to Lender all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, then Lender shall release the Lien of this Agreement and the Pledge upon the Collateral (or assign it (together with the Note), in whole or in part, to a new lender without representation, warranty or recourse). In such event, Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release or assignment, a release of lien or assignment of lien, as applicable, for such Collateral for execution by Lender. Such release or assignment, as applicable, shall be in a form satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release or assignment, as applicable.

(b) Upon Total Defeasance Event. If Borrower has defeased the Loan in its entirety in accordance with Section 2.4.1, and paid to Lender all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, then Lender shall release the Lien of this Agreement and the Pledge upon the Collateral (or assign it to a new lender without representation, warranty or recourse), and the U.S. Securities constituting the Total Defeasance Collateral, pledged pursuant to the Defeasance Security Agreement, shall be the sole source of collateral securing the Note. In such event, Borrower shall submit to Lender, not less than ten (10) Business Days prior to the date of such release or assignment, a release of lien for such Collateral for execution by Lender. Such release shall be in a form satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release.

2.3.6 Release of Individual Properties and Outparcels .

(a) Individual Properties. In the event Mortgage Borrower requests the release of any Individual Property from the Lien of the applicable Security Instrument and related Mortgage Loan Documents (or to the extent so requested by Mortgage Borrower, the assignment of the Lien of the applicable Security Instrument to a new lender without representation, warranty or recourse) (each release under this Section 2.3.6, a "Property Release"), subject to satisfaction of each of the conditions set forth below with respect to such Individual Property, Lender shall consent to such Property Release and the other actions to be taken by Mortgage Lender in accordance with Section 2.3.6 of the Mortgage Loan Agreement with respect to such Individual Property (each a " Release Property"):

(i) Borrower shall deliver a written notice (a "Property Release Notice") to Lender of its desire to cause First Mezzanine Borrower to cause Mortgage Borrower to effect such Property Release no later than thirty (30) days prior to the date of such desired Property Release, and setting forth the Business Day (the "Release Date") on which Borrower desires that Mortgage Lender release its interest in such Release Property (provided such Property Release Notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment);

(ii) Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to either:

(A) if the outstanding principal balance of the Floating Rate Component (Mortgage) is greater than or equal to the Combined Release Price for the Release Property, pay to Mortgage Lender (x) the Combined Release Price for the Release Property, to be applied in reduction of the Floating Rate Component (Mortgage), (y) all Applicable Interest (Mortgage) on the portion of the Floating Rate Component (Mortgage) being repaid, and (z) all other sums due and payable under the Mortgage Loan Agreement, the Mortgage Note, the Security Instrument and the other Mortgage Loan Documents through and including the Release Date; or

(B) if the outstanding principal balance of the Floating Rate Component (Mortgage) has previously been reduced to zero, partially defease the Fixed Rate Components (Mortgage) in an aggregate amount equal to the Release Price (Mortgage) for the Release Property, in accordance with Section 2.4.2 of the Mortgage Loan Agreement; or

(C) if the outstanding principal balance of the Floating Rate Component (Mortgage) is greater than zero but less than the Combined Release Price for the Release Property, then (x) pay to Mortgage Lender the outstanding principal balance of the Floating Rate Component (Mortgage), to be applied in reduction of the Floating Rate Component (Mortgage), (y) pay to Mortgage Lender the amounts specified in clauses (y) and (z) of subparagraph (ii)(A) above, and (z) if and only if the outstanding principal balance of the Floating Rate Component (Mortgage) being repaid pursuant to clause (x) of this subparagraph (C) is less than the Release Price (Mortgage) for the Release Property, partially defease the Fixed Rate Components (Mortgage) in an amount equal to the positive difference between the Release Price (Mortgage) for the Release Property and the outstanding principal balance of the Floating Rate Component (Mortgage) being repaid, in accordance with Section 2.4.2 of the Mortgage Loan Agreement;

(iii) as a condition precedent to a Property Release when the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Combined Release Price for the Release Property, on the Release Date, Borrower shall cause First Mezzanine Lender to partially defease the First Mezzanine Loan in accordance with the provisions of the First Mezzanine Loan Agreement, in an amount equal to either:

(A) if the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Release Price (Mortgage) or has previously been reduced to zero, then the Release Price (First Mezzanine) for the Release Property; otherwise

(B) the amount by which the Combined Release Price for the Release Property exceeds the outstanding principal balance of the Floating Rate Component (Mortgage), multiplied by a fraction, the numerator of which is the principal balance of the First Mezzanine Loan immediately prior to the Property Release, and the denominator of which is the aggregate principal balance of all Mezzanine Loans immediately prior to the Property Release.

(iv) as a condition precedent to a Property Release when the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Combined Release Price for the Release Property, on the Release Date, Borrower shall partially defease the Loan in accordance with the provisions of this Agreement, in an amount equal to either:

(A) if the outstanding principal balance of the Floating Rate Component (Mortgage) is less than the Release Price (Mortgage) or has previously been reduced to zero, then the applicable Release Price for the Release Property; otherwise

(B) the amount by which the Combined Release Price for the Release Property exceeds the outstanding principal balance of the Floating Rate Component (Mortgage), multiplied by a fraction, the numerator of which is the principal balance of the Loan immediately prior to the Property Release, and the denominator of which is the aggregate principal balance of all Mezzanine Loans immediately prior to the Property Release.

(v) Borrower shall deliver to Lender not less than ten (10) Business Days prior to the Release Date (which must be on a Business Day) all documentation that may be reasonably required by Lender to be delivered by Borrower in connection with such Property Release (collectively, " Release Instruments"), together with an Officer's Certificate certifying that (A) any and all Release Instruments, if applicable, are in compliance with all Legal Requirements, (B) the release to be effected will not violate the terms of this Agreement, (C) the release to be effected will not impair or otherwise adversely affect the Liens, security interests and other rights of Lender under the Loan Documents not being released and (D) the requirement described in paragraph (vi) below is satisfied in connection with such Property Release (together with calculations and supporting documentation demonstrating the same in reasonable detail);

(vi) with respect to any Property Release (other than an Excluded Release), after giving effect to such Property Release, the Lease Coverage Ratio as of the Release Date for all of the Individual Properties then remaining subject to the Liens of the Security Instrument shall not be less than the greater of (A) the Closing Date Lease Coverage Ratio and (B) the Lease Coverage Ratio for the Individual Properties subject to the Lien of the Security Instrument immediately prior to the Release Date;

(vii) no Event of Default shall have occurred and then be continuing on the date on which Borrower delivers the Property Release Notice or on the Release Date (except as provided in the last grammatical paragraph of this Section 2.3.6(a));

(viii) the Release Property is simultaneously transferred pursuant to a bona fide all-cash sale on arms-length terms and conditions;

(ix) Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to execute and deliver such other instruments, certificates, opinions of counsel and documentation as Mortgage Lender shall reasonably request in order to preserve, confirm or secure the Liens and security granted to Mortgage Lender by the Mortgage Loan Documents, including any amendments, modifications or supplements to any of the Mortgage Loan Documents;

(x) Borrower shall pay for any and all reasonable out-of-pocket costs and expenses incurred in connection with any proposed Property Release, including Lender's reasonable attorneys' fees and disbursements;

(xi) prior to the Release Date, Borrower shall deliver to Lender evidence reasonably satisfactory to Lender that all amounts owing to any parties in connection with the transaction relating to the proposed Property Release have been paid in full, or will simultaneously be paid in full on the Release Date or adequate reserves therefor are established by Borrower in cash with respect to contingent or other liabilities that may arise out of such transaction and for which Borrower is not adequately indemnified or insured against as reasonably determined by Lender;

(xii) as a condition precedent to a Property Release, on the Release Date, Borrower shall cause (a) First Mezzanine Borrower to satisfy all conditions to such Property Release set forth in the First Mezzanine Loan Documents and (b) First Mezzanine Borrower to cause Mortgage Borrower to satisfy all conditions to such Property Release set forth in the Mortgage Loan Documents;

(xiii) reserved;

(xiv) the transfer of the Release Property in connection with the Property Release does not trigger any rights of first refusal or purchase options in any Operating Agreements, including, but not limited to the rights or obligations set forth on Schedule VI of the Mortgage Loan Agreement as to any remaining Property unless the same have been waived or terminated by the holder thereof;

(xv) following such Property Release, each Senior Borrower and Borrower shall each continue to be a Single Purpose Entity and comply with all provisions of the Loan Documents pertaining to a Single Purpose Entity; and

(xvi) Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to enter into an amendment to the Master Lease with Master Lessee (A) to effect the reduction in the Master Lease Base Rent by an amount not to exceed the amount allocable to such Individual Property as set forth on Schedule IV to the Mortgage Loan Agreement, and (B) to cause such Release Property to be removed from the Master Lease, including amending the legal description of the "Leased Property" (as defined therein) to effect such removal.

Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, if on the date Borrower delivers a Property Release Notice, (a) a Default or Event of Default has occurred and is continuing which relates solely to the Individual Property or Individual Properties subject to the proposed Property Release (each or any such Default or Event of Default, a " Release Property-Specific Default"), (b) the Allocated Loan Amounts of such Individual Properties do not exceed, in the aggregate of all Individual Properties that are then subject to a Release Property-Specific Default, 15% of the Principal Amount, and (c) no other Default or Event of Default exists, Borrower shall not be prohibited from causing First Mezzanine Borrower to cause Mortgage Borrower to exercise a release with respect to such Individual Property or Individual Properties and such Release-Property-Specific Default will be deemed to have been cured upon completion of the Property Release of such Individual Property or Individual Properties by (1) delivery of such Property Release Notice and (2) completion of the Property Release of such Individual Property or Individual Properties; provided, that, if Borrower fails to cause First Mezzanine Borrower to cause Mortgage Borrower to complete the Property Release of each Individual Property then subject to a Release-Property-Specific Default by a Release Date that is not more than forty-five (45) days after receiving written notice from Lender or otherwise obtaining actual knowledge of the occurrence of such Release Property-Specific Default, such Default or Event of Default shall be deemed not to have been cured by delivery of such Property Release Notice and shall be retroactive to the date such Default or Event of Default first occurred.

(b) Outparcels. Provided that (i) no Event of Default has occurred and is continuing, and (ii) Mortgage Borrower shall have satisfied each of the conditions set forth in Section 2.3.6(b) of the Mortgage Loan Agreement, Borrower shall be permitted to cause First Mezzanine Borrower to cause Mortgage Borrower to request that Mortgage Lender release certain Outparcels in accordance with the terms of Section 2.3.6(b) of the Mortgage Loan Agreement without the consent of Lender.

2.3.7 Provisions Relating to Individual Properties That Go Dark .

(a) At any one time and from time to time, Borrower may cause First Mezzanine Borrower to cause Mortgage Borrower to allow Restaurant Locations to Go Dark provided that (i) the number of Go Dark Restaurant Locations plus the number of Restaurant Locations that are being operated as one or more Unaffiliated Businesses (without duplication) does not exceed the Go Dark/Sublease Limit at any time, and (ii) in no event may Borrower cause First Mezzanine Borrower to cause Mortgage Borrower to allow any Go Dark Purchase Option Property to Go Dark unless the holder of the purchase right, termination right, recapture right, option or similar right has irrevocably waived in writing such rights with respect to the period during which such Go Dark Purchase Option Property continues to be a Go Dark Restaurant Location. If the number of Go Dark Restaurant Locations plus the number of Restaurant Locations that are being operated as one or more Unaffiliated Businesses (without duplication) exceeds the Go Dark/Sublease Limit at any time, then within thirty (30) days of such Go Dark/Sublease Limit being exceeded, Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to cause one or more Individual Properties to be released from the Lien of the applicable Security Instrument in accordance with Section 2.3.6 hereof such that the number of Go Dark Restaurant Locations plus the number of Restaurant Locations that are being operated as one or more Unaffiliated Businesses (without duplication) does not exceed the Go Dark/Sublease Limit.

(b) If any Restaurant Location shall Go Dark, Borrower will promptly send written notice thereof to Lender. If any Restaurant Location shall Go Dark, the full Master Lease Rent payment as and when, and to the extent, required under the Master Lease and the Master Lease Rent Payment Direction Letter with respect to all Restaurant Locations that are leased pursuant to the Master Lease shall nonetheless be required to be deposited into the Holding Account without reduction.

2.4 Defeasance. Provided no Event of Default shall have occurred and be continuing, Borrower shall have the right at any time after the Closing Date to voluntarily defease all or any portion of the Loan by and upon satisfaction of the following conditions (such event being a " Defeasance Event"):

2.4.1 Conditions to Total Defeasance Event. Provided that Mortgage Borrower shall have paid in full the Floating Rate Component (Mortgage) (either previously or simultaneously with the Total Defeasance Event), Borrower shall have the right to voluntarily defease the entire outstanding principal balance of the Loan without Yield Maintenance Premium or other premium or penalty and obtain a release of the Lien of the Pledge and this Agreement by providing Lender with the Total Defeasance Collateral (herein, a "Total Defeasance Event"), subject to the satisfaction of the following conditions precedent:

(a) Except as otherwise set forth herein, Borrower shall have delivered to Lender all documentary deliveries required pursuant to this Section 2.4.1 at least thirty (30) days prior to the requested effective date of such proposed Total Defeasance Event and shall specify a date (the " Total Defeasance Date") on which the Total Defeasance Event is to occur (provided such notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment);

(b) Borrower shall pay to Lender (i) all payments of principal and interest due on the Loan to and including the Total Defeasance Date, and (ii) all other sums then due on such Total Defeasance Date under the Note, this Agreement, the Pledge and the other Loan Documents;

(c) Borrower shall deposit the Total Defeasance Collateral into the Defeasance Collateral Account and otherwise comply with the provisions of Section 2.4.3 hereof;

(d) Borrower shall execute and deliver to Lender a Defeasance Security Agreement in respect of the Defeasance Collateral Account and the Total Defeasance Collateral;

(e) Borrower shall deliver to Lender (i) an Opinion of Counsel for Borrower that is reasonably satisfactory to Lender opining that (A) Lender has a legal and valid perfected first priority security interest in the Defeasance Collateral Account and the Total Defeasance Collateral, and (B) the Total Defeasance Event pursuant to this Section 2.4.1 does not constitute a "significant modification" under Section 1001 of the Code, will not cause any Securitization vehicle to fail to qualify as a grantor trust under the Code and will not cause a federal income tax to be imposed on any Securitization vehicle and (ii) a non-consolidation opinion with respect to the Successor Borrower;

(f) reserved;

(g) On or prior to the Total Defeasance Date, Borrower shall deliver an Officer's Certificate certifying that the requirements set forth in this Section 2.4.1 have been satisfied;

(h) Borrower shall deliver a certificate of an Independent certified public accounting firm reasonably acceptable to Lender certifying that the Total Defeasance Collateral will generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(i) Borrower shall deliver such other certificates, opinions, documents and instruments as Lender may reasonably request, to the extent such delivery would be required by a reasonably prudent lender defeasing mortgage loans for securitization similar to the Loan, provided that Borrower shall not be required to deliver any certificate, opinion, document or instrument that would increase Borrower's obligations or liabilities under this Agreement or any other Loan Document;

(j) Borrower shall pay to Lender a defeasance and release fee in an amount equal to $10,000; and

(k) Borrower shall pay all reasonable out-of-pocket costs and expenses of Lender incurred in connection with the Total Defeasance Event, including Lender's reasonable attorneys' fees and expenses.

Notwithstanding the foregoing, Borrower shall not consent to or permit, or allow First Mezzanine Borrower to consent to or permit, a total defeasance of the Mortgage Loan or the First Mezzanine Loan (other than in connection with a simultaneous defeasance of the Loan in its entirety in accordance with the terms and conditions of the Loan Documents), unless it obtains the prior written consent of Lender, which consent may be given or withheld by Lender in its sole discretion.

2.4.2 Conditions to Partial Defeasance. Provided that Mortgage Borrower shall have paid in full the Floating Rate Component (Mortgage) (either previously or simultaneously with the Partial Defeasance Event), Borrower shall have the right to voluntarily defease a portion of the outstanding principal balance of the Loan without Yield Maintenance Premium or other premium or penalty, in connection with a Property Release consummated in accordance with Section 2.3.6(a), by providing Lender with the Partial Defeasance Collateral (herein, a " Partial Defeasance Event"), subject to the satisfaction of the following conditions precedent:

(a) Except as otherwise set forth herein, Borrower shall have delivered to Lender all documentary deliveries required pursuant to this Section 2.4.2 at least thirty (30) days prior to the requested effective date of such proposed Partial Defeasance Event and shall specify a date (the " Partial Defeasance Date") on which the Partial Defeasance Event is to occur (provided such notice shall be revocable at any time and for any reason by Borrower and may be adjourned on a day-to-day basis on reasonable notice to Lender, but Borrower shall pay any actual reasonable out-of-pocket expenses incurred by Lender in connection with such revocation and/or adjournment);

(b) Borrower shall pay to Lender (i) all payments of principal and interest due on the Loan to and including the Partial Defeasance Date, and (ii) all other sums then due on such Partial Defeasance Date under the Note, this Agreement, the Pledge and the other Loan Documents;

(c) Borrower shall deposit the Partial Defeasance Collateral into the Defeasance Collateral Account and otherwise comply with the provisions of Section 2.4.3 hereof;

(d) Borrower shall prepare all necessary documents to modify this Agreement and to amend and restate the Note and issue substitute notes, with one or more substitute notes having an aggregate principal balance equal to the aggregate Release Price for the Release Property or Release Properties (collectively, the "Defeased Note"), and one or more substitute notes having a principal balance equal to the excess of (i) the original principal amount of the Loan, over (ii) the amount of the Defeased Note and any prior Defeased Note issued (collectively, the " Undefeased Note"). The Defeased Note and Undefeased Note shall have identical terms as the Note except for the principal balance and the monthly payment amount. The Defeased Note and the

Undefeased Note shall not be cross defaulted or cross collateralized. A Defeased Note may not be the subject of any further defeasance, and all amounts paid in reduction of the principal balance thereof will be exclusively from the Scheduled Defeasance Payments in accordance herewith. In addition, a Defeased Note may be repaid in whole in connection with a repayment of the entire Loan on or after the Lockout Expiration Date in accordance with the terms hereof;

(e) Borrower shall execute and deliver to Lender a Defeasance Security Agreement in respect of the Defeasance Collateral Account and the Partial Defeasance Collateral;

(f) Borrower shall deliver to Lender (i) an Opinion of Counsel for Borrower that is reasonably satisfactory to Lender opining that (A) Lender has a legal and valid perfected first priority security interest in the Defeasance Collateral Account and the Partial Defeasance Collateral and (B) that the Partial Defeasance Event pursuant to this Section 2.4.2 does not constitute a "significant modification" under Section 1001 of the Code, will not cause any Securitization vehicle to fail to qualify as a grantor trust under the Code and will not cause any federal income tax to be imposed on any Securitization vehicle and (ii) a non-consolidation opinion with respect to the Successor Borrower;

(g) reserved;

(h) on or prior to the Partial Defeasance Date, Borrower shall deliver an Officer's Certificate certifying that the requirements set forth in this Section 2.4.2 have been satisfied;

(i) Borrower shall deliver a certificate of an Independent certified public accounting firm reasonably acceptable to Lender certifying that the Partial Defeasance Collateral will generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(j) Borrower shall deliver such other certificates, opinions, documents and instruments as Lender may reasonably request, to the extent such delivery would be required by a reasonably prudent lender defeasing mortgage loans for securitization similar to the Loan, provided that Borrower shall not be required to deliver any certificate, opinion, document or instrument that would increase Borrower's obligations or liabilities under this Agreement or any other Loan Document;

(k) Borrower shall pay to Lender a defeasance and release fee in an amount equal to $10,000;

(l) Borrower shall pay all reasonable out-of-pocket costs and expenses of Lender incurred in connection with the Partial Defeasance Event, including Lender's reasonable attorneys' fees and expenses;

(m) Borrower shall have complied with the provisions of Section 2.3.6 with respect to the Individual Property or Individual Properties being released; and

(n) as a condition precedent to a Partial Defeasance Event, on the Defeasance Date, Borrower shall cause (i) First Mezzanine Borrower to partially defease the First Mezzanine Loan in accordance with the provisions of the First Mezzanine Loan Agreement in the amount specified in Section 2.3.6(a)(iii) and (ii) cause First Mezzanine Borrower to cause Mortgage Borrower to partially defease the Mortgage Loan in accordance with the provisions of the Mortgage Loan Agreement in the amount specified in Section 2.3.6(a)(ii).

2.4.3 Defeasance Collateral Account. On or before the date on which Borrower delivers the Total Defeasance Collateral or Partial Defeasance Collateral, as applicable, Borrower shall open at any Eligible Institution the defeasance collateral account (the " Defeasance Collateral Account") which shall at all times be an Eligible Account. The Defeasance Collateral Account shall contain only (a) Total Defeasance Collateral or the applicable Partial Defeasance Collateral, and (b) cash from interest and principal paid on the Total Defeasance Collateral or the applicable Partial Defeasance Collateral. All cash from interest and principal payments paid on the Total Defeasance Collateral or Partial Defeasance Collateral shall be paid over to Lender on each Payment Date and applied in accordance with the terms of this Agreement. Following the payment of all Scheduled Defeasance Payments, any cash from interest and principal paid on the Total Defeasance Collateral or Partial Defeasance Collateral in excess of the amounts necessary to pay the Scheduled Defeasance Payments shall be paid to Borrower or, if there is a Successor Borrower, to Successor Borrower. Borrower shall cause the Eligible Institution at which the Total Defeasance Collateral or Partial Defeasance Collateral is deposited to enter into an agreement with Borrower or Successor Borrower, as applicable, and Lender, satisfactory to Lender in its reasonable discretion, pursuant to which such Eligible Institution shall agree to hold and distribute the Total Defeasance Collateral or Partial Defeasance Collateral in accordance with this Agreement. Borrower or Successor Borrower, as applicable, shall be the owner of the Defeasance Collateral Account and shall report all income accrued on Total Defeasance Collateral or Partial Defeasance Collateral for federal, state and local income tax purposes in its income tax return. Borrower shall pay all costs and expenses associated with opening and maintaining the Defeasance Collateral Account. Lender shall not in any way be liable by reason of any insufficiency in the Defeasance Collateral Account. At Borrower's election, different Defeasance Collateral Accounts may be established for each defeasance consummated pursuant to this Agreement.

2.4.4 Successor Borrower. In connection with a Defeasance Event under this Section 2.4, Borrower shall, if reasonably required by Lender or if Borrower elects to do so, establish or designate a successor entity (the " Successor Borrower") which shall be a single purpose bankruptcy remote entity and which shall be reasonably approved by Lender. Any such Successor Borrower may, at Borrower's option, be an Affiliate of Borrower unless Lender shall reasonably require otherwise. Borrower shall transfer and assign all obligations, rights and duties under and to the Note (in connection with a Total Defeasance Event) and under the Defeased Note (in connection with a Partial Defeasance Event), together with the Total Defeasance Collateral or Partial Defeasance Collateral, as applicable, to such Successor Borrower. Such Successor Borrower shall assume the obligations under the Note (in connection with a Total Defeasance Event) and under the Defeased Note (in connection with a Partial Defeasance Event) and the Defeasance Security Agreement and Borrower shall be relieved of its obligations under such documents. Borrower shall pay all reasonable, out-of-pocket costs and expenses incurred by Lender, including Lender's reasonable attorney's fees and expenses, incurred in connection therewith. A different Successor Borrower may be established for each defeasance consummated pursuant to this Agreement.

2.5 Regulatory Change; Taxes.

2.5.1 Increased Costs. If as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender or any company Controlling Lender of the principal of or interest on the Loan is changed or Lender or the company Controlling Lender shall be subject to (i) any Tax, duty, charge or withholding of any kind with respect to this Agreement (excluding taxation of the overall net income of Lender or the company Controlling Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company Controlling Lender is imposed, modified or deemed applicable; and Lender determines that, by reason thereof, the cost to Lender or any company Controlling Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company Controlling Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called " Increased Costs"), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender's written request such additional amount or amounts as will compensate Lender or any company Controlling Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan; provided, however, that with respect to the period during which the Loan is held by a Securitization trust, Borrower's liability under this Section 2.5.1 shall be limited to the Increased Costs to which such Securitization trust itself is subject, if any. If Lender requests compensation under this Section 2.5.1, Borrower may, by notice to Lender, require that Lender furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof. In the event that Borrower is required to pay any Increased Costs in accordance with the terms hereof, Borrower shall have the right to prepay the Principal Amount (together with all Applicable Interest) without the imposition of any Yield Maintenance Premium.

2.5.2 Special Taxes. Borrower shall make all payments hereunder free and clear of and without deduction for Special Taxes. If Borrower shall be required by law to deduct any Special Taxes from or in respect of any sum payable hereunder or under any other Loan Document to Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.5.2) Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions, and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law. Notwithstanding anything to the contrary contained in this Section 2.5, Borrower shall not be liable for any amounts as a result of (a) withholding for Special Taxes or additional costs incurred as a result of the assignment of all or any portion of the Loan by Lender to any Person that is subject to Special Taxes at the time of such assignment, which Special Taxes exceed the Special Taxes to which the assignor is subject, and which is organized under or has its principal place of business outside of the United States of America or any political subdivision thereof or (b) failure of Lender to comply with any certification, identification, information, documentation or other reporting requirement if (i) such compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from, or reduction in the rate of, deduction or withholding of any Special Taxes and (ii) at least thirty

(30) days prior to the first Payment Date with respect to which Borrower shall apply this clause (b), Borrower shall have notified Lender that Lender will be required to comply with such requirement, provided, however, that the exclusion set forth in this clause (b) shall not apply in respect of any certification, identification, information, documentation or other reporting requirement if such requirement would be materially more onerous, in form, in procedure or in the substance of information disclosed, to Lender than comparable information or other reporting requirements imposed under U.S. Tax law, regulation and administrative practice (such as IRS Forms W-8BEN and W-9).

2.5.3 Other Taxes. In addition, Borrower agrees to pay any present or future stamp or documentary taxes or other excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents, or the Loan (hereinafter referred to as " Other Taxes").

2.5.4 Indemnity. Subject to the limitations in the last sentence of Section 2.5.2, Borrower shall indemnify Lender for the full amount of Special Taxes and Other Taxes (including any Special Taxes or Other Taxes imposed by any Governmental Authority on amounts payable under this Section 2.5.4) paid by Lender and any liability (including penalties, interest, and reasonable out-of-pocket expenses) arising therefrom or with respect thereto, whether or not such Special Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days after the date Lender makes written demand therefor.

2.5.5 Change of Office. To the extent that changing the jurisdiction of Lender's applicable office would have the effect of minimizing Special Taxes, Other Taxes or Increased Costs, Lender shall use reasonable efforts to make such a change, provided that same would not otherwise be disadvantageous to Lender.

2.5.6 Survival. Without prejudice to the survival of any other agreement of Borrower hereunder, the agreements and obligations of Borrower contained in this Section 2.5 shall survive the payment in full of principal and interest hereunder, and the termination of this Agreement.

III. CASH MANAGEMENT

3.1 Cash Management.

3.1.1 Establishment of Collateral Account. Borrower hereby acknowledges that (A) simultaneously with the execution of this Agreement, Lender (or Lender's Servicer on behalf of Lender) has established with Cash Management Bank, in the name of Lender (or Lender's Servicer on behalf of Lender), an account (the "Collateral Account"), which has been established as a deposit account, and (B) Lender (or Lender's Servicer on behalf of Lender) shall be the customer (within the meaning Section 4-104(a)(5) of the UCC) of Cash Management Bank with respect to the Collateral Account. The Collateral Account and the funds deposited therein shall serve as additional security for the Loan. Borrower shall not have any right to make, and shall not deliver any orders to Cash Management Bank for, and withdrawals from the Collateral

Account. The Collateral Account shall be an Eligible Account to which certain funds shall be allocated and from which disbursements shall be made pursuant to the terms of this Agreement. For the avoidance of doubt, the Collateral Account is the same account as the Second Mezzanine Account (as defined in the Mortgage Loan Agreement).

3.1.2 Pledge of Account Collateral. To secure the full and punctual payment and performance of the Obligations, Borrower hereby collaterally assigns, grants a security interest in and pledges to Lender, to the extent not prohibited by applicable law, a first priority continuing security interest in and to the following property of Borrower, whether now owned or existing or hereafter acquired or arising and regardless of where located (all of the same, collectively, the "Account Collateral"):

(a) the Collateral Account and all cash, deposits and/or wire transfers from time to time deposited or held in, credited to or made to Collateral Account;

(b) all interest and cash from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing or purchased with funds from the Collateral Account unless released; and

(c) to the extent not covered by clauses (a) or (b) above, all proceeds (as defined under the UCC) of any or all of the foregoing.

In addition to the rights and remedies herein set forth, Lender shall have all of the rights and remedies with respect to the Account Collateral available to a secured party at law or in equity, including, without limitation, the rights of a secured party under the UCC, as if such rights and remedies were fully set forth herein.

This Agreement shall constitute a security agreement for purposes of the Uniform Commercial Code and other applicable law.

3.1.3 Maintenance of Collateral Accounts.

(a) Borrower agrees that the Collateral Account is and shall be maintained (i) as a "deposit account" (as such term is defined in Section 9-102(a)(29) of the UCC), (ii) in such a manner that Lender (or Lender's Servicer on behalf of Lender) is the customer (within the meaning of Section 4-104(a)(5) of the UCC) of Cash Management Bank with respect to the Collateral Account and Lender (or such other Person designated in writing by Lender to Borrower from time to time) shall have control (within the meaning of Section 9-104(a)(2) of the UCC) over the Collateral Account, and (iii) such that Borrower shall have no right of withdrawal from the Collateral Account and, except as provided herein, no Account Collateral shall be released to Borrower from the Collateral Account.

(b) Notwithstanding Section 3.1.3(a)(i) above, Lender (or Lender's Servicer on behalf of Lender) shall be permitted to cause the Collateral Account to be maintained as "securities accounts" pursuant to Article 8 of the UCC, provided that (i) Lender is the entitlement holder (within the meaning of Section 8-102(a)(7) of the UCC) with respect to the Collateral Account, (ii) Lender (or such other Person designated in writing by Lender to Borrower from time to time) shall have control (within the meaning of Section 8-106(d) of the UCC) over such "securities

account" and at all times Lender shall have a perfected first priority lien on the Collateral Account, (iii) such account shall be maintained in such a manner that the Cash Management Bank shall agree to treat all property credited to the Collateral Account as "financial assets" and, (iv) all securities or other property underlying any financial assets credited to the Collateral Account shall be registered in the name of Cash Management Bank, endorsed to Cash Management Bank or in blank or credited to another securities account maintained in the name of Cash Management Bank and in no case will any financial asset credited to any of the Collateral Account be registered in the name of Borrower, payable to the order of Borrower or specially endorsed to Borrower except to the extent the foregoing have been specially indorsed to Cash Management Bank or in blank.

3.1.4 Eligible Account. The Collateral Account shall be an Eligible Account. The Collateral Account shall be subject to such applicable laws, and such applicable regulations of the Board of Governors of the Federal Reserve System and of any other banking or governmental authority, as may now or hereafter be in effect. Income and interest accruing on the Collateral Account or any investments held in such account shall be periodically added to the principal amount of such account and shall be held, disbursed and applied in accordance with the provisions of this Agreement. Borrower shall be the beneficial owner of the Collateral Account for federal income tax purposes and shall report all income on the Collateral Account.

3.1.5 Cash Management Arrangement. Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to cause all Rents to be deposited and applied in accordance with the Mortgage Loan Documents and shall cause First Mezzanine Borrower to cause Mortgage Borrower to at all times comply with the provisions of Article 3 of the Mortgage Loan Agreement. All funds deposited by the Mortgage Cash Management Bank into the Collateral Account shall be deemed to be a distribution from Mortgage Borrower to First Mezzanine Borrower and a further distribution from First Mezzanine Borrower to Borrower and shall be applied and disbursed in accordance with this Agreement.

3.1.6 Monthly Funding.

(a) Borrower hereby irrevocably authorizes Lender to transfer, and Lender shall transfer, from the Collateral Account by 11:00 a.m. New York time on each Payment Date, or as soon thereafter as there shall be sufficient collected funds on deposit in the Collateral Account, and from time to time (but no less frequently than weekly thereafter) to Lender funds in an amount equal to the sum of any Protective Advances which may have been advanced by (and not previously reimbursed to) Lender pursuant to the terms of the Loan Documents to cure any Default or Event of Default, any Senior Loan Default or Senior Loan Event of Default, or to protect the Collateral together with any interest payable on such amounts pursuant to the Loan Documents, plus (x) the unpaid Mezzanine Loan Debt Service Amount due on the Payment Date on which the transfer from the Collateral Account is made, plus (y) an amount equal to such payments for any prior month(s), to the extent not previously paid, plus (z) an amount equal to the amount, if any, deducted from the Collateral Account in any preceding month to pay any other amounts then due under the Loan Documents (other than any Mezzanine Loan Debt Service Amounts).

(b) If for any reason there will be insufficient amounts in the Collateral Account on any Payment Date to pay the Mezzanine Loan Debt Service Amount due on such Payment Date, Borrower shall immediately deposit into the Collateral Account an amount equal to the shortfall of available funds. Any failure by Borrower to deposit the full amount required by the preceding sentence shall constitute an Event of Default hereunder. If Lender shall reasonably determine that there will be insufficient amounts in the Collateral Account to pay any Protective Advances as and when the same are due and payable, Lender shall provide written notice of same to Borrower setting forth the basis for such determination. Within five (5) Business Days of receipt of said notice, Borrower shall deposit into the Collateral Account an amount equal to the shortfall of available funds in the Collateral Account. Any failure by Borrower to deposit the full amount required by the preceding sentence within said five (5) Business Day period shall constitute an Event of Default hereunder.

(c) Lender agrees to deliver to Mortgage Lender at least five (5) Business Days prior to each Payment Date a written notice setting forth the Mezzanine Loan Debt Service Amount payable by Borrower on the first Payment Date occurring after the date such notice is delivered (the " Mezzanine Lender Monthly Debt Service Notice"); provided, however, that any Mezzanine Lender Monthly Debt Service Notice sent to Mortgage Lender shall be applicable with respect to all future Payment Dates until Lender sends a new Mezzanine Lender Monthly Debt Service Notice to Mortgage Lender, it being understood that Lender will not be required to send a new Mezzanine Lender Monthly Debt Service Notice to Mortgage Lender unless and until the Mezzanine Loan Debt Service Amount due on the ensuing Payment Date is different from the Mezzanine Loan Debt Service Amount due on the immediately preceding Payment Date, and Mortgage Lender shall be permitted to rely on the most recently received Mezzanine Lender Monthly Debt Service Notice until Mortgage Lender receives a new Mezzanine Lender Monthly Debt Service Notice from Lender. Borrower agrees that Lender shall not be required to deliver to Mortgage Lender any additional notice with respect to distribution of Proceeds prior to the deposit of Proceeds into the Collateral Account.

(d) Borrower hereby acknowledges that, (i) pursuant to Section 3.1.6 of the Mortgage Loan Agreement, (A) to the extent that a Mortgage Event of Default has occurred and is continuing, all Excess Cash Flow and any other payments that would otherwise be distributed to Borrower, First Mezzanine Borrower, Lender or First Mezzanine Lender are to be held in the Holding Account and applied in accordance with the Mortgage Loan Agreement (unless otherwise agreed to by Mortgage Lender) and (B) to the extent that a First Mezzanine Event of Default has occurred and is continuing but no Mortgage Event of Default has occurred and is continuing, all Excess Cash Flow and any other payments that would otherwise be distributed to Borrower or Lender are to be deposited into the First Mezzanine Collateral Account and applied in accordance with the First Mezzanine Loan Agreement (unless otherwise agreed to by First Mezzanine Lender) and (ii) to the extent required by, and in accordance with Section 6.2.3(b) of the Mortgage Loan Agreement, any Proceeds will be disbursed to Lender to prepay the Loan in the amount of the Release Price for such Individual Property to which the Proceeds relate. Any Proceeds received by Mortgage Lender in excess of the release price specified in Section 6.2.3(b) of the Mortgage Loan Agreement for such affected Individual Property shall be paid in accordance with the payment priorities set forth in Section 6.2.3(b) of the Mortgage Loan Agreement.

(e) Borrower hereby also acknowledges that (i) Lender has the right to deliver notice to Mortgage Lender that an Event of Default has occurred and is continuing under the Loan Documents (a "Mezzanine Loan Default Notice"), and (ii) pursuant to the Mortgage Loan Agreement, provided there is no Senior Loan Event of Default and to the extent Mortgage Lender has received a Mezzanine Loan Default Notice, Mortgage Borrower has irrevocably directed that all Excess Cash Flow is to be deposited directly into the Collateral Account for application as provided in this Agreement (in lieu of transferring such funds to the Mortgage Borrower's Account if Mortgage Lender had not received a Mezzanine Loan Default Notice) until such time as Mortgage Lender receives a notice from Lender that such Event of Default is no longer continuing.

(f) Notwithstanding anything to the contrary in this Agreement or the other Loan Documents, payments or distributions made directly to or on behalf of any Senior Borrower or any Senior Lender, including the distribution or payment of any Asset Management Fee, pursuant to any of the Senior Loan Documents, and any funds distributed or paid to the Borrower's Account pursuant to this Agreement, shall be free and clear of any lien of the Senior Loan Documents and the Loan Documents and may be paid, used, or distributed without the same being transferred to the Mortgage Collateral Account, the Collateral Account, or the First Mezzanine Collateral Account.

3.1.7 Cash Management Agreement Upon Repayment of Senior Loans . In the event that the Senior Loans have been fully repaid and the Loan has not been fully repaid, then Borrower shall, and shall cause First Mezzanine Borrower to cause Mortgage Borrower to, enter into a cash management agreement with Lender, in form and substance reasonably satisfactory to Lender (the " Replacement Cash Management Agreement "), that shall require, among other things, that Borrower and Mortgage Borrower establish certain accounts and reserves, and pledge such accounts and reserves to Lender as additional Collateral for the Loan, such that Lender has the same legal and economic rights and remedies as Mortgage Lender has under the cash management and reserve provisions of the Mortgage Loan Documents, including without limitation, Article III of the Mortgage Loan Agreement. Until such time as the Replacement Cash Management Agreement has been fully-executed, Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to continue to comply with the cash management and reserve provisions of the Mortgage Loan Documents notwithstanding the repayment of the Mortgage Loan, provided that such performance by Mortgage Borrower shall be in favor of Lender rather than Mortgage Lender.

3.1.8 Cash Management Bank .

(a) Lender shall have the right at Borrower's sole cost and expense to replace the Cash Management Bank at any time with another Eligible Institution without the consent of, or notice to, Borrower. Borrower shall cooperate with Lender in connection with the appointment of any replacement Cash Management Bank. Borrower shall have no right to replace the Cash Management Bank.

3.1.9 Borrower's Representations, Warranties and Covenants Regarding Collateral Account . Borrower represents, warrants and covenants that:

(a) Borrower will not have any right, title or interest in or to any Excess Cash Flow during any period with respect to which Mortgage Lender is obligated under the Mortgage Loan Agreement to transfer such Excess Cash Flow to the Collateral Account, except any rights Borrower shall have to allocations of such funds following the disbursement to Borrower of any Excess Cash Flow as provided in Section 3.1.6(d).

(b) There are no accounts other than the Mortgage Collateral Account, the First Mezzanine Collateral Account and the Collateral Account maintained by any Senior Borrower, Borrower, or any other Person with respect to the collection of rents, revenues, proceeds or other income of any Senior Borrower or Borrower from the Property or for the collection of Proceeds in respect of any Senior Borrower or Borrower.

(c) So long as the Loan shall be outstanding, no Senior Borrower, Borrower nor any other Person shall open any other accounts with respect to the collection of rents, revenues, proceeds or other income from the Property or for the collection of Proceeds in respect of any Senior Borrower or Borrower, except as provided in any Senior Loan Agreement or this Agreement.

3.1.10 Account Collateral and Remedies .

(a) Upon the occurrence and during the continuance of an Event of Default, without additional notice from Lender to Borrower, (i) Lender may, in addition to and not in limitation of Lender's other rights, make any and all withdrawals from the Collateral Account as Lender shall determine in its sole and absolute discretion and in any order of priority to pay any Obligations, operating expenses and/or capital expenditures for the Property and (ii) Distributions shall be retained in the Collateral Account.

(b) Upon the occurrence and during the continuance of an Event of Default, Borrower hereby irrevocably constitutes and appoints Lender as Borrower's true and lawful attorney-in-fact, with full power of substitution, to execute, acknowledge and deliver any instruments and to exercise and enforce every right, power, remedy, option and privilege of Borrower with respect to the Account Collateral, and do in the name, place and stead of Borrower, all such acts, things and deeds for and on behalf of and in the name of Borrower, which Borrower could or might do or which Lender may deem necessary or desirable to more fully vest in Lender the rights and remedies provided for herein and to accomplish the purposes of this Agreement. The foregoing powers of attorney are irrevocable and coupled with an interest. Upon the occurrence and during the continuance of an Event of Default, Lender may perform or cause performance of any such agreement, and any reasonable out-of-pocket expenses of Lender incurred in connection therewith shall be paid by Borrower as provided in Section 5.1.16.

(c) Except for any notice required by this Agreement and the related Loan Documents, Borrower hereby expressly waives, to the fullest extent permitted by law, presentment, demand, protest or any notice of any kind in connection with this Agreement or the

Account Collateral. Borrower acknowledges and agrees that ten (10) days' prior written notice of the time and place of any public sale of the Account Collateral or any other intended disposition thereof shall be reasonable and sufficient notice to Borrower within the meaning of the UCC.

3.1.11 Transfers and Other Liens. Borrower agrees that it will not (i) sell or otherwise dispose of any of the Account Collateral or (ii) create or permit to exist any Lien upon or with respect to all or any of Borrower's interest in the Account Collateral, except for the Lien granted to Lender under this Agreement.

3.1.12 Reasonable Care. Beyond the exercise of reasonable care in the custody thereof, Lender shall have no duty as to any Account Collateral in its possession or control as agent therefor or bailee thereof or any income thereon or the preservation of rights against any person or otherwise with respect thereto. Lender shall be deemed to have exercised reasonable care in the custody of the Account Collateral in its possession if the Account Collateral is accorded treatment substantially equal to that which Lender accords its own property, it being understood that Lender shall not be liable or responsible for any loss or damage to any of the Account Collateral, or for any diminution in value thereof, by reason of the act or omission of Lender, its Affiliates, agents, employees or bailees, except to the extent that such loss or damage results from Lender's gross negligence or willful misconduct. In no event shall Lender be liable either directly or indirectly for losses or delays resulting from any event which may be the basis of an Excusable Delay, computer malfunctions, interruption of communication facilities, labor difficulties or other causes beyond Lender's reasonable control or for indirect, special or consequential damages except to the extent of Lender's gross negligence or willful misconduct. Notwithstanding the foregoing, Borrower acknowledges and agrees that (i) Cash Management Bank has custody of the Account Collateral, and (ii) Lender has no obligation or duty to supervise Cash Management Bank or to see to the safe custody of the Account Collateral.

3.1.13 Lender's Liability.

(a) Lender shall be responsible for the performance only of such duties with respect to the Account Collateral as are specifically set forth in this Section 3.1 or elsewhere in the Loan Documents, and no other duty shall be implied from any provision hereof. Lender shall not be under any obligation or duty to perform any act with respect to the Account Collateral which would cause it to incur any expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own monies. Borrower shall indemnify and hold Lender, its employees and officers harmless from and against any loss, cost or damage (including, without limitation, reasonable attorneys' fees and disbursements) incurred by Lender in connection with the transactions contemplated hereby with respect to the Account Collateral except as such may be caused by the gross negligence or willful misconduct of Lender, its employees, officers or agents.

(b) Lender shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper, document or signature believed by it in good faith to be genuine, and, in so acting, it may be assumed that any person purporting to give any of the foregoing in connection with the provisions hereof has been duly authorized to do so. Lender may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder and in good faith in accordance therewith.

3.1.14 Continuing Security Interest. This Agreement shall create a continuing security interest in the Account Collateral and shall remain in full force and effect until payment in full of the Indebtedness. Upon payment in full of the Indebtedness, this security interest shall automatically terminate without further notice from any party and Borrower shall be entitled to the return, upon its request, of such of the Account Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof and Lender shall execute such instruments and documents as may be reasonably requested by Borrower to evidence such termination and the release of the Account Collateral.

3.1.15 Distributions. Transfers of Mortgage Borrower's funds from the Holding Account to or for the benefit of Borrower shall constitute distributions to First Mezzanine Borrower and further distributions from First Mezzanine Borrower to Borrower and must comply with the requirements as to distributions of the Delaware Limited Liability Company Act. The provisions of this Article III shall not create a debtor-creditor relationship between Mortgage Borrower and Lender.

IV. REPRESENTATIONS AND WARRANTIES

4.1 Borrower Representations. Borrower represents and warrants as of the Closing Date that:

4.1.1 Organization. Each of Senior Borrower, Borrower, Master Lessee and Master Lease Guarantor is a limited liability company and has been duly organized and is validly existing and in good standing pursuant to the laws of the State of Delaware with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Guarantor is a corporation and has been duly organized and is validly existing and in good standing pursuant to the laws of the State of Delaware with requisite power and authority to own its properties and to transact the businesses in which it is now engaged. Each of Senior Borrower, Borrower, Guarantor, Master Lessee and Master Lease Guarantor has duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its properties, businesses and operations, or, in the case of qualifications in the various States (a) an application for such qualification has been duly filed with the applicable Governmental Authority and all fees required in order to obtain such qualification have been paid in full, (b) all conditions to obtaining such qualification have been satisfied under applicable law and the issuance of such qualification is a ministerial act of the applicable Governmental Authority, and (c) no such failure to qualify would be reasonably likely to have a Material Adverse Effect. Each of Senior Borrower, Borrower, Guarantor, Master Lessee and Master Lease Guarantor possesses all material rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own its properties and to transact the businesses in which it is now engaged, and the sole business of Borrower is the ownership of the Ownership Interests. The organizational structure of Senior Borrower, Borrower, Guarantor, Master Lessee and Master Lease Guarantor is accurately depicted by the schematic diagram attached hereto as Exhibit A. Borrower shall not change or permit to be changed (i) Borrower's name, (ii) Borrower's identity (including its trade name or names), (iii) Borrower's principal place of

business set forth on the first page of this Agreement, (iv) the corporate, partnership or other organizational structure of Borrower or any SPE Component Entity, (v) Borrower's state of organization, or (vi) Borrower's organizational identification number, unless it shall have given Lender thirty (30) days prior written notice of any such change (and, in the case of a change in Borrower's structure, has first obtained the prior written consent of Lender) and shall have taken all steps reasonably requested by Lender to grant, perfect, protect and/or preserve the liens and security interest granted to Lender under the Loan Documents. Borrower expressly authorizes Lender and its counsel to file such financing statements, with or without the signature of Borrower, as Lender may elect, as may be necessary or desirable to perfect the lien of Lender's security interest in the Collateral, including without limitation, UCC financing statements describing the collateral as all assets and personal property of Borrower, whether now owned or existing or hereafter acquired or arising and wheresoever located, including all accessions thereto and products and proceeds thereof, or using words with similar effect. If Borrower does not now have an organizational identification number and later obtains one, or if the organizational identification number assigned to Borrower subsequently changes, Borrower shall promptly notify Lender of such organizational identification number or change. Subject to the provisions of the Pledged Entity's Organizational Document, which require actions and/or consents of Mortgage Borrower's Independent Managers, Borrower has the power and authority and the requisite ownership interests in First Mezzanine Borrower to control the actions of First Mezzanine Borrower, and upon the realization of the Collateral, Lender or any other party succeeding to Borrower's interest in the Collateral would have such control. First Mezzanine Borrower has the power and authority and requisite ownership interests in Mortgage Borrower to control the actions of Mortgage Borrower. Without limiting the foregoing, and subject to the provisions of the Pledged Entity's Organizational Document, which require actions and/or consents of Mortgage Borrower's Independent Managers, Borrower has sufficient control over First Mezzanine Borrower to cause First Mezzanine Borrower to (i) take any action on First Mezzanine Borrower's part required to be taken by First Mezzanine Borrower under the First Mezzanine Loan Documents and (ii) refrain from taking any action prohibited to be taken by First Mezzanine Borrower under the First Mezzanine Loan Documents.

4.1.2 Proceedings. Each of First Mezzanine Borrower, Borrower, Guarantor and Master Lessee has full power to and has taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents to which it is a party. The Loan Documents to which such Person is a party have been duly executed and delivered by, or on behalf of, First Mezzanine Borrower, Borrower, Guarantor and Master Lessee, as applicable, and constitute legal, valid and binding obligations of such Persons, as applicable, enforceable against such Persons, as applicable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 No Conflicts. The execution, delivery and performance of this Agreement and the other Loan Documents by First Mezzanine Borrower, Borrower, Guarantor and Master Lessee, as applicable, will not conflict with or result in a material breach of any of the terms or provisions of, or constitute a material default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of any such Person pursuant to the terms of any indenture, mortgage, deed of

trust, loan agreement, partnership agreement or other agreement or instrument to which any such Person is a party or by which any of such Person's property or assets is subject (unless consents from all applicable parties thereto have been obtained), except for any conflict that would not individually or in the aggregate reasonably be expected to result in a Material Adverse Effect, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority, and any material consent, approval, authorization, order, registration or qualification of or with any Governmental Authority required for the execution, delivery and performance by First Mezzanine Borrower, Borrower, Guarantor and Master Lessee of this Agreement or any other Loan Document has been obtained and is in full force and effect.

4.1.4 Litigation. Except as set forth on Schedule II attached hereto, there are no arbitration proceedings, governmental investigations, actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the best of Borrower's knowledge, threatened against or affecting any Senior Borrower, Borrower, Guarantor, Master Lessee, Master Lease Guarantor or any Individual Property or any Mezzanine Collateral (other than claims (A) (i) which are being covered by insurance, (ii) which are being defended by the relevant insurance company and (iii) as to which Borrower has not received a notice from such insurance company that the claim exceeds the total amount of insurance coverage with respect to such claim by more than $500,000; or (B) which relate to claims for which liability in the event any such matter is adversely determined could not reasonably be expected to exceed $500,000). The actions, suits or proceedings identified on Schedule II, if determined against any Senior Borrower, Borrower, Guarantor, Master Lessee, Master Lease Guarantor or the Individual Property, would not materially and adversely affect the condition or operation of any Individual Property or the value of any Mezzanine Collateral, as applicable.

4.1.5 Agreements. The Pledged Entity's Organizational Document, the Pledged Entity's Organizational Document (First Mezzanine), the Operating Agreements, the Master Lease and the Subleases listed on Schedule I attached to the Mortgage Loan Agreement (including the Concept Subleases, the RLP Subleases, the Pass-Through Subleases, the Specified Prior Leases and the Unaffiliated Subleases) constitute all of the material agreements to which Borrower and/or any Senior Borrower or any of their Affiliates are party or are bound which are material to the ownership and operation of any Individual Property or any Mezzanine Collateral. Borrower is not a party to any agreement or instrument or subject to any restriction which is reasonably likely to materially and adversely affect Borrower or Borrower's business, properties or assets, operations or condition, financial or otherwise. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party or by which Borrower or the Mezzanine Collateral is bound. Borrower has no material financial obligation (contingent or otherwise) under any indenture, mortgage, deed of trust, loan agreement or other similar agreement or instrument to which Borrower is a party or by which Borrower or the Collateral is otherwise bound, other than (a) obligations constituting Permitted Debt which are incurred in the ordinary course of the ownership and operation of the Collateral and (b) obligations under the Loan Documents.

4.1.6 Title.

(a) Borrower owns all of the Collateral as of the date hereof, subject to no rights of others, including any mortgages, leases, conditional sales agreements, title retention agreements, liens or other encumbrances, except for the Permitted Encumbrances and other Liens permitted under the Loan Documents or any Senior Loan Document. The Pledge, together with the UCC financing statements relating to the Collateral, when properly filed in the appropriate records, will create a valid, perfected first priority security interest in and to the Collateral (other than the Pledged Collateral), all in accordance with the terms thereof, for which a Lien can be perfected by filing a UCC financing statement. Borrower's delivery of the Certificate (as defined in the Pledge), together with the applicable undated limited liability company membership power covering the applicable certificate duly executed in blank, creates a first priority valid and perfected security interest in the Pledged Collateral.

(b) Mortgage Borrower has good, marketable and insurable fee simple title to the Land and the Improvements relating to the Individual Properties, in each case free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Mortgage Loan Documents and the Liens created by the Mortgage Loan Documents. There are no claims for payment for work, labor or materials affecting the Property which are or may become a lien prior to, or of equal priority with, the Liens created by the Mortgage Loan Documents other than the Permitted Encumbrances. Borrower represents and warrants that none of the Permitted Encumbrances would individually or in the aggregate reasonably be expected to result in a Material Adverse Effect as of the Closing Date and thereafter. Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to preserve its right, title and interest in and to the Property, except for Individual Properties released under the terms hereof, for so long as the Note and each Senior Note remains outstanding and will warrant and defend same and the validity and priority of the Lien hereof from and against any and all claims whatsoever other than the Permitted Encumbrances.

First Mezzanine Borrower's delivery of the Certificate (as defined in the First Mezzanine Pledge), together with the applicable undated limited liability company membership power covering the applicable certificate duly executed in blank, creates a first priority valid and perfected security interest in the Pledged Collateral (as defined in the First Mezzanine Pledge) in favor of First Mezzanine Lender.

(xv) fail to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations (provided, however, that the foregoing shall not require any equity owner to make any additional capital contributions to Borrower);

(xvi) if it is a partnership or limited liability company, without the unanimous written consent of all of its partners or members, as applicable, and the written consent of 100% of the managers of Borrower, including without limitation, each Independent Manager, take any Material Action or other action that is reasonably likely to cause such entity to become insolvent;

SPE Component Entity. Each SPE Component Entity (i) will at all times comply with each of the covenants, terms and provisions contained in Section 5.3(a)(iii)—(vi) and (viii)—(xxi), as if such representation, warranty or covenant was made directly by such SPE Component Entity; (ii) will not engage in any business or activity other than owning an interest in Borrower; (iii) will not acquire or own any assets other than its partnership, membership, or other equity interest in Borrower; (iv) will not incur any debt, secured or unsecured, direct or contingent (including guaranteeing any obligation); and (v) will cause Borrower to comply with the provisions of this Section 5.3 and Section 5.4. Prior to the withdrawal or the disassociation of any SPE Component Entity from Borrower, Borrower shall immediately appoint a new general partner or managing member whose articles of incorporation or limited liability company agreement, as applicable, are substantially similar to those of such SPE Component Entity and, if an opinion letter pertaining to substantive consolidation was required at closing, deliver a new opinion letter acceptable to Lender with respect to the new SPE Component Entity and its equity owners. Notwithstanding the foregoing, to the extent Borrower is a single member Delaware limited liability company, so long as Borrower maintains such formation status and complies with the requirements set forth in subsections (c) and (d) below, no SPE Component Entity shall be required.

(c) In the event Borrower is a single-member Delaware limited liability company, the limited liability company agreement of Borrower (the " LLC Agreement") shall provide that (i) upon the occurrence of any event that causes the sole member of Borrower (" Member") to cease to be the member of Borrower (other than (A) upon an assignment by Member of all of its limited liability company interest in Borrower and the admission of the transferee in accordance with the Loan Documents and the LLC Agreement, or (B) the resignation of Member and the admission of an additional member of Borrower, in either case in accordance with the terms of the Loan Documents and the LLC Agreement), any person acting as Independent Manager of Borrower (" Special Member") shall, without any action of any other Person and simultaneously with the Member ceasing to be the member of Borrower, automatically be admitted to Borrower and shall continue Borrower without dissolution and (ii) Special Member may not resign from Borrower or transfer its rights as Special Member unless (A) a successor Special Member has been admitted to Borrower as Special Member in accordance with requirements of Delaware law and (B) such successor Special Member has also accepted its appointment as an Independent Manager. The LLC Agreement shall further provide that (i) Special Member shall automatically cease to be a member of Borrower upon the admission to Borrower of a substitute Member, (ii) Special Member shall be a member of Borrower that has no interest in the profits, losses and capital of Borrower and has no right to receive any distributions of Borrower assets, (iii) pursuant to Section 18-301 of the Delaware Limited Liability Company Act (the "Act"), Special Member shall not be required to make any capital contributions to Borrower and shall not receive a limited liability company interest in Borrower, (iv) Special Member, in its capacity as Special Member, may not bind Borrower, and (v) except as required by any mandatory provision of the Act, Special Member, in its capacity as Special Member, shall have no right to vote on, approve or otherwise consent to any action by, or matter relating to, Borrower, including, without limitation, the merger, consolidation or conversion of Borrower; provided, however, that such prohibition shall not limit the obligations of Special Member, in its capacity as Independent Manager, to vote on such matters required by the Loan Documents or the LLC Agreement. In order to implement the admission to Borrower of Special Member, Special Member shall execute a counterpart to the LLC Agreement. Prior to its admission to Borrower as Special Member, Special Member shall not be a member of Borrower.

(d) In the event Borrower is a single-member Delaware limited liability company, the LLC Agreement shall provide that upon the occurrence of any event that causes the Member to cease to be a member of Borrower, to the fullest extent permitted by law, the personal representative of Member shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of Member in Borrower, agree in writing (i) to continue Borrower and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of Borrower, effective as of the occurrence of the event that terminated the continued membership of Member of Borrower in Borrower. Any action initiated by or brought against Member or Special Member under any Creditors Rights Laws shall not cause Member or Special Member to cease to be a member of Borrower and upon the occurrence of such an event, the business of Borrower shall continue without dissolution. The LLC Agreement shall provide that each of Member and Special Member waives any right it might have to agree in writing to dissolve Borrower upon the occurrence of any action initiated by or brought against Member or Special Member under any Creditors Rights Laws, or the occurrence of an event that causes Member or Special Member to cease to be a member of Borrower.

(e) The organizational documents of Borrower and each SPE Component Entity shall provide an express acknowledgment that Lender is an intended third-party beneficiary of the "special purpose" provisions of such organizational documents.

(f) Notwithstanding anything to the contrary contained in this Section 5.3 or Article VIII, in connection with and contemporaneously with a refinancing in full of the Loan, and each Senior Loan, Borrower may (i) amend its organizational documents and/or (ii) form one or more new direct or indirect wholly-owned Subsidiaries and transfer the Collateral to such direct or indirect wholly-owned Subsidiaries subject to escrow and other customary closing arrangements reasonably acceptable to Lender.

(g) Borrower shall cause (i) First Mezzanine Borrower to satisfy and comply in all respects with the provisions of Sections 5.3 and 5.4 of the First Mezzanine Loan Agreement and (ii) First Mezzanine Borrower to cause Mortgage Borrower to satisfy and comply in all respects with the provisions of Sections 5.3 and 5.4 of the Mortgage Loan Agreement.

5.4 Independent Manager. The organizational documents of Borrower shall include the following provisions: (a) at all times there shall be, and Borrower shall cause there to be, at least two Independent Managers; (b) the board of managers of Borrower shall not take any action which, under the terms of any certificate of formation or limited liability company agreement, requires unanimous vote of the board of managers of Borrower unless at the time of such action there shall be at least two members of the board of managers who are Independent Managers; (c) Borrower shall not, without the unanimous written consent of its board of managers including the Independent Managers, take any Material Action or any action that is reasonably likely to cause Borrower to become insolvent, and when voting with respect to such matters, the Independent Managers shall consider only the interests of Borrower, including its creditors; and (d) no Independent Manager of Borrower may be removed or replaced unless Borrower provides

Lender with not less than three (3) Business Days' prior written notice of (i) any proposed removal of an Independent Manager, together with a statement as to the reasons for such removal, and (ii) the identity of the proposed replacement Independent Manager, together with a certification that such replacement satisfies the requirements set forth in the organizational documents for an Independent Manager. Without limiting the generality of the foregoing, such documents shall expressly provide that, to the greatest extent permitted by law, except for duties to Borrower (including duties to Borrower's equity holders solely to the extent of their respective economic interests in Borrower and to Borrower's creditors as set forth in the immediately preceding sentence), such Independent Managers shall not owe any fiduciary duties to, and shall not consider, in acting or otherwise voting on any matter for which their approval is required, the interests of (A) any SPE Component Entity or Borrower's other equity holders, (B) other Affiliates of Borrower or Master Lessee, or (C) any group of Affiliates of which Borrower is a part; provided, however, the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing. No resignation or removal of an Independent Manager, and no appointment of a successor Independent Manager, shall be effective until such successor (y) shall have accepted his or her appointment as an Independent Manager by a written instrument, which may be a counterpart signature page to the LLC Agreement, and (z) shall have executed a counterpart to the LLC Agreement. No Independent Manager may be removed other than for Cause. " Cause" means, with respect to an Independent Manager, (1) acts or omissions by such Independent Manager that constitute willful disregard of such Independent Manager's duties as set forth in Borrower's organizational documents, (2) that such Independent Manager has engaged in or has been charged with, or has been convicted of, fraud or other acts constituting a crime under any law applicable to such Independent Manager, (3) that such Independent Manager is unable to perform his or her duties as Independent Manager due to death, disability or incapacity, (4) that such Independent Manager no longer meets the definition of Independent Manager or (5) an increased change in the fees charged by the Independent Manager that is not reasonably acceptable to Borrower.

VI. INSURANCE; CASUALTY; CONDEMNATION; RESTORATION

6.1 Insurance Coverage Requirements.

(a) Borrower will cause First Mezzanine Borrower to cause Mortgage Borrower, at its expense, to procure and maintain the insurance policies required by the Mortgage Loan Documents. Each commercial general liability or umbrella liability policy with respect to the Property shall name Lender as an additional insured and shall contain a cross liability/severability endorsement in form and substance acceptable to Lender.

(b) In the event of any loss or damage to the Property, Borrower shall give prompt written notice to the insurance carrier and Lender. Lender acknowledges that Mortgage Borrower's rights to any insurance proceeds are subject to the terms of the Mortgage Loan Agreement. Subject to Section 6.1(f) below, Borrower may not and shall not permit First Mezzanine Borrower to permit Mortgage Borrower to settle, adjust or compromise any claim under such insurance policies without the prior written consent of Lender which shall not be unreasonably withheld, delayed or denied; provided, further, that Borrower may permit Mortgage Borrower to make proof of loss and adjust and compromise any claim under casualty insurance policies which does not exceed forty percent (40%) of the designated Combined

Allocated Loan Amount applicable to the affected Individual Property so long as no Event of Default has occurred and is continuing. Any excess Proceeds relating to such claim shall be applied as provided in Section 2.3.2. Borrower shall, upon Borrower's receiving written notice of same, provide written notice to Lender that any of the insurance policies required under this Section 6.1 are cancelled or terminated or are going to be cancelled or terminated. Borrower shall provide Lender with evidence of all such insurance required hereunder simultaneously with Mortgage Borrower's provision of such evidence to Mortgage Lender.

(c) Subject to Section 6.1(f) below, in the event that Mortgage Borrower is permitted or required pursuant to the terms of the Mortgage Loan Agreement to reconstruct, restore or repair the Property following a casualty to any portion of the Property, Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to promptly and diligently repair and restore the Property in the manner and within the time periods required by the Mortgage Loan Agreement, the Master Lease and any other agreements affecting the Property. Subject to Section 6.1(f) below, in the event that Mortgage Borrower is permitted pursuant to terms of the Mortgage Loan Agreement to elect to not reconstruct, restore or repair the Property following a casualty to any portion of the Property, Borrower shall not permit First Mezzanine Borrower to permit Mortgage Borrower to elect not to reconstruct, restore or repair the Property without the prior written consent of Lender.

(d) Borrower shall comply with all Insurance Requirements and shall not bring or keep or permit to be brought or kept any article upon any of the Individual Properties or cause or permit any condition to exist thereon which would be prohibited by any Insurance Requirement, or would invalidate insurance coverage required to be maintained by Mortgage Borrower on or with respect to any part of the Property pursuant to Section 6.1 of the Mortgage Loan Agreement.

(e) Lender hereby confirms and acknowledges that Borrower has delivered to Lender certificates of insurance with respect to Master Lessee's insurance program, in amount, form and content so as to satisfy the requirements of this Section 6.1 in all material respects as of the Closing Date, and that any renewals or modifications that comply with Section 6.1.11 of the Mortgage Loan Agreement and are otherwise not, in substance, materially different from the approved program in place on the Closing Date shall be deemed to be in compliance.

(f) Notwithstanding this Section 6.1 and Section 6.2 below, so long as (i) the Master Lease is in full force and effect, (ii) no Master Lease Default has occurred and is continuing and (iii) the terms and provisions of the Master Lease pertaining to the subject matter addressed in Sections 6.1(b) and (c) and 6.2 have not been amended in violation of the terms hereof, then to the extent that the terms and provisions of the Master Lease pertaining to the subject matters addressed in Sections 6.1(b) and (c) and 6.2 are inconsistent with the terms and provisions set forth in Sections 6.1(b) and (c) and 6.2, respectively, the terms and provisions of the Master Lease shall control.

6.2 Condemnation. In the event that all or any portion of the Property shall be damaged or taken through any Taking, or any such Taking or condemnation shall be threatened, Borrower shall give prompt written notice to Lender. Lender acknowledges that Mortgage Borrower's rights to any condemnation award in respect of any Taking are subject to the terms of

the Mortgage Loan Agreement. Notwithstanding the foregoing, and subject to Section 6.1(f) above, Borrower may not and shall not permit First Mezzanine Borrower to permit Mortgage Borrower to settle or compromise any claim, action or proceeding relating to such Taking without the prior written consent of Lender, which shall not be unreasonably withheld, delayed or denied; provided, further, that Borrower may permit First Mezzanine Borrower to permit Mortgage Borrower to settle, adjust and compromise any such claim, action or proceeding which does not exceed forty percent (40%) of the designated Combined Allocated Loan Amount applicable to the affected Individual Property so long as no Monetary Default or Event of Default has occurred and is continuing. Any excess Proceeds shall be paid and applied as provided in Section 2.3.2. In the event that Mortgage Borrower is permitted or required pursuant to the terms of the Mortgage Loan Agreement to reconstruct, restore or repair the Property following a Taking of any Individual Property (or any portion thereof), Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to promptly and diligently repair and restore such Individual Property in the manner and within the time periods required by the Mortgage Loan Agreement, the Master Lease and any other agreements affecting such Individual Property. In the event that Mortgage Borrower is permitted pursuant to the terms of the Mortgage Loan Agreement to elect not to reconstruct, restore or repair the Individual Property following a Taking of any portion of such Individual Property, Borrower shall not permit First Mezzanine Borrower to permit Mortgage Borrower to elect not to reconstruct, restore or repair such Individual Property without the prior written consent of Lender.

6.3 Certificates.

(a) Certificates of insurance with respect to all replacement policies shall be delivered to Lender prior to the expiration date of any of the insurance policies required to be maintained hereunder, and upon demand by Lender, replacement insurance policies shall be delivered to Lender within one hundred twenty (120) days of the expiration of the insurance policies required to be maintained hereunder. If Borrower fails to (or fails to cause First Mezzanine Borrower, or to cause First Mezzanine Borrower to cause Mortgage Borrower, to) maintain and deliver to Lender the certificates of insurance and certified copies or originals required by this Agreement, upon five (5) Business Days' prior notice to Borrower, Lender may procure such insurance, and all costs thereof (and interest thereon at the Default Rate) shall be added to the Indebtedness. Lender shall not, by the fact of approving, disapproving, accepting, preventing, obtaining or failing to obtain any insurance, incur any liability for or with respect to the amount of insurance carried, the form or legal sufficiency of insurance contracts, solvency of insurance companies, or payment or defense of lawsuits, and Borrower hereby expressly assumes full responsibility therefor and all liability, if any, with respect to such matters.

(b) Concurrently with the delivery of each replacement policy or a binding commitment for the same pursuant to clause (a) above, Borrower shall deliver (or cause First Mezzanine Borrower to deliver, or cause First Mezzanine Borrower to cause Mortgage Borrower to deliver) to Lender a letter from a reputable and experienced insurance broker or from the insurer, stating that the insurance obtained by Borrower or any Senior Borrower through such broker or from such insurer pursuant to Section 6.1 of the Mortgage Loan Agreement, as applicable, meets the minimum requirements of Section 6.1 of the Mortgage Loan Agreement, that all insurance premiums then due thereon have been paid in full to the applicable insurers and that such insurance policies are in full force and effect (or if such letter shall not be available

after Borrower shall have used its reasonable efforts to provide the same, Borrower will deliver (or cause First Mezzanine Borrower to deliver, or cause First Mezzanine Borrower to cause Mortgage Borrower to deliver) to Lender an Officer's Certificate containing the information to be provided in such report), and Borrower shall deliver (or cause First Mezzanine Borrower to deliver, or cause First Mezzanine Borrower to cause Mortgage Borrower to deliver) to Lender an Officer's Certificate stating that such insurance otherwise complies in all material respects with the requirements of Schedule 6.1 of the Mortgage Loan Agreement.

6.4 Restoration. Borrower shall, or shall cause First Mezzanine Borrower, or shall cause First Mezzanine Borrower to cause Mortgage Borrower, to deliver to Lender all reports, plans, specifications, documents and other materials that are delivered to Mortgage Lender under Section 6.2.4 of the Mortgage Loan Agreement and to otherwise comply in all respects with Section 6.2.4 of the Mortgage Loan Agreement in connection with a restoration of any Individual Property after a Taking.

Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. Borrower grants (and shall cause First Mezzanine Borrower to cause Mortgage Borrower to grant) Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Borrower to Lender upon demand and shall be secured by the Lien of the this Agreement and the Pledge. Lender shall not unreasonably interfere with (and shall cause First Mezzanine Borrower to cause Mortgage Borrower not to unreasonably interfere with), and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Mortgage Borrower's, Master Lessee's, any Tenant's or other occupant's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3, Lender shall not be deemed to be exercising any control over the operations of any Senior Borrower or Borrower or the handling of any environmental matter or hazardous wastes or substances of any Senior Borrower or Borrower for purposes of incurring or being subject to liability therefor.

12.4 Environmental Indemnification. Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or out-of-pocket expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any Release, Threat of Release or the presence of any Hazardous Materials affecting the Property; and (d) the presence at, in, on or under, or the Release or Threat of Release at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Borrower. If any such action or other proceeding shall be brought against Lender, upon written notice from Borrower to Lender (given reasonably promptly following Lender's notice to Borrower of such action or proceeding), Borrower shall be entitled to assume the defense thereof, at Borrower's expense, with counsel reasonably acceptable to Lender;

provided, however, Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Borrower that would make such separate representation advisable. Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from any Indemnified Party's gross negligence or willful misconduct.

12.5 Recourse Nature of Certain Indemnifications. Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document, the indemnification provided in Section 12.4 shall be fully recourse to Borrower and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the this Agreement and the Pledge and/or the conveyance of title to the Collateral to Lender or any purchaser or designee in connection with a foreclosure of this Agreement and the Pledge or conveyance in lieu of foreclosure.

XIII. RESERVED

XIV. COOPERATION.

14.1 Secondary Market Transactions. Borrower hereby agrees to cooperate with Lender, at no cost, expense or liability to Borrower, Guarantor or any of their respective Affiliates, to sell, assign, participate or otherwise transfer its beneficial interest in the Loan, the Note, the Loan Documents and/or Lender's rights, title, obligations and interests therein to any Person (including to a Securitization vehicle) pursuant to Section 15.1 (such sale, assignment, participation or other transfer, a "Secondary Market Transaction"). For clarity, such cooperation shall not require Borrower to (i) make or re-make any representations or warranties, (ii) provide any updated or new opinions of counsel, (iii) agree to any additional or larger reserves, (iv) cooperate or assist Lender or any other Person with a securitization of, the creation of CDOs secured by, or a participation or financing through an "owner trust" of, the Loan (or any interest therein) (each, a "Securitization") (other than Borrower's cooperation in the transfer of the Loan itself into the Securitization vehicle on the terms set forth in this Section 14.1), (v) undertake any action requested under this Section 14.1 that would interfere with the ordinary course day-to-day operation of Borrower, Guarantor or any of their respective Affiliates in any material respect or (vi) agree to any amendments, modifications or supplementations of the Loan Documents that would increase Borrower's monetary obligations (or potential liability therefor) or increase in any respect Borrower's obligations or liabilities or decrease Borrower's rights (other than, in each case, to a de minimis degree); provided, that Borrower, at Lender's request, will execute and deliver "component" notes, so long as:

(a) the aggregate principal amount of such component notes shall equal the outstanding principal balance of the Loan immediately prior to the creation of such component notes,

(b) the weighted average interest rate of all such component notes shall on the date created and at all times thereafter equal the interest rate which was applicable to the Loan immediately prior to the creation of such component notes (i.e., under this clause (b) and the immediately following clause (c), the component notes may not effectuate a loan structure that could result in "rate creep"),

(c) the debt service payments on all such component notes shall on the date created and at all times thereafter equal the debt service payment which was due under the Loan immediately prior to the creation of such component notes,

(d) the other terms and provisions of each of the component notes shall be identical in substance and substantially similar in form to the Loan Documents, and

(e) the maturity date of any such component note shall be the same as the Scheduled Maturity Date of the Note immediately prior to the issuance of such component notes,

except that in the case of clauses (b), (c) and (d) above, after an Event of Default, an increase in the weighted average interest rate of one or more component notes may result after certain applications of principal to the Obligations have been made and applied in accordance with the terms of this Agreement.

Lender shall reimburse Borrower for all invoiced costs and expenses reasonably incurred by or on behalf of Borrower in connection with Borrower's complying with requests made under this Section 14.1, regardless whether the proposed Secondary Market Transaction is effected.

XV. [ASSIGNMENTS AND PARTICIPATIONS

15.1 Assignments and Participations. In addition to any other rights of Lender hereunder, the Loan, the Note, the Loan Documents and/or Lender's rights, title, obligations and interests therein may be sold, assigned, participated or otherwise transferred by Lender and any of its successors and assigns to any Person at any time in its sole and absolute discretion, in whole or in part, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise without notice to or consent from Borrower or any other Person (provided that it is agreed that neither the Loan nor any interest therein may be sold to (i) a natural person unless such person satisfies the requirements of an "accredited investor" under Regulation D of the Securities Act (except that, for purposes of this clause (i), the $1,000,000, $200,000 and $300,000 figures set forth in Rule 501(6) and (7) shall each be multiplied by 10), and (ii) a Tenant Competitor. Upon such assignment, all references to Lender in this Loan Agreement and in any Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of Lender in all respects. Except as expressly permitted herein, Borrower may not assign its rights, title, interests or obligations under this Loan Agreement or under any of the Loan Documents.

15.2 Register. Servicer (or in the case of assignments to participants, the applicable Lender), as non-fiduciary agent of Borrower, shall maintain a record within the meaning of U.S. Treasury Regulation 5f.103-1(c) that identifies each owner (including successors, assignees and participants) of an interest in the Loan, including the name and address of the owner, and each owner's rights to principal and stated interest (the "Register") and shall record all Secondary Market Transactions in the Register. The parties intend for the Loan to be in registered form for tax purposes and to the extent of any conflict with this Section 15.2, this Section 15.2 shall be construed in accordance with that intent

XVI. ADDITIONAL RIGHTS; COSTS

16.1 Certain Additional Rights of Lender. Notwithstanding anything to the contrary which may be contained in this Agreement, Lender shall have:

(i) the right, upon not less than fifteen (15) Business Days' prior written notice to Borrower, to request and to hold a meeting, no more often than once during each fiscal year of Borrower, and only in conjunction with one or more Senior Lenders that wishes any such meeting, at Borrower's office in Tampa, Florida, with the president and chief operating officer or the executive vice president and chief financial officer of Borrower, to discuss such significant business activities and business and financial developments of Borrower as are specified by Lender in writing in the request for such meeting;

(ii) the right, in accordance with the terms of Section 11.1, to examine the books and records of Borrower;

(iii) the right, in accordance with the terms of Section 11.2, to receive such financial data and information set forth therein;

(v) the right, in accordance with the Pledge, during the continuance of an Event of Default, to vote Borrower's interests in First Mezzanine Borrower;

(vi) the right, in accordance with this Agreement and the Pledge, including, without limitation, the provisions of Article VIII, to restrict the Transfer of interests in First Mezzanine Borrower, it being understood that no such restrictions can be made on such Transfers to the extent such Transfers are permitted by the terms of this Agreement or the Pledge.

The rights described above may be exercised by Lender until the Principal Amount and all other Obligations hereunder have been repaid in full.

16.2 Costs. Lender shall reimburse Borrower for all reasonable out-of-pocket expenses incurred by Borrower in connection with Borrower's compliance with the provisions of Section 16.1 unless Borrower would otherwise have incurred such costs pursuant to any other provision of this Agreement or the other Loan Documents.

16.3 Retention of Servicer. Lender reserves the right to retain the Servicer; provided, that Borrower shall have reasonable approval rights over the initial designation of the Servicer as of the Closing Date (but will not have any approval rights over any replacements or substitutions of the Servicer occurring after the Closing Date). Borrower hereby approves TriMont Real Estate Advisors as the initial Servicer as of the date hereof. Borrower shall pay any reasonable

costs and expenses of the Servicer and any reasonable third party costs and expenses of the Servicer, any customary special servicing and customary work-out fees, and reasonable attorney's fees and disbursements, in connection with a prepayment, release of the Property, assumption or modification of the Loan, or following an Event of Default, special servicing or work-out of the Loan or enforcement of the Loan Documents. In addition, Borrower shall pay an annual servicing fee to the Servicer equal to 2.5 basis points of the Principal Amount outstanding from time to time, which fee shall be paid in monthly installments for the period from the first day of each Interest Period through last day of each Interest Period and payable on or prior to each Payment Date, with each such monthly installment equal to 2.5 basis points of the outstanding Principal Amount from time to time multiplied by a fraction, the denominator of which shall be three hundred sixty (360) and the numerator of which shall be the actual number of days in the relevant Interest Period.

16.4 Reserve Accounts. If each Senior Lender waives any reserves or escrow accounts required in accordance with the terms of the Senior Loan Agreements, or if the each Senior Loan is refinanced or paid off in full (without a prepayment of the Loan), then Borrower shall cause any amounts that would have been deposited into any reserves or escrow accounts in accordance with the terms of the Senior Loan Agreements to be transferred to and deposited with Lender. Lender shall maintain such reserve accounts in substantially the same manner as the applicable reserve under the Senior Loan Agreements and upon Lender's request, Borrower shall execute such amendments to the Loan Documents necessary to reflect Lender's holding such reserves in the manner described herein

XVII. DEFAULTS

(iv) if (a) any Transfer prohibited by Article VIII occurs, or (b) Mortgage Borrower files a declaration of condominium with respect to the Property other than the Condominium Properties;

(v) if any representation or warranty made by Borrower herein (including any representation or warranty of Mortgage Borrower or First Mezzanine Borrower that is incorporated herein by reference pursuant to Section 4.1.44 hereof and made by Borrower hereunder) or by Borrower or any Affiliate of Borrower in any other Loan Document or in any report, certificate, financial statement or other instrument, agreement or document furnished to Lender shall have been false or misleading in any material respect as of the date the representation or warranty was made; provided, however, that if (A) any representation or warranty made by Borrower relating to Section 4.1.24 of the Mortgage Loan Agreement shall have been false or misleading in any material respect as of the date the representation or warranty was made, the same shall not constitute an Event of Default unless such incorrect, false or misleading statement is not cured within thirty (30) days after receipt by Borrower of notice from Lender in writing of such breach or a longer period of time not to exceed thirty (30) additional days if Borrower has commenced to cure but cannot cure within the initial thirty (30) day period, and (B) if any other representation or warranty which was false or misleading in any material respect is, by its nature, curable and is not reasonably likely to have a Material Adverse Effect, and such representation or warranty was not, to the best of Borrower's knowledge, false or misleading in any material respect when made, then same shall not constitute an Event of Default unless Borrower has not cured same within ten (10) days after receipt by Borrower of notice from Lender in writing of such breach;

(vi) if Borrower, any Senior Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity shall make an assignment for the benefit of creditors;

(viii) if Borrower, any Senior Borrower, Master Lessee, Guarantor, Master Lease Guarantor or any SPE Component Entity, as applicable, attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if any of the assumptions contained in the Non-Consolidation Opinion, in any Additional Non-Consolidation Opinion or in any other non-consolidation opinion delivered to Lender in connection with the Loan, or in any other non-consolidation opinion delivered subsequent to the closing of the Loan, is untrue in any material respect;

(x) if any of the assumptions contained in the True Lease Opinion (other than any assumption that relies upon factual information provided by Cushman & Wakefield or any other third party) is untrue in any material respect;

(xi) if Borrower shall fail to comply in any material respect with any covenants set forth in 5.3 or 5.4;

(xii) except as provided in subsection (xi) above, if Borrower shall fail to comply with any covenants set forth in Article V (other than Section 5.1.1) or Article XI with such failure continuing for ten (10) Business Days after Lender delivers written notice thereof to Borrower;

(xiii) intentionally omitted;

(xiv) if this Agreement or any other Loan Document or any Lien granted hereunder or thereunder, in whole or in part, shall terminate or shall cease to be effective or shall cease to be a legally valid, binding and enforceable obligation of Borrower or Guarantor, or any Lien securing the Indebtedness shall, in whole or in part, cease to be a perfected first priority Lien, subject to the Permitted Encumbrances (except in any of the foregoing cases in accordance with the terms hereof or under any other Loan Document or by reason of any affirmative act of Lender);

(xv) except as expressly permitted pursuant to the Loan Documents or any of the Senior Loan Documents, if Borrower allows First Mezzanine Borrower to allow Mortgage Borrower to grant any easement, covenant or restriction (other than the Permitted Encumbrances) over the Property;

(xvi) if Borrower allows First Mezzanine Borrower to allow Mortgage Borrower or First Mezzanine Borrower allows Mortgage Borrower to allow Master Lessee to permit any event within its control to occur that would cause any REA to terminate without notice or action by any party thereto or would entitle any party to terminate any REA and the term thereof by giving notice to Mortgage Borrower or Master Lessee; or any REA shall be surrendered, terminated or canceled for any reason or under any circumstance whatsoever except as provided for in such REA; or any material term of any REA shall be modified or supplemented (other than in accordance with its terms) and such modification or

supplementation is reasonably likely to have a Material Adverse Effect; or Borrower shall fail or shall permit Master Lessee to fail to exercise its option to renew or extend the term of any REA or shall fail or neglect to pursue diligently all actions necessary to exercise such renewal rights pursuant to such REA except as provided for in such REA, in all of the foregoing cases, where such surrender, termination, cancellation, modification, supplement or failure to renew or extend is not cured within ten (10) Business Days after receipt by Borrower of notice from Lender in writing;

(xvii) if Borrower shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement or of any Loan Document not specified in subsections (i) to (xvi) above, for thirty (30) days after notice from Lender; provided, however, that if such Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower in the exercise of due diligence to cure such Default, such additional period not to exceed ninety (90) days.

(b) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default (other than an Event of Default described in subsections (a)(vi), (vii) or (viii) above in respect of Borrower) Lender may, without notice or demand, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action that Lender deems advisable to protect and enforce its rights against Borrower and the Collateral, including, without limitation, (i) declaring immediately due and payable the entire Principal Amount together with interest thereon and all other sums due by Borrower under the Loan Documents, (ii) collecting interest on the Principal Amount at the Default Rate whether or not Lender elects to accelerate the Note and (iii) enforcing or availing itself of any or all rights or remedies set forth in the Loan Documents against Borrower and the Collateral, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in subsections (a)(vi) or (a)(vii) above in respect of Borrower, the Indebtedness and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding. The foregoing provisions shall not be construed as a waiver by Lender of its right to pursue any other remedies available to it under this Agreement, the Pledge or any other Loan Document. Any payment hereunder may be enforced and recovered in whole or in part at such time by one or more of the remedies provided to Lender in the Loan Documents.

(c) Upon the occurrence of a Mortgage Event of Default, Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to deliver to Lender within five (5) Business Days after the first to occur of (i) receipt by Mortgage Borrower of notice of such Mortgage Event of Default from Mortgage Lender or (ii) the date Mortgage Borrower obtains actual knowledge of the occurrence of such Mortgage Event of Default, a detailed description of the actions to be taken by Mortgage Borrower to cure such Mortgage Event of Default and the dates by which each such action shall occur. Such schedule shall be subject to the approval of Lender. Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to take all such

actions as are necessary to cure such Mortgage Event of Default by the date approved by Lender and shall deliver to Lender not less frequently than weekly thereafter written updates concerning the status of Mortgage Borrower's efforts to cure such Mortgage Event of Default. Lender shall have the right, but not the obligation, to pay any sums or to take any action which Lender deems necessary or advisable to cure any default or alleged default under the Mortgage Loan Documents (whether or not Mortgage Borrower is undertaking efforts to cure such default), and such payment or such action is hereby authorized by Borrower, and any sum so paid and any expense incurred by Lender in taking any such action shall be evidenced by this Agreement and secured by this Agreement and the Pledge and shall be immediately due and payable by Borrower to Lender with interest at the Default Rate until paid. Borrower shall cause First Mezzanine Borrower to cause Mortgage Borrower to permit Lender to enter upon the Property for the purpose of curing any default or alleged default under the Mortgage Loan Documents or hereunder. Borrower hereby transfers and assigns any excess proceeds arising from any foreclosure or sale under power pursuant to the Mortgage Loan Documents or any instrument evidencing the indebtedness secured thereby, and Borrower hereby authorizes and directs the holder or holders of the Mortgage Loan Documents to pay such excess proceeds directly to Lender up to the amount of the Obligations (subject to the rights of the First Mezzanine Lender pursuant to the First Mezzanine Loan Documents). In the event that Lender cures any Mortgage Loan Event of Default, any such cure by Lender shall not waive or be deemed to have cured such Mortgage Loan Event of Default and shall constitute an immediate Event of Default under this Agreement without any notice, grace or cure period otherwise applicable under this Agreement.

(d) Upon the occurrence of a First Mezzanine Event of Default, Borrower shall cause First Mezzanine Borrower to deliver to Lender within five (5) Business Days after the first to occur of (i) receipt by First Mezzanine Borrower of notice of such First Mezzanine Event of Default from First Mezzanine Lender or (ii) the date First Mezzanine Borrower obtains actual knowledge of the occurrence of such First Mezzanine Event of Default, a detailed description of the actions to be taken by First Mezzanine Borrower to cure such First Mezzanine Event of Default and the dates by which each such action shall occur. Such schedule shall be subject to the approval of Lender. Borrower shall cause First Mezzanine Borrower to take all such actions as are necessary to cure such First Mezzanine Event of Default by the date approved by Lender and shall deliver to Lender not less frequently than weekly thereafter written updates concerning the status of First Mezzanine Borrower's efforts to cure such First Mezzanine Event of Default. Lender shall have the right, but not the obligation, to pay any sums or to take any action which Lender deems necessary or advisable to cure any default or alleged default under the First Mezzanine Loan Documents (whether or not First Mezzanine Borrower is undertaking efforts to cure such default), and such payment or such action is hereby authorized by Borrower, and any sum so paid and any expense incurred by Lender in taking any such action shall be evidenced by this Agreement and secured by this Agreement and the Pledge and shall be immediately due and payable by Borrower to Lender with interest at the Default Rate until paid. Borrower hereby transfers and assigns any excess proceeds arising from any foreclosure or sale under power pursuant to the First Mezzanine Loan Documents or any instrument evidencing the indebtedness secured thereby, and Borrower hereby authorizes and directs the holder or holders of the First Mezzanine Loan Documents to pay such excess proceeds directly to Lender up to the amount of the Obligations. In the event that Lender cures any First Mezzanine Event of Default, any such cure by Lender shall not waive or be deemed to have cured such First Mezzanine Event of Default and shall constitute an immediate Event of Default under this Agreement without any notice, grace or cure period otherwise applicable under this Agreement.

17.2 Remedies.

(a) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Indebtedness shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Collateral and the Pledge has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence of any Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, take any action to cure such Event of Default. Lender may appear in, defend, or bring any action or proceeding to protect its interests in the Collateral or to foreclose its security interest under this Agreement and the Pledge or under any of the other Loan Documents or collect the Indebtedness.

(c) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral, Lender may:

(i) without notice to Borrower, except as required by law, and subject to Section 3.1.10, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Account Collateral against the Obligations, operating expenses and/or capital expenditures for the Property or any part thereof;

(ii) in Lender's sole discretion, at any time and from time to time, exercise any and all rights and remedies available to it under this Agreement, and/or as a secured party under the UCC;

(iii) demand, collect, take possession of or receipt for, settle, compromise, adjust, sue for, foreclose or realize upon the Account Collateral (or any portion thereof) as Lender may determine in its sole discretion; and

(iv) take all other actions provided in, or contemplated by, this Agreement.

(d) With respect to Borrower and the Collateral, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Collateral for the satisfaction of any of the Indebtedness, and Lender may seek satisfaction out of the Collateral or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Lender shall have the right from time to time to partially foreclose this Agreement and the Pledge in any manner and for any amounts secured by this Agreement or the Pledge then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal or interest, Lender may foreclose this Agreement and the Pledge to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose this Agreement and the Pledge to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by this Agreement or the Pledge as Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to this Agreement and the Pledge to secure payment of sums secured by this Agreement and the Pledge and not previously recovered.

17.3 Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement and the Pledge shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower or Guarantor shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or Guarantor or to impair any remedy, right or power consequent thereon.

17.4 Costs of Collection. In the event that after an Event of Default: (i) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents; or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge or any of the Loan Documents; then Borrower shall pay to Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate (collectively, "Enforcement Costs").

17.5 Distribution of Collateral Proceeds. In the event that, following the occurrence and during the continuance of any Event of Default, any monies are received in connection with the enforcement of any of the Loan Documents, or otherwise with respect to the realization upon any of the Collateral, such monies shall be distributed for application as follows:

(a) First, to the payment of, or (as the case may be) the reimbursement of, Lender for or in respect of all reasonable out-of-pocket costs, expenses, disbursements and losses which shall have been incurred or sustained by Lender to protect or preserve the Collateral or in connection with the collection of such monies by Lender (including without limitation, Enforcement Costs), for the exercise, protection or enforcement by Lender of all or any of the rights, remedies, powers and privileges of Lender under this Agreement or any of the other Loan Documents or in respect of the Collateral or in support of any provision of adequate indemnity to Lender against any taxes or liens which by law shall have, or may have, priority over the rights of Lender to such monies;

(b) Second, to all other Obligations in such order or preference as Lender shall determine in its sole discretion;

(c) Third, the excess, if any, shall be distributed to Borrower.

XVIII. SPECIAL PROVISIONS

18.1 Exculpation.

18.1.1 Exculpated Parties. (a) Notwithstanding anything to the contrary herein, in the event of:

(i) any foreclosure (or a transfer in lieu of foreclosure) by a Mezzanine Lender that is not Borrower or any Affiliate of Borrower, of the direct Equity Interests in any Senior Borrower, Borrower or any SPE Component Entity pledged as collateral for a Mezzanine Loan pursuant to the Mezzanine Loan Documents (any such foreclosure or transfer-in-lieu thereof, a "Mezzanine Foreclosure Divestment"), with the result that neither Borrower nor any Affiliate of Borrower (excluding, however, any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Borrower or any Affiliate of Borrower) shall hold any direct or indirect Equity Interests in, or Control, Mortgage Borrower (Mortgage Borrower in such case may be referred to as "Divested Borrower");

(ii) any foreclosure (whether judicially or non-judicially by private sale or trustee's sale) or deed in lieu of foreclosure or similar transfer under any Security Instrument (any such foreclosure, foreclosure sale or deed in lieu thereof, a " Foreclosure Divestment"), with the result that neither Borrower nor any Affiliate of Borrower shall hold any direct or indirect interest in, or the power to direct the management of, any Individual Property thereby foreclosed or transferred, excluding Guarantor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property, a "Divested Property"); or

(iii) the appointment of a receiver by a court of competent jurisdiction with respect to an Individual Property (any such appointment, a "Receivership Event", and the period during which such Individual Property remains under a receivership, the " Receivership Period"), with the result that neither Borrower nor any Affiliate of Borrower shall have any possession of, or hold the power to direct the management of, such Individual Property that is subject to such Receivership Event during the Receivership Period, excluding Guarantor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property subject to a Receivership Event, a " Receivership Property"),

(b) In the event that an "Event of Default" under a Mezzanine Loan shall exist with respect to a Mezzanine Loan and the related Mezzanine Lender is not Borrower or an Affiliate of Borrower and exercises, pursuant to the exercise of remedies under the Mezzanine Loan Documents, direct voting Control, by power of attorney or other exercise of voting power with respect to the Equity Interests of the applicable Borrower, SPE Component Entity or Mezzanine Borrower pledged to such Mezzanine Lender as collateral for its Mezzanine Loan under the related Mezzanine Loan Documents, of such Equity Interests in Borrower, SPE Component Entity or Mezzanine Borrower so pledged as collateral for such Mezzanine Loan (the " Direct Control Remedies", and such Mezzanine Lender exercising such Direct Control Remedies, the "Controlling Mezzanine Lender"), Borrower shall not have liability hereunder for the actions that such Controlling Mezzanine Lender, in the exercise of its Direct Control Remedies, causes Borrower, any SPE Component Entity or any Mezzanine Borrower to take ("Mezzanine Lender Controlled Actions") if such Mezzanine Lender Controlled Actions are taken without inducement, solicitation, and/or consent and/or cooperation from, or in collusion with, Borrower or any Affiliate of Borrower (other than Loan Parties to the extent Controlled by the Controlling Mezzanine Lender in the exercise of its Direct Control Remedies)

19.7 TRIAL BY JURY. BORROWER AND ALL PERSONS CLAIMING BY, THROUGH OR UNDER IT, HEREBY EXPRESSLY, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING UNDER THIS AGREEMENT, THE PLEDGE, THE NOTE OR ANY OTHER LOAN DOCUMENT, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE MODIFICATION THEREOF OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT, THE PLEDGE, THE NOTE OR ANY OTHER LOAN DOCUMENT (AS NOW OR HEREAFTER MODIFIED) OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR

BORROWER ACKNOWLEDGES THAT IT HAS CONSULTED WITH LEGAL COUNSEL REGARDING THE MEANING OF THIS WAIVER AND ACKNOWLEDGES THAT THIS WAIVER IS AN ESSENTIAL INDUCEMENT FOR THE MAKING OF THE LOAN. THIS WAIVER SHALL SURVIVE THE REPAYMENT OF THE LOAN.

19.8 Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

19.9 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

19.10 Preferences. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

19.11 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

19.12 Expenses; Indemnity.

(a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements), except as may be otherwise expressly provided in this Agreement or the Loan Documents, incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender pursuant to this Agreement); (ii) Lender's ongoing performance of and compliance with all agreements and conditions contained in this Agreement and the other

Loan Documents on its part to be performed or complied with after the Closing Date; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters as required herein or under the other Loan Documents; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (v) the filing and recording fees and expenses, mortgage recording taxes, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the Pledge; (vi) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Collateral, or any other security given for the Loan; (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Collateral or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a work-out or of any insolvency or bankruptcy proceedings and (viii) procuring insurance policies pursuant to Section 6.1.11; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. Any cost and expenses due and payable to Lender may be paid from any amounts in the Collateral Account subject to the provisions of Section 3.1.10(a).

(b) Subject to the non-recourse provisions of Section 18.1, Borrower shall protect, indemnify and save harmless Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the " Indemnified Parties") from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred) imposed upon or incurred by or asserted against the Indemnified Parties or the Collateral or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the acceptance by Lender or its designee of a transfer-in-lieu of foreclosure with respect to the Collateral, or (ii) an Indemnified Party or its designee taking possession or control of the Collateral or (iii) the foreclosure of the Pledge, except to the extent caused by the actual willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Collateral): (1) ownership of Borrower's interest in First Mezzanine Borrower, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to property occurring on or about the Property or any Appurtenances thereto, (3) any design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Lender, any claim the insurance as to which is inadequate, and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents or any failure on the part of Borrower to perform or comply, or to cause First Mezzanine Borrower, or to cause First Mezzanine Borrower to cause Mortgage Borrower, as applicable, to perform or comply with any of the terms of any Operating Agreement within the applicable

notice or grace periods, (5) any performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, (6) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, sublessees, licensees or invitees, (7) any contest referred to in Section 7.3 of the Mortgage Loan Agreement, (8) any obligation or undertaking relating to the performance or discharge of any of the terms, covenants and conditions of the landlord contained in the Subleases or the Master Lease, or (9) the presence at, in or under the Property or the Improvements of any Hazardous Materials in violation of any Environmental Law. Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties or Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by the Pledge. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Borrower shall at Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Borrower's reasonable expense for the insurer of the liability or by counsel designated by Borrower (unless reasonably disapproved by Lender promptly after Lender has been notified of such counsel); provided, however, that nothing herein shall compromise the right of Lender (or any Indemnified Party) to appoint its own counsel at Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Lender and Borrower that would make such separate representation advisable; provided further that if Lender shall have appointed separate counsel pursuant to the foregoing, Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Lender a conflict or potential conflict exists between such Indemnified Party and Lender. So long as Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Lender and the Indemnified Parties shall not be entitled to settle such action, suit or proceeding without Borrower's consent which shall not be unreasonably withheld or delayed, and claim the benefit of this Section with respect to such action, suit or proceeding and Lender agrees that it will not settle any such action, suit or proceeding without the consent of Borrower; provided, however, that if Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable manner as provided above, and Lender has provided Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified under this Section 19.12 without notice to and reasonable consent of Borrower.

19.13 Exhibits and Schedules Incorporated. The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

19.14 Offsets, Counterclaims and Defenses. Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

19.15 Liability of Assignees of Lender. No assignee of Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document or any amendment or amendments hereto made at any time or times, heretofore or hereafter, any different than the liability of Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or the Collateral or to which the Property or the Collateral is now or hereafter subject any different than the liability of Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

19.16 No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

19.17 Publicity. Each party shall endeavor to permit the other to review the initial press release relating to the Loan in order to provide the other with a reasonable opportunity to comment thereon.

19.18 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets

of Borrower, Borrower's members and others with interests in Borrower and of the Collateral, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Collateral for the collection of the Indebtedness without any prior or different resort for collection or of the right of Lender to the payment of the Indebtedness out of the net proceeds of the Collateral in preference to every other claimant whatsoever.

19.19 Waiver of Counterclaim and other Actions. Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Lender on this Agreement, the Note, the Pledge or any Loan Document, any and every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Lender on this Agreement, the Note, the Pledge or any Loan Document and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

19.20 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

19.21 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

19.22 Certain Additional Rights of Lender (VCOC). Notwithstanding anything to the contrary contained in this Agreement, to the extent Lender or any Person who Controls Lender is a "venture capital operating company" within the meaning of 29 C.F.R. Section 2510.3-101, Lender shall have:

(a) upon not less than fifteen (15) Business Days' prior written notice to Borrower, the right to request and to hold a meeting at mutually agreeable times, and not more than four (4) times during any calendar year to consult with an officer of Borrower that is familiar with the financial condition of Borrower, each Senior Borrower and the operation of the Individual Properties and is otherwise reasonably acceptable to Lender regarding such significant business activities and business and financial developments of Borrower as are specified by Lender in writing in the request for such meeting; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances; and provided further that neither Borrower nor its designated representative shall be under any obligation to follow or implement any advice or recommendations of Lender. The rights of Lender provided in this Agreement are expressly limited to consultation, and shall not include any other rights or obligations, including without limitation, any right or obligation to supervise or conduct any aspect of Borrower's business or operations; and

(b) the right, in accordance with the terms of Section 11.1 of this Agreement, to examine the books and records of Borrower at any reasonable times upon reasonable notice, provided that any such examination shall be conducted so as not to unreasonably interfere with the business of Borrower, any Senior Borrower or any Tenants or other occupants of any Individual Property.

19.23 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.

19.24 Direction of Senior Borrower with Respect to the Property or the First Mezzanine Collateral . Borrower and Lender acknowledge and agree that, as to any clauses or provisions contained in this Agreement or any of the other Loan Documents to the effect that (i) Borrower shall cause First Mezzanine Borrower or Mortgage Borrower, or shall cause First Mezzanine Borrower to cause Mortgage Borrower, to act or to refrain from acting in any manner, or (ii) Borrower shall cause to occur or not to occur, or otherwise be obligated in any manner with respect to, any matters pertaining to any Senior Borrower, the First Mezzanine Collateral or the Property, or (iii) other similar effect, such clause or provisions, in each case, is intended to mean, and shall be construed as meaning, that Borrower has undertaken to act and is obligated to act only in Borrower's capacity as the direct or indirect sole member of Mortgage Borrower, or First Mezzanine Borrower, as applicable (which Mortgage Borrower, in turn, is the fee owner of the Property, and First Mezzanine Borrower, in turn, owns one hundred percent (100%) of the direct Equity Interests in Mortgage Borrower) but not directly with respect to any Senior Borrower, the First Mezzanine Collateral or the Property or in any other manner which would violate any of the covenants contained in Section 5.3 hereof or other similar covenants contained in Borrower's organizational documents.

19.25 Senior Loan Estoppels. Borrower shall (or shall cause First Mezzanine Borrower, or shall cause First Mezzanine Borrower to cause Mortgage Borrower, to), from time to time, use reasonable efforts to obtain from the applicable Senior Lender such certificates of estoppel with respect to compliance by such Senior Borrower with the terms of the applicable Senior Loan Documents as may be reasonably requested by Lender. In the event or to the extent that such Senior Lender is not legally obligated to deliver such certificates of estoppel and is unwilling to deliver the same, or is legally obligated to deliver such certificates of estoppel but breaches such obligation, then Borrower shall not be in breach of this provision so long as Borrower furnishes to Lender an estoppel executed by Borrower and the applicable Senior

Borrower expressly representing to Lender the information requested by Lender regarding compliance by such Senior Borrower with the terms of the applicable Senior Loan Documents. Borrower hereby indemnifies Lender from and against all liabilities, obligations, losses, damages, penalties, assessments, actions, or causes of action, judgments, suits, claims, demands, costs, expenses (including attorneys' and other professional fees, whether or not suit is brought and settlement costs) and disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against Lender based in whole or in part upon any fact, event, condition, or circumstances relating to any Senior Loan which was misrepresented in, or which warrants disclosure and was omitted from such estoppel executed by Borrower and the applicable Senior Borrower.

19.26 Intercreditor Agreement.

(a) Lender and each Senior Lender are parties to a certain Intercreditor Agreement dated as of the date hereof (the " Intercreditor Agreement") memorializing their relative rights and obligations with respect to the Loan, each Senior Loan, Borrower, each Senior Borrower, the Mezzanine Collateral and the Property. Borrower on behalf of itself and each Senior Borrower hereby acknowledges and agrees that (i) such Intercreditor Agreement is intended solely for the benefit of Lender and each Senior Lender and (ii) Borrower and each Senior Borrower are not intended third-party beneficiaries of any of the provisions therein and shall not be entitled to rely on any of the provisions contained therein. Lender and each Senior Lender shall have no obligation to disclose to Borrower the contents of the Intercreditor Agreement. Borrower's obligations hereunder are independent of such Intercreditor Agreement and remain unmodified by the terms and provisions thereof.

(b) In the event Lender is required pursuant to the terms of the Intercreditor Agreement to pay over to any Senior Lender any payment or distribution of assets, whether in cash, property or securities which otherwise would have been applied to the Indebtedness, including, without limitation, any proceeds of the Property previously received by Lender on account of the Loan, then Borrower agrees that (i) any amount so paid shall be reinstated and shall continue to be owing pursuant to the Loan Documents as part of the Obligations, and (ii) to the extent that any amounts so paid cannot, by operation of law, be reinstated as set forth in clause (i) above, Borrower will indemnify Lender for such amounts; provided, however, that such reinstatement or indemnity will only apply to the extent that such amounts paid over to any Senior Lender are applied to the payment or performance of the applicable Senior Loan in accordance with the applicable Senior Loan Documents.

19.27 Discussions with Senior Lenders. In connection with the exercise of its rights set forth in the Loan Documents, Lender shall have the right at any time to discuss the Properties, the First Mezzanine Collateral, any Senior Loan, the Loan or any other matter directly with any Senior Lender or any Senior Lender's consultants, agents or representatives without notice to or permission from Borrower or any other Loan Party, nor shall Lender have any obligation to disclose such discussions or the contents thereof with Borrower or any other Loan Party.

19.28 Independent Approval Rights. If any action, proposed action or other decision is consented to or approved by any Senior Lender, such consent or approval shall not be binding or controlling on Lender. Borrower hereby acknowledges and agrees that (i) the risks of each

Senior Lender in making the applicable Senior Loan are different from the risks of Lender in making the Loan, (ii) in determining whether to grant, deny, withhold or condition any requested consent or approval each Senior Lender and Lender may reasonably reach different conclusions, and (iii) Lender has an absolute independent right to grant, deny, withhold or condition any requested consent or approval based on its own point of view.

EXHIBIT B

Article 8 "Opt In" Language

Certification of Limited Liability Company Interests.

Shares. The name and address of, and the percentage of limited liability company interests held by the Member are set forth on **Schedule B** hereto, as the same may be amended from time to time. Each limited liability company interest in the Company shall constitute a "security" within the meaning of, and shall be governed by, (i) Article 8 (including Section 8-102(a)(15)) of the Uniform Commercial Code as in effect from time to time in the State of Delaware (the "DEUCC") and (ii) the corresponding provisions of the Uniform Commercial Code of any other applicable jurisdiction that now or hereafter substantially includes the 1994 revisions to Article 8 thereof as adopted by the American Law Institute and the National Conference of Commissioners on Uniform State Laws and approved by the American Bar Association on February 14, 1995. Notwithstanding any provision of this Agreement to the contrary, to the extent that any provision of this Agreement is inconsistent with any non-waivable provision of Article 8 of the DEUCC, such provision of Article 8 of the DEUCC shall be controlling.

Share Certificates.

A Member's limited liability company interest in the Company shall be represented by a Share Certificate substantially in the form of **Exhibit I** hereto (a "Share Certificate") issued to such Member by the Company. All of a Member's Shares, in the aggregate, represent such Member's entire limited liability company interest in the Company. The Member hereby agrees that its interest in the Company and in its Shares shall for all purposes be personal property. A Member has no interest in specific Company property.

Upon the issuance of Shares to any Member in accordance with the provisions of this Agreement, without any further act, vote or approval of the Member, any Officer or any other Person, the Company, and the Member or any Officer on behalf of the Company, shall issue one or more Share Certificates in the name of such Member. Each such Share Certificate shall be denominated in terms of the percentage of Shares evidenced by such Share Certificate and shall be signed by the Member or an Officer on behalf of the Company. Each Share Certificate shall bear the following legend: "This certificate evidences an interest in New PRP Mezz 1, LLC and shall be a security for purposes of Article 8 of the Uniform Commercial Code of the State of Delaware and the Uniform Commercial Code of any other jurisdiction." This provision shall not be amended, and no such purported amendment to this provision shall be effective until all outstanding certificates have been surrendered for cancellation.

Without any further act, vote or approval of the Member, any Officer or any other Person, the Company shall issue a new Share Certificate in place of any

Share Certificate previously issued if the holder of the Shares represented by such Share Certificate, as reflected on the books and records of the Company:

makes proof by affidavit, in form and substance satisfactory to the Company, that such previously issued Share Certificate has been lost, stolen or destroyed;

requests the issuance of a new Share Certificate before the Company has notice that such previously issued Share Certificate has been acquired by a protected purchaser;

if requested by the Company, delivers to the Company a bond, in form and substance satisfactory to the Company, with such surety or sureties as the Company may direct, to indemnify the Company against any claim that may be made on account of the alleged loss, destruction or theft of the previously issued Share Certificate; and

satisfies any other reasonable requirements imposed by the Company.

Subject to the restrictions set forth in the Loan Documents, upon a Member's Transfer in accordance with the provisions of this Agreement of any or all Shares represented by a Share Certificate, the Transferee of such Shares shall deliver such Share Certificate to the Company for cancellation (executed by such Transferee on the reverse side thereof), and the Company shall thereupon issue a new Share Certificate to such Transferee for the percentage of Shares being Transferred and, if applicable, cause to be issued to such Member a new Share Certificate for that percentage of Shares that were represented by the canceled Share Certificate and that are not being Transferred. The Company shall maintain books for the purpose of registering the transfer of limited liability company interests. Notwithstanding any provision of this Agreement to the contrary, a Transfer of Shares requires delivery of an endorsed Share Certificate.

Free Transferability. Except as limited by the Basic Documents (for so long as the Loan is outstanding and subject to Section 21), to the fullest extent permitted by the Act, any Member may, at any time or from time to time, without the consent of any other Person, Transfer, pledge or encumber any or all of its Shares. Subject to the restrictions of the Basic Documents (for so long as the Loan is outstanding and subject to Sections 21 and 23), the Transferee of any Shares shall be admitted to the Company as a substitute member of the Company on the effective date of such Transfer upon (i) such Transferee's written acceptance of the terms and provisions of this Agreement and its written assumption of the obligations hereunder of the Transferor of such Shares, which shall be evidenced by such Transferee's execution and delivery to the Company of an Application for Transfer of Shares on the reverse side of the Share Certificate representing the Shares being transferred, and (ii) the recording of such Transferee's name as a substitute member on the books and records of the Company; provided, however, that if the Member Transfers all of its Shares pursuant to this Agreement, such admission shall be deemed

effective immediately prior to the Transfer, and immediately following such admission the transferor Member shall cease to be a member of the Company. Any Transfer of any Shares in accordance with the provisions of this Agreement shall be effective upon registration of such Transfer in the books and records of the Company.

2. Environmental Representations. Indemnitor hereby represents and warrants that except as set forth in the Environmental Reports, (a) Indemnitor has not engaged in or knowingly

permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of maintenance, renovation, construction, repair and other legitimate business operations at the Property; (b) to Indemnitor's knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of maintenance, renovation, construction, repair and other legitimate business operations at the Property; (c) no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (d) to Indemnitor's knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower or Indemnitor; and (e) to Indemnitor's knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower or Indemnitor.

3. Environmental Covenants.

(a) Compliance with Environmental Laws . Subject to Borrower's right to contest under Section 7.3 of the Loan Agreement, Indemnitor covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument, an Environmental Event occurs, Indemnitor shall deliver (or cause Borrower to deliver) prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Indemnitor has knowledge of the occurrence of an Environmental Event, Indemnitor shall deliver (or cause Borrower to deliver) to Lender an Environmental Certificate explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Indemnitor shall promptly provide (or cause Borrower to provide) Lender with copies of all material notices which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower or Indemnitor in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials pertinent to compliance of the Property and Borrower with such Environmental Laws. If the Security Instrument is foreclosed, Borrower shall deliver the Property in compliance with all applicable Environmental Laws.

(b) Lead Based Paint, Asbestos and O& M Plans .

(i) If prior to the date hereof, it was determined that any Individual Property contains exposed Lead Based Paint in excess of de minimis quantities, Indemnitor or Borrower shall prepare a Lead Based Paint Report if one does not already exist, or if at any time hereafter, exposed Lead Based Paint is identified as being present on any

Individual Property in excess of de minimis quantities, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared a Lead Based Paint Report prepared by an expert, and in form, scope and substance, reasonably acceptable to Lender.

(ii) If prior to the date hereof, it was determined that any Individual Property contains Asbestos, Indemnitor or Borrower shall prepare an Asbestos Report if one does not already exist, or if at any time hereafter, potentially Asbestos containing material is identified as being present on any Individual Property, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared an Asbestos Report prepared by an expert, and in form, scope and substance, acceptable to Lender.

(iii) If it has been, or if at any time hereafter it is, determined that any Individual Property contains Lead Based Paint or Asbestos, on or before thirty (30) days following the date of such determination, Indemnitor shall (or shall cause Borrower to), at its sole cost and expense, develop and implement, and thereafter diligently and continuously carry out (or cause to be developed and implemented and thereafter diligently and continually to be carried out), an O&M Plan, and if an O&M Plan has been prepared prior to the date hereof, Indemnitor agrees to diligently carry out (or cause to be carried out) the provisions thereof, it being understood and agreed that compliance with the O&M Plan shall require or be deemed to require, without limitation, the proper preparation and maintenance of all records, papers and forms required under the Environmental Law.

(c) Environmental Reports. Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or any Event of Default, Lender shall have the right to have its consultants perform an environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. The reasonable cost of such studies shall be due and payable by Indemnitor to Lender upon demand. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Borrower's, Master Lessee's or any Tenant's or other occupant's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 3(c), Lender shall not be deemed to be exercising any control over the operations of Borrower or Indemnitor or the handling of any environmental matter or hazardous wastes or substances of Borrower or Indemnitor for purposes of incurring or being subject to liability.

4. Indemnity Agreement. Indemnitor covenants and agrees, at its sole cost and expense, to protect, indemnify, save, defend (at trial and appellate levels and with attorneys, consultants and experts selected by Indemnitor and reasonably acceptable to Lender) and hold each Indemnified Party harmless against and from any and all Losses which may at any time be imposed upon, incurred by or asserted or awarded against such Indemnified Party or any Individual Property (except to the extent arising out of the gross negligence or willful

misconduct of any Indemnified Party) and arising from or out of the following, but, in all cases, only to the extent caused by the activities of Borrower or any other Person (other than Master Tenant or Master Lease Guarantor) on any Individual Property: (A) the Release or Threat of Release of any Hazardous Materials on, in, under or affecting all or any portion of any Individual Property or any surrounding areas; (B) the Release or Threat of Release of Hazardous Materials at any other location if the Hazardous Materials were generated, treated, stored, transported or disposed of by or on behalf of the Borrower; (C) the material violation of any Environmental Laws relating to or affecting any Individual Property or Borrower, whether or not caused by or within the control of Indemnitor; (D) the failure of Indemnitor to comply fully with the terms and conditions of this Agreement; (E) the violation of any Environmental Laws in connection with other real property of Borrower or Indemnitor which gives or may give rise to any rights whatsoever in any party with respect to any Individual Property by virtue of any Environmental Laws; or (F) the enforcement of this Agreement, including, without limitation, (i) the reasonable costs of assessment, containment and/or removal of any and all Hazardous Materials from all or any portion of any Individual Property or any adjacent areas, (ii) the costs of any actions taken in response to a Release or Threat of Release of any Hazardous Materials on, in, under or affecting all or any portion of any Individual Property, any adjacent areas, or any other areas to prevent or minimize such Release or Threat of Release so that it does not migrate or otherwise cause or threaten danger to present or future public health, safety, welfare or the environment, and (iii) costs incurred to comply with the Environmental Laws in connection with all or any portion of any Individual Property, any adjacent areas, or any other areas for violations first occurring prior to Lender or its nominee acquiring title to the affected Individual Property. Indemnitor's obligations hereunder are separate and distinct from its obligations under the other Loan Documents, and Lender's and the other Indemnified Parties' rights under this Agreement shall be in addition to all rights of Lender under the other Loan Documents. Subject to the limitations herein contained, Indemnitor shall be liable for any and all Losses incurred by the Lender relating to the presence, Release, or Threatened Release of any Hazardous Materials on or about any Individual Property as a result of the acts or negligent omissions of Borrower or Indemnitor, or any principal, officer, member or partner of Borrower or Indemnitor, in its capacity as an indirect owner of direct or indirect beneficial interests in Borrower, or any other Person (other than Master Tenant or Master Lease Guarantor). Without limiting the generality of the foregoing, Indemnitor shall have no obligation to indemnify, defend or hold harmless any Indemnified Party for Losses that result from any such Indemnified Party's gross negligence or willful misconduct or the acts or omissions of Master Lessee or Master Lease Guarantor (or anyone claiming by, through or under Master Lessee) on or with respect to any Individual Property. If any such action or other proceeding shall be brought against Lender, upon written notice from Indemnitor to Lender (given reasonably promptly following Lender's notice to Indemnitor of such action or proceeding), Indemnitor shall be entitled to assume the defense thereof, at Indemnitor's expense, with counsel reasonably acceptable to Lender; provided, however, Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Indemnitor expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Indemnitor's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Indemnitor that would make such separate representation advisable.

5. Limitation on Liability of Indemnitor.

(a) Notwithstanding anything to the contrary herein, in the event of:

(i) any foreclosure (or a transfer in lieu of foreclosure) by a Mezzanine Lender that is not Borrower or an Affiliate of Borrower, of the direct Equity Interests in Borrower, any SPE Component Entity or any Mezzanine Borrower pledged as collateral for a Mezzanine Loan pursuant to the Mezzanine Loan Documents (any such foreclosure or transfer-in-lieu thereof, a " Mezzanine Foreclosure Divestment"), with the result that neither Indemnitor nor any Affiliate of Indemnitor (excluding, however, any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor) shall hold any direct or indirect Equity Interests in, or Control, Borrower (Borrower in such case may be referred to as "Divested Borrower"); or

(ii) any foreclosure (whether judicially or non-judicially by private sale or trustee's sale) or deed in lieu of foreclosure or similar transfer under any Security Instrument (any such foreclosure, foreclosure sale or deed in lieu thereof, a " Foreclosure Divestment"), with the result that neither Borrower nor any Affiliate of Borrower shall hold any direct or indirect interest in, or the power to direct the management of, any Individual Property thereby foreclosed or transferred, excluding Indemnitor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property, a "Divested Property"); or

(iii) the appointment of a receiver by a court of competent jurisdiction with respect to an Individual Property (any such appointment, a "Receivership Event", and the period during which such Individual Property remains under a receivership, the " Receivership Period"), with the result that neither Borrower nor any Affiliate of Borrower shall have any possession of, or hold the power to direct the management of, such Individual Property that is subject to such Receivership Event during the Receivership Period, excluding Indemnitor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property subject to a Receivership Event, a " Receivership Property"),

then, in such cases, Indemnitor shall not have any liability hereunder for any Losses arising solely from any circumstance, condition, action or event with respect to any such Divested Borrower, Divested Property or Receivership Property (A) to the extent arising from: (1) any action taken by any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor, (2) any circumstance, condition, action or event with respect to the Property or any Loan Party first occurring after the date of such Mezzanine Foreclosure Divestment, (3) any action taken by any successor owner of such Divested Property, (4) any circumstance, condition, action or event with respect to such Divested Property first occurring after the date of such Foreclosure Divestment, (5) any action taken by any receiver for such Receivership Property during the Receivership Period, or (6) any circumstance, condition, action or event with respect to such Receivership Property first occurring after the occurrence of such Receivership Event and during the continuance of such Receivership Period; and (B) not caused by Borrower or any Affiliate of Borrower (excluding any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer

Controlled by Indemnitor or any Affiliate of Indemnitor); provided that Indemnitor shall remain liable hereunder for any Losses to the extent arising from any circumstance, condition, action or event occurring (x) with respect such Divested Borrower, prior to the date of such Mezzanine Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Mezzanine Foreclosure Divestment, (y) with respect to such Divested Property, prior to the date of such Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Foreclosure Divestment, and (z) with respect to such Receivership Property, prior to such Receivership Event or after the expiration of such Receivership Period, even to the extent the applicable liability, loss, cost, or expense occurs, or the occurrence of the applicable circumstance, condition, action or event is first discovered, during the Receivership Period.

(b) In the event that an "Event of Default" under a Mezzanine Loan shall exist with respect to a Mezzanine Loan and the related Mezzanine Lender is not Borrower or an Affiliate of Borrower and exercises, pursuant to the exercise of remedies under the Mezzanine Loan Documents, direct voting Control, by power of attorney or other exercise of voting power with respect to the Equity Interests of the applicable Borrower, SPE Component Entity or Mezzanine Borrower pledged to such Mezzanine Lender as collateral for its Mezzanine Loan under the related Mezzanine Loan Documents, of such Equity Interests in the applicable Borrower, SPE Component Entity or Mezzanine Borrower so pledged as collateral for such Mezzanine Loan (the " Direct Control Remedies", and such Mezzanine Lender exercising such Direct Control Remedies, the " Controlling Mezzanine Lender"), Indemnitor shall not have liability hereunder for the actions that such Controlling Mezzanine Lender, in the exercise of its Direct Control Remedies, causes Borrower, any SPE Component Entity or any Mezzanine Borrower to take ("Mezzanine Lender Controlled Actions") if such Mezzanine Lender Controlled Actions are taken without inducement, solicitation and/or consent from, or in collusion with, Borrower or any Affiliate of Borrower (other than Loan Parties to the extent Controlled by the Controlling Mezzanine Lender in the exercise of its Direct Control Remedies).

6. Survival.

(a) This Agreement and the indemnities provided herein shall survive the repayment of the Loan and, subject to the terms of such indemnity, shall survive the exercise of any remedies under the Loan Documents, including, without limitation, any remedy in the nature of foreclosure, and shall not merge with any assignment or conveyance given by Borrower to Lender in lieu of foreclosure.

(b) It is agreed and intended by Indemnitor and Lender that this Agreement and the indemnities provided herein may be assigned or otherwise transferred by Lender to its successors and assigns and to any subsequent purchaser of all or any portion of the Loan by, through or under Lender, without notice to Indemnitor and without any further consent of Indemnitor. To the extent consent of any such assignment or transfer is required by law, advance consent to any such assignment or transfer is hereby given by Indemnitor in order to maximize the extent and effect of the indemnity given hereby.

7. Miscellaneous; No Waiver.

(a) The liabilities of Indemnitor under this Agreement shall in no way be limited or impaired by, and Indemnitor hereby consents to and agrees to be bound by, any amendment or modification of the provisions of the Loan Documents to or with Lender by Borrower or any Person who succeeds Borrower or any other Person as owner of any portion of any Individual Property. In addition, notwithstanding any terms of any of the Loan Documents to the contrary, the liability of Indemnitor under this Agreement shall in no way be limited or impaired by: (i) any extensions of time for performance required by any of the Loan Documents; (ii) any sale, assignment or foreclosure of the Note or the Loan Documents or any sale or transfer of all or part of any Individual Property (except as provided in Section 5 hereof); (iii) any exculpatory provision in any of the Loan Documents limiting Lender's recourse to property encumbered by the Loan Documents or to any other security, or limiting Lender's rights to a deficiency judgment against Borrower; (iv) the accuracy or inaccuracy of the representations and warranties made by Borrower under any of the Loan Documents; (v) the release of Borrower or any other Person from performance or observance of any of the agreements, covenants, terms or conditions contained in the Loan Documents by operation of law, Lender's voluntary act, or otherwise; (vi) the release or substitution, in whole or in part, of any security for the Loan; or (vii) Lender's failure to record the Security Instrument or file any UCC-1 financing statements (or Lender's improper recording or filing of any thereof) or to otherwise perfect, protect, secure or insure any security interest or lien given as security for the Loan; and, in any such case, whether with or without notice to Indemnitor and with or without consideration.

(b) MARSHALLING. INDEMNITOR WAIVES ANY RIGHT OR CLAIM OF RIGHT TO CAUSE A MARSHALLING OF BORROWER'S ASSETS OR TO CAUSE LENDER TO PROCEED AGAINST ANY OF THE SECURITY FOR THE LOAN BEFORE PROCEEDING UNDER THIS AGREEMENT AGAINST INDEMNITOR OR TO PROCEED AGAINST INDEMNITOR OR BORROWER IN ANY PARTICULAR ORDER. INDEMNITOR AGREES THAT ANY PAYMENTS REQUIRED TO BE MADE HEREUNDER SHALL BECOME DUE AND PAYABLE TEN (10) DAYS AFTER DEMAND. INDEMNITOR EXPRESSLY WAIVES AND RELINQUISHES ALL RIGHTS AND REMEDIES (INCLUDING ANY RIGHTS OF SUBROGATION) ACCORDED BY APPLICABLE LAW TO INDEMNITOR.

(c) Joint and Several Obligation. If Indemnitor consists of more than one Person or entity, each shall be jointly and severally liable to perform the obligations of Indemnitor hereunder. Any one of Borrower or one or more parties constituting Indemnitor or any other party liable upon or in respect of this Agreement or the Loan may be released without affecting the liability of any party not so released.

(d) Further Assurances. Indemnitor shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement, to protect and further the validity and enforceability of this Agreement or otherwise carry out the purposes of this Agreement.

(e) Notices. All notices, consents, approvals and requests required or permitted hereunder shall be given in writing and shall be effective for all purposes if hand delivered or sent by (a) certified or registered United States mail, postage prepaid, return receipt requested, (b) expedited prepaid delivery service, either commercial or United States Postal Service, with proof of attempted delivery or (c) telecopier (with answer back acknowledged), addressed as follows (or at such other address and Person as shall be designated from time to time by any party hereto, as the case may be, in a written notice to the other parties hereto in the manner provided for in this Section 7(e)):

3. Environmental Covenants.

(a) Compliance with Environmental Laws . Indemnitor covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument, an Environmental Event occurs, Indemnitor shall deliver prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days

after Indemnitor has knowledge of the occurrence of an Environmental Event, Indemnitor shall deliver to Lender an Environmental Certificate explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Indemnitor shall promptly provide Lender with copies of all material notices which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Indemnitor in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials pertinent to compliance of the Property and Indemnitor with such Environmental Laws.

(b) Lead Based Paint, Asbestos and O& M Plans .

(i) If prior to the date hereof, it was determined that any Individual Property contains exposed Lead Based Paint in excess of de minimis quantities, Indemnitor or Borrower shall prepare a Lead Based Paint Report if one does not already exist, or if at any time hereafter, exposed Lead Based Paint is identified as being present on any Individual Property in excess of de minimis quantities, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared a Lead Based Paint Report prepared by an expert, and in form, scope and substance, reasonably acceptable to Lender.

(ii) If prior to the date hereof, it was determined that any Individual Property contains Asbestos, Indemnitor or Borrower shall prepare an Asbestos Report if one does not already exist, or if at any time hereafter, potentially Asbestos containing material is identified as being present on any Individual Property, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared an Asbestos Report prepared by an expert, and in form, scope and substance, acceptable to Lender.

(iii) If it has been, or if at any time hereafter it is, determined that any Individual Property contains Lead Based Paint or Asbestos, on or before thirty (30) days following the date of such determination, Indemnitor shall (or shall cause Borrower to), at its sole cost and expense, develop and implement, and thereafter diligently and continuously carry out (or cause to be developed and implemented and thereafter diligently and continually to be carried out), an O&M Plan, and if an O&M Plan has been prepared prior to the date hereof, Indemnitor agrees to diligently carry out (or cause to be carried out) the provisions thereof, it being understood and agreed that compliance with the O&M Plan shall require or be deemed to require, without limitation, the proper preparation and maintenance of all records, papers and forms required under the Environmental Law.

(c) Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or any Event of Default, Lender shall have the right to have its consultants perform an environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site

assessments as Lender may reasonably require due to the results obtained from the foregoing. The reasonable cost of such studies shall be due and payable by Indemnitor to Lender upon demand. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Indemnitor's or any other occupant's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 3(c), Lender shall not be deemed to be exercising any control over the operations of Borrower or Indemnitor or the handling of any environmental matter or hazardous wastes or substances of Borrower or Indemnitor for purposes of incurring or being subject to liability.

4. Indemnity Agreement. Indemnitor covenants and agrees, at its sole cost and expense, to protect, indemnify, save, defend (at trial and appellate levels and with attorneys, consultants and experts selected by Indemnitor and reasonably acceptable to Lender) and hold each Indemnified Party harmless against and from any and all Losses which may at any time be imposed upon, incurred by or asserted or awarded against such Indemnified Party or any Individual Property with respect to events occurring prior to the date of termination of the Master Lease or Master Lessee's loss of possession or use thereof, if earlier, as to the applicable Individual Property arising out of any of the following, except, in any such case, to the extent arising out of any acts of Borrower or any Indemnified Party: (A) the Release or Threat of Release of any Hazardous Materials on, in, under or affecting all or any portion of any Individual Property or any surrounding areas, regardless of whether or not caused by or within the control of Indemnitor (except as otherwise provided herein) first occurring prior to Lender or its nominee acquiring title to the affected Individual Property by foreclosure, conveyance in lieu thereof or otherwise; (B) the Release or Threat of Release of Hazardous Materials at any other location if the Hazardous Materials were generated, treated, stored, transported or disposed at, of or from any Individual Property by or on behalf of the Indemnitor; (C) the material violation of any Environmental Laws relating to or affecting any Individual Property or Indemnitor with respect to activities at any Individual Property, whether or not caused by or within the control of Indemnitor, first occurring prior to Lender or its nominee acquiring title to the affected Individual Property by foreclosure, conveyance in lieu thereof or otherwise; (D) the failure of Indemnitor to comply fully with the terms and conditions of this Agreement; (E) the violation of any Environmental Laws in connection with other real property of Indemnitor which gives or may give rise to any rights whatsoever in any party with respect to any Individual Property by virtue of any Environmental Laws; or (F) the enforcement of this Agreement, including, without limitation, (i) the reasonable costs of assessment, containment and/or removal of any and all Hazardous Materials from all or any portion of any Individual Property or any adjacent areas, (ii) the costs of any actions taken in response to a Release or Threat of Release of any Hazardous Materials, first occurring prior to Lender or its nominee acquiring title to the affected Individual Property by foreclosure, conveyance in lieu thereof or otherwise, on, in, under or affecting all or any portion of any Individual Property, any adjacent areas, or any other areas to prevent or minimize such Release or Threat of Release so that it does not migrate or otherwise cause or threaten danger to present or future public health, safety, welfare or the environment, and (iii) costs incurred to comply with the Environmental Laws in connection with all or any portion of any Individual Property, any adjacent areas, or any other areas for violations first occurring prior to Lender or its nominee acquiring title to the affected Individual Property. Indemnitor's obligations hereunder are separate and distinct from its obligations under the Master Lease and Master Lease Guaranty, applicable, and Lender's and the other Indemnified Parties' rights under

this Agreement shall be in addition to all rights of Lender under the other Loan Documents. Indemnitor shall be liable for any and all Losses incurred by the Lender relating to the presence, Release, or Threatened Release of any Hazardous Materials on or about any Individual Property as a result of the acts or negligent omissions of Indemnitor, or any principal, officer, member or partner Indemnitor from and after the date hereof, subject to the limitations herein contained. Without limiting the generality of the foregoing, Indemnitor shall have no obligation to indemnify, defend or hold harmless any Indemnified Party for Losses that result from Borrower's or any Indemnified Party's activities on any Individual Property or any such Person's gross negligence or willful misconduct or first occurring after the termination of the Master Lease as to the affected Individual Property or first occurring after Lender or its nominee acquires title to the affected Individual Property by foreclosure, conveyance in lieu thereof or otherwise, whichever is earlier; provided that Indemnitor shall remain liable hereunder for any Losses arising from any circumstance, condition, action or event occurring prior to the date of such termination of the Master Lease or acquisition of title, even to the extent the applicable Losses do not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such termination of the Master Lease or acquisition of title. If any such action or other proceeding shall be brought against Lender, upon written notice from Indemnitor to Lender (given reasonably promptly following Lender's notice to Indemnitor of such action or proceeding), Indemnitor shall be entitled to assume the defense thereof, at Indemnitor's expense, with counsel reasonably acceptable to Lender; provided, however, Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Indemnitor expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Indemnitor's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Indemnitor that would make such separate representation advisable.

5. Survival.

(a) This Agreement and the indemnities provided herein shall survive the repayment of the Loan and, subject to the terms of such indemnity, shall survive the exercise of any remedies under the Loan Documents, including, without limitation, any remedy in the nature of foreclosure, and shall not merge with any assignment or conveyance given by Borrower to Lender in lieu of foreclosure.

(b) It is agreed and intended by Indemnitor and Lender that this Agreement and the indemnities provided herein may be assigned or otherwise transferred by Lender to its successors and assigns and to any subsequent purchaser of all or any portion of the Loan by, through or under Lender, without notice to Indemnitor and without any further consent of Indemnitor. To the extent consent of any such assignment or transfer is required by law, advance consent to any such assignment or transfer is hereby given by Indemnitor in order to maximize the extent and effect of the indemnity given hereby.

6. Miscellaneous; No Waiver.

(a) The liabilities of Indemnitor under this Agreement shall in no way be limited or impaired by, and Indemnitor hereby consents to and agrees to be bound by, any amendment or

modification of the provisions of the Loan Documents to or with Lender by Borrower or any Person who succeeds Borrower or any other Person as owner of any portion of any Individual Property. In addition, notwithstanding any terms of any of the Loan Documents to the contrary, the liability of Indemnitor under this Agreement shall in no way be limited or impaired by: (i) any extensions of time for performance required by any of the Loan Documents; (ii) any sale, assignment or foreclosure of the Note or the Loan Documents or any sale or transfer of all or part of any Individual Property; (iii) any exculpatory provision in any of the Loan Documents limiting Lender's recourse to property encumbered by the Loan Documents or to any other security, or limiting Lender's rights to a deficiency judgment against Borrower; (iv) the accuracy or inaccuracy of the representations and warranties made by Borrower under any of the Loan Documents; (v) the release of Borrower or any other Person from performance or observance of any of the agreements, covenants, terms or conditions contained in the Loan Documents by operation of law, Lender's voluntary act, or otherwise; (vi) the release or substitution, in whole or in part, of any security for the Loan; or (vii) Lender's failure to record the Security Instrument or file any UCC-1 financing statements (or Lender's improper recording or filing of any thereof) or to otherwise perfect, protect, secure or insure any security interest or lien given as security for the Loan; and, in any such case, whether with or without notice to Indemnitor and with or without consideration.

(b) MARSHALLING. INDEMNITOR WAIVES ANY RIGHT OR CLAIM OF RIGHT TO CAUSE A MARSHALLING OF ITS OR BORROWER'S ASSETS OR TO CAUSE LENDER TO PROCEED AGAINST ANY OF THE SECURITY FOR THE LOAN BEFORE PROCEEDING UNDER THIS AGREEMENT AGAINST INDEMNITOR OR TO PROCEED AGAINST INDEMNITOR OR BORROWER IN ANY PARTICULAR ORDER. INDEMNITOR AGREES THAT ANY PAYMENTS REQUIRED TO BE MADE HEREUNDER SHALL BECOME DUE AND PAYABLE TEN (10) DAYS AFTER DEMAND. INDEMNITOR EXPRESSLY WAIVES AND RELINQUISHES ALL RIGHTS AND REMEDIES (INCLUDING ANY RIGHTS OF SUBROGATION) ACCORDED BY APPLICABLE LAW TO INDEMNITOR.

(c) Joint and Several Obligation. If Indemnitor consists of more than one Person or entity, each shall be jointly and severally liable to perform the obligations of Indemnitor hereunder. Any one of Borrower or one or more parties constituting Indemnitor or any other party liable upon or in respect of this Agreement or the Loan may be released without affecting the liability of any party not so released.

(d) Further Assurances. Indemnitor shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement, to protect and further the validity and enforceability of this Agreement or otherwise carry out the purposes of this Agreement.

(e) Notices. All notices, consents, approvals and requests required or permitted hereunder shall be given in writing and shall be effective for all purposes if hand delivered or sent by (a) certified or registered United States mail, postage prepaid, return receipt requested, (b) expedited prepaid delivery service, either commercial or United States Postal Service, with proof of attempted delivery or (c) telecopier (with answer back acknowledged), addressed as

permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of maintenance, renovation, construction, repair and other legitimate business operations at the Property; (b) to Indemnitor's knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of maintenance, renovation, construction, repair and other legitimate business operations at the Property; (c) no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (d) to Indemnitor's knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower or Indemnitor; and (e) to Indemnitor's knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower or Indemnitor.

3. Environmental Covenants.

(a) Compliance with Environmental Laws . Subject to Borrower's right to contest under Section 7.3 of the Loan Agreement, Indemnitor covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument, an Environmental Event occurs, Indemnitor shall deliver (or cause Borrower to deliver) prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Indemnitor has knowledge of the occurrence of an Environmental Event, Indemnitor shall deliver (or cause Borrower to deliver) to Lender an Environmental Certificate explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Indemnitor shall promptly provide (or cause Borrower to provide) Lender with copies of all material notices which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower or Indemnitor in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials pertinent to compliance of the Property and Borrower with such Environmental Laws. If the Security Instrument is foreclosed, Borrower shall deliver the Property in compliance with all applicable Environmental Laws.

(b) Lead Based Paint, Asbestos and O& M Plans .

(i) If prior to the date hereof, it was determined that any Individual Property contains exposed Lead Based Paint in excess of de minimis quantities, Indemnitor or Borrower shall prepare a Lead Based Paint Report if one does not already exist, or if at any time hereafter, exposed Lead Based Paint is identified as being present on any

Individual Property in excess of de minimis quantities, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared a Lead Based Paint Report prepared by an expert, and in form, scope and substance, reasonably acceptable to Lender.

(ii) If prior to the date hereof, it was determined that any Individual Property contains Asbestos, Indemnitor or Borrower shall prepare an Asbestos Report if one does not already exist, or if at any time hereafter, potentially Asbestos containing material is identified as being present on any Individual Property, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared an Asbestos Report prepared by an expert, and in form, scope and substance, acceptable to Lender.

(iii) If it has been, or if at any time hereafter it is, determined that any Individual Property contains Lead Based Paint or Asbestos, on or before thirty (30) days following the date of such determination, Indemnitor shall (or shall cause Borrower to), at its sole cost and expense, develop and implement, and thereafter diligently and continuously carry out (or cause to be developed and implemented and thereafter diligently and continually to be carried out), an O&M Plan, and if an O&M Plan has been prepared prior to the date hereof, Indemnitor agrees to diligently carry out (or cause to be carried out) the provisions thereof, it being understood and agreed that compliance with the O&M Plan shall require or be deemed to require, without limitation, the proper preparation and maintenance of all records, papers and forms required under the Environmental Law.

(c) Environmental Reports. Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or any Event of Default, Lender shall have the right to have its consultants perform an environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. The reasonable cost of such studies shall be due and payable by Indemnitor to Lender upon demand. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Borrower's, Master Lessee's or any Tenant's or other occupant's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 3(c), Lender shall not be deemed to be exercising any control over the operations of Borrower or Indemnitor or the handling of any environmental matter or hazardous wastes or substances of Borrower or Indemnitor for purposes of incurring or being subject to liability.

4. Indemnity Agreement. Indemnitor covenants and agrees, at its sole cost and expense, to protect, indemnify, save, defend (at trial and appellate levels and with attorneys, consultants and experts selected by Indemnitor and reasonably acceptable to Lender) and hold each Indemnified Party harmless against and from any and all Losses which may at any time be imposed upon, incurred by or asserted or awarded against such Indemnified Party or any Individual Property (except to the extent arising out of the gross negligence or willful

misconduct of any Indemnified Party) and arising from or out of: (A) the Release or Threat of Release of any Hazardous Materials on, in, under or affecting all or any portion of any Individual Property or any surrounding areas, regardless of whether or not caused by or within the control of Borrower or Indemnitor; (B) the Release or Threat of Release of Hazardous Materials at any other location if the Hazardous Materials were generated, treated, stored, transported or disposed of by or on behalf of the Borrower; (C) the material violation of any Environmental Laws relating to or affecting any Individual Property or Borrower, whether or not caused by or within the control of Borrower or Indemnitor; (D) the failure of Indemnitor to comply fully with the terms and conditions of this Agreement; (E) the violation of any Environmental Laws in connection with other real property of Borrower or Indemnitor which gives or may give rise to any rights whatsoever in any party with respect to any Individual Property by virtue of any Environmental Laws; or (F) the enforcement of this Agreement, including, without limitation, (i) the reasonable costs of assessment, containment and/or removal of any and all Hazardous Materials from all or any portion of any Individual Property or any adjacent areas, (ii) the costs of any actions taken in response to a Release or Threat of Release of any Hazardous Materials, on, in, under or affecting all or any portion of any Individual Property, any adjacent areas, or any other areas to prevent or minimize such Release or Threat of Release so that it does not migrate or otherwise cause or threaten danger to present or future public health, safety, welfare or the environment, and (iii) costs incurred to comply with the Environmental Laws in connection with all or any portion of any Individual Property, any adjacent areas, or any other areas for violations first occurring prior to Lender or its nominee acquiring title to the affected Individual Property. Indemnitor's obligations hereunder are separate and distinct from its obligations under the other Loan Documents, and Lender's and the other Indemnified Parties' rights under this Agreement shall be in addition to all rights of Lender under the other Loan Documents. Subject to the limitations herein contained, Indemnitor shall be liable for any and all Losses incurred by the Lender relating to the presence, Release, or Threatened Release of any Hazardous Materials on or about any Individual Property as a result of the acts or negligent omissions of Borrower or Indemnitor, or any principal, officer, member or partner of Borrower or Indemnitor. Indemnitor shall have no obligation to indemnify, defend or hold harmless any Indemnified Party for Losses that result from such Indemnified Party's gross negligence or willful misconduct on or with respect to any Individual Property. If any such action or other proceeding shall be brought against Lender, upon written notice from Indemnitor to Lender (given reasonably promptly following Lender's notice to Indemnitor of such action or proceeding), Indemnitor shall be entitled to assume the defense thereof, at Indemnitor's expense, with counsel reasonably acceptable to Lender; provided, however, Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Indemnitor expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Indemnitor's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Indemnitor that would make such separate representation advisable.

5. Limitation on Liability of Indemnitor.

(a) Notwithstanding anything to the contrary herein, in the event of:

(i) any foreclosure (or a transfer in lieu of foreclosure) by a Mezzanine Lender that is not Borrower or an Affiliate of Borrower, of the direct Equity Interests in Borrower, any SPE Component Entity or any Mezzanine Borrower pledged as collateral for a Mezzanine Loan pursuant to the Mezzanine Loan Documents (any such foreclosure or transfer-in-lieu thereof, a " Mezzanine Foreclosure Divestment"), with the result that neither Indemnitor nor any Affiliate of Indemnitor (excluding, however, any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor) shall hold any direct or indirect Equity Interests in, or Control, Borrower (Borrower in such case may be referred to as "Divested Borrower"); or

(ii) any foreclosure (whether judicially or non-judicially by private sale or trustee's sale) or deed in lieu of foreclosure or similar transfer under any Security Instrument (any such foreclosure, foreclosure sale or deed in lieu thereof, a " Foreclosure Divestment"), with the result that neither Borrower nor any Affiliate of Borrower shall hold any direct or indirect interest in, or the power to direct the management of, any Individual Property thereby foreclosed or transferred, excluding Indemnitor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property, a "Divested Property"); or

(iii) the appointment of a receiver by a court of competent jurisdiction with respect to an Individual Property (any such appointment, a "Receivership Event", and the period during which such Individual Property remains under a receivership, the " Receivership Period"), with the result that neither Borrower nor any Affiliate of Borrower shall have any possession of, or hold the power to direct the management of, such Individual Property that is subject to such Receivership Event during the Receivership Period, excluding Indemnitor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property subject to a Receivership Event, a " Receivership Property"),

then, in such cases, Indemnitor shall not have any liability hereunder for any Losses arising solely from any circumstance, condition, action or event with respect to any such Divested Borrower, Divested Property or Receivership Property (A) to the extent arising from: (1) any action taken by any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor, (2) any circumstance, condition, action or event with respect to the Property or any Loan Party first occurring after the date of such Mezzanine Foreclosure Divestment, (3) any action taken by any successor owner of such Divested Property, (4) any circumstance, condition, action or event with respect to such Divested Property first occurring after the date of such Foreclosure Divestment, (5) any action taken by any receiver for such Receivership Property during the Receivership Period, or (6) any circumstance, condition, action or event with respect to such Receivership Property first occurring after the occurrence of such Receivership Event and during the continuance of such Receivership Period; and (B) not caused by Borrower or any Affiliate of Borrower (excluding any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor); provided that Indemnitor shall remain liable hereunder for any Losses to the extent arising from any circumstance, condition, action or event occurring (x) with respect such Divested Borrower, prior to the date of such Mezzanine Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not

occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Mezzanine Foreclosure Divestment, (y) with respect to such Divested Property, prior to the date of such Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Foreclosure Divestment, and (z) with respect to such Receivership Property, prior to such Receivership Event or after the expiration of such Receivership Period, even to the extent the applicable liability, loss, cost, or expense occurs, or the occurrence of the applicable circumstance, condition, action or event is first discovered, during the Receivership Period.

(b) In the event that an "Event of Default" under a Mezzanine Loan shall exist with respect to a Mezzanine Loan and the related Mezzanine Lender is not Borrower or an Affiliate of Borrower and exercises, pursuant to the exercise of remedies under the Mezzanine Loan Documents, direct voting Control, by power of attorney or other exercise of voting power with respect to the Equity Interests of the applicable Borrower, SPE Component Entity or Mezzanine Borrower pledged to such Mezzanine Lender as collateral for its Mezzanine Loan under the related Mezzanine Loan Documents, of such Equity Interests in the applicable Borrower, SPE Component Entity or Mezzanine Borrower so pledged as collateral for such Mezzanine Loan (the " Direct Control Remedies", and such Mezzanine Lender exercising such Direct Control Remedies, the " Controlling Mezzanine Lender"), Indemnitor shall not have liability hereunder for the actions that such Controlling Mezzanine Lender, in the exercise of its Direct Control Remedies, causes Borrower, any SPE Component Entity or any Mezzanine Borrower to take ("Mezzanine Lender Controlled Actions") if such Mezzanine Lender Controlled Actions are taken without inducement, solicitation and/or consent from, or in collusion with, Borrower or any Affiliate of Borrower (other than Loan Parties to the extent Controlled by the Controlling Mezzanine Lender in the exercise of its Direct Control Remedies).

6. Survival.

(a) This Agreement and the indemnities provided herein shall survive the repayment of the Loan and, subject to the terms of such indemnity, shall survive the exercise of any remedies under the Loan Documents, including, without limitation, any remedy in the nature of foreclosure, and shall not merge with any assignment or conveyance given by Borrower to Lender in lieu of foreclosure.

(b) It is agreed and intended by Indemnitor and Lender that this Agreement and the indemnities provided herein may be assigned or otherwise transferred by Lender to its successors and assigns and to any subsequent purchaser of all or any portion of the Loan by, through or under Lender, without notice to Indemnitor and without any further consent of Indemnitor. To the extent consent of any such assignment or transfer is required by law, advance consent to any such assignment or transfer is hereby given by Indemnitor in order to maximize the extent and effect of the indemnity given hereby.

7. Miscellaneous; No Waiver.

(a) The liabilities of Indemnitor under this Agreement shall in no way be limited or impaired by, and Indemnitor hereby consents to and agrees to be bound by, any amendment or

modification of the provisions of the Loan Documents to or with Lender by Borrower or any Person who succeeds Borrower or any other Person as owner of any portion of any Individual Property. In addition, notwithstanding any terms of any of the Loan Documents to the contrary, the liability of Indemnitor under this Agreement shall in no way be limited or impaired by: (i) any extensions of time for performance required by any of the Loan Documents; (ii) any sale, assignment or foreclosure of the Note or the Loan Documents or any sale or transfer of all or part of any Individual Property (except as provided in Section 5 hereof; (iii) any exculpatory provision in any of the Loan Documents limiting Lender's recourse to property encumbered by the Loan Documents or to any other security, or limiting Lender's rights to a deficiency judgment against Borrower; (iv) the accuracy or inaccuracy of the representations and warranties made by Borrower under any of the Loan Documents; (v) the release of Borrower or any other Person from performance or observance of any of the agreements, covenants, terms or conditions contained in the Loan Documents by operation of law, Lender's voluntary act, or otherwise; (vi) the release or substitution, in whole or in part, of any security for the Loan; or (vii) Lender's failure to record the Security Instrument or file any UCC-1 financing statements (or Lender's improper recording or filing of any thereof) or to otherwise perfect, protect, secure or insure any security interest or lien given as security for the Loan; and, in any such case, whether with or without notice to Indemnitor and with or without consideration.

(b) MARSHALLING. INDEMNITOR WAIVES ANY RIGHT OR CLAIM OF RIGHT TO CAUSE A MARSHALLING OF BORROWER'S ASSETS OR TO CAUSE LENDER TO PROCEED AGAINST ANY OF THE SECURITY FOR THE LOAN BEFORE PROCEEDING UNDER THIS AGREEMENT AGAINST INDEMNITOR OR TO PROCEED AGAINST INDEMNITOR OR BORROWER IN ANY PARTICULAR ORDER. INDEMNITOR AGREES THAT ANY PAYMENTS REQUIRED TO BE MADE HEREUNDER SHALL BECOME DUE AND PAYABLE TEN (10) DAYS AFTER DEMAND. INDEMNITOR EXPRESSLY WAIVES AND RELINQUISHES ALL RIGHTS AND REMEDIES (INCLUDING ANY RIGHTS OF SUBROGATION) ACCORDED BY APPLICABLE LAW TO INDEMNITOR.

(c) Joint and Several Obligation. If Indemnitor consists of more than one Person or entity, each shall be jointly and severally liable to perform the obligations of Indemnitor hereunder. Any one of Borrower or one or more parties constituting Indemnitor or any other party liable upon or in respect of this Agreement or the Loan may be released without affecting the liability of any party not so released.

(d) Further Assurances. Indemnitor shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement, to protect and further the validity and enforceability of this Agreement or otherwise carry out the purposes of this Agreement.

3. Environmental Covenants.

(a) Compliance with Environmental Laws. Subject to Mortgage Borrower's right to contest under Section 7.3 of the Mortgage Loan Agreement, Indemnitor covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument, an Environmental Event occurs, Indemnitor shall deliver (or cause Mortgage Borrower to deliver) prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Indemnitor has knowledge of the occurrence of an Environmental Event, Indemnitor shall deliver (or cause Mortgage Borrower to deliver) to Lender an Environmental Certificate explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Indemnitor shall promptly provide (or cause Mortgage Borrower or the applicable Mezzanine Borrower to provide) Lender with copies of all material notices which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Mortgage Borrower, any Mezzanine Borrower, or Indemnitor in connection with any Environmental Law. For purposes of this paragraph, the term " notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials pertinent to compliance of the Property and Mortgage Borrower with such Environmental Laws.

(b) Lead Based Paint, Asbestos and O& M Plans .

(i) If prior to the date hereof, it was determined that any Individual Property contains exposed Lead Based Paint in excess of *de minimis* quantities, Indemnitor or Mortgage Borrower shall prepare a Lead Based Paint Report if one does not already exist, or if at any time hereafter, exposed Lead Based Paint is identified as being present on any Individual Property in excess of *de minimis* quantities, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared a Lead Based Paint Report prepared by an expert, and in form, scope and substance, reasonably acceptable to Lender.

(ii) If prior to the date hereof, it was determined that any Individual Property contains Asbestos, Indemnitor or Mortgage Borrower shall prepare an Asbestos Report if one does not already exist, or if at any time hereafter, potentially Asbestos containing material is identified as being present on any Individual Property, Indemnitor agrees, at its sole cost and expense and within twenty (20) days thereafter, to cause to be prepared an Asbestos Report prepared by an expert, and in form, scope and substance, acceptable to Lender.

(iii) If it has been, or if at any time hereafter it is, determined that any Individual Property contains Lead Based Paint or Asbestos, on or before thirty (30) days following the date of such determination, Indemnitor shall (or shall cause Mortgage Borrower to), at its sole cost and expense, develop and implement, and thereafter diligently and continuously carry out (or cause to be developed and implemented and thereafter diligently and continually to be carried out), an O&M Plan, and if an O&M Plan has been prepared prior to the date hereof, Indemnitor agrees to diligently carry out (or cause to be carried out) the provisions thereof, it being understood and agreed that compliance with the O&M Plan shall require or be deemed to require, without limitation, the proper preparation and maintenance of all records, papers and forms required under the Environmental Law.

(c) Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or any Event of Default, Lender shall have the right to have its consultants perform an environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. The reasonable cost of such studies shall be due and payable by Indemnitor to Lender upon demand. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Mortgage Borrower's, Master Lessee's, or any Tenant's or other occupant's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 3(c), Lender shall not be deemed to be exercising any control over the operations of Mortgage Borrower, any Mezzanine Borrower, or Indemnitor or the handling of any environmental matter or hazardous wastes or substances of Mortgage Borrower, any Mezzanine Borrower, or Indemnitor for purposes of incurring or being subject to liability.

4. Indemnity Agreement. Indemnitor covenants and agrees, at its sole cost and expense, to protect, indemnify, save, defend (at trial and appellate levels and with attorneys, consultants and experts selected by Indemnitor and reasonably acceptable to Lender) and hold each Indemnified Party harmless against and from any and all Losses which may at any time be imposed upon, incurred by or asserted or awarded against such Indemnified Party or any Individual Property (except to the extent arising out of the gross negligence or willful misconduct of any Indemnified Party) and arising from or out of the following, but, in all cases, only to the extent caused by the activities of Mortgage Borrower or any other Person (other than Master Tenant or Master Lease Guarantor) on any Individual Property: (A) the Release or Threat of Release of any Hazardous Materials on, in, under or affecting all or any portion of any Individual Property or any surrounding areas; (B) the Release or Threat of Release of Hazardous Materials at any other location if the Hazardous Materials were generated, treated, stored, transported or disposed of by or on behalf of Mortgage Borrower; (C) the material violation of any Environmental Laws relating to or affecting any Individual Property or Mortgage Borrower, whether or not caused by or within the control of Indemnitor; (D) the failure of Indemnitor to comply fully with the terms and conditions of this Agreement; (E) the violation of any Environmental Laws in connection with other real property of Mortgage Borrower or Indemnitor which gives or may give rise to any rights whatsoever in any party with respect to any Individual Property by virtue of any Environmental Laws; or (F) the enforcement of this Agreement, including, without limitation, (i) the reasonable costs of assessment, containment and/or removal of any and all Hazardous Materials from all or any portion of any Individual Property or any adjacent areas, (ii) the costs of any actions taken in response to a Release or Threat of Release of any Hazardous Materials on, in, under or affecting all or any portion of any Individual Property, any adjacent areas, or any other areas to prevent or minimize such Release or Threat of Release so that it does not migrate or otherwise cause or threaten danger to present or future public health, safety, welfare or the environment, and (iii) costs incurred to comply with the Environmental Laws in connection with all or any portion of any Individual Property, any adjacent areas, or any other areas for violations first occurring prior to Lender or its nominee acquiring title to the affected Individual Property. Indemnitor's obligations hereunder are separate and distinct from its obligations under the other Loan Documents, and Lender's and the other Indemnified Parties' rights under this Agreement shall be in addition to all rights of Lender under the other Loan Documents. Subject to the limitations herein contained, Indemnitor shall be liable for any and all Losses incurred by the Lender relating to the presence, Release, or Threatened Release of any Hazardous Materials on or about any Individual Property as a result of the acts or negligent omissions of Mortgage Borrower or Indemnitor, or any principal, officer, member or partner of Mortgage Borrower or Indemnitor, in its capacity as an indirect owner of direct or indirect beneficial interests in Mortgage Borrower, or any other Person including Borrower (other than Master Tenant or Master Lease Guarantor). Without limiting the generality of the foregoing, Indemnitor shall have no obligation to indemnify, defend or hold harmless any Indemnified Party for Losses that result from any such Indemnified Party's gross negligence or willful misconduct or the acts or omissions of Master Lessee or Master Lease Guarantor (or anyone claiming by, through or under Master Lessee) on or with respect to any Individual Property. If any such action or other proceeding shall be brought against Lender, upon written notice from Indemnitor to Lender (given reasonably promptly following Lender's notice to

Indemnitor of such action or proceeding), Indemnitor shall be entitled to assume the defense thereof, at Indemnitor's expense, with counsel reasonably acceptable to Lender; provided, however, Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Indemnitor expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Indemnitor's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Indemnitor that would make such separate representation advisable.

5. Limitation on Liability of Indemnitor.

(a) Notwithstanding anything to the contrary herein, in the event of:

(i) any foreclosure (or a transfer in lieu of foreclosure) by a Mezzanine Lender that is not Borrower or an Affiliate of Borrower, of the direct Equity Interests in Borrower, any SPE Component Entity or any other Mezzanine Borrower pledged as collateral for a Mezzanine Loan pursuant to the Mezzanine Loan Documents (any such foreclosure or transfer-in-lieu thereof, a " Mezzanine Foreclosure Divestment"), with the result that neither Indemnitor nor any Affiliate of Indemnitor (excluding, however, any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor) shall hold any direct or indirect Equity Interests in, or Control, Borrower (Borrower in such case may be referred to as "Divested Borrower"); or

(ii) any foreclosure (whether judicially or non-judicially by private sale or trustee's sale) or deed in lieu of foreclosure or similar transfer under any Security Instrument (any such foreclosure, foreclosure sale or deed in lieu thereof, a " Foreclosure Divestment"), with the result that neither Borrower nor any Affiliate of Borrower shall hold any direct or indirect interest in, or the power to direct the management of, any Individual Property thereby foreclosed or transferred, excluding Indemnitor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property, a "Divested Property"); or

(iii) the appointment of a receiver by a court of competent jurisdiction with respect to an Individual Property (any such appointment, a "Receivership Event", and the period during which such Individual Property remains under a receivership, the " Receivership Period"), with the result that neither Borrower nor any Affiliate of Borrower shall have any possession of, or hold the power to direct the management of, such Individual Property that is subject to such Receivership Event during the Receivership Period, excluding Indemnitor's, HoldCo's or any Intermediate HoldCo Entity's direct or indirect Equity Interests in Master Lessee (each such Individual Property subject to a Receivership Event, a " Receivership Property"),

then, in such cases, Indemnitor shall not have any liability hereunder for any Losses arising solely from any circumstance, condition, action or event with respect to any such Divested Borrower, Divested Property or Receivership Property (A) to the extent arising from: (1) any action taken by any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor, (2) any circumstance, condition,

action or event with respect to the Property or any Loan Party first occurring after the date of such Mezzanine Foreclosure Divestment, (3) any action taken by any successor owner of such Divested Property, (4) any circumstance, condition, action or event with respect to such Divested Property first occurring after the date of such Foreclosure Divestment, (5) any action taken by any receiver for such Receivership Property during the Receivership Period, or (6) any circumstance, condition, action or event with respect to such Receivership Property first occurring after the occurrence of such Receivership Event and during the continuance of such Receivership Period; and (B) not caused by Borrower or any Affiliate of Borrower (excluding any Loan Party who as a result of such Mezzanine Foreclosure Divestment is no longer Controlled by Indemnitor or any Affiliate of Indemnitor); provided that Indemnitor shall remain liable hereunder for any Losses to the extent arising from any circumstance, condition, action or event occurring (x) with respect such Divested Borrower, prior to the date of such Mezzanine Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Mezzanine Foreclosure Divestment, (y) with respect to such Divested Property, prior to the date of such Foreclosure Divestment, even to the extent the applicable liability, loss, cost, or expense does not occur, or the occurrence of the applicable circumstance, condition, action or event is not discovered, until after the date of such Foreclosure Divestment, and (z) with respect to such Receivership Property, prior to such Receivership Event or after the expiration of such Receivership Period, even to the extent the applicable liability, loss, cost, or expense occurs, or the occurrence of the applicable circumstance, condition, action or event is first discovered, during the Receivership Period.

(b) In the event that an "Event of Default" under a Mezzanine Loan shall exist with respect to a Mezzanine Loan and the related Mezzanine Lender is not Borrower or an Affiliate of Borrower and exercises, pursuant to the exercise of remedies under the Mezzanine Loan Documents, direct voting Control, by power of attorney or other exercise of voting power with respect to the Equity Interests of the applicable Borrower, SPE Component Entity or Mezzanine Borrower pledged to such Mezzanine Lender as collateral for its Mezzanine Loan under the related Mezzanine Loan Documents, of such Equity Interests in the applicable Borrower, SPE Component Entity or Mezzanine Borrower so pledged as collateral for such Mezzanine Loan (the " Direct Control Remedies", and such Mezzanine Lender exercising such Direct Control Remedies, the " Controlling Mezzanine Lender"), Indemnitor shall not have liability hereunder for the actions that such Controlling Mezzanine Lender, in the exercise of its Direct Control Remedies, causes Borrower, any SPE Component Entity or any Mezzanine Borrower to take ("Mezzanine Lender Controlled Actions") if such Mezzanine Lender Controlled Actions are taken without inducement, solicitation and/or consent from, or in collusion with, Borrower or any Affiliate of Borrower (other than Loan Parties to the extent Controlled by the Controlling Mezzanine Lender in the exercise of its Direct Control Remedies).

6. Survival.

(a) This Agreement and the indemnities provided herein shall survive the repayment of the Loan and, subject to the terms of such indemnity, shall survive the exercise of any remedies under the Loan Documents, including, without limitation, any remedy in the nature of foreclosure, and shall not merge with any assignment or conveyance given by Borrower to Lender in lieu of foreclosure.

(b) It is agreed and intended by Indemnitor and Lender that this Agreement and the indemnities provided herein may be assigned or otherwise transferred by Lender to its successors and assigns and to any subsequent purchaser of all or any portion of the Loan by, through or under Lender, without notice to Indemnitor and without any further consent of Indemnitor. To the extent consent of any such assignment or transfer is required by law, advance consent to any such assignment or transfer is hereby given by Indemnitor in order to maximize the extent and effect of the indemnity given hereby.

7. Miscellaneous; No Waiver.

(a) The liabilities of Indemnitor under this Agreement shall in no way be limited or impaired by, and Indemnitor hereby consents to and agrees to be bound by, any amendment or modification of the provisions of the Loan Documents to or with Lender by Borrower or any Person who succeeds Borrower or any other Person as owner of any portion of the Collateral or any Individual Property. In addition, notwithstanding any terms of any of the Loan Documents to the contrary, the liability of Indemnitor under this Agreement shall in no way be limited or impaired by: (i) any extensions of time for performance required by any of the Loan Documents; (ii) any sale, assignment or foreclosure of the Note or the Loan Documents or any sale or transfer of all or part of the Collateral or any Individual Property (except as provided in Section 5 hereof); (iii) any exculpatory provision in any of the Loan Documents limiting Lender's recourse to property encumbered by the Loan Documents or to any other security, or limiting Lender's rights to a deficiency judgment against Borrower; (iv) the accuracy or inaccuracy of the representations and warranties made by Borrower under any of the Loan Documents; (v) the release of Borrower or any other Person from performance or observance of any of the agreements, covenants, terms or conditions contained in the Loan Documents by operation of law, Lender's voluntary act, or otherwise; (vi) the release or substitution, in whole or in part, of any security for the Loan; or (vii) Lender's failure to record the Security Instrument or file any UCC-1 financing statements (or Lender's improper recording or filing of any thereof) or to otherwise perfect, protect, secure or insure any security interest or lien given as security for the Loan; and, in any such case, whether with or without notice to Indemnitor and with or without consideration.

(b) MARSHALLING. INDEMNITOR WAIVES ANY RIGHT OR CLAIM OF RIGHT TO CAUSE A MARSHALLING OF BORROWER'S ASSETS OR TO CAUSE LENDER TO PROCEED AGAINST ANY OF THE SECURITY FOR THE LOAN BEFORE PROCEEDING UNDER THIS AGREEMENT AGAINST INDEMNITOR OR TO PROCEED AGAINST INDEMNITOR OR BORROWER IN ANY PARTICULAR ORDER. INDEMNITOR AGREES THAT ANY PAYMENTS REQUIRED TO BE MADE HEREUNDER SHALL BECOME DUE AND PAYABLE TEN (10) DAYS AFTER DEMAND. INDEMNITOR EXPRESSLY WAIVES AND RELINQUISHES ALL RIGHTS AND REMEDIES (INCLUDING ANY RIGHTS OF SUBROGATION) ACCORDED BY APPLICABLE LAW TO INDEMNITOR.

(c) Joint and Several Obligation. If Indemnitor consists of more than one Person or entity, each shall be jointly and severally liable to perform the obligations of Indemnitor hereunder. Any one of Borrower or one or more parties constituting Indemnitor or any other

party liable upon or in respect of this Agreement or the Loan may be released without affecting the liability of any party not so released.

(d) Further Assurances.
